FALL MEETING FEATURING
SCHRICKER AND CREIGHTON

The regular annual fall meeting of the Alumni Association of Indiana Central College will be held in the Gold Room of the Hotel Antlers October 22, 1948. The plans for this meeting are extensive and promise to make this one of the most important meetings in the history of the Alumni Association.

Both ex-governor Henry F. Schricker and Republican candidate Homer Creighton will speak. The talks will be of a non-political nature. Joe Cummins, President of the Coca-Cola Bottling Works, Columbus, Indiana, will serve as toastmaster for this occasion. The price for the luncheon will be $2.00 per plate. This meeting will also be open to friends of Alumni. In past years some have not attended because of others in their group who were not I. C. C. Alumni. It is felt that the program presented will be of interest to Alumni and friends alike.

Following the luncheon a business meeting will be held to present the revised Constitution. A large attendance is expected. Get your reservations in early.

From the President’s Desk

The 1948-49 school year is off to a good start. There were 465 students who had registered when the registration period closed. This is an increase over last year. Whereas most schools are reporting decreases, but it is not so large a figure as we had earlier anticipated. We have the highest percentage of returning students in our history, and perhaps as high a percentage as can be found in any school anywhere. However, as many as fifty more entering students could have been cared for without too much overcrowding.

Eight of our faculty members are new to the campus this year. Five of these are replacements, and three are additions—making a total of thirty-two full-time teaching faculty members in addition to part-time teachers and those engaged in administrative work. Two of these faculty additions were in the newly organized department of business administration. This department is now offering a full curriculum in the field of secretarial science and business which leads to a Bachelor of Science in Business Administration degree. Persons may also qualify for a teaching license in this field.

Applications are already being received for 1949, some for January, and some for September. We will start a small class at mid-semester in January and hope to have a full freshman class of approximately 200 in September. It is not too early to make application now. If you know young people who are thinking about college, this is the time to direct them to Central. Members of the alumni, particularly those who are teaching in the high schools, can do much to direct young people this way. Persons who have demonstrated their ability to do a high quality of academic work in high school may enter without preliminary examination. Other high school graduates may qualify for admission if they make a satisfactory score on our entrance examinations. We shall appreciate receiving the names and addresses of all of the prospective students whom you can recommend to us.

We have had a good response to the questionnaire which was sent out recently to all graduates and former students. Many of these, however, have not yet been returned. We would like to get our records complete and up-to-date. If you have not yet done so, will you please return the questionnaire immediately. If you have not received one, it is perhaps due to an incorrect address in our files, so just drop us a card with your correct address on it, and we shall be glad to supply you with one of the forms.

We appreciated the many notes which have been sent in with the questionnaires. We are always glad to hear from Centralites and to learn of their achievements and successes. Be sure to stop by the campus when you are in the city.

I. Lynd Esch, Ph.D.,
President,
Indiana Central College.

Alumni President’s Notes

The re-writing of the Constitution and By-laws for the Alumni Association is progressing rapidly and should be ready for ratification at the business meeting immediately after the luncheon on October 22.

The new Constitution provides an increase in continuity and stability for the organization. With the assistance of the Alumni the Association can become an asset to Indiana Central College instead of a liability. This is entirely dependent upon the attitude of the alumni. If each alumni will remit his $10.00 for life membership it will make the Association financially secure. We doubt that it is feasible for us to use collections made by the College from the present students to finance our current expenses.

We expect to publish three (3) issues of the Alumni News this year. Since this is one of the major items of expense would you be willing to pay for a subscription to this paper? The college is making a tremendous effort to become a bigger and better institution. If the Alumni Association intends to keep pace and give assistance in this effort it must become a virile organization. With your fullest cooperation, this can be accomplished.

R. E. Settle

October 8, 1948

Asset or Liability

In the realm of capital the business man looks at all things as assets or liabilities. Those things, of course, which produce income or are of value to the ultimate production of income, are classified as assets. Those things, on the other hand, which require capital to operate, though they may be necessary, are classified as liabilities.

