HONORARY DEGREES GRANTED

The Forty-first Annual Commencement at Indiana Central was held on the morning of June 5 in the college gymnasium. President I. Lynd Esch presided and conferred degrees on thirty candidates from the senior class.

Dr. Harold R. Heininger, president of the Evangelical Theological Seminary at Naperville, Illinois, delivered the Commencement address.

Four honorary degrees were conferred on recognized church and civic leaders. The Doctor of Laws degree was conferred on Hobart Creighton of Warsaw, speaker of the House of Representatives of the Indiana State Legislature and a member of the college Board of Trustees; and on Lawrence L. Huffman of Dayton, Ohio, president of the college Board of Trustees and head of the Otterbein Press, publishing house of the United Brethren Church.

Doctor of Divinity degrees were conferred on the Reverend E. Craig Brandenburg of Bedford, superintendent of the Indiana Conference of the United Brethren Church; and on the Reverend George McNahren of Viola, Wisconsin, superintendent of the Wisconsin Conference.

CENTRAL DEFEATS CANTERBURY

Resuming activities on the gridiron, after fifteen years of inactivity, the Greyhound eleven handed the Canterbury (Central Normal) squad a 6 to 0 defeat in the initial contest of the season. Coach Bright and his squad faced the opposition with a fighting spirit which made up for their lack of experience. Two of the starting line-up backfield men and four of the linemen had never before played interscholastic football. Full of enthusiasm and fight characteristic of squads seen in former years, the boys came out on top.

The Canterbury squad was no easy dish, making several sustained drives deep into Central territory. Each time the Red and Grey held at the crucial moment and turned the tide.

Early in the second quarter the Greyhounds took the ball on the Warriors’ 46 following a blocked kick. Rushing accounted for several gains, then Briggs passed to Crowe to advance to the 20. Here the Warrior line stiffened to the running attack, but Friedenberger took to the air and McBride caught it on the 10. Nicodemus then plowed through for 5 yards, and repeated to put the ball on the 1-foot line. From here V. Gillman scored. Cox came in to kick but failed.

ANNUAL ALUMNI LUNCHEON
All Alumni and friends of the college and particularly those of you who are teaching in the public schools of the state are invited to the Annual Alumni Luncheon. It is to be held at 12:00 noon in the Gold Room of the Washington Hotel on Friday, October 25, the last day of the Indiana State Teachers' Convention at Indianapolis.

Misses Sibyl Weaver and Blanch Penrod are co-chairmen on arrangements and program for the luncheon. Dr. Esch, Coach Bright and Alumni President, Glen O'Dell, will speak a few words which should be of interest to everyone. College talent will furnish the music for the occasion. A good attendance is anticipated.

AUDITORIUM SERIES
In an attempt to provide another opportunity for students of the college and the people of the community to hear outstanding speakers, musicians, and writers, Indiana Central College inaugurated their Auditorium Series.

The programs were so well received last year that another series has been arranged. On September 27, Bomar Cramer, nationally known Indianapolis pianist, played an all-Chopin program as the first concert. Other programs to be presented on the series are as follows:

- October 12, Dr. Albert Parry will present his lecture, "Russia, East and West".
- December 3, Elsie MacFarlane, New York contralto
- January 10, Lewis Cotlow, world famous explorer, will show color pictures and lecture on "Amazon Jungle Tribes"
- February 11, The Lansingers Quartet (mixed)
- March 7, Newton Bell, lecturer on world affairs
- April 18, production by the campus dramatic club, Alpha Psi Omega

BOARD OF TRUSTEES ELECT
Hobart Creighton of Warsaw, speaker of the Indiana House of Representatives, and William H. Book, executive secretary of the Indianapolis Chamber of Commerce, were elected trustees-at-large of Indiana Central at the annual meeting of the Board of Trustees of the college held last February.

