Past, Present and Future

For years the Alumnus of Indiana Central College was the man without a country. Upon graduation the persons who passed through the halls of I.C.C. went out with little or no attachment for the “Old School” save the friends left behind. In a few years these too passed and only a few retained a contact with the school and its program. I.C.C. Clubs met occasionally and an annual meeting at teachers’ convention helped keep the spark alive. These became the backbone of a waking Alumni Association.

In the past few years an awakening has taken place. Under able leadership the Alumni Association began to take shape and form. Without a definite program, but with a common love for and interest in I.C.C., this group began to formulate the nucleus of an organized body. Additional contacts were made and the spirit awakened in many who had passed through the doors years before. New life sprang up and new interest kindled.

With a growing interest manifested came the need for a medium of exchange for ideas. The Alumni News was born. With responsibility came the need for funds. Plans were considered and the Life Membership Campaign launched. This made new contacts again and the response was heartening. The financial support gained through the Life Memberships proved that the alumni of I.C.C. were interested in the formation of a lasting organization.

Still we are in the wobbly calf stage, standing but staggering from the thrill of it, but we are learning to walk. Continuance of the Life Membership Campaign will raise more cash, and the student fee assessment will soon augment our funds. This is not a stopping place, but rather a launching place for further reaching activity.

It is now time to consolidate our stand and look forward. Soon we must strike out toward a common goal for truly a working organization is a growing one. We must grow through the formation of more I.C.C. Clubs to augment the work of the larger group. We must contact more for our present organization and coordinate the efforts of this group. We must mold our Association into a supporting, driving force for the betterment and expansion of I.C.C.

Certainly only a growing, working organization is a living organization.

Two Years

With this issue the Alumni News completes its second full year of publication. Again it is time to review our activities and evaluate their effects. Has the Alumni News served its intended purpose?

Our prime purpose has been stated here before, that of helping to build a stronger and more active Alumni Association. In attempting to do this we have presented on its pages a broad view of what a stronger Alumni organization would mean to I.C.C. We have reported the business of the organization through the Executive Committee meetings and their plans for furthering the Association. We have reported both on and off campus activities which we hope are of interest to all Alumni. We have featured stories of alumni in their vocational fields. Lastly, but not least, we have published the personal notes of interest to classmates and friends.

In our endeavor we are indebted to those who have spent of their time and effort to help in the publication of this paper. To Roberta Bland, Ralph Frey, Miss Sybil Weaver, Dr. Wm. P. Morgan and Mr. Evan Kek goes a special vote of thanks. All others who have contributed so much as a line have made the editor’s task easier and deserve our thanks.

It is our sincere hope that you feel that the Alumni News is fulfilling its obligation to the Alumni Association. It is also hoped that each reader realizes that this is your paper and that your suggestions, aids and criticism will always be given the best of our consideration. It is the sincere hope of the editor that the Alumni News will be privileged to grow along with the Living Alumni Association of I.C.C.

Orchids

In special tribute to the officers and committee members who have served this year your editor would like to take this space to pass out Orchids. Probably no other group has worked as hard to further the expansion of the I.C.C. spirit through the Alumni Association as this group. Their fine work on the Life Membership Campaign has required much time and effort which they have given willingly. Their labors will mark a milestone in the history of the organization. As they pass their responsibilities on to those who follow, it is hoped that the same fine spirit will be contagious.

Officers and Executive Committee—Orchids to you . . .

Alumni President’s Note

The response of many alumni to become life members of the Association has been very encouraging to your officers. Letters we have received from some tell us that you have welcomed the opportunity to become life members and to put our Association on a sound financial basis.

We are about to take another step in our expanding program. In Sept., 1948, a new method of raising funds will be instituted. At the business meeting this year important matters will be discussed. Plan to be there.

An interesting day has been arranged so you can see friends, enjoy a real Smorgasbord and have a good time. Also we can see the Greyhound Baseball Team in action. Combining business and pleasure, we hope to have a memorable meeting.

