Minutes of Spring Business Meeting
June 7, 1947

The Alumni Association of Indiana Central College held its annual business meeting on June 7, 1947, at 6:30 P.M. in the basement of Wilmore Hall. Fifty-three members were present. The President, Glenn O’Dell, called the meeting to order. The invocation was given by Imri Blackburn.

The minutes of the last meeting were read and approved.

The treasurer, Edith Bailey, gave her annual report.

On motion of Bishop F. L. Dennis the report was accepted.

Dr. Roy H. Turley, Chairman of the Nominating Committee, read the results of the annual election of officers as follows:

President—George H. Fisher.
Vice-President—Mary Morgan.
Secretary—Kathryn Mogle.
Treasurer—Ralph Frey.
Trustees—Lillian Ragains, Kenneth Brice.

The report was accepted on the motion of Ed Gault.

Ralph Frey, Chairman of the Resolutions Committee, submitted the report of his committee. On motion of Reverend John Roberts the report was accepted as a whole.

The report of the committee appointed to study the problems of financial support of the Alumni News was read by Alva Stoneburner, secretary of the committee. Discussion followed. All four sections of the report were accepted.

The report of the committee on campus social activities was read by Delta Cummins. Mr. Evan Kek moved the adoption of the report. The motion passed. A questionnaire prepared by the committee was passed to the membership and discussion followed. Because of the lateness of the hour, no action was taken on the questionnaire.

On motion of Ed Gault, it was agreed that the minutes of this session be abbreviated and placed in the next issue of the Alumni News.

On motion of Reverend R. H. Turley, the meeting stood adjourned.

Kathryn Mogle, Secretary.

Recommendations of Financial Committee

1. It is recommended that, pending acceptance by the Student Council and officials of Indiana Central College, the college be asked to introduce with the fall semester of 1948 a tuition fee of $1.25 per semester per student, this fee to be set aside for the Alumni Association of Indiana Central College. Upon the completion of eight semesters, each graduating student having paid $10.00 will be granted a life membership in the Alumni Association of Indiana Central College. Such life members would be exempt from the assessment of $1.00 annual dues.

2. It is recommended that in view of the present debit of $591.26 for the printing of the Alumni News, now standing against the assets of the Alumni Association of Indiana Central College, the president appoint an active committee to inaugurate and sponsor a Life Membership Campaign among the members of the Alumni Association of Indiana Central College, a life membership being granted to any alumnus paying $10.00 to the Alumni Association. Such life members would be exempt from assessment of $1.00 annual dues.

3. It is recommended that all remittances for dues or for life memberships for the Alumni Association of Indiana Central College be sent to the treasurer of the Alumni Association, care the Alumni Office, Indiana Central College, and in no case mailed to the Editor of the Alumni News.

4. It is recommended that the constitution of the Alumni Association of Indiana Central College be amended to read:

(a) Membership in the Alumni Association will be granted to any person who completes four years of credit and who receives a degree from Indiana Central College.

(b) Associate Membership in the Alumni Association of Indiana Central College will be granted to any person who has completed one or more semesters of credit at Indiana Central College, such membership to be effective upon the day of graduation of the four-year class with which the student started.

(c) The voting membership of the Alumni Association of Indiana Central College will consist of all regular members and those Associate Members who have completed the two-year Normal teachers course.

(d) Honorary membership in the Alumni Association of Indiana Central College will be granted to those persons who receive honorary degrees from Indiana Central College, these members to be considered members of the graduating class receiving their degrees at the same Commencement.

News to Publish Three Issues

At the August 19 meeting of the executive board it was decided to cut the publication of the Alumni News to three issues per year. These issues will appear in October, February, and June. Because of the vacation period it was felt that the summer issue could be eliminated.

Other reasons entered into this decision. Printing costs can be reduced, of course, by the elimination of one issue. Foremost, however, it was felt that better news coverage could be developed by spacing the issues to catch the school opening, mid term, and graduation periods.