Re-elections announced at the close of the session included Dr. I. Lynd Esch, president of the college; Evan R. Kck, treasurer and business manager; Dr. L. L. Huffman, Dayton, Ohio, president of the Board; and Arthur Catlin of Decatur, Illinois, trustee-at-large. The Reverend George H. McAhren of Viola, Wisconsin, was named vice-president and Dr. Virgil G. Hunt, Indianapolis, secretary of the Board.

Elected to the Executive Committee of the college were Bishop Fred L. Dennis, Indianapolis; Dr. Donald F. Carmony, Mishawaka; Dr. L. L. Huffman; Justin E. Marshall, Indianapolis; Dr. L. L. Baughman, Decatur, Illinois; Dr. E. Craig Brandenburg, Bedford, Indiana; Dr. B. H. Cain, Warsaw, Indiana, and Dr. Virgil G. Hunt.

Address all communications to The Alumni Office, Indiana Central College, Indianapolis 3, Indiana.

Subscription rate, $1.00 per year. Single copies 35 cents.

The Alumni News is published for the alumni, former students and friends of Indiana Central College by the Alumni Association during the spring, summer, fall and winter seasons.

Editor: (pro-tem) Edgar S. Gault.
Assistant Editors: Alva Stoneburner, Merrill Underwood, Albert Findlay, Cloyd Rose, Eugene Mogle.

EXPERIMENT NUMBER TWO
The reactions to "Experiment Number One" were numerous and all of them phrased the same idea, namely, "We have just received the first copy of 'Alumni News' and enjoyed it thoroughly. Let's have some more of it."

The staff appreciates these responses and it is very willing to continue to edit 'Alumni News,' but it is impossible for them to edit news unless they have it. Sending in the news about the Alumni is your job, so come on, take a minute to write down some bit of information about someone that you know and mail it in. From then on, the staff will take over and in a short time you will receive another issue of "Alumni News" that will bring back all the fond memories of yesteryear.

MUNCIE ALUMNI CLUB
On four occasions during the year a very active group of I. C. C. Alumni living in the vicinity of Anderson, Muncie, Hartford City and Marion meet for good fellowship and the reviving of campus days. The group has included about fifty of the seventy Alumni living in that vicinity.

Under the leadership of Lowell Barnett ('39), they have accepted the challenge of furnishing an Athletic Scholarship for some aspiring man at I. C. C. In the very near future they expect to have met this goal and will be ready to start working on another project.

At a recent meeting, Reverend L. L. Rupp ('27) recounted many of his experiences as a "sea-going cowboy" with a load of cattle sent to Greece by U. N. R. A. While in Greece, Reverend Rupp had a little time to visit along the west coast of Greece and to visit Corinth.

ANNUAL ALUMNI MEETING
The annual I. C. C. Alumni Association dinner and business meeting was held June 1 at 6:30 P. M. at the Lake Shore Country Club, Indianapolis. One hundred and forty alumni and guests attended. Robert Durham was toastmaster at the dinner and Glenn O'Dell, Association president, was in charge of the business meeting.

Justin Marshall welcomed the class of 1946 into the Alumni Association and Robert Sachs, representing the new class, gave the response.

Selection results for officers of the Association were announced by Miss Blanche Penrod. They were as follows: A. Glenn O'Dell, president; George Fisher, vice-president; Kathryn Mogle, secretary; Edith Bailey, treasurer, and W. Earl Stoneburner, trustee.

Delta Cummins, member of the Committee on Resolutions, submitted the following resolutions which were voted on and adopted by the Association:

I. WHEREAS, Indiana Central College has made positive and material progress in all phases of its program during the past year and the establishment of a broad program and the progress made toward its accomplishment is due in no small measure to the wisdom, initiative and leadership of its president and staff, BE IT RESOLVED, that the Alumni Association extend its appreciation and best wishes, and tender its full resources to, as well as express its confidence in, Dr. Each and his staff.

