Allyn, Schultz to Address '61 Class at Indiana Central
April, 1961

Stanley C. Allyn, chairman of the Board of the National Cash Register Company, Dayton, Ohio, will be the commencement speaker at Indiana Central College June 4.

The baccalaureate sermon will be delivered the same day by the Reverend Norman H. Schultz, pastor of the Garfield Park United Church of Christ in Indianapolis. The church, at 743 East Pleasant Run Pkwy., South Drive, formerly was an Evangelical and Reformed congregation.

The commencement will be held outdoors on the college campus, facing the Greek columns of the old Administration Building, at 6 p.m. The baccalaureate service will be in Ransburg Auditorium of Academic Hall at 11 a.m.

Allyn was graduated from the University of Wisconsin, where he studied accounting, in 1913 and late the same year joined the National Cash Register Co., first with the executive department, then with the sales department and later in the comptroller's department.

He became president in 1940. He was elevated to the board chairmanship in 1957.

Allyn, a native of Madison, Wisconsin, also is on the boards of directors or trustees of numerous business firms, foundations, philanthropic and charitable organizations. He has received honorary doctor of laws degrees from the Universities of Wisconsin, Dayton and Cincinnati and Miami University at Oxford, Ohio.

Reverend Schultz comes from a long line of ministers. At present he has 11 relatives serving in the Evangelical and Reformed Church. His only child, William, is a member of this year's graduating class at Indiana Central and is preparing for the ministry.

The baccalaureate speaker was educated at Arsenal Technical High School in Indianapolis, Elmhurst College, Butler University and its former School of Religion, now Christian Theological Seminary. Upon completing his training he was (Continued on Page 5)
Thompson and Key Received Grants

Arthur A. Key, '58, has been informed that he is a recipient of a National Science Grant. He will take a leave from his position as instructor of chemistry at Highland High School, Albuquerque, New Mexico, and enter the University of New Mexico to complete work for the Master of Science degree. Arthur is the son of Amza A. '29, and Alice Fay Walts, '34, Key. His wife is the former Jean Domroese, who worked in the college office while Arthur was at Indiana Central. They have two sons, 4 and 2.

Lewis Thompson, '56, has been granted a National Science Foundation Grant for graduate study in mathematics at Highland University in Las Vegas, New Mexico, for the next academic year and the following summer. This summer he will attend the University of Arizona—as he did last summer—on another grant from the same source. His wife, the former Carlotta Martinez, '58, will attend the same University, concentrating in the field of biology.

Personals

C. Edwin Pellett, '49, pastor of the Sulphur Grove, Ohio, E.U.B. Church since receiving his degree from the United Seminary in 1952, is now pastor of the E.U.B. Church in Dayton, Ohio. He lives at 76 Gondert Avenue, Dayton 3, Ohio.

Harry E. Smith, '52, is studying at Seabury-Western Theological Seminary for his Master's degree in Sacred Theology. In June he is to be ordained to the ministry of the Episcopal Church. He and his wife and three children are living in Evanston, Illinois, near the Seminary.

Notice

Ballots have been mailed for the election of alumni trustees, officers and board of directors of the Alumni Association. If you are a life member and have not received your ballot, please notify the Alumni Office at once.

Most 1960 Grads Teaching Or Attending Graduate Schools

Teaching and post-graduate work are the present occupations of 75 of the 1960 graduates of Indiana Central College, a survey by Paul Pielemeyer, placement director for the college, shows.

Of the 107 graduates—of whom 65 were men and 42 women—61 are teaching. Fifty-six are in Indiana, with the remainder in Michigan, Illinois, Washington and Ohio.

Law schools in Michigan, Pennsylvania and Indiana are being attended by four graduates, and the Indiana University School of Medicine by three of the 1960 class. Other members are enrolled in post-graduate study in religion, business administration, biology, and English.

Fifteen graduates are with various business and industries, three are in Boys' Club Work, two in nursing, and others in miscellaneous positions. Four of the women graduates are listed as homemakers, but some of these may soon be joining the ranks of teachers since all completed the teaching curriculum.

Two of the men are currently in military service. The survey did not indicate that any graduate was unemployed.