The reduction in number of issues will make for keener editing. Duplication of news which has appeared both in the Alumni News and the Reflector will be carefully avoided. Sports will be presented in resume form only. Every attempt will be made to make the paper flavorful without wasting space. In general it is felt that this move will give you a better and more appreciated paper.
Life Memberships

In the spring business meeting the financial committee proposed a scheme of life membership in the Alumni Association of I. C. C., which encompasses both the future graduates and all alumni. This scheme was discussed and accepted. The proposed plan was to start, subject to the approval of the Student Council, with the fall semester of 1948. At this time a fee of $1.25 per semester will be charged the student body. The accumulation of this fund for eight semesters will total ten dollars which would entitle the student to a life membership in the Alumni Association of I. C. C. and would exempt him from payment of dues or subscription rate for the Alumni News.

This plan perpetuated from year to year would give the Alumni Association an income to forego the expenses of publication of the Alumni News and for other proposed uses. This proposal does not set up conditions whereby the student body is pulling the Alumni Association "out of the hole," but merely sets up a plan for a definite income on which the Association can base its activities. This plan has been and is being used successfully at other colleges.

It is, however, unfair to make such a proposal to the future students unless the now existing Alumni are willing to show their backing to the organization by endorsing and promoting the life membership campaign. A payment of ten dollars will exempt any member from further payment of dues or subscription rate to the Alumni News. We need 100 life members to clear our present debit and put the Association on its feet.

A Broader Base

Psychologists tell us that the successful man is the one who is never quite satisfied. Not that dissatisfaction breeds success, but those who are always looking ahead for new fields to conquer or greater problems to solve are the ones who are generally earmarked for the greatest achievements in life. Seldom is their progress rapid, but a steady rise to things well planned and dreamed. Success is not made in a day.

The same is true of organizations. Backed by careful planning and farsighted thinking, great businesses are built block at a time, often from a meager start. Our great churches and lodges are also examples of this growth. Such building is centered about a central purpose which binds together each widening sphere of influence.

We have the initial organization in the Alumni Association of I. C. C. We have the purpose in the furthering of the interests of Indiana Central. Our limits are set by ourselves.

Our organization has advanced greatly in the past few years and it is time that we are spreading our influence. This is being accomplished by the official recognition of the normal graduates and former students as a part of our organization. It was voted in the spring meeting to amend the constitution to include these persons in the Alumni Association. It is with a great deal of pleasure that we welcome all former students as members of the Alumni Association, and it is our fondest hope that they will be found among our staunchest and most ardent supporters.

Executive Committee Meets

The Executive Committee of the Alumni Association of Indiana Central College met at the home of Miss Sibyl Weaver on August 19, 1947. Those present were George Fisher, Ralph Frey, Sibyl Weaver, Mary Morgan, Kathryn Mogle, and Evan R. Kek. The president, George Fisher, presided.

Mr. Fisher asked Miss Morgan to make arrangements with the Hotel Washington for the meeting of the alumni during State Teachers Association meeting in October, and also to notify the Teachers Association of the meeting. Mr. Fisher indicated that he would take charge of arranging for a program.

It was decided to make reservations now at the Lake Shore Country Club for the annual alumni meeting June 5, 1948.

It was moved that three issues of the Alumni News be printed each year (October, February and May) rather than four issues. The motion passed.

It was moved that the treasurer be authorized to pay charges for the printing of the next issue of the Alumni News.

The president appointed Ralph Frey as chairman of the Life Membership Committee with the executive committee as his committee. It was decided that a letter should be sent to all alumni indicating that any member paying $10.00 would become a life member of the Alumni Association and would be exempt from all dues. All Indianapolis alumni will be contacted by telephone following the mailing of the above-mentioned letter. The members of the executive committee gave the treasurer $10.00, thus starting the Life Membership Campaign.

The meeting adjourned.

George Fisher, President.
Kathryn Mogle, Secretary.

Try Your Ability

This paper would be glad to publish the spontaneous contributions of any member of the Alumni Association. Try your hand and send us a piece of writing. Nothing would make us any happier than to crowd the News with contributions from our readers.

Class .............................................
I.C.C. Joins Hoosier College Conference

Indiana Central College has joined the newly-formed Hoosier College Conference as the loop went on a permanent basis at the start of the 1937-1938 college season.

Several of the schools formerly playing in the mythical Indiana Conference being somewhat dissatisfied with the loosely organized affair, decided to put their standings on an official basis in joining the new organization. Ed Bright, former I.C.C. Athletic Director, was very instrumental in the formation of the new conference.

