MANY I. C. C. ALUMNI TEACHING IN MARION COUNTY SCHOOLS

LILLIAN RAGAINS

On perusal of the Marion County Teachers' Directory we find the following persons representing Indiana Central College on the teaching staffs of the schools of the County:

In Decatur Township Hollis Adams is principal of the High School. William Beavers is vice-principal. Mrs. Mary Fields teaches vocal music in the Town-ship; Lloyd Hiatt teaches science and mathematics and Amza Key is principal of the West Newton Grade school.

Raymond Giroud is principal of the Franklin Township High School. Mrs. Maxine Abdon has charge of the library and teaches Latin in the same school. Henry Potter coaches there and also teaches social studies.

Samuel Negley is principal of the grade school at Lawrence.

In Perry Township Mrs. Julia George Burkhardt is Township Music Supervisor. C. E. Leichty and Ellis Robins teach mathematics, Mrs. Alice Black has charge of the library, B. G. Haviland teaches history and coaches football in the high school. Miss Blanch Penrod is Dean of Girls. At the Southport Grade School Mrs. Emma Haviland teaches English and geography, Glen Crouch has arithmetic, Paul Bailey has charge of the Edgewood Grades. In that building Edythe Atkins teaches social studies in the department. Lowell Woolbright has the arithmetic, Olive Boldt Kerro has fourth grade, Betty Clutton has third grade, Lorena Bright Gaultney has second grade. In the University Heights School Mamie Swift, Russell Vance and Mary Ann Winebrenner Dalton teach social studies, physical education and language arts in the department. Clara Files teaches fourth grade, Rachel Breedlove third grade and Mrs. Mary Evans second. At Bluff Avenue Paul Bixler is principal. Mildred Ragains, Edith Bailey, Arthur Bright and Gordon Geiger have the work in the department. Bertha Smith Haley has sixth Grade, Margaret Ber-del Hilton fifth grade. Franklin Saxton is principal of the Glenns Valley grade school.

Jane Hickman Click teaches music and art in the Pike Township Schools. Clifford Reese has chemistry, history and coaching in the same school.

In Warren Township Kenneth Ostermeyer has industrial arts at the high school. Dyson Cox is principal of the Cumberland grade school.

Gerald McNiece teaches shop in the Crooked Creek School in Washington Township.

In the Ben Davis High School Lillian Ragains is one of the vice principals. William Girton and Dale Hammer teach mathematics in the same school. Harriett Butler Rhodes has taught English and has charge of the library in the Freshmen Build- ing there for the past three years. In the Ben Davis Grade School Martha Talbott has English and Catherine McBurney physical education in the department. Mrs. Margaret Kelley and Mrs. Bertha Beavers teach in the Drexel Garden grades.

Note: If we have missed any-one we regret it and we would appreciate it very much if any-one can bring our rosters up to date with any other information along this line.

From the President's Desk

The year 1947 is now history and so, also, is the first semester of the current school year. As we look back over the record, perhaps some observations would be timely. Taken in total it was a good semester, and 1947 was a good year for the school. The achievement of full accreditation, an increase in the student body, the addition of some additional excellent faculty personnel, and some improvements in the physical plant have all been helpful in improving the general tone and quality of the College.

The enrollment in the fall semester, however, was not quite as large as we had anticipated. There was a conspicuous lack in the number of girls. The men's dormitories were filled, but there were many vacant rooms in both Wilmore and Dailey halls. It is true that we had a larger number of city students, including girls, but still the ratio of men to women on the campus is nearly three to one. Perhaps the alumni can encourage more girls to enroll for September, 1948. We are already receiving applications for September, and it is not too early to encourage prospective students to get in touch with the College. Our program is planned so that we can accept about 240 freshmen in the fall.

The number of students dropping out during the semester was unusually small, and all but a very few have returned for the second semester. With the limited group of new students which we have accepted, the enroll-ment now is as large as last fall. This fact speaks well for the quality of our students and for the quality of work which is being done by the faculty.

