Alumni Luncheon - Oct. 26

As announced in the July issue of ALUMNI NEWS, Central alumni will have a luncheon at the Sheraton-Lincoln Hotel on Friday, October 26, of Teachers Association Convention. Because of the heavy cost of sending out individual notices to the hundreds of teachers in Indiana and other alumni near Indianapolis it seems wise to use only the ALUMNI NEWS as a medium of notice. Therefore, if you who can attend this luncheon, please send a postcard or note to Virginia Cravens at the college. The hotel will want to know the number to be served. Last year's luncheon was a very delightful affair with a good number present. There will be entertainment of music and short talks, and all will be finished in time for the afternoon session of the convention. (If there is no other attraction, this affair will assure you of a seat while eating, at a low cost.) Send your reservation soon and pay for your ticket at the hotel. Price: $1.75.

A Quick Look By Hilton and Johnson

One of the most unusual meetings ever held between Indiana Central alumni occurred July 24, when two of them broke the sound barrier together in a jet.

Rev. Bruce Hilton, '53, was visiting Bunker Hill Air Force Base near Peru, Ind., to write a story for the Indianapolis News. His pilot turned out to be First Lt. Edwin Johnson, x-52.

The two had worn green beanies together in the fall of 1948, but had not met since 1949. Lt. Johnson, a Korea veteran, is the husband of Judy (Morgan) Johnson, '52, and son-in-law of Professor W. P. Morgan of ICC.

After renewing acquaintances, Johnson took Hilton for a 55-minute ride in the F94C jet interceptor, breaking the sound barrier in a dive from 41,000 ft. and then swinging past Indianapolis for a quick look at the college.

Greetings Alumni

The ALUMNI NEWS uses this medium to send greetings and good wishes to all graduates and former students of Indiana Central College. This is a time when many of you will have just begun a new job or are taking on new energy for an old job. Many of you mothers have been busy getting your children ready for, and sending them off to, school, kindergarten, elementary, high school, and college. Whatever your work is, as mother, teacher, minister, businessman, industrialist, or what not, we wish you success and joy in your work this year.

This summer has been a good one in many ways. The In Memoriam column is lacking from this issue of the NEWS. Storms, fires, and floods have been spared us. Let us be thankful and go about our chosen service to our fellow men with renewed vigor.

(A Quick Look, cont.)

Bruce says that Ed and Judy extended wonderful hospitality and made his stay at Bunker Hill much more pleasant than he had ever expected.

Ed, who intends to make a career of the Air Force, has been taking night courses at IU Extension in Kokomo.

This was Bruce's eighth ride in a Jet, in which he has covered more than 5,000 miles in four different kinds of Air Force jets.

Student A Successful Coach

Miss Mary Baumgartner of Fort Wayne, now a senior at Central, has for two years been coaching the nurses' basketball team at the Methodist Hospital. Her undefeated team last year won the Indianapolis Student Nurses Association basketball trophy, defeating IU 52-36 in city tournament finals.

Homecoming & H.S. Day Oct. 13

An invitation to and program for Homecoming and High School Day has been sent out to all high school principals in Indiana and to the ministers and lay representatives in the constituency of the college. Saturday, October 13, is an important date for all alumni and friends as well as for the faculty and students of the college.

There will be three important events for the alumni. The first will be a meeting of the alumni class agents at 10:00 o'clock in Room 102 of the Administration Building. All alumni who would like to help in this last year of the Alumni Campaign for the new Academic Hall are invited to attend this meeting. The Alumni Association voted to accept as its goal the raising of $150,000 for the Academic Hall. To date we have raised a little more than $117,000. We welcome your help in securing pledges for the remaining $33,000.

The second event will be at 11 o'clock, when the cornerstone for the Academic Hall will be laid.* The third important event will be the football game between Coach Wallace's Greyhounds and the Manchester Spartans.