In the past the Alumni Association has been a liability as far as I. C. C. was concerned. There may have been reasons for it to have been so, but the fact remains that the Alumni Association, as such, has never been in the position to really call itself an asset to I. C. C. There are really only two reasons for the existence of an Alumni Group. One is to actively support a program of student enrollment in its Alma Mater. The second, is to lend financial support to the school. Certainly the social aspects of an Alumni group are negligible and there are many organizations which afford a much better outlet for this phase. It is on this basis that we can say the Alumni Association of I. C. C. has been a liability since it has not presented a united effort at either student enrollment or financial support.

It is now within our grasp to become an asset to I. C. C. This is now our way to pay our way. Our Life Membership Campaign is that way. There are at present some 2000 persons who are eligible for Life Memberships in the Alumni Association. If each became a life member this would produce $20,000 as operating capital for the Association. Certainly the Alumni Association could then be in a position to be considered an asset instead of a liability. Only through a continued effort of all to make “Every Member a Life Member” can we attain this goal.

Every Member a Life Member

Every Member a Life Member has automatically become the watchword for the Alumni Association. All graduates from 1952 on will be life members upon graduation and those graduating between 1949 and 1952 will be awarded Life Membership upon payment of the balance of the ten dollar fee.

With the present crop of students getting in on the ground floor on Life Membership, it certainly behooves the present Alumni to get on the bandwagon. If you have already joined the ranks of Life Members, concentrate on contacting friends who have not yet joined. Our campaign will not be over until “Every Member is a Life Member.”

Fall Registration

September registration found 465 students enrolling for the fall semester. The percentage of returning upper classmen was very high, possibly the highest of any college in the country.

The freshman enrollment was not quite as large as expected as an enrollment of 500 had been predicted. The class, however, is the largest for several years.

The apportionment of boys and girls has improved some, the emphasis on Home Economics and Commercial subjects having attracted more young women.

It is interesting to note that there are quite a few second generation students on the campus. Thirteen students list both father and mother as having attended I.C. C. Nine list mothers as having formerly been Centralites and seven others have fathers who were former students.

Another unusual feature of this year's student body is that there are three families represented by three students in school. Forrest Reed, pastor of the Industry Church at Muncie, Indiana, has three children enrolled this year. Lorene, Ruth and Byron Reed are all freshmen this year. Three members of the Sommers family of Brownstown are enrolled. Louis is a junior, Henry, a senior, and Catherine, a freshman. The Turley family also has three children in Central this year. Roy is a freshman, Howard, a junior, and Jane, a senior.
GREYHOUNDS VICTORIOUS
AT HOMECOMING

The Greyhound footballers opened the defense of their Hoosier College Conference title at the Homecoming game October 2 at Southport Stadium. Playing much improved ball, they succeeded in turning back their first conference competitor by lacing Manchester 21 to 13.

The Greyhounds took the lead in the first quarter when Tom Barnes plunged over from the one-yard line. In the second quarter Jim Harvey intercepted a Manchester pass on his own 40 and ran 60 yards to score. The final six-pointer came on a 25-yard pass from Paul Eicher to Bill McGrath, who sprinted the last 10 yards to a touchdown.

Manchester's tallies came in the second period when John King completed a 10-yard aerial to Bob Bauer and again in the final quarter when Beam lateraled to Bill Stolls, who ran the remaining 13 yards to cross the double stripe.

**Butler Wins**

Indian Summer and four Butler University teams fell on Indiana Central at the Butler Bowl. Both teams, playing their opening game, played ragged ball. When it was over, however, the Butler hordes, in resuming their rivalry with the Greyhounds, had won by the wholly unexpected margin of 68 to 7.

The first four times that the Butler Blue got the ball they succeeded in scoring. Twice only during the game were the Bulldogs forced to punt. Consistently smashing off tackle and around end, Butler rolled up 424 yards to I. C.'s 92 by rushing.