Glenn Johnson, athletic director at Canterbury College, was selected as president of the new loop. Prof. Robert E. Hutchens of Rose Poly was elected vice-president and Dean James Bally of Earlham was named secretary-treasurer and acting publicity director. The conference consists of Anderson College, Canterbury, Franklin, Hanover, Indiana Central, Manchester, and Rose Poly.

The conference, which will recognize and establish champions in the various sports as well as an all sports champion, also took action to provide for equitable schedules. J. Owen Huntsman, head coach at Earlham, was named to draw up a rotation football schedule.

Under the conference rules, each member must play at least four league football games per season. They are also required to play at least ten conference basketball games and meet every other team at least once. Member schools must also participate in at least three track meets with other conference teams as well as entering a team in an all conference meet. Baseball teams must meet all other conference teams each season.

Such a control of scheduling makes this newly-formed conference free from the fallacies found in the Indiana Conference where no rules and regulations are set forth and whereby all Indiana Colleges were compared regardless of schedule. It is felt that the establishment of this conference will give a much needed rating to the performance of member schools.

Greyhounds Win Opener 25-0

The lid was popped off the Indiana College football season on September 20 as the Indiana Central eleven gave a sound 25-0 drubbing to the Canterbury team before 2,700 fans at Southport Stadium. The game was the first to be played between members of the newly-formed Hoosier College Conference.

The alert Greyhounds cut loose with some plain and fancy quick opening plays off tackle, some dangerous passing, and some fine defensive ball hawking to dominate the play from start to finish. Canterbury made only one serious scoring gesture and that was nullified by a fumble as they neared pay dirt.

The Greyhounds tallied in each of the first two periods and then picked up two more markers in the final quarter. Touchdown number one was scored on a thirty-one yard run when Bunge broke off right tackle and went through a gaping hole behind perfect interference. The second score came from Canterbury's 29-yard line, where Eicher whipped a perfect touchdown pass to McBride.

The third tally was chalked up when in the final period, galloping Bill Clark went wide around right end for 14 yards and a touchdown. The final marker was scored on a smothered Canterbury pass which popped into the hands of a group of Centralites. Verne Chandler finally recovered and raced 40 yards to score.

Canterbury's only threat to score was stopped when Virgil Hanson recovered a Canterbury fumble on the Central 9-yard line.

Indiana Central registered nine first downs to five for Canterbury, but the Knights did most of their gaining late in the game when the Greyhound lineup was studded with reserves.

Greyhounds Help Franklin Win 19-13

Playing their second game of the season, Indiana Central's Greyhounds handled Franklin three touchdowns on a silver platter and were able to score only two of their own.

Franklin converted two Central fumbles into first period scores. They tallied again midway in the third period after Central suffered three consecutive fifteen-yard penalties.

Passes from Greyhound quarterback Bill Fredenberger, one to McBride in the second quarter, and another to Bill McBride in the last five minutes of play, cut the final margin to 19-13.

Fredenberger was about the whole show for the Greyhounds, keeping the invaders with their backs to the wall with his long kicks, and fanning Central's hopes for victory with his passing in the last minutes of play.

Right end McGrath blocked a Franklin punt and Central recovered on the Franklin twenty-yard line at the hectic finish. Two of Fredenberger's passes were incomplete, one off the fingertips of McBride in the end zone and a third was hauled down by an ineligible receiver as the game ended.

The Greyhounds dominated the play except for the fumbles which resulted in the Franklin touchdowns in the first fifteen minutes of play.

Central Trims Defiance

Upsetting the dope bucket on October 4, the Greyhounds traveled to Defiance, Ohio, to hand the latter school a 12-0 defeat. The Centralites connected in the first period with a pass from Eicher to Wise to score the first marker. In the second period, quarterback Bill Fredenberger fired a twenty-yard bullet pass to McBride to run the total to 12.

The Defiance eleven scored their only touchdown in the first fifteen minutes of play on a pass from Pellington to Spitzer. Both teams battled for the remaining half with no further scoring.

Remaini ng Football Schedule

Oct. 21—Earlham (Southport, Night).