Right now we are in the midst of preparation for College Day in all the churches. We expect it to be an outstanding day for the College.

Here, again, alumni can do a good turn for their Alma Mater by boosting the school in their home communities. High School Day has been set for April 12, and all high school juniors and seniors who are college pros-pcts should be urged to spend that day on our campus. It will give them an opportunity to get acquainted with the school and give us an opportunity to contact them in regard to their matriculation here.

Although this semester is only just started, it will not be long until another commence-ment season. All the old grads and former students should mark June 5 on their calendars, for that will be Alumni Day on the campus, and we will hope to see many of you on that occa-sion.
A Welcome

For a number of years the normal graduates of I. C. C. have held a questionable standing in the Alumni Association of the college. Not with respect to their "personal character," of course, but in relation to their standing within the Alumni Association. It was voted at the spring meeting in '47 to clear our debts and to wipe the slate clean and wrote a check for the printing debt for this paper. The remaining two issues for this year, however, will still see us needing funds. More Life Memberships are the answer.

Your editor sincerely does not know where an interested alumnus of I.C.C. could spend ten dollars more wisely. Any interested alumnus should want to know about his college and its people. That is the purpose of the Alumni News. Any interested alumnus should want to be counted among the life members of one of the greatest practical, Christian fellowships in existence. That is our hope for the Alumni Association. Only you and your interest can make it so. Where else can you get so much for so little?

Circulation Notice

The Alumni News has been confronted with a serious problem in circulation. The paper is mailed from the college office and addressed from the addressograph file. We have received numerous reports of non-receipt of the News and upon checking find the correct name and address in our files. It is somewhat of a mystery as to where or what happens to these issues.

The paper is being mailed to all four year graduates and all normal graduates in so far as our files go. We are proud to say they are fairly complete. If you are not receiving the News, or know someone who is not and should, we would appreciate information on this. We will continue to check until we get papers to all.

Bargain Day

Slowly but surely great ends are accomplished. A heartwarming response has been made in the life membership campaign. In the last issue, we stated that we needed one hundred life memberships to clear our debts of printing and to see us through this year. At the January meeting of the executive board it was announced that seventy life memberships had been paid. This brings us near to our goal.

Because of this response, the executive committee wiped the slate clean and wrote a check for the printing debt for this paper. The remaining two issues for this year, however, will still see us needing funds. More Life Memberships are the answer.

Your editor sincerely does not know where an interested alumnus of I.C.C. could spend ten dollars more wisely. Any interested alumnus should want to know about his college and its people. That is the purpose of the Alumni News. Any interested alumnus should want to be counted among the life members of one of the greatest practical, Christian fellowships in existence. That is our hope for the Alumni Association. Only you and your interest can make it so. Where else can you get so much for so little?

Calling All Girls

As the Alumni Association of Indiana Central, we are interested in the future of the college. The Life Membership program will afford the association the opportunity of keeping us in contact with the activities of the school and its alumni through the Alumni News.

Then we need to be aware of the problems which the college faces and how we can help. How can we interest more girls in Indiana Central? This is the problem our college faces. Perhaps the many alumni can help. High school teachers have the real opportunity. You can guide students to Indiana Central by the many well talking points. Your own personality and way with pupils will help influence the decision to come to Central.

With High School Day set for April 12 an opportunity to bring or direct additional girls will be in order. The new facilities which have been added in the past year have broadened the field of activity for women on the I.C.C. campus. New Home Economics Laboratory, additional physical education facilities, have created new interest and opportunity in these subjects.

Is there a girl in your church, your high school that you think should come to Central? She needs college and the college needs her. If you interest her in Central, you will be serving your college and your God in the progress of Christian education.

In the interest of the welfare of our Alma Mater, I urge every alumnus who may be a teacher, a pastor, a church worker, a farmer, or any one to enlist girls for Indiana Central.

George H. Fisher,
President of Alumni Association.

GRIDDERS WIN HOOSIER CONFERENCE TITLE

The 1947 edition of the Greyhound football team closed the season in a blaze of glory by winning the newly formed Hoosier College Conference title.