See you on June 5.—G. P.
GREYHOUNDS RENEW SERIES WITH BUTLER

After a lapse of eighteen years, Indiana Central has again scheduled a game with Butler University for the coming football season. The game, set for September 25, will be the opener for both elevens. Butler is playing host as the game is scheduled for the Butler Bowl.

The remainder of the schedule will include tilts with Otterbein College of Westerville, Ohio, and six Hoosier Conference games. Central is the defending champion in this conference. The game with Otterbein will be the first meeting of these two teams. The Greyhounds met the Butler Bulldogs in a season opener in 1930, dropping the decision to the tune of 46 to 0.

All home games will again be played at the Southport Stadium. The schedule is as follows:

- September 25, at Butler
- October 2, Manchester
- October 9, at Otterbein
- October 16, at Franklin
- October 22, Canterbury
- October 30, Anderson
- November 6, at Hanover
- November 13, at Rose Poly

* Home Games

Netters Finish Second

Improving with each game, the Greyhound Basketeers finished strong to gain the number two spot in the Hoosier Conference. After an 8 won, 5 lost record at mid season, the hustling Centralites caught fire and won seven out of the last ten games. The first victim of the late season rally was York College of York, Nebraska. In a fast game the York team took the short end of a 65 to 48 count. McBride scored 16 points. The following game was a hair raiser with a thrilling climax; Central winning 67 to 56 from Canterbury. McGrath paced with 16 points.

The next game in the win column was probably the best game of the season for the Greyhounds. A full house of 2800 persons saw the Cardinal team throttle Jumping Johnny Wilson of the Anderson-Ravens and win 79 to 62. This was the only conference defeat for the Ravens. McBride led the scoring with 22 points.

A new scoring record was established as the Greyhounds won handily from Huntington 91 to 66. This performance topped the previous 90 to 56 to set a new scoring record. Swails canned 30 points to lead the scoring.

Central gained revenge for an earlier defeat from Franklin by sending them home on the short end of a 68 to 56 score. Swails again copped scoring honors with 18 points. Another thrilling late season victory was gained over Manchester, as Bill McGrath scored from mid-court with twelve seconds left to put Central out in front 54 to 53.

With second place in sight the Centralites clinched position by turning back a stubborn Hanover five 65 to 60. Two field goals by Swails in the last two minutes clinched the verdict.

The three defeats suffered in the last half of the season came at the hands of Southern Illinois, 76 to 79; Anderson, 82 to 62; and Eastern Illinois 74 to 69.

Varsity Shades Alumni Basketeers

Resuming a fine custom, an Alumni aggregation studded with former Greyhound stars, extended the Varsity cagers to the limit before succumbing to a 70 to 66 defeat.

The Varsity cagers rallied after lagging seven points at half time, to overtake the panting Alumni greats in the last few minutes of play. Ray Crowe, Lee Perry, and "Baldy" Bloomington paced the Alumni to a 44 to 37 advantage early in the last half. With the bloom of youth fading, likewise faded the Alumni as the Varsity turned on the steam. Norman Horner of the Varsity and Lee Perry of the Alumni split the scoring honors with 14 each.

A date has already been set for an Alumni vs. Varsity game for next season. March 4 has been set for this encounter along with the annual "C" Association reunion.

Two Greyhounds in First Five

Elwood McBride, Greyhound guard, and Dwight Swails, Greyhound center, finished high in Indiana basketball scoring. McBride and Swails, both Freshmen, finished third and fifth respectively in the State scoring tally. Below are listed the totals for the five leading scorers.

McBride Selected on All Star Team

Woody McBride, Central’s hot blast freshman guard, was awarded a first team position on the Hoosier Conference All Star Team. The selection was made by ballot of the league’s eight coaches.