Mikesell to Return

Captain Verlin E. Mikesell '51, Chaplain at the Castle Air Force Base, California, is planning to be on campus June 3 for the tenth anniversary of his graduation. He writes:

"I love every minute of my work as a chaplain in the Air Force. I have recently returned from Alaska, having been the remote chaplain up there for the past year. I traveled over 50,000 miles in the state last year and had a wonderful time doing it.

"Our children are growing rapidly. Judy is attending Modeste Junior College here in California, Deanna and Bob are in high school, and Kevin, whom you have not seen, will be three in April."

Student Nurses Received Caps

Twenty-four freshmen in the Nursing Department at Indiana Central received their caps at the second annual capping ceremony at the college Sunday, February 19. The program was held in the Ransburg Auditorium at 3 p.m.

Dr. R. H. Mueller, bishop of the West Central Area of the Evangelical United Brethren Church, spoke. Dr. I. Lynd Esch, president of the college, and Miss Virginia Sims, director of nursing, gave the girls their caps.

The 24 recipients had successfully completed the first semester of the college work as nursing students. In the first capping ceremony a year ago there were 19 girls. They were the first group to enroll in Central's new nursing program, and they will complete their work and receive associate degrees in science at the commencement June 4.

Applications indicate that there will be a good enrollment in September. The class will be closed at between 30 and 35.

Second Semester Enrollment

Indiana Central enrolled 756 students in day classes the second semester, compared to 806 in the first term of 1960-61. This loss of 5 per cent is normal at midyear. The 756 compares with 692 a year ago, indicating that the growth of the college is continuing.

The Evening Division again set an enrollment record instead of being affected by the usual loss. Evening classes are being attended by 740 people, compared with 708 in the first semester and 434 in the second semester a year ago.

Alumni Chorus

Again a chorus made up of ICC alumni will sing on Alumni Day. The chorus will rehearse at 3:00 on Alumni Day and sing at the Business Meeting at 5:00 p.m. Won't you join the chorus? Everyone who loves to sing is invited.
The President’s Message

With Spring in the air can Summer be far away? This is the season when we look forward to all of the school activities which come with the close of another academic year. The seniors are “Wrapping up” all of the odds and ends which are required for graduation. The juniors are preparing to give them a big send off. The reunion classes are making their plans for Alumni Day and we are anticipating the joy of having many of our graduates and former students back on campus for all of these activities.

This is just to say we hope you will all find it possible to be back on the campus to share in and enjoy the various functions. The appearance has changed even since last year but you will find the same warm, cordial welcome for which Indiana Central is famous. Saturday and Sunday, June 3 and 4 will be memorable days for all who participate. We’re expecting you so be sure to come.

President Esch.

Preparation for College

Because of the importance of adequate high school preparation, alumni are urged to advise their children and other students to follow a college preparatory program of studies and to make good grades. The Admissions Office suggests the following: four years of English, a year each of algebra and geometry, two years of laboratory sciences, two years of a foreign language, and the social studies subjects that are required for graduation.

These are minimum standards and prospective college students are encouraged to carry additional college preparatory subjects. For example, students contemplating careers in science, engineering, or mathematics should take more mathematics than the two years suggested above.

Good preparation at the high school level is important not only in gaining admission but also in succeeding in college.

Two ICC Profs to Lead Tours Abroad

Two Indiana Central faculty members will lead tours abroad this summer.

Gerald G. Boyce, associate professor of art, will conduct a trip to the art centers of Europe. It will leave New York June 12 and return July 28.

Dr. James A. Weber, professor of Bible and religion, will lead a tour of the Mediterranean area, with emphasis on sites of Biblical significance. His trip will originate at New York June 30 and end there July 31.

Each has toured the area they will visit, but Prof. Boyce will be leading his first tour. Dr. Weber conducted a similar tour last summer.

Mrs. Boyce with young son Charles will accompany her husband on this trip. Also in the group will be sophomore Mar-
Three to Receive Honorary Degrees at Indiana Central

An Indianapolis businessman-philanthropist, a community civic leader and a teacher-scientist will receive honorary degrees at Indiana Central College's 56th commencement June 4.

A degree of doctor of humanities will be conferred on Mrs. Flossie M. Beghtel, 4102 Carson Avenue. Degrees of doctor of laws will be given Dr. Ralph O. Hile of Ann Arbor, Michigan, and William H. Trimble, 135 Wellington Drive.