II. WHEREAS, the Alumni Association must, in order to be of greatest service, accept definite responsibilities with respect to the initiation and accomplishment of certain programs, including the publication of an alumni organ, pointing to the advancement of the college and the formation of a more effective association, and WHEREAS, the voluntary acceptance of such responsibilities requires a reasonable degree of certainty with respect to anticipated income, BE IT RESOLVED, that each member accept the personal obligation of prompt payment of his dues during the month of May of each year or as soon thereafter as is possible.

III. WHEREAS, it is advisable that the Alumni Association keep informed of the activities of groups of Alumni and of newsworthy personal items, and WHEREAS, such information is of value to those responsible for the Alumni publication, BE IT RESOLVED, that each group of Alumni furnish the secretary of the Association with a regular report of the activities of such groups, and that each alumni be urged to inform the Editor of the Alumni publication of items of interest to the Association.

IV. WHEREAS, some confusion has resulted from local Alumni groups having as a part of their name the words Alumni Association, BE IT RESOLVED, that each such group be requested to take such action as is necessary to change the name to be changed to Indiana Central Clubs and further identified by the city or geographical location.

V. WHEREAS, the Alumni Association desires to foster and accomplish an annual project, and WHEREAS, it is desired to assist in the re-establishment of intercollegiate football between Indiana and as soon as possible, BE IT RESOLVED, that the Association request the privilege of providing funds for the purchase of sufficient uniforms and personal gear to equip a football squad of twenty-two men.

VI. WHEREAS, the Alumni Association desires to foster and accomplish an annual project, and WHEREAS, it is desired to assist in the re-establishment of intercollegiate football between Indiana and as soon as possible, BE IT FURTHER RESOLVED, that a committee of five, including the athletic director, be appointed to devise ways and means and to act in all matters for the Association and to render a report and accounting at the next annual meeting.

VII. WHEREAS, college-trained Individuals, upon completion of such training, faced with the necessity of fitting themselves into established social organizations, customs and proper practices, and WHEREAS, such integration is difficult or impossible without adequate training and information, BE IT RESOLVED, that the proper officials of Indiana Central College be urged to appoint a committee consisting of members of the faculty, members of the student body, and a member of the Alumni Association selected by the executive committee; such committee to study the entire matter of student social activity and to make recommendations to the proper official of the college with respect to the character and extent of activities which will foster Christian character, and at the same time properly prepare its students to gracefully and spontaneously adapt themselves for participation in proper and accepted social customs and activities.

ATTENTION REPORTERS
We need at least one person in each graduating class who will be responsible for receiving news from their fellow class members, edit that material and send it in for publication.
Mark it down again in baseball history, the Greyhound Club "brought home the bacon" by capturing the Indiana Conference title. Under the able coaching of mentor Ed. Bright they faced the season with a squad of only eighteen men out for the team. Coach Bright succeeded in putting together a winning combination for all conference comers except Indiana State. The only two defeats of the conference schedule were dished out by the team from Terre Haute.

In conference encounters the Cardinal and Grey defeated Manchester 8 to 0, Ball State in two games 8 to 1 and 6 to 3, Butler 4 to 1, Taylor 18 to 1, Anderson 15 to 1, and Canterbury (Central Normal) twice 8 to 7 and 7 to 4. The Camp Atterbury squad soundly thumped the Centralites early in the season. In an important non-conference game the Greyhounds triumphed over the University of Louisville.

Good performances on their pitching assignments were handled by Kistler, Ruth and Klos. Kistler racked up the feature record of the year by winning seven out of eight starts.

Something should be said of the spirit shown by this team. Sparked by their enthusiasm for the game they never quit trying. Always scrapping, they exhibited both fine individual and team spirit. This in turn paid dividends in games won. Our heartiest congratulations to these fellows and Coach Bright.

FOOTBALL CAMP CONDITIONS TEAM

In preparation for resuming intercollegiate football this fall Coach Bright planned and conducted a football camp to pre-condition his squad. Reporting for the camp on August 26, Coach Bright had forty boys ready to start preparations for the oncoming grid schedule.