Following two early season wins, and an early season loss, the team kept improving every game, climaxing the improvement by removing Hanover from the previously unbeaten list.

The winning streak started on the home field of Manchester College. The revenge for last year's defeat was sweet, coming with a 14-12 win. Two passes from Fredenberger to McBride, plus some fine toe work by Don Wise, provided the winning margin.

The Engineers from Rose Poly came to Southport stadium and were turned back 39-6 with two former Indianapolis Tech halfbacks running wild. Bob Harvey and Marion Burleson scampered around ends for continuous long gains with Harvey going over the double white line three times.

Earlham Quakers, with the dangerous Brown brothers, came to town and were turned back 19-0. The Central lads played one of their best games of the year holding the Quakers from getting past the thirty yard stripe. Fredenberger's accurate passing to McBride was a big factor in the win.

The conference race had narrowed down to three teams by October 31 when the Nicson boys went to Anderson. It was Hanover and Franklin tied for first with Central second. Central continued the winning ways of a championship team, downing Anderson 20-14, with Burleson running wild on several Statue of Liberty plays where he scampered 40 yards to score.

Hanover rolled over Franklin 10-7 knocking them out of the race leaving the Greyhounds from Central and the Panthers from Hanover to battle it on November 8 for the league championship.

The last week of practice was full of zip, as the team prepared for the unbeaten Panther team. And ready they were when on the evening of November 8 they faced the Hanover team.

The Greyhounds played a magnificent game. They passed with precision and ran with expertise. Fredenberger tossed two touchdown passes and skirted end for another touchdown. Marion Burleson went over tackle for 58 yards for a fourth touchdown. And when the evening was over, Hanover was on the short end of a 26 to 14 score and the Greyhounds were champs.

The team had perfect leadership in their two coaches, Angus Nicson and Ray Linson, and the captain, Bill Fredenberger. There was also a great team, a wonderful bunch of boys.

The Alumni of Indiana Central College are proud of the 1947 HOOSIER COLLEGE CONFERENCE CHAMPS.

Indiana Central Gridmen Honored

Twenty-six members of Indiana Central's 1947 football team, which won the first Hoosier College Conference grid championship, were given letters at a banquet sponsored by the Booster Club.

Besides the letters, each grid-rider received a gold football in token of the conference championship.

James Langford, freshman, also was given a special medal for winning the initial Hoosier loop cross country meet last fall.

Dr. Lynn Turner, associate professor of history at Indiana University, and a member of Indiana Central's first football team, was the principal speaker. William Schaeffer acted as Master of Ceremonies.

Letter winners were as follows: Bill Fredenberger, Stan Klos, Bob Janney, Ivan Mooreman, Jim Cummings, Ed Pellett, Virgil Hanson, Calvin Kistler, Glen Stevenson, Walter Dinninger, Francis Larussa, Harold Schutz, Manford Kistler, Bob McBride, Bill McGrath, Vern Chandler, Don Wise, Bob Phillips, Paul Eicher, Marion Burleson, Bob Harvey, Bill Clark, Don Bunge, Charles Dill, Harvey Nolan and Don Fleenor.

Bob McBride Finishes Second in State Scoring

Bob McBride, Greyhound right end, snagged ten touchdown passes, to capture second place in the state football scoring race. Below are listed the five scoring leaders for the State of Indiana:

Bill Fredenberger Elected "Most Valuable" Player

Bill Fredenberger, Ind. Central's 29-year-old quarterback and captain, was elected the "most valuable player" on the 1947 Greyhound football squad by a vote of his teammates.

The Marshall, Illinois senior threw eleven touchdown passes, nine of them to end Bob McBride.

He'll graduate next spring with a physical education degree.

Bob McBride Wins End Position on Associated Press Little State Team

Bob McBride, senior end from Washington, Ind., was awarded a first team position on the Associated Press 1947 Little All-State Football Team. Bob, a 6 foot 3 inch end, weighing 201 pounds, is a ministerial student and a senior. He finished second in the state scoring race by snagging ten touchdown passes.