Mrs. Beghtel and Dr. Hile are graduates of Indiana Central and Trimble is a member of its board of trustees. Mrs. Beghtel is the only living member of the graduating class of 1911, and there are no survivors of earlier classes. The college opened in 1905. Mrs. Beghtel is historical secretary of the college's Alumni Association.

Mrs. Beghtel was born on a farm near Columbia City. After her graduation from Indiana Central she taught art in northern Indiana high schools and Latin at her alma mater.

For 20 years she operated the Rosedale Guernsey Dairy on Indianapolis' south side. After selling this business she increased her landholdings in the area just southeast of University Heights. This is known now as Rosedale Hills, a suburban community which ultimately will consist of 400 to 500 new homes, two churches, a public school, and apartment buildings.

She has been an ardent advocate of developing the city's south side, not only through her Rosedale Hills project but also through the South Side Family YMCA and Greater Southside, Inc., of which she is treasurer. She is a member or director of many organizations devoted to civic improvement. She is a member of University Heights Evangelical United Brethren Church, where she teaches the Ladies Bible Class.

Mrs. Beghtel toured Europe in 1952, with a group of other business women; she visited Greece, Egypt and the Holy Land in 1955; and in 1958, she was a delegate to the International Christian Education Convention at Tokyo, Japan, where she made a trip around the world. Her hobby is painting china. Her daughter and three sons live at Indianapolis.

Dr. Hile, born in a parsonage at Plainville, Indiana, was graduated with highest honors in 1924 from Indiana Central, where he majored in mathematics and zoology and minored in physics. He taught mathematics and science at Wolcottville High School two years before going to Indiana University as an assistant in zoology while working on his Ph. D., which he earned in 1930 with a major in zoology and minors in mathematics and physical chemistry.

Since completing his graduate work he has been a fishery biologist with the Bureau of Commercial Fisheries of the U. S. Department of Interior, stationed at its Great Lakes Laboratory at the University of Michigan. Recently he was relieved of his major administrative duties to devote more time to the laboratory's research staff in matters of research planning, analysis of data and preparation of reports.

Dr. Hile is a member of Sigma Phi Epsilon, Sigma Xi, the Masonic Lodge, and numerous professional societies. He is a fellow of the American Academy for the Advancement of Science, a member and past president of the American Fisheries Society, a member of the International Limnological Association, and a member of the Indiana, Michigan and Wisconsin Academies of Science.

He is the author, either alone or in collaboration with other research scientists, of about 50 magazine articles, reports and other scientific papers.

Trimble was born at Warsaw, Illinois, and attended Augustana College, Rock Island, Illinois. His father was in the lumber business in Illinois but moved to Indianapolis and established three oil companies which later were sold.

For many years William Trimble was associated with Trimble Corner, now the site (Continued on Page 5)
John Rider Returns to Graduate Study
John R. Rider, '47, Director of Development at MacMurray College, Jacksonville, Illinois, has submitted his resignation, effective at the end of this school year.

John will return to Michigan State University to complete work towards a Ph. D. degree in speech. He established residence at that university in 1959 and will complete requirements for the degree in about a year.

In addition to his graduate study at Michigan State, John will be a newscaster on a television station and will probably assist in the University Department of Radio and Television.

College Band Tours Southern Indiana
The 36-member Concert Band of Indiana Central College will tour Southern Indiana the first week of May, playing in churches and high schools. The group will leave Indianapolis in a chartered bus Tuesday, May 2, and give its first concert at 7:30 that evening in the Linton Evangelical United Brethren Church.

This will be followed by concerts at the Loogootee High School, Paoli E.U.B. Church, English High School and Corydon E.U.B. Church.

While en route the group will do some sight-seeing in French Lick and West Baden, Corydon and Louisville.

Three Receive Degrees
(Continued from Page 4)
of a parking garage at New York and Meridian Streets. His office in the Chamber of Commerce Building—an office he retains despite being retired from active business—overlooks this corner.

Two of his chief interests are the Salvation Army and the Boys Club of Indianapolis. Likewise he has been interested in Indiana Central since his election as a trustee a few years ago. He is a member of the Downtown Kiwanis Club and the Tabernacle Presbyterian Church.

