ALUMNI A PART OF THE COLLEGE

Recently in a radio discussion of the fall opening of schools and colleges the speaker said the college is composed of students, administration, faculty, board of trustees and alumni. Alumni! Have we been thinking that the alumni are still a vital part of the college, or have we thought of ourselves as something apart from the college. Alumni a part of the college! That makes us pause and think. Of course, the statement is true. We who have matriculated in a college and stayed either a week or four years are ever after a part of that college. Some of the college blood has gone into our veins. We bring honor to the college by our behavior, strength to the college by our loyalty, our financial contribution, and our enlistment of new students. Every alumnus can do something to aid our alma mater. Are we doing it, or are we leaving it to the other fellow? We are a part of the college.

ALUMNI ASSOCIATION TO SUPPORT GOLDEN ANNIVERSARY

At a meeting of officers and directors of the Alumni Association, it was decided to recommend a plan of participation in the campaign for a new Academic Hall. The recommendation will be presented and discussed at a meeting of alumni and former students on Homecoming Day, October 3. A letter outlining the plan agreed upon on October 3 will be mailed to each alumnus and former student on October 15. We hope to have your support.

BOWLING ALLEY SOON READY

The bowling alley which is being erected on Indiana Central property west of Shelby Street about a block north of Hanna will soon be ready for use by Central students and faculty. It no doubt will be popular with both. There will be 12 alleys which will be open to other leagues and individuals as well as to Central.

NEWS ITEMS DESIRABLE

Many things happen to alumni that would be of interest to readers of the NEWS, but they can't be known unless the editor hears of them. Please don't be too modest. If you have something of interest either about yourself or another alumnus, please send it to the alumni desk in the college office.

SMITH GOES TO MIAMI UNIVERSITY

Dwight L. Smith, '40, M.A., Indiana University, '41, Ph.D., I.U., '49, has joined the Miami University history faculty as assistant professor to specialize in American and frontier and regional history.

Dr. Smith taught at I.C.C. for two years before enlisting in the Army Air Force, held a teaching fellowship at I. U. during his doctorate study, and also has taught at Centre College and Ohio State University. He was research historian at the Ohio State Archeological and Historical Society in 1950-51.

Dr. Smith currently is collaborating with R. Carlyle Buley, Indiana University Pulitzer Prize historian, on a book covering history of the old Northwest Territory up to 1815. He has published more than two dozen articles in various history magazines, all dealing with some phase of the early history of the Northwest Territory.

FEW FACULTY CHANGES

Few changes were made in the faculty for the year 1953-54, just enough to give it new blood and not too many to affect its stability. Professors Leo and Alberta Miller left the department of business administration, Mr. Miller to do graduate work at Indiana University and teach in the Bloomington High School, Mrs. Miller to go back to her former position in the Spencer High School. Their places in the department here are being taken by Harry McGuff, '52, who has been teaching in the commercial department of Southport High School, and Miss Doris Berry from Indiana State Teachers College. Mrs. Lois Fouts is leaving the department of physical education and giving all her time to the English department. Her place in the physical education department is taken by Mrs. Nancy Clampitt, who for some years has been teaching the same work in Anderson College.

HONORARY MEMBERS

At the annual June business meeting the Alumni Association conferred honorary membership on Edwin G. Plum, General Chairman of the Indianapolis Campaign for funds for the Academic Hall, on L. Lynd Esch, President of Indiana Central, and on Virginia Cravens, Executive Secretary of the Alumni Association "for their continued interest in and service to the college." These three people appreciate the honor conferred and take pleasure in being members of the Alumni Association of Indiana Central.
GREETINGS FROM THE PRESIDENT'S OFFICE

State Fair and Football practice reminds us that summer is ended and that our fall work begins. Most of the summer has been spent in acting as host to groups who used our campus and buildings for meetings and in preparing buildings and grounds for the new school year.

We found it necessary to do a major operation on the old boilers in the heating plant and believe they will come through another winter now without relap. It will certainly be a great day when we can afford a new heating plant. We continue to make progress on the leveling of the new Athletic Field. Most of the grading is now done and we expect to get it seeded this fall. We also added stacks for 5000 additional volumes for the library.