Dealing with many inexperienced men, Bright emphasized fundamentals in his "Daily Double" workouts. Two practice periods were held each day as the boys were whipped into shape in a well-rounded conditioning program. All phases of the game were stressed as the boys literally ate and slept the basic training given them in running, blocking, tackling, passing and kicking.

By the time school had opened the squad had grown to nearly sixty in number, half of whom were freshmen. At this time practice periods were reduced to one per day. Though inexperienced, the ardor of these boys was not dampened by hard work and nearly fifty-five candidates are still vying for permanent positions on the varsity squad.

CROSS COUNTRY IS BACK

Once again it is a familiar sight to see a group of fellows, clad in track attire, jogging about the campus. With the return of R. Hurst and J. Montoya, who hung up their spiked shoes in 1942 to join the fighting forces of Uncle Sam, the Harriers have resumed their workouts.

Bolstered by several good men from high school track squads, and several promising lads with high school cross country experience, Montoya and Hurst are striving to condition the group for several fall meets. Daily workouts are now in progress.

A definite final schedule has not as yet been arranged but several of the Indiana Conference schools including Manchester, Anderson, Earlham, Butler and Wabash have expressed a desire to compete in fall meets.

Hurst and Montoya both have turned in some impressive performances in past years. With these boys forming the nucleus of the fall squad it is reasonable to expect a good season.

CENTRAL DEFEATS CANTERBURY

(Continued from page 1)

On paper the Centralites were badly defeated, scoring only six first downs to Canterbury's 21. Most of the game was played on the Cardinal end of the field. Courtney and Volk, from the Danville squad, proved very evasive, and both got away for substantial gains but never scored.

Late in the fourth quarter, the Warriors drove deep into Central territory, with Courtney and Volk spearheading the attack. The Greyhound forward wall stiffened and held on the 6-yard line. The game ended before Canterbury could score.

"The boys played up to expectations," said Coach Bright. "We made plenty of mistakes, but we're hoping to be able to smooth out the rough spots for later games. If the fellows continue the grand spirit shown in this first game we're expecting a good season."
OUR ATHLETIC PROJECT

Those of us who were privileged to attend the annual Alumni Association banquet last June 1, will recall the spirit of optimism and enthusiasm which prevailed, especially after the fine report given by President Esch on the state of the college. This spirit was given practical application when unanimous approval was voted the resolution calling for the purchase of football uniforms and equipment to the extent of approximately $2500 as the special project of our association this year.

Shortly after, in conference with Dr. Esch, it was agreed that the best possible channel through which these gifts could, and would, come was the Living Endowment Foundation of I. C. C. of which we are all informed. Many commendations of the plan have come to us from alumni. But to put it over means the co-operation of us all.

The college reports that the churches are responding favorably to the plan, but that individual alumni are slow in returning the cards. Remember, your church and conference get credit for your gift.

The Greyhound squad looks mighty fine in their new uniforms, and, judging from the brand of ball they played against Canterbury in the season's opener, they are headed for a successful year.

Come on, alumni, let's go! One endowment unit of $10 from each of 250 of us will put us over the goal line. Be sure to state on the card that your gift is to be applied on the Alumni Football Equipment Project.

A. Glenn O'Dell, President.

Utica, Montana
May, 1946

Dear friends:

This item may be too late for the alumni paper for a while but thought I'd send my dues and help keep this good thing alive. I received the first copy and found it very interesting. I've wondered where all of the class of '29 have located.

We own and operate a general merchandise store here in Utica, so you see I have travelled far from Central since graduation. Utica is near the mountains in good hunting and fishing country. It is just a village, about ten houses, a hall, a two-room school, a checking station for hunters, an old beer parlor, a small post office and church. We sell a little of everything and are located in the midst of big ranches.

We have two girls, age 10 and 7, by name Nancy and Conny.