The Greyhounds, who spent most of their time in the air when they had the ball, escaped a shutout in the third quarter by registering on a 62-yard pass play from Eicher to end Wendell Roberts.

Moriarity, the Bulldogs' most reliable ground gainer, rammed over four touchdowns to give him an edge over his Sophomore replacement, Weidekamp, who was good for three. Smock, Straub, and Cornelius also scored for Butler.

**Football Schedule**

| Oct. 16 | Franklin There 8 P.M. |
| Oct. 22 | Canterbury Here 8 P.M. |
| Oct. 30 | Anderson Here 8 P.M. |
| Nov. 6  | Hanover There 2 P.M.  |
| Nov. 13 | Rose Poly There 2 P.M. |

**Harriers Win First Meet**

The Greyhound Harriers opened the fall season by defeating the Manchester squad 26 to 29 on the Central course. A balance of team power enabled the Centralites to overcome the prowess of Sellers of Manchester, who captured first place.

Central placed second, third, fifth, sixth, and tenth places to provide the margin for victory. The Greyhound runners, in order of their finishing were: Martinez, R. Alexander, Bugbee, DeBaun, Grosskopf, P. Alexander, Whitsman, Marshall, Reed, Young, Kyre, Westley, and Patterson.

**Cross Country Schedule**

| Oct. 2  | Manchester Here 8 P.M. |
| Oct. 15 | Canterbury and Rose Poly at Franklin |
| Oct. 26 | Earlham Here 8 P.M. |
| Oct. 30 | Franklin and Anderson on Franklin |
| Nov. 3  | Rose Poly Here 8 P.M. |
| Nov. 6  | Little State |
| Nov. 13 | Hoosier Conference Meet |

**Cagers Face Tough Schedule**

Coach Nicoson has lined up a 1948-49 basketball schedule which will undoubtedly challenge the best in this year's squad. With a number of returning veterans around on which to build the future looks encouraging.

In looking over the schedule you will note such consistently good teams as Kentucky State, University of Kentucky, Ball State, Butler, and Indiana State. In addition to a well-rounded 23-game schedule, there is a tournament at Taylor and an Alumni game on March 4.

Probably the highlight of this year's schedule is the resumption of our cross-town rival, Butler. This game is scheduled for January 1.

With the fine schedule listed below and with veterans McBride, Swails, Griffith, Horner, McGrath, Stevens, and Roberts back on the campus, the 1948-49 season promises to be outstanding.

**Basketball Schedule for 1948-49**

| Nov. 6  | Little State Here 8 P.M. |
| Nov. 13 | Hoosier Conference Meet |
| Dec. 9  | Taylor Here 8 P.M. |
| Dec. 14 | Franklin Here 8 P.M. |
| Dec. 15 | Huntington Here 8 P.M. |
| Jan. 1  | Butler Here 8 P.M. |
| Jan. 6  | Earlham Here 8 P.M. |
| Jan. 8  | Anderson Here 8 P.M. |
| Jan. 12 | Hanover Here 8 P.M. |
| Jan. 15 | Manchester Here 8 P.M. |
| Jan. 18 | Huntington Here 8 P.M. |
| Jan. 20 | Indiana State Here 8 P.M. |
| Jan. 22 | Taylor Here 8 P.M. |
| Feb. 1  | Canterbury Here 8 P.M. |
| Feb. 5  | Rose Poly Here 8 P.M. |
| Feb. 8  | Franklin Here 8 P.M. |
| Feb. 12 | Tri-State Here 8 P.M. |
| Feb. 17 | Earland Here 8 P.M. |
| Feb. 19 | Hanover Here 8 P.M. |
| Feb. 23 | Taylor Here 8 P.M. |
| March 4 | Alumni Here 8 P.M. |

**Need for Good Athletes**

Alumni of I. C. C. can do their Alma Mater a fine service by encouraging outstanding high school athletes to attend Indiana Central. Coach Nicoson has developed some fine teams on which any athlete would be proud to participate. 'Nic' is also arranging schedules with outstanding teams. These should be a challenge to the ability of the best athletic talent.