Oct. 31—Anderson (Southport, Night).

Nov. 8—Hanover (Southport, Night).
Nicoson Becomes Coach

Angus Nicoson, '42, was selected as Greyhound coach to fill the vacancy left when Coach Ed Bright accepted the position of football coach for the New York Aggies.

"Nic" enrolled at Indiana Central in 1938 and graduated in 1942 with majors in Physical Education and Social Science. He won major letters for four years' participation in basketball and baseball. He was named captain of the basketball squad for the season 1939-40 and played guard on the undefeated team for the season. He later played two years with the Indianapolis Kautskys professional basketball team and one year with the Indianapolis Secos.

Angus held down the second sack on the I. C. C. baseball squad and was named captain in 1942. He later held a contract with the Chicago Cubs and was farmed out to the York, Pa., team. He played two years with the Indianapolis Reserves in the Indiana-Ohio League.

Following his graduation, Nicoson signed a contract as baseball coach at Franklin Township, where he spent five years. During this time he was instrumental in adding baseball, football, and track to the athletic program. He also promoted a summer recreation program for the township.

Franklin Township teams had an impressive record under the guidance of Nicoson as they captured the Marion County net crown twice. Franklin Township also won the Capital District Conference. In baseball, Franklin Township won the Marion County title once, and placed an American Legion team as champions. His track squad won the Capital District Conference twice and placed contestants in the state High School meet.

"Nic" has kept an active interest in the athletic program of I. C. C. through the years since his graduation. He gave his spare time last year to assist Coach Ed Bright with starting Central's first football squad in fifteen years.

The college administration received numerous applications and recommendations for the filling of the coaching position. After very careful consideration and investigation, the college President presented the contract to Nicoson. He began his duties as coach and instructor with the fall semester in September.

"Nic" will appreciate the help of all of Central's alumni and friends in helping enroll outstanding athletes in Indiana Central to carry on Central's excellent athletic tradition.

Attention "C" Association Members

The annual mailing of "C" Association cards has been somewhat delayed. The delay is due to inability to secure proper addresses for all members. If you have not received your card, or know of a "C" Association member who has not received his card, we would appreciate having the name and address.

Alumni of the Chicago Area

If you are interested in meeting together for an afternoon or an evening of fellowship to renew old acquaintances, or to make new ones, please contact Edgar S. Gault, 932 Beach Ave., La Grange Park, Ill.

Report of Committee on Resolutions

In order that we may press on for a greater Indiana Central College, we, your Committee on Resolutions for the 1947 annual Alumni Association meeting, submit the following:

1. That we, as members of the Alumni Association, pledge our hearty co-operation and unity to the program of the college.

2. That we express our deep appreciation to Athletic Director Bright and staff for resumption of a full scale athletic program; for a conference baseball championship; and for formation of a new Indiana Collegiate Conference.

3. That we express our gratitude to Athletic Director Bright and staff for resumption of a full scale athletic program; for a conference baseball championship; and for formation of a new Indiana Collegiate Conference.

4. That we express our deep appreciation to the Board of Trustees, Dr. Esch and faculty for the positive and material progress made in the college program, climaxd by the unconditional acceptance of Indiana Central College into the North Central Association of Colleges and Universities.

5. That improved curricula and facilities be provided as soon as possible in the fields of Chemistry, Physics and Business Administration.

6. That, wherever possible, the college encourage membership and cooperation with recognized educational, scholastic and specialized groups.

7. That the Alumni representatives on the Board of Trustees make an annual report to the Alumni Association to be published in the Alumni News.

8. That an annual College-Alumni basketball game be played each year.

9. That each member of the Alumni Association express its gratitude to the editor and staff of the Alumni News by the prompt payment of dues, and keeping the Editor informed of newsworthy personal items.
Faculty Notes
By Sibyl Weaver

The fall semester found eleven new faculty members on the staff at I. C. C. We regret that space will not permit a fuller accounting of these persons. We are attempting, however, to give you the important information about each in the following summary.

ELIZABETH HERT: Assistant Professor of English.
A.B. and M.S. degrees from Indiana University. Graduate study at Columbia and Colorado Universities. Teaching experience at: Washington High School, Washington, Indiana; Centralia High School and Junior College (Illinois); Vincennes University.