We have worked on a project here that I think will be of interest to many Centralites. When we arrived in town four years ago there was no Sunday School and no church. Services were held twice a month in the school house—that is, if there was a minister in the parish. I finally decided to see what could be done about a Sunday School, because I wanted our own girls in one, so we had the first one in our living room. Nine came the first Sunday and thirteen the next. It grew in numbers and we decided to use the school house. Since it has two rooms, it worked out very nicely. Well, as time went on we finally had a happy thought of buying an old saloon for a church. It was originally a schoolhouse and was moved in for a saloon, then it was sold to a man who used it for gambling only. We wrote our Superintendent about it and last August we bought it and now it is free of debt and we have started repair work on it. "A Woman's Society has been organized and they put on a dinner and made enough to wire and paint the building and that will be done in the next two weeks. For a time we used it with the bar and beer cooler in it. It has one big room that will seat about 70 and a large kitchen and room on the side. It is right up town and can be seen by all the traffic thru here. Not only will it be an inspiration here but to all who go by it. It happens to be a Methodist church. I can tell you it has been a lot of fun doing this bit of missionary work out here. We were told in college that college days were the happiest days of our lives. That shouldn't be told that way, but it should be stated that during those days we should prepare for the happiest days, see what I mean? You can take it from a graduate of Central way back in '29 that the training I received there has helped me thru many an experience out here. We used to laugh at dear President Good's expression about the "Christian college with a purpose," but now, we all pray it may be kept just that way.

This is a peculiar letter—perhaps—just written to someone back there. Say "Hello" to everyone for me and pray for our work out here. Might add we have a regular pastor now and our work will continue to improve.

From just another member of the class of '29

Bess Ballard Raitt

P. S. Might add that Warren is definitely a Montana product!

Editors Note—There was no way to shorten this letter. Let's have more like it.

DO YOU WANT AN ALUMNI DIRECTORY?

A number of alumni have indicated that they would like to have a directory telling about all the people they knew while they were in college. Let us know if you want one, so we can determine if there is sufficient demand to justify publishing one in January, 1948.
FULL ATHLETIC PROGRAM

With returned veterans bolstering the male enrollment, the Physical Education Department is looking forward to a full athletic program on an intercollegiate basis. All the sports regularly found in the prewar program at Central will be back and several others are to be added.

With basketball and baseball having been resumed last year and football started again this fall, the big three are back. Cross country is being reinstated this fall and track will follow in the spring.

In addition to these major sports, plans are being made to add wrestling, tennis, and quite possibly golf. This winter the coach will pick and train a group of wrestlers, looking forward to getting into conference matches next winter.

Mr. Kenneth Sidebottom, of the Mathematics Department, has been drafted to coach tennis next spring. Fall activity on the courts showed a decided increase and interest in tennis seems to be at a higher pitch than for some time. It is expected that the Cardinal and Grey will have a strong crew of racket wielders to pit against the spring opposition.

At present intercollegiate golf is an uncertainty, but it will be included in the athletic set-up if enough persons show interest. It is hoped that spring will find a squad representing Central on the fairways.

OBITUARY

Captain Derril B. Ratliff ('41) was killed in action while on a secret mission over Leghorn, Italy, on May 12, 1944. He enlisted in the Air Corps and after training was sent to Africa in May, 1943. While serving as flight leader, his unit received two citations from Washington for meritorious achievement in accuracy of bombing while on secret missions over the European continent. He was a veteran of fifty-three bombing missions. He was awarded the Air Medal, nine Oak Leaf Clusters and the Purple Heart (posthumously).

Memorial Services were conducted for Captain Ratliff by the Reverend Heedlie Cobb in the Hartford City U. B. Church on May 12, 1946. Wallace Decker and Garth Webber ('46) unveiled a picture of Captain Ratliff. He is survived by his mother, Mrs. Grace Ratliff; a brother, Francis Ratliff ('34); two sisters, Mrs. Dorothy Smith ('37), and Betty.