Coddington Promoted
Ralph A. Coddington, '43, has been elected Assistant Secretary of the J. I. Holcomb Mfg. Co., manufacturers of cleaning chemicals and brushes. Mr. Coddington went with Holcomb in 1944 as Assistant Production Superintendent. A few months later he was appointed Production Superintendent.

His duties now include being responsible for chemical production of all Holcomb plants (in Los Angeles, Toronto, Hackensack, New Jersey, and Indianapolis). He works closely with the chemists in each plant, seeing that the quality control program always maintained at its highest standard. He has a BS degree in chemistry and is a long standing member of the American Chemical Society.

Ralph is also active in community and church affairs, at present being superintendent of the University Heights Sunday School. His wife is the former Esther Grose, x44, and now an Evening Division student who expects to earn her degree soon. They have three children: Loretta, 14; Laona, 11, and James, 8.

Artistic Series
The William A. Atkins Artist series for the 1961-62 season will consist of five numbers:

Tuesday, Mar. 14: Pilar Gomez' Spanish Dancers

Wednesday, Feb. 27: Vincent Price

Wednesday, Mar. 14: Loretta, 14; Laona, 11, and James, 8.

To Address '61 Class
(Continued from Page 1)
called to the Garfield Park pulpit where he still serves.

When he became its pastor 27 years ago the church had 20 members. Since then he has received 1,313 new members, baptized 726 persons, and performed 657 marriages. Four years ago he and Mrs. Schultz visited 17 countries in Europe and the Middle East, including the Holy Land.

Thanks
Indiana Central College is deeply grateful to all her alumni who have answered the first "Annual Roll Call" for contributions to help keep her in the front rank of institutions of higher learning. A report of your giving is on another page of this issue. Your giving has been a pleasurable act and has made you feel as Bobbie Burns did when the field mouse had eaten some of his grain:

A damien icker in a thrave* 'S a sma' request;
I'll get a blessing wi' the lave An' never miss'.

The Alumni Office is especially grateful for all the class agents who gave time to writing letters to their classmates in the interest of this "Roll Call". Though Indiana Central is almost the last of the private colleges in the state to conduct such a campaign, we feel that most of you will want to join the alumni of other colleges in making a small yearly contribution to your alma mater in return for what she has done for you.

*(A bit of grain now and then.)

Personal
Dr. Henry E. Martinez, '51, moves to Dallas, Texas, in June to continue his residency, specializing in thoracic surgery. He received his Doctor of Medicine degree from Indiana University and has since been a resident in general surgery in the medical branch of the University of Texas at Galveston. He and his wife Ann have two daughters, Robin and Kelly.

William Yarborough, '59, graduating with a degree of Bachelor of Science in Business Administration, has been made manager of Wasson's Store in Meadows Shopping Center.

James S. Bruce, Jr., '60 is working in Santa Maria, California, as Standards Laboratory Engineer for Convair on one of the Atlas Missiles.

Reverend Paul E. Babbitt '29 is now serving the Church of the Red Rocks, Sedona, Arizona.
THE HONOR ROLL OF
ICC'S FIRST ANNUAL ALUMNI ROLL CALL

COVERING CONTRIBUTIONS FROM OCTOBER 1, 1960, TO APRIL 25, 1961.

Any omissions are unintentional and should be reported to the Alumni Office, Indiana Central College, Indianapolis 27, Indiana.

In Memoriam

Miss Gertrude Colescott
Miss Gertrude Colescott of Kokomo died January 26, 1961. She was appointed to the faculty of Indiana Central as instructor in history and economics in 1909 and served through 1912. A much loved faculty member and a promoter of new ideas and movements on the campus, she was faculty advisor of the first issue of the ORACLE, Central’s year book, in 1909. This annual was first published by the senior class of the Academy, which then offered the equivalent of the high schools.

ICC’s Alumni Honor Roll
(Continued from Page 6)

Future Centralites
Linda Rose, b. September 25, 1960 to Glen and Rose (Throm) x61 Bauer of 3046 Haw Creek Blvd., Columbus, Indiana.

Kevin Wade, b. August 27, 1960, to Wilborn and Phyllis (Huber) ’52 of R. R. 2, Coatesville, Indiana. He joins Lisa Louise, who will be three years old June 29.