Bill Fredenberger, senior quarterback from Marshall, Illinois, was awarded the second team quarterback position.

Stan Klos, junior center from Patchogue, New York, was awarded the Center position on the third team.
GREYHOUNDS WIN 8—LOSE 5 AT MID POINT

With the basketball season slightly more than half over, the Greyhound netters are posting an overall 8 won and 5 lost average.

As predicted by Coach Nico son at the start of the season, the competition is tough, and it will take a lot of hard work in the "Ball Hall" to finish the season in the lofty position to which the Greyhounds have been accustomed.

The Central cagers opened the season auspiciously by dropping St. Joseph College 62-61. Last minute field goals by Elwood McBride "and" Wendell "Roberts spotted the Greyhounds the necessary victory margin. McBride was the big gun in the Greyhound attack, scoring 10 field goals and four free tosses for a total of 24 points.

The Greyhounds travelled to Taylor University for their second game of the season to hand the Trojans their first defeat by a score of 65-59. The Greyhounds maneuvered into the lead just before the half ended, and stayed on top the rest of the game. McBride's 19 points topped the Central scoring.

In the third game of the season, the Greyhounds appeared at the unveiling of Kentucky University's power crammed basketball club. The outmanned, but scrappy Centralites made a game of it for eight minutes but faded as Kentucky pulled away 43-19 at the half, and coasted in with reserves playing much of the way. Ralph Beard, the Louisville speedster, paced Kentucky with 17 points, while little Woody McBride eluded Beard and other Kentucky guards for 18 points.

Indiana Central launched its Hoosier College Conference campaign in its fourth game by turning back the visiting Canterbury quintet 64 to 53. Wendell Roberts starred for the winners with 20 points.

The Greyhounds travelled to Illinois for their fifth game to the campus of the Eastern Illinois State Teachers College, only to return home on the short end of the score.

The next game was a see-saw game on the campus of the Franklin Grizzlies. After leading in the early part of the game, the Greyhounds succumbed to a late Franklin rally and were defeated 53 to 48. Woody McBride took individual honors for the night with 22 points.

The next opponent of the Greyhounds was North Central College of Naperville, Illinois. With guard Woody McBride and Center Dwight Swails pacing the attack, the Greyhounds broke a 23-all half time tie and went on to defeat the visiting team 62 to 46 on the home court. North Central, "playing against Greyhound reserves at the start of the game, assumed an early lead but soon vanished it when the first stringers took over.

In the next game, which was a Hoosier Conference game, Hanover outscored the Greyhounds 81-63. Andy Taff, former Madison High School star, showed the way for the invaders with 24 points. McBride's 17 points topped the Central scoring.

Dwight Swails and Wendell Roberts, a couple of former Franklin Township High School stars, paced Central to a 73-61 victory over Oakland City College in their next encounter. Swails and Roberts combined in a second half scoring spree of twenty points to put the game on ice. In a return game on the Oakland City floor on Jan. 17, the Greyhounds managed to win again for a perfect season against the Oaks.

In their first game after Christmas vacation, the Greyhounds made an early lead stand as they outlasted the Manchester Spartans by a 51-47 score. After sporting a 45-30 advantage late in the game, the Spartans started hitting and crept up to within four points. Center Swails led the Greyhounds with 17 points.

The Greyhounds set a new scoring record for the local floor in the twelfth season game. The Taylor Trojans were the victims of this drubbing by a 90 to 56 score. Six foot four inch center Swails bagged 23 points to top the Central attack.

Game number thirteen proved as unlucky as the number would indicate for the Greyhounds. They travelled to the Huntington College campus to lose a torrid encounter by 62-61 count. A six point rally in the closing three minutes missed the mark by just one point. Center Dwight Swails led the scoring with 21 points.

Nicoson Breaks "Lucky" Watch, Wins Anyway

As coach Angus-Nicoson-of the Indiana Central College team prepared to send his boys out on the floor to play St. Joseph's at Rensselaer, a messenger delivered a telegram informing him he was the father of a baby boy.