Teachers and ministers are in particular good positions to see the quality of many young men and to encourage them to attend school. Let's give our coaching staff some much needed backing to boost our athletic standing still higher.
FALL HOMECOMING SUCCESS

With the weather man giving only a gentle nod, the October 2 Homecoming Day activities at Indiana Central went along with reasonable gusto. The sun hid his face at regular intervals during the day, while a cutting wind brought about the appearance of jackets and topcoats. In spite of all this the day's program went smoothly, the excitement of extensive planning being only slightly chilled.

Miss Martha Mennen, of Lafayette, auburn haired "C" Association Queen, reigned as the floats prepared by the various campus organizations paraded through downtown Indianapolis. Sitting high on her throne inside a giant crimson float, the queen and her court were kept warm by the thoughtful and much appreciated loan of beautiful furs from Bishop Kaye Fur Co. of Indianapolis.

The dormitories were decorated for the occasion as a number of grads wandered about the campus seeing familiar sights. The prize for the best decorated dorm was split between Dailey and Wilmore Halls. Both had chosen a statewide theme. Wilmore Hall presented the state flags representing the home state of the occupants, while Dailey showed a giant map of Indiana with streamers reaching out from Indianapolis and I. C. C. at the center.

At 2:00 p.m. the Central Harriers played host to the Manchester cross-country squad on the local course. Manchester made the meet interesting, but the Greyhounds won 26 to 29.

The queen again reigned at the pre-game activities as she officially opened the home game season by throwing out the game ball. Her majestie Packard chariot, parked on the 50-yard line, gave her a commanding view of her domain. At half time the prizewinning floats were presented. Alpha Xi Omega placed first with a combination dramatic and football theme, "The Play is the Thing." The class of '49 was second and Zeta-thia third.

The fathers of the squad came in for special honors as sideline seats were provided directly behind the players' bench. The team, playing much improved ball, kept the Manchester squad in hot water throughout the game and emerged with a 21 to 13 victory.

Following the game an all-school party was held in the basement of Wilmore Hall. The room was decorated for the occasion with appropriate holiday colors. Balloons added to the festivities. A short program of fun ended with refreshments. Grads, dads and students agreed the day was a success.

Life Memberships Continue

Since the last issue of the Alumni News the number of Life Memberships has increased from 49 to 157. There is no reason why a goal of 500 can not be reached this year. Our slogan, "Every Member a Life Member," is slowly but surely being realized.

Two classes are tied for top honors in the Life Membership Contest. The classes of 1928 and 1937 have 13 Life Members each. Pushing close behind is the class of 1938 with 12 and also the class of 1930 with 10.

Help your class move to the top of the list by sending in your Life Membership today. Make remunerations payable to Ralph Frey, Secretary, and mail to 4202 Otterbein Ave., Indianapolis, Ind. Class listings are as follows:

13 Life Members '28 '37
12 Life Members '38
10 Life Members '30
9 Life Members '26
8 Life Members '36 '41 '46
5 Life Members '27 '29 '42 '43 '44

ANNUAL SPRING MEETING DECLARED BEST YET

The annual spring Homecoming Banquet proved to be the best attended affair of its kind of the I. C. C. Campus. Registration began at 7:00 A. M. with a welcoming committee headed by Miss Roberta Bland on hand to disperse the reservations for the evening meal and answer questions.

A firebrand baseball game nearly upset all well laid plans by lasting nearly three hours, as the Greyhounds rollicked around the bases defeating Franklin College 20 to 3.

The annual business meeting was only sparsely attended. At this meeting several recommendations were made to improve the operation of the Alumni Association. A constitution committee was appointed to redraft the constitution and bylaws. A resolution to revamp the Executive Committee was discussed and passed. The information regarding the collection of the student assessment questionnaire was mailed to all graduates and former students. This mailing was made to collect information which would be of value to the office and to your editor in compiling Alumni Notes for the paper.