The program for high school guests will begin at 8:30 a.m., with registration, followed at 9:30 with assembly in the Church Auditorium. At 11:15 the assembly will break up into groups for counseling. Lunch will be served at 12:00 o'clock in Dailey Hall Cafeteria.

At 9:30 there will be an assembly in Kephart Auditorium for the members of Lay Fellowship and all other adults. The Homecoming Parade will pass in review at 1:00 and proceed to Delavan Smith Field for the football game.

Those persons who register for the day will be guests of the college for the luncheon and ball game.

*(By an interesting coincidence just as the above paragraph was being written, the contractor brought to Dr. Esch the copper box to be put into the cornerstone.)

The team's record for the season was 9-0. The team took two league games from each of the other nursing schools during the regular season.
Wedding Bells

Weldon "Cy" Kincaide, '51, and Marilyn Axel, x-53, were married Saturday afternoon, June 16, in the First Evangelical United Brethren Church in Kendallville, Indiana. They now reside in Warsaw.

Mimis Antonopoulos, '56, a native of Athens, Greece, but for the last five years as a son of Mr. and Mrs. Lee Toliver of 5060 Camden, took as his bride, in an August wedding, Elaine Soulias of Indianapolis. The ceremony was performed in the Holy Trinity Greek Orthodox Church of Indianapolis. Centralite attendants of the bride and groom were Carolyn Plummer, x-58, and Harold Schuman, Jr., '56. After a reception in the Sheraton-Lincoln Hotel, the couple left on a wedding trip, returning to make their home at 2010 N. Meridian.

William E. Whitehall, '56, and Carolyn Jo Plummer, x-58, also had an August wedding. The ceremony was performed in the Zion Evangelical and Reformed Church of Indianapolis. Centralite attendants of the bride and groom were Carolyn Plummer, x-58, and Harold Schuman, Jr., '56. After a reception in the Sheraton-Lincoln Hotel, the couple left on a wedding trip, returning to make their home at 2010 N. Meridian.

'56 Alumna In Vienna

Marlene O'Dell has gone to spend the winter in Vienna, Austria. Her parents saw her on board ship at Hoboken. She disembarked at Rotterdam on September 10. She expected to spend a few days in Holland, then go on to Vienna, where she was met by her older brother, Jerry, who has been studying at the Hebrew University in Jerusalem and will continue to study in Vienna. His doctor's dissertation will be on some phase of the Dead Sea Scrolls. Marlene will do some studying and will also do some teaching of English.

Dr. A. Glen O'Dell, '34, and Mrs. O'Dell are the parents of Jerry and Marlene.

Central's Faculty

Except for some additions to the faculty because of increased enrollment very little change has taken place. Marvin Henricks has leave to study this year on a Danforth Fellowship at Indiana University. His classes in sociology will be taught by Paul L. Sites, '55, MA, Purdue University, '56. Paul Pielemeier, Assistant Professor of Economics, will also do advanced study the first semester at Indiana University. His classes will be taken by Dr. V. F. Schwalm, Visiting Professor of History and former President of Manchester College. Mr. Pielemeier will return for the second semester, and Dr. Schwalm with his wife will tour Europe.

Assistant Professor of Business Administration Harry A. McGuff has resigned to teach at Purdue Extension in Indianapolis. Wilmer D. Lawrence, '53, MBA Butler University, who has been teaching at Arsenal Technical High School, will fill his place. Mrs. Alberta Miller has returned to the college to teach in the Business Administration Department.

A third teacher in that department is Robert W. Sturgeon, a Phi Beta Kappa from IU of 1940, and a Master of Business Administration "With Distinction" from Harvard in 1943. He was Assistant Professor of Economics and Business, Earlham, 1950-53, and Lecturer in Marketing, IU, 1953-54. He has since been in business.

Dr. James W. Mates, a former administrator in the Pittsburg, Pa., Schools, is an added instructor in the Department of Education.

Mr. Calvin D. Davis will devote full time to the teaching of history and political science. Mr. Davis received his bachelor's degree from Franklin College and his master's from Indiana University.