Nicoson fumbled and dropped his "lucky watch" that he had carried for many years. It smashed in pieces on the floor.

His luck didn't run out, however, for his team won, 62 to 61.

INDIANA CENTRAL COLLEGE

Indianapolis 3, Indiana
**Around and About the Columns**

By Bland

On October 18, homecoming visitors were entertained by a Founder's Day program, a parade, a dormitory decorating contest, and the football game. Between halves of the game, the dads of the players were introduced, and Alvera Baldwin, "C" Association Queen, was crowned Founder's Day program, a part of the busy day was the all-school party.

Customary initiation of new members of the "C" Association was October 21, at 4:00 a.m. (Enough said!) You older "C" men can remember your initiation years ago.

The Thanksgiving Banquet, November 24, was highlighted by two high school guest readers, Nila Jo Hawkins, from Manual Training High School, and Armet Screes, from Arsenal Technical Schools.

On December 5 and 6, Alpha Psi Omega presented "Deep Are the Roots," a forceful play concerning racial discrimination. This controversial issue caused much comment throughout the city. Columnists from the Indianapolis newspapers became very interested in the production and gave favorable accounts of it.

The first Alpha Psi Omega homecoming was held December 6. Following the reception at Wilmore Hall, a dinner was held for the former members of this national dramatic fraternity. Then, they attended the production, "Deep Are the Roots."

The Christmas banquet was December 17 in the college dining hall. A varied program included Christmas scripture read by Charles Jennings, music by the String Ensemble, piano numbers by Betty Ratliff, and "O Holy Night" sung by Arlene Rapp. Even old St. Nick put in his appearance to give "comic" gifts to members of the faculty.

The annual athletic banquet was held at Lakeshore Country Club January 16. The honored guests were members of the football squad—now possessing the proud title of Hoosier College Conference Champions.

Leap Week was held February 8 to 14. Wonder how it turned out? How many new romances are now budding? (Remember, when we were young?)

"The Late Christopher Bean" presented by the National Theater Touring Company, was sponsored by Alpha Psi Omega. It was a delightful three-act comedy under the supervision of Dr. Lee Norvelle, head of the Speech Department at Indiana University.

**June 5th for Spring Meeting**

Dr. Esch has announced June 5th as graduation day and the executive committee has started the planning for the annual meetings and banquet. This is the year for ten-year reunions of the classes of '18, '28 and '38, and of course the five-year reunions of the classes of '13, '23, '33, and '43.

Already extensive plans are underway by the class of '28. This class has been outstanding in its ability to keep track of its members and it is felt that this reunion will be an outstanding occasion. Other classes are of course pushing plans also.

In the past few years, the idea has been repeatedly expressed that not enough time or adequate space has been allotted for class reunions. The Executive Committee is attempting to establish a more satisfactory arrangement this year. Final plans will be forthcoming. Plan for June 5th. Make '48 the biggest banquet yet!

**I.C.C. Alumni Reunion**

**Anderson Group**

A business meeting was held and it was agreed to hold this picnic annually on the last Sunday in June at Shadyside Park.

This meeting is only one of four held annually by this group. For more information contact Gordon A. France.

**Alumni Reunion**

A group of former Centralites staged an impromptu get together, at Turkey Run State Park last August and expect to hold another reunion the 2nd Sunday in August (8) of 1948. All Central alumni, whether notified or not, are invited. The place will be at Vierl Veal's riverside home, 10 miles southeast of Indianapolis on Ind. 29.

The reunion was attended by the following: Reuben and Dorothy (Ratliff) Smith, R. R. No. 2, Delphi, Ind.; Vierl and Mabel Veal, R. R. No. 1, Acton, Ind.; Harold and Agnes (Dawson) Everett, Mason City, Illinois; Bearman 3726 Bluff Rd., Indiana-Malcolm and Estelle (Smith) Bearman, 3726 Bluff Rd., Indianapolis, Ind.; Lloyd and Treva Ave., Indianapolis, Ind.; James and Frances (Franklin) Horner, 5025 Indianola Ave., Indianapolis, Ind.; John Lamb, 4050 Otterbein Ave., Indianapolis, Ind.; K. Brown, R. R. No. 1, Attica, Ind.; Dan and Betty (Young) Rothenberger, 5101 Shelby St., Indianapolis, Ind.