Hazel Hether: Assistant Professor of English.
A.B. degree from Indiana University; A.M. from Tufts College, 1947.

WILLIAM G. MILLER: Assistant Professor in Art.
A.B. from Cornell College, Mt. Vernon, Iowa; M.A. from Stak University of Iowa. Taught at Mt. St. Clare College at Clinton, Iowa; taught in the Boca Raton A.A.F. "G. I. University while in service.

Anges NICSON: Coach and Instructor in Physical Education.
A.B. from Indiana Central. Taught at Franklin Township High School.

Kenneth E. St. Clair: Professor of History.
A.B. from Lawrence College, Appleton, Wis.; A.M. from University of Wisconsin; Ph.D. from Ohio State University. Taught in Lecs Jr. College, Kentucky; Ohio State as assistant; Pikeville College, Kentucky; president of Sayre School for Girls, Lexington, Ky. Radio news analyst in Lexington, Ky.

Allan F. Schwimmer: Associate Professor of Music.
B.M. from Northwestern University; A.B. from Denison University; S.M.M. from Union Theological Seminary; graduate work at New York University and Julliard School of Music. Taught at Denison, Southwestern College, Baldwin-Wallace College and the University of Minnesota.

Guy H. Shadinger: Professor of Chemistry.
Formerly with Butler University. Holds degrees from Hamline and Johns Hopkins Universities.

Eugene T. Underwood: Assistant Professor of Languages.
A.B. from Butler University, A.M. from Duke University. Taught in Butler and Harrison Township High School.

Lee Thrasher: Registrar and Director of Admissions.
Has degrees from Ohio University, Spenceierian College, and Ohio State University. Done work toward the Ph.D. at Western Reserve and New York University. Taught at Kent State University, Meredith College, Shurtleff College.

Harriet Bunting: Assistant Professor of English.
Holds degrees from Friends University, Kansas State Teachers College, Colorado State College of Education. Has taught in Kansas, Colorado, and Santiago, Chile.

Robert Cramer: Associate Professor of Philosophy.
B.S. from Indiana State Teachers; B.D. from Bonebrake Theological Seminary; M.A. from Yale University. Taught in Clyde High School, Ohio and Charleston High School, Illinois.

Around and About the Columns
By Bland

Before the upperclassmen arrived on campus, the freshmen had their first social event. On September 6, the class of '51 had a wiener roast east of Wilmore Hall.

Something new has been added, the upperclassmen served punch and iced tea to the freshmen during registration and entrance examinations.

The main event of the Big Mixer on September 12 was the Biblical Treasure Hunt. The "typical freshman" awards were presented to Carolyn Sue Gaylor of Richmond and Howard Wentz from Hartford City. The group enjoyed folk games and colored slides shown by John Rider.

The annual walk-out was September 17. This year the girls journeyed to Langacre and the fellows walked to Garfield Park. A three-legged race was performed by the freshman girls, the upperclass girls provided the impromptu, and the traditional poetry of the evening was furnished by Miss Cravens.

After supper, the freshie fellows were "invited" to walk barefooted to Shelby Street. Also, the Initiation rules were presented to the "fresh." Initiation day the girls wore dresses wrong side out and backwards, hair curlers, one stocking and one anklet, and no make-up.

The fellows wore shirts and ties backwards, unmatched shoes, one trouser leg up, one down, and ribbons on their hair. Of course, they all are required to wear their green beanies until the Tug-of-War, October 10. Then maybe they may be removed.

September 26, the S. C. A. had a swim party at the Y. M. C. A. Folk games were led by Hallie Sidebottom. During the swim, everyone was "ducked." Then, appetites were satisfied by refreshments.

The S. C. A. is functioning full speed ahead this year. The Wednesday night meeting is divided into discussion groups, each with a faculty sponsor and student leader. The students meet in the group of their choice each Wednesday night for eight weeks. All groups assemble at the close of the discussion for a devotional period together.

The new southwestern branch of the Y. M. C. A. had its dedication service September 29. The "Y" is organizing clubs for boys of various ages in the Heights. The "Y" is also working with the church in forming sports leagues. It also furnished a lounge for the college students in the former Home Economics Room.