Paul David, b. February 5, to Harry and Pauline Parkhill on his maternal grandfather, George O. Strickler’s 79th birthday. Harry is still employed as a social worker at the Manteno State Hospital, Manteno, Illinois. The new baby has a five-year old sister, Harriett Elizabeth.

April Lea, b. April 13 to Dr. Victor and Fern Bogle of 813 North Berkeley Road, Kokomo. Dr. Bogle ‘47 is at present Director of I. U. Extension at Kokomo.

Kevin Birtle, b. April 21, to Birtle and Wilma Harner, ’45, Allan. Birtle is Central’s very efficient superintendent of maintenance and Wilma has been for several years the pastor of Greenwood-Honey Creek E.U.B. Church. They with two other sons and a daughter live at 6060 Hardigan Street.

Wedding Bells
Beverly Plummer, ’60, of Greenwood, Indiana, will become the bride of John Copeeland, also of Greenwood, on June 18. The ceremony will be performed in the Rockland Christian Church.

Mr. and Mrs. John (Anastacio) Martinez are at home at 1303 ½ East Castle Avenue since their wedding February 17. The Reverend Webb Garrison performed the double ring ceremony in the Roberts Park Methodist Church. The bride is the former Mildred Jane Applegate of Spiceland, Indiana. She is attending Indiana University Downtown Center, majoring in elementary education. John is employed by the State Board of Health.
ICC Coach Re-elected

Angus Nicson has been re-elected to the executive committee of the National Association of Intercollegiate Athletics (NAIA), a group of 460 senior colleges in the United States. Nicson recently met with other officers in the NAIA; Leo S. Nicholson, Central Washington College, Ellensburg, 1961-62 president; Dr. Francis Hoover, Appalachian State Teachers College, Boone, North Carolina, immediate past president; and A. O. Duer, executive secretary of the NAIA.

Sports Schedule

For those who are interested in sports, the following is a list of events yet to be observed:

**BASEBALL**
Wednesday, May 10: Manchester—There
Saturday, May 13: Franklin—Here
Tuesday, May 16: Wabash—There
Saturday, May 20: Anderson—There

**TRACK**
Wednesday, May 10: Big State—Purdue
Saturday, May 13: H.C.C.—Hanover
Saturday, May 20: Little State—Ball State

**GOLF**
Tuesday, May 9: Hanover—Here
Tuesday, May 16: Purdue—Cal. Center—Here
Friday, May 19—Little State—Butler

The 42-voice Chapel Choir of Indiana Central toured northern Indiana the week following Easter.

Choir on Tour

The group left Indianapolis Monday, April 3, and sang at Evangelical United Brethren churches, high schools and old folks' home in Marshall, St. Joseph, Elkhart, Noble and Adams Counties.

This is the 11th year the choir has gone on a spring tour under the direction of Allan F. Schirmer, professor of music here since 1947.

And an Apology

We realize that some letters written by class agents went to alumni who had already responded to letters sent by Mr. Williams or your alumni president, but lack of clerical help made an accurate check impossible.

Sports News

The Indiana Central College Basketball team finished the 1960 season with a fine 18 and 7 record.

The Greyhounds, second-place finishers in the Hoosier College Conference, won their second consecutive bid to the NAIA District 21 playoffs. After defeating Huntington College, the Greyhounds lost in the finals to conference champion Anderson. Central's wrestling team also fared well. Little State wrestling champions Armstead Johnson, Willie Martin and Dan Welliver represented ICC in the national wrestling meet at Golden, Colorado. Martin and Johnson each took fourth place in their division; Welliver placed second in his, giving the team a seventh-place finish in the national meet.

Although hampered by bad weather, spring sports are under way. Central, now leading in the conference all-sports standings by six points, must place high in the HCC baseball, track and golf standings to nail down its first all-sports trophy since 1955-56.

Football Schedule

In connection with the following schedule of football, notice the three special days, especially Homecoming on September 30.

- Sept. 16 Taylor
- Sept. 23 At Olivet (Michigan)
- Sept. 30 Indiana State (Homecoming)
- Oct. 7 At Manchester
- Oct. 14 University of Illinois, Chicago Branch (High School Day)
- Oct. 21 At Franklin
- Oct. 28 Anderson (Dad's Day)
- Nov. 4 At Hanover
- Nov. 11 At Earlham