**Note**

In this issue are the reports of two gatherings of I.C.C. people, both of which reached us too late for inclusion in the last edition. We are sorry to be so late with these write-ups, but think they are the kind of things you enjoy, in spite of the fact that they are a little out dated. Your editor would be happy to receive such reports immediately following the event for earlier inclusion.

Classes of '30 and '37 Lead

In reviewing the list of life members it is found that the classes of 1930 and 1937 are in the lead with six life members each. The classes of 1928 and 1941 share second honors with five each and 1944 has four. The other classes trail with twos and threes. Only two classes later than 1920 are unrepresented. They are the classes of 1935 and 1946.

Your editor will attempt to keep the record on class standings and bring them up to date with each issue. Let's go! 

Executive Committee Meets

The Executive Committee of the Alumni Association met in January to consider the following business:

The life membership campaign was discussed and further plans made. The hearty response on the part of the alumni was encouraging and the committee threw a more energetic shoulder to the wheel in planning a program of personal contact of people in Indianapolis and Marion County.

Plans were made to send a membership card to all life members. Mrs. Katherine Mogle agreed to design the card and Mr. Kek was appointed to supervise the printing. All life members will receive cards in the near future.

It was voted to liquidate the outstanding bill of $591.26 on the Alumni News. This was made possible because of the fine response to the Life Membership Campaign.

Tentative plans for the graduation meeting were made. June 5th has been named graduation day and the usual banquet and class reunions are being planned.

The selection of a place for holding the banquet has become increasingly difficult because of the size of the crowd and excessive costs of many places. The committee entertained several ideas and plans were made to finalize the program at the next meeting.

Report of Life Membership Campaign

As this issue of the Alumni News goes to press, I am very happy to report the Life Membership Campaign has been favorably received by Alumni of I.C.C. With the fine start the campaign has received, and with the continued support of the Alumni, a goal of 500 Life Members can readily be turned into an accomplishment.

I know of no better way to describe the spontaneity with which the Campaign has been received by the Alumni, than to publish some of the fine notes which have accompanied Life Membership checks:

"Enclosed is a check for ten dollars ($10) for my Life Membership in the Alumni Association."

I like this plan very much. Under the old plan I was always intending to send in the annual dues but would overlook it in the rush of work at that season.

Accept my greetings to all the Alumni, and in particular to those of the class of '24."

Sincerely yours,

Joseph G. Howe '24

"Enclosed is ten dollars for my Life Membership in the Alumni Association. I really think this is a great step in making this organization a permanent thing."

Sincerely,

Alice Fern Carrithers Starr '37

"Thank you for the opportunity for Life Membership in the Alumni Association. I think this is a good plan and will help the College. I am enclosing ten dollars."

Sincerely,

Everett W. Swank '37
“Enclosed find check for my Life Membership dues in the I.C.C. Alumni Association. I enjoy the Alumni News and think this Life Membership Campaign a good move.

Wishing you the best success in all your activities, I am,”

Yours,
Oliver Gilliatt Mckittrick '26

“Enclosed find check for life membership in the Alumni Association of Ind. Central College. I was graduated there in 1932, but have never had an opportunity to return for a visit. At present I am the pastor of the Irving Park Immanuel Congregational Church with a large membership and a heavy schedule.

Best wishes for success in your campaign.”

Cordially,
Dale R. Wellbaum '32

“Cannot afford, for shame sake, to hoard my many millions any longer—so here's $20. Use it for the glory of I.C.C. (And good grief, don't forget to make me a life member!)

Guess you can gather that I am a sinful Seminarian and slated for graduation in "72", if not later.