Woody’s 364 points in 23 games, a 15.8 average, paced the Greyhounds late season surge which put them in third place in Conference standing. Woody is the younger brother of Don McBride who last fall captured a berth on the all league football team as well as scoring honors in the state.

Dwight Swails, a Franklin Township product, playing his first year for Central, was named for a position on the second team. Bill McGrath, forward, was given an honorable mention.

[4]
Baseball Win 5, Lose 2

With seven games played the Greyhound sluggers are off to a fine start with five games won against two losses. The team opened the current season auspiciously by defeating Manchester on the home diamond 7 to 5. Noland and Kistler handled the mound assignment while Doc McBride furnished the hitting power.

In the second game of the season, the Central team suffered a 7 to 3 defeat at the hands of Franklin College. Pitchers Ruth and Noland failed to silence the Grizzly bats. In the third encounter the Centralites rallied in the eighth inning for six runs to defeat the visiting Canterbury nine 8 to 7.

Rose Poly have proven to be “cousins” to the Greyhounds in the fourth and seventh games of the season. Both games were easy victories. Johnny Johnson and Bill McGrath combined power in the first of these games to pitch three hit balls, winning 13 to 1. Don Ruth handled the mound work for the other Poly game, pitching a four hitter to win in a shutout, 7 to 0.

Earlham handed Central its second defeat 2 to 0 in a well played ball game. Earlham scored two runs in the first frame on two walks and a single. Central was unable to push across a single tally.

A late rally enabled the red and grey to shade Taylor University 5 to 6. A triple by Johnny Westen was responsible for scoring two timely runs. Swails and Ruth handled the pitching chores.

Track Team Wins 2, Loses 2

With the first half of the track schedule completed, the Central speedsters have won two dual meets, lost one dual meet, and placed second in a triangular affair.

The Greyhounds opened the season by winning from Taylor University 97 2/3 to 43 1/3. Three first places were captured by Harvey of the cardinal and grey as he won the 220 yard dash, 220 low hurdles, and broad jump.

The Centralites also swamped the Rose Poly Engineers in a dual meet 35 1/2 to 37 1/2. Steveson and McGrath both came off with three firsts, Steveson winning the shot put, discus, and javelin throw while McGrath took broad jump, high jump and pole vault.

In a three way meet with Franklin and Manchester, Franklin compiled a total of 80 points to 59 for Central and 31 for Manchester. Grosskopf, Langford, Harvey, and McBride garnered first places for Central.

The Butler Bulldogs in turn swamped the Greyhounds in a dual fray 108 1/2 to 22 1/2. Steveson captured the only firsts for Central by winning both the javelin and discus events.

Brenneman Memorial Award

The “C” Association recently presented to Dr. I. Lynd Esch, school president, a trophy to be known as the Walter K. Brenneman award. The award, in memory of Walter Brenneman of the class of ’41, who was killed in Pacific action, is to be made annually to the athlete who best exemplifies the true spirit of competitive sportsmanship throughout the year. The establishment of the award was made possible through the “C” Association who raised funds by sponsoring an interclass tourney as well as by spontaneous contribution.

Each athlete receiving the award will have his name inscribed thereon. Small individual plaques are affixed for this purpose. It is hoped that this award will receive a place of esteem as a coveted and much sought after honor among the future athletes of I.C.C.

Epsilon Sigma Alpha

Six members of the 1948 graduating class of Indiana Central College have been elected by the faculty to membership in the senior honors society, Epsilon Sigma Alpha. The new members are Malcolm Black, Jr., Lydia Ann Cory Brette, Opal Arlene Cutler, Patricia Harper, Robert McBride, and Charles R. Youngblood.

In honor of these seniors the second annual initiation dinner was held at the home of Mr. and Mrs. Evan R. Kek on Monday evening, April 26. Members of the society present were Sibyl Weaver, ’15; Roy H. Turley, ’25; Roy V. Davis, ’25; Edna Miller, ’28; Clara Procter Reynolds, ’28; Anna Dale Kek, ’28; James A. Weber, ’29; Evan R. Kek, ’30; Anna Mary Glick Hinton, ’40; Kenneth Sidebottom, ’42 and Joseph A White, ’47.