The campaign for building funds continues. Two new phases of this program are now under way. The business men of Southside Indianapolis have started a campaign to raise $180,000 for the Auditorium unit and the students are at work on selling the 1000 seats. Mr. and Mrs. L. O. Tomey have purchased the first one on this program. Mr. Parker Jordan is with us now as Assistant to the President with direct responsibility for the fund campaign.

We are looking forward to an unusually big Homecoming and High School Day on October 3. Hope you can attend. We will all be looking for you.

GROSE AT MARIETTA COLLEGE

Dr. Herschel G. Grose, '42, late a research chemist with the E. I. duPont Nemours & Company, at Waynesboro, Virginia, is now a member of the Marietta College faculty at Marietta, Ohio, as assistant professor of chemistry.

Dr. Grose has his doctorate from Indiana University, '51. He was a chemist with the U. S. Rubber Company at Indianapolis for two years before the war. During 1943-46 he was an officer with the Navy, serving as a radar officer aboard a submarine in the Pacific, for which he received a commendation.

A native of South Bend, Indiana, Dr. Grose is married and the father of two sons and two daughters. His professional publications have appeared in the Journal of the American Chemical Society.

SPORTS

The 1953 version of the Greyhounds' football team assembled September 1 under Coach Dave Haw. There are 12 returning lettermen serving as nucleus for the squad with freshmen filling out the rest of the 33-man squad. The hounds have a veteran backfield of Dick Nyers, Jim Duncan, Dick chrier and Bob Vuillemot from last year's squad. The line finds only one tackle spot being filled by a freshman. The second squad has shown that they will be pushing hard for those first string positions. Central won their first conference game of the season from Taylor 18-6 as everyone saw action against the Trojans.

The cross country squad lost their first conference meet in three years under Coach Jack Rice. Taylor posted a 24-31 victory on the Greyhound's course. Coach Rice has several promising runners who will give the defending HCC Champion Greyhounds more strength by conference meet time.

FUTURE CENTRALITES

F YOU ARE NOT NOW A LIFE MEMBER OF THE ALUMNI ASSOCIATION, THIS FALL IS THE TIME TO BECOME ONE. YOU KNOW HOW TO GET ON THIS LIST.

CIN MEMORIAM

Roy Truex, x-11, died suddenly at his home in Indianapolis on the evening of April 16, 1953, after his usual day of work. While in Indiana Central College Mr. Truex was a roommate of the late President Good. Born in Brown County, Mr. Truex taught for a number of years in Brown and Jackson Counties, the last time at Medora, where he was active in the EUB Church and Sunday School. At the time of his death he was in his 39th year with the New York Central Railroad and was planning to retire on May 15.

Reverend Donald J. Klinger, x-27, of R. R. 5, Kokomo, Indiana, died suddenly July 4 while attending a family gathering in Illinois. His widow, Beatrice Young Klinger, graduated from ICC with the class of 1931. A son, Don, Jr., is a student now at ICC.

Reverend D. Horton McCormick, '28, died June 30 in St. Francis Hospital after three days of illness. He had been pastor of the University Heights EUB Church less than a year, having been assigned here from Evansville by the Conference of 1952 after the resignation of Dr. Roy H. Turley. During this less than a year's time, Dr. McCormick had endeared himself to the community and the college student body and faculty, and also had shown excellent administrative ability in getting a new church building started. His widow, Eloise Eviston McCormick, '29, and their two children, Kathleen and Thomas, will continue to live in the Heights. Both children are students at Manual Training High School. Eloise will teach music in the public schools of Indianapolis.

FREEDOM AMBASSADOR

A story in the Indianapolis Star Magazine with the above title features the daughter of Russell and Maxine Lightle Abdon, '33, who live in Indianapolis. The parents may take justifiable pride in her being one of 120 Civil Air Patrol cadets who spent three weeks this past summer in 16 foreign countries. Roberta, who is 17, went to Hawaii. The purpose of the program is to foster international brotherhood among air-minded youths of the free world.