Am wondering how many of the old gang you've run across, especially since you were made chairman of the Life Membership Campaign. Personally, I've seen my share since returning from the service. Remember the first floor club over at Men's Hall? If you see Bradford, Ben Miller, Bruce Wright, D. Griffith or any other fellow members give them my love. Better sign off now, 'cause you're a busy man—and I suppose you think I am not?"

Lovingly,
Verdune La Chance '43

P.S.—Guess you know I married "Lefty" Salzman's sis—Marilyn.

“Enclosed is my check for $20 for life memberships in the Indiana Central Alumni Association for Ruth Wagener Gault ('32) and myself.

The idea of a life membership is a good one. It might be well to consider at some future date other types of membership that might carry an indication of additional amounts contributed to the Alumni Association.”

Very truly yours,
Edgar S. Gault '32

“Recently, I received a letter from the President of the Alumni Association of Indiana Central College, Mr. G. H. Fisher, extending to me the opportunity to become a life member of the Alumni Association and help the Association in its forward-looking program. This made me very happy, although it is not clear in my mind as to why a period of more than three years elapsed before any opportunity was given to me to join the Alumni Association. A review of the records will indicate I graduated in 1944.

Enclosed you will find my personal check for $10, the cost of a life membership to the Alumni Association.”

Respectfully,
Frank J. Griesemer '44

“Enclosed will find check for $10 for my Life Membership in the Alumni Association. Thanking you very much and wishing you a successful campaign.”

Sincerely,
Joe Isham '38

Alumni Notes

Sergeant Milvern Bell, who attended I.C.C. in 1944-45, is now stationed at the Endring Air depot in Germany. He is in charge of supplies for his squadron.

'22—Dr. Benjamin H. Cain B.D., D.D., D.Th., was recently elected to the office of Director of Town and Country Church of the E.U.B. Church and took office in September of 1947. Mrs. Cain was the former Bertha Randall also of the class of '22. The Cains have two children, Joyce and Jarvis, who attend Oakwood High School in Dayton, Ohio. Dr. Cain has published two books in the field of Church Administration which are now used as texts in colleges and seminaries.

'33—Harold Emig is employed in the Pharmaceutical Returned Stock Dept. of Eli Lilly & Co. in Indianapolis. Emig was selected chairman of the plant's horse-shoe pitching group for the 1947-48 season. Harold is a former high school athletics coach and also refereed basketball games for a number of years, thus is well qualified to settle arguments as to which shoe is nearer the stake.

'39—Mr. and Mrs. Allen Ellison of Shelbyville announce the birth, on August 29, of a new daughter, Charlotte Nancy. They have two other children, Ned Allen, 3, and Elizabeth Anne, 3. Mrs. Ellison was the former Kathryn Haebl, normal class of '33.

'37—William and Ann (Wallace) McNamara live in Rushville, Indiana, where Bill works with the Boys’ Club, and Ann teaches. Ann is a graduate of the normal class of '37. They have one son, Tommy.

'37—Melba Willhite Ziegler, lives in Osage, Iowa, with her husband, Raymond, and their children Ann, 5 years old, Kenton, 3, and Johnny Roger, 1.

'37—Madeline Spahr Snell and husband, Clement, of Decatur, Indiana, are the proud parents of a 5 months old baby boy named David.

'37—Marjorie Price Ellis and daughter, Sandra, of Paoli, Ind., are spending the winter in Indianapolis while Marjorie is attending Butler U.

'37—Ruby Martin is teaching at Richmond, Ind. Her former roommate, Alberta Perry, '37, is teaching at Hope, Ind.

'41—Mr. and Mrs. Donald G. Emery announced September 18th as the birth date of their son, Mark Wesley. Don is currently principal of the Tipton, Iowa, senior high school, while finishing his doctoral dissertation in education.

'41—Ralph Frey and wife, the former Lois Fruth ('40), announce the arrival of a baby girl, Kay Lynne, born November 1, 1947. Mr. and Mrs. Frey reside in the local community at 4203 Otterbein Ave.