The organization of Epsilon Sigma Alpha was authorized by the faculty on May 8, 1947. Faculty members who were graduates of Indiana Central College and eligible for membership were elected as charter members and, by action of the faculty, were authorized to act as an executive committee for the organization as a whole. The first students to be elected to membership were Victor M. Bogle, Lois E. McKain, and Joseph A. White, members of the class of 1947.

Graduates of Indiana Central College prior to the inauguration of the program who have a scholarship index of at least 2.250 may, upon making application in writing to the faculty, become candidates for election. Alumni whose scholastic records make them eligible for membership are being informed of the fact as rapidly as their records can be checked in the registrar’s office. It is hoped that the responses from the alumni will be prompt. Applications will, however, be accepted as late as January 1, 1950.

The organization of this honors society meets a long felt need. Its purpose is to encourage emulation in scholarship as a mark of character development, and to reward outstanding scholastic achievement.
BIG PLANS FOR SPRING MEETING JUNE 5

A definite effort has been made by the executive committee to organize the annual spring meeting into something special this year. After much listening of criticism of former meetings the committee has tried to make this coming event the most pleasurable occasion of its kind to date.

The registration of arriving alumni will begin at 10:00 A.M., in the Gymnasium. Recognizing the fact that in previous years those who have arrived early have had little or nothing to do, Miss Roberta Bland has been asked to head a committee of hosts and hostesses to be on hand at all times to greet the arriving alumni. The reunion groups are planning their own booths or tables to greet their mates as they arrive. The tickets for the evening dinner which have been reserved by mail will be waiting at the hostess table.

A baseball game with Franklin College will afford good watching starting at 2:00 P.M. Adequate time has been allowed for visiting with friends as they arrive as all activities will be centered around the gym. At 4:30 P.M. the Annual Spring Business Meeting will be held in the Auditorium. Several items of vital interest will be discussed at this meeting. All should plan to attend.

The dinner is scheduled for 6:30 P.M. in the gym. The meal is to be a Smorgasbord supplied by a catering company from the city. Plenty of food will be supplied for those whose pastime is eating. Tables will be provided so that friends and classmates may eat in informal groups as they choose.

Following the supper hour a variety program will be presented by the class of '48 and the reunion classes. Mr. Gordon Geiger is in charge of the program and promises a treat.

Executive Committee Meetings

The Executive Committee of the Alumni Association of Indiana Central College met in the faculty lounge on March 30, 1948. Those present were George Fisher, Ralph Frey, Evan R. Kek, Sibyl Weaver, President I. Lynd Esch, and Kathryn Mogle.

The Nominating Committee for the annual election of officers was named as follows: Justin Marshall, Chairman; William Schaefer, and Roberta Bland.

Calendal of Events

FRIDAY, JUNE 4
8:15 p.m. Senior Class Play, "The Daffy Dills" Kephart Memorial Auditorium

SATURDAY, JUNE 5
10:00 a.m. Registration of Alumni Begins Gymnasium
10:00 a.m. Headquarters of Reunion Classes Open '08, '13, '18, '23, '28, '33, '38, '43 Gymnasium
2:00 p.m. Baseball—I. C. C. vs. Franklin Kephart Memorial Auditorium
4:30 p.m. Annual Business Meeting, Alumni Association Kephart Memorial Auditorium
6:30 p.m. Alumni Dinner Gymnasium
7:30 p.m. Variety Program by Reunion Classes and the Class of '48 Gymnasium

SUNDAY, JUNE 6
11:00 a.m. Baccalaureate Service The University Heights Church
Baccalaureate Sermon: The Reverend E. Craig Brandenburg, A.B., B.D., D.D.
8:00 p.m. Senior Candle Lighting Service The University Heights Church

MONDAY, JUNE 7
10:00 a.m. Forty-Third Annual Commencement Gymnasium
Commencement Address: "The Achievement of Freedom" J. Elton Trueblood, A.B., S.T.B., Ph.D. Professor of Philosophy, Earlham College

The times indicated above are Central Daylight Time.

