The fiftieth anniversary of the founding of Indiana Central College will be celebrated by a series of events during the week of October 3-8, 1955. The Student Council will provide the program in Chapel on Monday, October 3.

Tuesday morning the students will meet in groups with their faculty counselors for discussion of the theme, "Managing Time".

Wednesday morning President Esch will give a brief history of the College and outline the plans adopted by the Trustees for the next 15 years.

Thursday evening there will be a special convocation at the University Heights Church on Religion and Education. This convocation will emphasize the close association between the church and the college. Dr. Charles Goff of Chicago Temple, will be the speaker.

Religious leaders of the Evangelical United Brethren Church of Indiana and Southern Illinois are being invited, as well as religious leaders of other denominations in Marion County.

Friday and Saturday, October 7-8, there will be a workshop on High School and College cooperation, sponsored by the North Central Association Committee on Liberal Arts Education and Indiana Central College. Among those appearing in this workshop program will be President John R. Emens of Ball State Teachers College, Dr. Lewis C. Mayhew of Michigan State College, and President Terry Wickham of Heidelberg College.

There will be an Indiana Central College Alumni Luncheon at 12 noon on Friday, October 8, at the Lincoln Hotel. The price is $1.75 per plate. There is an announcement of this event in the program of the Indiana State Teachers Association convention. This is your best opportunity to secure a seat for luncheon on that day and to meet your friends of Indiana Central. There will be a short program of music. President Esch will speak briefly.

No individual notices will go out through the mail. Of course, there must be reservations. Send yours in time for them to reach Virginia Cravens, Indiana Central College, Indianapolis 27, Indiana by Tuesday, October 25.

HOMECOMING OCT. 22

October 22 is Homecoming and High School Day. There will be a greater influx than ever of high school students, accompanied by their pastors and principals, alumni of the college. There will be the usual activities: Registration on the west porch, tour of the campus, lunch on the campus, parade of floats and decorated cars, followed by a football game with Hanover on Delavan Athletic Field at 2 o'clock. At 4 o'clock Indiana Central teams will meet Hanover teams in both tennis and cross-country. At 5 o'clock the alumni will meet on the campus. (See p. 3) At 8 o'clock the Greyhound Room Opening is scheduled.
MAY WE DEPEND ON YOU?

Registration Day, September 13, brought to the campus the largest student body Indiana Central has ever had, an increase of approximately 20% over the number of last year, which was more than 20% over the year before. That is not surprising to anyone who reads the newspapers and magazines, or listens to the radio. Everyone knows that every institution of learning from kindergarten to university is overcrowded. Yet Central's problem is a bit peculiar. Most other institutions are in need of dormitory space. Though Central's dormitories are full, they are not too full—yet. But what about rooms for classes? Dining room space? Library room? Every available room will be in use every hour this year. Next year will undoubtedly bring an even larger increase in number of students. In the next year or two the college will be affected by the rising birth rate of the early forties. What then? The only answer to the need of class rooms, library space, and dining room is a new building. Will you help provide this building? Have you made your pledge?

2 GRADS FINISH AT METHODIST

Mrs. Yvonne McMurray Wood is the second Central alumna to receive her A.B. degree from Indiana Central and her R.N. from Methodist Hospital on the same night, June 12. Mrs. Virginia Young Hilton was the first in 1954. In each case the husband was waiting at the door of the commencement hall to rush his wife to the North Methodist Church in time to hear her name called there.

Eloise Bilby, '52, received her R.N. from Methodist in January. She is now in the Espanola Hospital, Espanola, New Mexico. Mrs. Wood will continue nursing at Methodist.

REPORT OF the FIELD SECRETARY

The Alumni Association of Indiana Central College arranged to employ Field Secretary for the past summer on an experimental basis. Mr. Albert Thomas of the class of 1950 was employed and made visits in 21 cities with 134 alumni, gave up-to-date information on the College, talked with them about their participation in the alumni club in their area and discussed the need of new buildings to take care of the expanding enrollment. Fifty-one of these alumni made pledges to the Golden Anniversary Fund amounting to $7,235. He was surprised and disappointed to find how many children of alumni are attending other colleges.

Indiana Central has had another splendid increase in enrollment this fall, but it looks to its alumni to interest their own children and the children of friends.

ENROLLMENT JUMPS 20 PERCENT

Indiana Central College has an enrollment of 558 students this fall, the highest in its history and a gain of slightly more than 20 per cent over a year ago.

This is the second consecutive year that the college's enrollment jumped 20 per cent. The total last fall was 469.

The previous record was 475 in the postwar boom of 1947-48.

There are 356 men and 202 women students at Central this year. Seventy-five of the men are studying under the G.I. Bill.

The day students and dormitory students are almost evenly balanced. Those commuting to classes and living off campus number 278; the occupants of the residence halls total 280.

The evening students number 45, a good increase over last year.

Ground for the new Academic Hall will be broken when $600,000 has been subscribed. The College is determined to secure the necessary gifts and to break ground within the next few months. The enrollment for the 1954-55 school year was 20% above 1953-54, and registration for the 1955-56 year is 20% above last year. Every classroom is in use, two rows of extra chairs have been added to Chapel, and Indiana Central is literally bulging at the seams. The generous support of alumni will help to get the new building.

ICC Seeks 3rd Straight Grid Crown

Central's gridiron men are attempting to capture their third straight ICC championship in a row. The Greyhounds have gone two seasons undefeated in the Conference with twelve straight wins. Last season the team lost all their non-conference games, to Ashland, 6 to 0, Ferris, 12 to 0, and Butler, 13 to 7.

Despite the 20 to 0 loss in the opening game to Alma, Michigan, new coach Jim Wallace thinks his boys are just as good as last year's crop. The loss to Alma was the worst defeat in three years for Central.

Coach Wallace has 12 lettermen returning this season with Dick Nyers and Dick Schrier heading the list. Nyers was the country's leading scorer last year with 109 points, while Schrier was in the nation's top ten in passing. Nyers and Schrier were both stopped in the Alma game as Nyers couldn't score in 19 attempts and Schrier couldn't complete a pass in nine attempts.

Central was hurt this year by the graduation of John Hurrle and Buz Oldham. Also, three regular linemen were lost because of grades. The backfield was hurt this year by losing the regular fullback Don Miles, who didn't return because of signing a baseball contract.

Central plays two non-conference games this season with tough Ashland, Ohio, on October 22 at home and with Findlay, Ohio, on November 12 there.