There are seven new conference rooms for the professors where students are welcome for council and advice. These rooms are located next to the new student lounge.

President's Notes

By the time that this issue of the Alumni News reached your hands, I presume that all alumni will have received the letter concerning Life Memberships in the Alumni Association of Indiana Central College. All members of the Executive Committee became charter life members on August 19. We feel that this move is an opportunity to join other alumni in a new era in our association. Your present officers are making every attempt to enlist support of the Life Membership campaign as recommended by past President Rev. Glenn O'Dell and his executive committee, since this move was approved at annual spring meeting in June, 1947.

To adequately finance the editing of the Alumni News three times per year and to support other projects of general interest to alumni is the present challenge. I am sure that all alumni read and enjoy the News. As it comes to your desk regularly, we hope that it stimulates a greater interest in the college and its activities.

The Life Membership Plan offers us the opportunity to put our alumni activities on a sound financial basis. This has been our aim since the founding of the Alumni Association. With everyone's help we accomplish this and more, too. Our opportunities are unlimited. It is time that we become a motive force in the life of I. C. C.—George Fisher, Pres.

Alumni Notes

Friends of Helen Mosier, former school nurse, will be happy to learn of her recent marriage. Helen was married August 24 at the University Heights Evangelical United Brethren Church to Homer Beeman. Mr. and Mrs. Beeman are residing in the local community on Weaver Avenue.

'23—Justin E. Marshall has been promoted to the position of assistant principal of George Washington High School of Indianapolis.

'27—Mary Marjerrison is busily engaged in teaching English and Journalism in the Glendale, Mont., High School. Under her direction the school publication placed in all state ranking last year.

'27—Dr. Lynn Turner, former instructor at Monmouth College, Monmouth, Ill., has accepted a commission from the State of Indiana. Dr. Turner is to write the history of the State of Indiana in World War II.

'30—Randolph P. Copeland joined the Development Department of the Sinclair Oil Co. in East Chicago, Ind., shortly after his graduation. Except for two years when he taught school, he has worked in the field of asphaltic materials. In the late thirties he moved to Johns-Manville Co. in the capacity of a production engineer. For the past several years he has been a process engineer in the roofing division of CertainTeed Products Corporation of Chicago.

Copeland's work takes him to all other plants of the company, so he spends much time traveling. When he is not on the road, he is at home with his wife and family in Park Ridge, Ill. Three girls make up the Copeland family, Pauline, Kay and Sue.

'32—Ralph F. Hiatt writes an interesting letter from Ipswich, Mass. Employed by the Massachusetts Institute of Technology during the war on Radar work, Ralph is now in charge of an antenna field station for the A. A. F. Three children make up the Hiatt family, Robert, David and a baby girl. Ralph reports that he enjoys New England very much, but would enjoy seeing or hearing from former friends.

'32—Dale Robert Wellbaum is serving a pastorate at the Irving Park Congregational Church at Chicago, Ill. Dale graduated from the Chicago Theological Seminary in June, 1938. The Wellbaums have two children, Caryc and Judith.

'32—Manoo Shatto is serving as pastor of the Lutheran church at Woodsboro, Texas. After living in Mexico City, Old Mexico, the Shattos have adopted Texas. Like most Texans they like their home state, especially since they live in the mild Gulf Coast area.

'32—Raleigh Hays Beanblossom is teaching and farming at Mauckport, Ind. He has taught since graduation except for three years spent in defense work during the war. Raleigh reports that two other I. C. C. graduates are in the near vicinity. John Mosier ('20) is the principal at Corydon, Ind., and Harry Davidson is superintendent of schools at New Albany, Ind. The Beanblossoms have a son Von Ardith.

'34—Lois McKelhresh is director of music in the community grade and high school in St. Francisville, Ill. Lois received her master's degree in music from the Cincinnati Conservatory of Music in the summer session of 1946.

'36—Helen Jean Jordan Burkhart and husband Morris, with their daughter Kathy, moved during the summer to Oregon. They have a fertile vegetable and fruit farm there. Helen Jean has resumed teaching.
'37—Elmer L. Kirts is employed at the Laporte Corp. of Laporte, Ind., as a time study engineer. Previously Elmer was with Allis Chalmers for a five-year period. Two daughters make up the Kirts family, Cassandra Lee and her baby sister Judith Frances, who arrived this summer.