The treasurer, Ralph Frey, reported the receipt of 81 Life Memberships to date.

A general discussion of future plans and possibilities for growth and improvement of the Alumni Association followed, including the need for a budget, need for revising the Constitution, and the possibility of making the Living Endowment a project for the Association.

Plans for the annual meeting and dinner were discussed. Gordon Geiger, class of 1947, was named chairman of the program committee, with John Rider, college director of public relations, and the following representatives of the reunion classes as members of the committee:

1948—Malcolm Black and William Koons
1943—Clara Files
1938—Richard Emery
1933—Edith Carmony and Maurice Shirley
1928—Frances McClanathan Martin
1923—Lloyd Miller
1918—Preston Kindred
1913—Myrtle Walters (only member)
1908—C. P. Martin (only member)

The Executive Committee of the Alumni Association of I.C.C. met for final arrangements on the spring meeting at the home of Ralph Frey, on May 3, 1948. Those present were George Fisher, Ralph Frey, Sibyl Weaver, Evan Kek, Mary Morgan, and Alva Stoneburner.

Final arrangements for the annual spring meeting were discussed. Arrangements for serving and decorations had been cleared by Miss Morgan. Miss Roberta Bland was appointed as Head Hostess for the registration of Alumni.

Mr. Kek presented two recommendations for items of business. These were discussed and approved. Further discussion was held on the revision of the Constitution. A recommendation for continuance of the Life Membership Campaign was made and approved. Discussion followed on the registration of Alumni and plans made to bring the information files up to date through the circulation of a general letter to all Alumni.

Class of '37 Leads

A tally of the life membership roster shows the class of '37 leading with seven life members. The classes of 1928 and 1930 are only one step behind with six each, while the classes of 1938, 1941 and 1944 each have five. Let's keep them rolling in.

Who Will Be 100?

At this writing 94 Life Memberships have been paid. The Executive Committee has set a goal of 100 for this year. Only a few weeks remain to reach this goal. We should reach the 100 mark on or before the spring meeting. A special significance will be placed on the issuance of the 100th Life Membership card. If you cannot send your Life Membership dues to: Ralph Frey, association secretary, recently announced that all life membership cards had been mailed. This attractive billfold

size card in symbolic school colors is being sent as the receipt for the ten dollars paid for life membership. All persons who have paid their Life Membership dues should have received their membership card by this time. If you have paid Life Membership dues and have not received a Life Membership card, please notify Mr. Frey at once. New members joining the life membership ranks should now receive cards within a week of said payment. Mail Life Membership dues to:

Ralph M. Frey, Sec'y,
Alumni Association,
Indiana Central College,
Indianapolis, Indiana.

Muncie-Anderson Club

The Muncie District of the Alumni of I.C.C. met at the Hartford City E.U.B. church on Feb. 15, 1948. Dr. I. Lynd Esch was the speaker. Heidlie Cobb was host. Those attending were:

Dr. and Mrs. I. Lynd Esch, Dr. K. E. St. Clair, Mr. and Mrs. Gordon France and children—Carolyn, Robert, and Richard, Rev. Forrest A. Reed, Marguerite (Parsons) Reed, Rev. John and Laura (Jones) Roberts, Mrs. Alva L. Roberts, Rev. and Mrs. J. Allen Breedlove and children—Betty Ann, and Stephen, Rev. Heidlie Cobb and Mrs. Elizabeth (Breedlove) Cobb and children—Ruth, John, Paul and Mary, Mr. and Mrs. Calon E. Parker, Lowland and May (Trumhull) Barnett and children—Stephen and John, Mr. and Mrs. Albert Findley and children—Julia and Alice, Virgil H. and Virginia (Treharner) Stanley, Catherine Burchard, Treva (Miser) Riggin and daughter Melanie, Tracy Kerlin, Ross and Louise Snyder, William Clark, and Robert E. and Jessie (Johnson) Carter and children—Jo Ann and Rita.