IF YOU ARE MOVING PLEASE SEND YOUR NEW ADDRESS TO THE ALUMNI OFFICE IMMEDIATELY.
3 X 3 Club

The following alumni have joined the 3x3 Club by virtue of having pledged $300 toward the Academic Hall: Wilmer Dea Lawrence, Garth L. Shepherd, Betty Thornburg, Mr. and Mrs. Wayne Turley, Delmer Huppert, John T. Windell, Robert and Jessie (Johnson) Carter, Rev. C. C. Fruth, Robert and June (Dipert) Holt, Mary Jane John.

This brings the number of members to 267, lacking only 33 of the full complement of members.

Some of you who have pledged less than $300 toward the Academic Hall have expressed a desire to raise the pledge and become a member of this club. The development office will be happy to raise your pledge upon request. Many other alumni have intended to pledge toward the building but have just postponed doing it. Why not add your membership to this club soon?

But if you can afford only a lesser pledge, remember it will be just as gratefully received as a larger one and will show that you are a loyal and interested alumnus.

Spieth Named Provost

Dr. Herman Spieth, '26, has been named Provost of the University of California at Riverside.

Dr. Spieth, former head of the division of Life Sciences at the University, a department he organized in 1953 when he joined the school's faculty, was appointed by President Robert Gordon Sproul.

Dr. Sproul, who proposed the appointment of Spieth, said, "Dr. Spieth is remarkably well qualified for educational leadership. He is widely recognized as a distinguished scholar in the biological sciences and has fitted well with the academic community on the campus."

Dr. Spieth was awarded his Ph. D. degree at IU in 1931. He joined the Riverside faculty after spending 20 years on the faculty of the City College of New York.

He is a research associate of the American Museum of Natural History, and his studies have dealt particularly with genetics and population dynamics.

Keks at Davis-Elkins

The Keks are now located at Davis -- Elkins College at Elkins, W. Va. Mr. Kek is business manager of the college, and Mrs. Kek is teaching in the English Department.

REMEMBER HOMECOMING OCT. 13

Who Pays For Education?

The following statement and chart are taken from the report of the Treasurer of the College, Leo S. Miller, to the Board of Trustees:

Students sometimes talk about paying their own way through college. Although it does cost a student or his parents a considerable amount of money to keep him in school, it is somewhat of a misstatement to say that one pays his own way.

It will be noted, from the chart on the following page, that a student pays only 56% of the current costs of education. This includes none of the cost of campus and buildings. Thus a student taking a normal load of 16 semester hours of work, paid an average of $224 in tuition and fees for the 1955-56 school year. The educational services furnished this student, however, cost almost exactly $400. This means that the school, for each full-time student, is forced to find approximately $176 from other sources to help pay for the educational services which he receives. The money comes from a number of sources. The EUB Church is generous in its support of the school. A substantial sum is given by business and industrial concerns who are interested in the moral and intellectual development of young people, and a large portion comes from a great number of generous individuals who are willing to make financial sacrifices in the interest of the college. Such support is essential if we are to continue to give the educational services which our young people deserve.

He will be assistant to the Director of Development and teach in the Department of Speech. He will be producing a number of television programs for the college.

Another Central alumnus, Henry Busche, '34, has been with McMurray for a number of years, teaching in the Department of Music and directing the choirs.

Another Enrollment Increase

Though there is not the same per cent of increase in enrollment of students in Central as of last year and the year before because of higher requirements, yet enrollment figures show an increase over last year. One week after registration day, the number of students enrolled in the regular courses is approximately 575 with more to come.

The number enrolled in the evening division exceeds fifty, the larger number being in the business and Bible courses.

An ever increasing number of alumni are directing their sons and daughters, brothers and sisters, or nieces and nephews toward Central. This year there are 44 students whose father or mother, or both, is an alumnus. There are 150 students who have some relative who has attended Central.