If perchance you have tossed your questionnaire aside and have failed to fill it out, please dig it up and fill it out and put it in the mail today. This questionnaire is important to the college office and will help your editor to fill the “Notes” column with interesting data on graduates and friends.

The dinner as a delicious Smorgasbord was served in the Gymnasium. Tables were decorated and classes sat together with groups of friends chattering like field mice. The least that could be said is that all had plenty to eat and if anyone failed to enjoy the fellowship it was his own fault.

Following the dinner a program was presented featuring the reunion classes. The earliest class represented was the class of 1925, who presented the Athletic Department a new scoreboard in lieu of entertainment.

The class of 1928, headed by Frances McClanathan Martin, presented a skit which introduced to the entire class, many of whom were present. Various other members presented their views on their class through a modern looking glass.

The class of 1933 favored the audience with a version of “The Blind Mice.” Such a quartet has seldom been heard.

Rhea Stevens represented the class of 1938. Getting a good “toe hold” by removing her shoes, she brought back memories to many as she tickled the ivories on her familiar accordion.

The class of 1943 was not represented, but the class of 1948 capped the evening by presenting a satire on “How Women Play Bridge,” four fellows doing the acting. The entire program was M.C’d by Gordon Geiger who fairly outdid himself.

Many a pleasant memory must have wafted itself through the minds of those present as a tired but happy group broke up into groups and drifted into huddles still pursuing the theme of “Remember When.”

Questionnaire

Several weeks ago a questionnaire was mailed to all graduates and former students. This mailing was made to collect information which would be of value to the office and to your editor in compiling Alumni Notes for the paper.

If perchance you have tossed your questionnaire aside and have failed to fill it out, please dig it up and fill it out and put it in the mail today. This questionnaire is important to the college office and will help your editor to fill the “Notes” column with interesting data on graduates and friends.

The Cover

Although rather far removed from the current season, the Alumni News presents its first cover pictures of Alumni Activity. The top picture shows Mr. and Mrs. Merrill Brown registering at the stand in the gym as Mrs. George Fisher, Lillian Ragains, Roberta Bland, Dorothy Kenoyer and Mary Morgan look on.

The lower picture is a shot taken during the meal which was served in the gym.
EIGHT ADDED TO I.C.C. TEACHING STAFF

Eight new members were added to the staff of Indiana Central for the new college year. Additions were made in the fields of mathematics, physics, chemistry, sociology, business administration, English, speech, dramatics, and languages.

Archie G. Mullins will head the mathematics and physics department. He is a graduate of Howard College, Birmingham, Ala., and the University of Florida. He is currently working on his PhD. thesis on Atomic Energy.

Dr. Fredrick Von Wicklen is the new head of the Department of Chemistry. Dr. Von Wicklen received his B. S. and M. S. degrees from Columbia University. He has had much experience both in the industrial and teaching fields.

William L. Nofcier has been appointed head of the Department of Sociology for the coming year. He received his A. B. degree from Northwestern University and the B. D. degree from the Garrett Bible Institute of Chicago. Additional graduate training has been taken at the Universities of Wisconsin, Iowa, Chicago and Northwestern. He has had wide experience in the teaching field and in social service work.

The new Department of Business Administration will be headed by Leo S. Miller. Mr. Miller is a graduate of Indiana State Teachers College and completed his masters work this summer.

Acting as assistant to Mr. Miller is Margaret D. Emberger. A former assistant professor of accounting and secretarial training at Toledo University, she received her A. B. from Bowling Green College of Commerce and the M. A. degree from the University of Kentucky.

As an addition to the English and Speech department, John E. Hill has joined the staff at I.C.C. He completed his A.B. at Earlham and is currently working on an M.A. degree at Butler.