Prospective students attending were Bryon, Ruth, and John Reed, Tom Terrell, Emma Lou Craig, Janet Heaton, Mary Jane Ratcliff all of Muncie.

The next meeting of this group will be the annual summer picnic June 27th at Shady-side Park in Anderson.

Gordon France—Pres.
Jessie Carter—Sec.
Alumni Notes

NOTE—In the last issue feature on teachers in Marion County Schools we overlooked Richard Mehaffey. Richard graduated in the Normal class of 1935, later completing his degree and Masters at Butler. He is now the principal of the Shadeland Grade School.—Ed.

'30—Thelma Eiler Erny is teaching English, Biology and Physical Ed. in the high school at Albion, Ind. Thelma's husband is the minister of the local E.U.B. church. Following their marriage fifteen years ago the Ernys have served several churches in the St. Joseph Conference. Mrs. Erny was ordained in 1940. They spent one year at the Otterbein Home. Ruth Leona is ten and Thelma has three step children, all married. Because of this she lays claim to the title of champion grandmother of the class of 1930 since there are seven grandchildren.

'36—Mr. and Mrs. James Smith (Marjorie Nigh) announced the arrival of Phillip James on February 18 at the Methodist Hospital in Indianapolis. This is their first child.

'39—Wm. Zimmerman having found it impossible to continue plans for medical missionary work in China, has opened a private practice in southwestern Virginia, near the Cumberland Gap. The article “The Angel of Happy Hollow” in the Feb. 14 Saturday Evening Post was a story of this locality, embracing the work in the coal region of Virginia.

'41—Frances Brown is completing three months graduate training on polio. Francis is studying physical therapy at the Warm Springs Foundation at Warm Springs, Ga. Miss Brown was one of five from her class of twelve chosen to remain for the extra training. She expects to graduate in June and enter volunteer polio epidemic work.

Into College Windows

by Alvin N. Rogness

When my children attend a church college, which I confidently hope they may, I hope they will sit under teachers who are able to keep God in the center of their courses. This, I know, is no small achievement for an instructor.

In a course of history, for instance. I would like my child to see the movement of mankind in the drama of time as a play in which man either succeeded or failed, depending upon whether or not he heeded the eternal laws of God. I would like him to understand that on this stage God himself was a constant, unseen actor too, and that the other players could not ignore him, except to their sorrow and consternation.

Or, in sociology, politics, or economics. I would like him to realize, as he appraised one social form against another, that no social form would be good unless the men and women who made it up were good. Society does not change by juggling its forms of organization; its only real change occurs when hearts and minds of men, one by one, become changed by the power of God.

Also, in the natural sciences. I would hope that the teacher would never let my child forget that advances in medicines which made men live longer were futile unless men lived better. Or, that to enable men to fly faster would be fruitless unless their errands were constructive and merciful. To build more bridges, higher buildings, and longer ships might only increase life’s anguish unless man himself, the builder, was undergirded by noble motives.

Even in the fine arts. I should like my child to feel that esthetics must bow to ethics, and that art is not always its own critic. Music that is powerful to arouse the baser passions of men is great music judged by its success in producing its avowed end; but it is ignoble and shameful art judged by ethics and God. I would hope that both art and the artist would be measured by whether or not God and his ends were glorified.

The church college has this “plus” objective in its program. Its teachers are “approved” by this world’s best accrediting agencies. But, in addition, they are encouraged to tie all instruction together to God as the center, in whom we live and move and have our being.