'37—Following nearly three years of navy service in both the Atlantic and Pacific areas, John David McKelrash was discharged a lieutenant senior grade in the latter part of 1945. While in service, he married Jacqueline Eppling of Bluefield, W. Va. They have one adopted daughter, Delane, and Janice Beth, born September 19, 1946. John is associated with his father in the hardware and farm implement business in St. Francisville, Ill.

'37—Beulah Noy Moorehead and husband are the proud parents of a baby boy, Monty Robert, born May 4, 1947. Mr. Moorehead is in the Physical Education Department at Arsenal Technical High School in Indianapolis.

'38—Elizabeth Bosworth Worrell is now at home enjoying her family of two, Jo Ellen and Tommy. Betty taught school at Ben Davis from 1938-43 and is now living on a farm near Bridgeport, Ind. Mr. Worrell is a sales representative of Case farm equipment at Mooresville.

'38—Frances St. John Fawcett continues to teach piano students, including her son De Lane, who has started to school this fall. The Fawcetts live at Vernon, Ind.

'38—Violet Rose Sutton is employed at the Hoffman Specialty Co. of Indianapolis, Ind. She recently completed her fifth year as a research chemist with this firm.

'39—Ida May Good is pursuing her studies at Columbia University this winter.

'40—Rev. Marshall Chambers and wife, the former Maxine Black, '41, are situated in their new parsonage at South Whitley, Ind. One daughter takes up much of Maxine's time, as Rebecca Jane is a live wire.

'41—Francis Wilcox and wife, the former Alene Koher ('38) are living at Denver, Ind. After three years of teaching, Francis took a position as a Field Executive for the Boy Scouts of America and is employed by the Three Rivers Council with headquarters in Logansport, Ind. Alene completed five years of teaching at Macy and now has a more demanding position as the teacher for their two children, Jane Kay and Dicky Bim.

'42—Hope Bean spent the summer relaxing at her parents' home near Liberty, Ind. Hope taught at Richmond, Ind., last year as did her sister Olive.

'42—Jane Ringo became the bride of William Wangelin August 31. June is a social worker for the Marion County Welfare and Bill is employed at the Lilly Varnish Co. The bride and groom are at home in University Heights at 1204 Edwards Ave.

Ida May Cunningham

"Mother Cunningham," as she was affectionately known by hundreds of young men who have been students at Indiana Central College during the past nine years, passed from this life to her eternal reward at the home of her sister, Mrs. Lillie Andrew, Vevay, Ind., on Wednesday, July 16. Her life was a long and fruitful one in the service of her fellow men and God.

Mrs. Cunningham was the daughter of Henry and Sarah Gerard, and was born in Switzerland County, Indiana, on September 24, 1868. She was married to Ellsworth B. Cunningham in 1886 and to them were born two children, Amy Gerard and Sada Mary. Both of the children died in childhood and her husband, a minister and evangelist of the White River Conference, also preceded her in death, having passed on in 1928.

She received her quarterly conference license at Weaver Memorial Church in Chicago, her annual conference license from the North Nebraska Conference, and served as pastor at Oakdale, Neb., for a period of two years. In 1910, she entered White River Conference and was ordained by Bishop Mathews in 1912 in the auditorium of Indiana Central College. With her husband, she served a number of churches in the White River Conference and also spent ten years in evangelistic work. After her husband's death, she became pastor of the Bethlehem Church, on the Universal Charge, and served there for nine years until her retirement.

In 1939, she was asked to accept the position of house mother in what was then known as Residence Hall, the upperclass men's dormitory at Indiana Central College. She remained active in this position until the time of her death.

Many words of sincere tribute and appreciation are being spoken by her host of friends. Her life and service have been a blessing far beyond the ability of finite minds to evaluate. Hundreds of young men who have received her wise counsel and guidance during the years of her service at Indiana Central College arise today to call her blessed. They were her "boys" and are proud of the distinction. The influence and blessing of the life of this godly woman shall continue to be manifest in the years to come through the service which these men shall render better for having known her.

T. Lynd Esch.