Heading the Department of Speech and Dramatics this year is Miss Georgie G. Casebier. A graduate of Southern Illinois State Teachers College, she also holds a degree from the University of Illinois. She has been an instructor in high schools and Major's School, White County, Illinois, prior to her appointment at I. C. C.

Gloria Winslow, former assistant in the language department of Indiana University, has filled the position of Associate Professor of Languages for the current school year. Miss Winslow is a graduate of the University of Illinois and Indiana University.

Alumni Notes

At the spring meeting all visiting Alumni were asked to register when they arrived on the campus. The cards afforded for registration had space for personal information, (of which we got very little). This information was supposed to help your editor to write the Alumni Notes for this paper. Because of the limited information received at that time the Notes column is again brief. It should also be noted that some of the information received reached our hands too late for inclusion in the spring issue. This is being used in this issue, but because of the lapse of time in between it may not now be current. If any such errors have been made please contact the editor.

In order to facilitate more and easier correspondence between former alumni and friends, your editor will publish the addresses on as many notes as possible.

Several members attending the Spring Meeting of the American Chemical Society and some Central Alumni gathered at the home of Ruth and Edgar Gault in La Grange Park, Illinois, to renew acquaintances and reminisce a bit. Among those present were Dr. and Mrs. L. J. Michael, Dr. and Mrs. John Thompson, Mrs. Mildred Washburn Smith, Dr. Bess Ogden, and Mr. R. P. Copeland.

Rev. G. V. Regenos '20 passed away at his home in Kansas City, on September 17, 1948. Rev. Regenos died of a heart attack. The funeral services were held Monday, September 20, at the Claypool Evangelical United Brethren Church. He had served as a former pastor in the St. Joseph Conference in northern Indiana.

Dr. Glenn V. Ramsey '32 has recently been appointed Professor of Psychology at the University of Texas, at Austin, Texas. In this capacity Dr. Ramsey will have charge of the graduate training program in clinical psychology. Before his appointment at the University of Texas, Dr. Ramsey was an Associate Professor of Psychology at Princeton University. 1308 Bentwood Road, Austin, Texas.

Irma Chambers Hartman '33 is a busy housewife these days. She resides on a farm northwest of Kokomo, Indiana, with her husband and family of two girls and a boy. In spite of being kept busy with her family she would appreciate hearing from any former friends or classmates. R R 2, Box 42, Kokomo.

Patty Shea became Mrs. Lamont Saxton in a double ring ceremony in the Central Christian Church, in Indianapolis on September 11, 1948. Colonel Saxton is an officer in the United States Air Force. Following the impressive ceremony officiated by Dr. W. A. Shullenberger, a reception was held for the couple at the Officers Club at Stout Field. The newlyweds honeymooned on a Caribbean cruise and are now at home at 917 Kenwick Rd., Columbus, Ohio.

Richard Emery '38 and wife Margaret, '48 spent a month touring the far west the past summer. On their visit they spent several days with Dick's father E. W. Emery '15, in Palm Springs, California.

Alberta Shaker Davis '39 sent a belated announcement of the arrival of her son Loren Lee who was born in March. Alberta was married to Loren
W. Davis in June of 1945 and Loren Lee is the only child. She taught school in Richland Center, Wisconsin for six years prior to her marriage. The Davis family now live near that town. R. R. 2, Richland Center, Wisc.

Marjorie Langford Ginther '46 announced the arrival of her daughter Jennifer Jo, August 28. Paul Ginther a former student at I. C. C. is at present studying at I. U.

John Rider '47 was married to Louise Hanson August 15, at the Hammond E. U. B. church. Mr. Rider is the Director of Public Relations at I. C. C. All attendants at the ceremony were Centralites.

Joy Smith '47 is teaching sewing and physiology at the State School for the Blind at Indianapolis. She enjoys her work there very much.

John Champlin '47 and wife, the former Marcella Whited, '46 are living at Gas City, Indiana. John is teaching there and also acting as assistant coach. Their son Mark Randolph is now a year old.
