Tidbits
From Reunioning Classes

From Frank White, '55: "I am in Fort Wayne now as Minister of Counseling on the staff of First Presbyterian Church. I've been here for the past three years, having a good time. In terms of "good times," we've been expanding our family. Beth Ann has come along to make five. She is ten months old. Just above for the past three years, having a family of five. She is ten months old. Just above that, we have a daughter, Betty (Hawkins '55) as is marvelous a mother as she is a wife."

Arlene Buskirk, '60, says "My life since I.C.C. was first two years of teaching fifth grade at Beech Grove elementary School. Next I journeyed to Dayton where I completed two years at United Seminary. I carried with me my Master of Religious Education degree and continued on eastward. I have now located in York, Pennsylvania, where I have accepted a position as Director of Religious Education at Trinity EUB Church. My ambition is to continue eastward to a location about 6 miles west of Lancaster. There my fiancé has a beautiful church landscaped in the side of a Pennsylvania hill. I will be joining him in September and entering my life-time career of being a pastor's wife."

Larry Andrews '60: Barbara and I bought a home in Berne, Indiana, where I am teaching fifth grade. I have finished my master's degree and at present am working on my sixth year in the area of guidance. I am involved in the elementary guidance program in Berne. The State Department is trying this in 20 schools throughout the state.

Mary Watkins '60 (Mrs. Don '62 Robinson): "We have been living in California since the summer of 1962. We miss our friends very much, but wouldn't trade for your weather for anything. Don has taught three years 8th grade science and math. I went back to teaching in February of 1964 and am teaching freshman English at the new high school here in Azusa. Christopher Alan, born in Indianapolis, will be three in August. Carol Denise, born in California, will be two in September. I want you all to know our house is always open for any California visitors.

William Kermit Brock, '55, Chaplain (Capt.) USA is now in Berlin, Germany, with the military units there.

Mrs. Virginia Fout Lewis, '25, of 3029 Tyrone Lane, Sarasota, Florida 33580, "often recalls our delightful days at Central and occasionally longs to relive them." She continues, "I am endeavoring seriously to adjust to a southern style of existence, but I find it difficult to change my patterns."

A. Friedman Allen '48, writes, "I have just completed my first year as superintendent of the Adams Central Community Schools at Monroe, Indiana. My wife, the former Elizabeth Hart, x45, and our three sons, Dennis 14, Daryl 12, and David 9 are all enjoying our new experiences in the new job situation. I have had a most rewarding year and look forward to many more as superintendent. "I completed my master's degree in 1962 at Indiana State and did a sixth year of school working toward a Ph.D. and my superintendent's license at Purdue University in 1967.

Knox Directs Boys' Clubs

Kenneth Knox '60 was recently named Executive Director of the Boys' Club Association of Indianapolis. Recently director of the English Avenue Boys' Club, he has been trained for Boys' Club work through special programs offered at New York University. He has also done graduate work at Indiana University.

He was a member of the Indianapolis Boys' Clubs at the age of five and later became a part-time worker. After graduating from George Washington High School, he secured a scholarship from Boys' Clubs of America which helped him to get into the work professionally. His responsibilities will include directing the work of the three local Boys' Club buildings and the summer camp. The Indianapolis Boys' Clubs annually serve over 2,000 boys in a regular daily program of activities which help to promote juvenile decency.

Kenneth lives with his wife, the former Dorothy Lester '62, and his two children, Kathy 2 years and Tommy six months, at 1921 Woodcrest Road.

Attention Teachers

The Alumni Association of Indiana Central College will have a Hospitality Room during Teacher's Institute, October 21-22 in Indianapolis. Alumni and friends are invited to stop in Room 525 at the Claypool Hotel for coffee and a chance to relax.

We hope that you will plan to meet your friends and classmates in Room 525. We will be looking for you.

Another reminder—Teacher's Institute makes a good time for your students to visit Indiana Central's campus and attend classes at the college. Encourage your students to plan a visit to I.C.C. A note or telephone call to the Admissions Office will arrange a visit for any potential college students. We suggest that you encourage any sophomore, junior or senior student to take advantage of the opportunity to learn about college and more specifically about our growing College.

Reed Receives Degree

John B. Reed, '53, received a master of education degree from Ohio State University, Columbus, Ohio, on August 27.
Hermann Promoted

MIDWEST RESEARCH INSTITUTE of Kansas City, Missouri, has announced the promotion of Dr. Ted S. Hermann, a member of the chemistry division's technical staff. He has been advanced from associate to senior chemist. Before joining MRI in 1963, he was assistant director of the spectrographic laboratories at the University of Missouri. At Midwest Research, he is concerned primarily with developing new techniques in analytical chemistry.

Dr. Hermann is a 1956 graduate of ICC, where he received the A.B. degree in chemistry, and the University of Missouri, from which he received the Ph.D. degree, also in chemistry.

He is a member of the American Chemical Society, Sigma Zeta, the Society of Applied Spectroscopy, the Optical Society of America, the Scientific Research Society of America, the American Institute of Chemists, and the American Association for the Advancement of Science.

The Hermann residence is at 100 East 117th Terrace, Kansas City, Missouri. Mrs. Hermann, Ruth, is the daughter of the Reverend and Mrs. A. L. Emmert, both of 1928, Rural Route 2, Brazil, Indiana.

Outstanding Events Of Coming Year

At the risk of repeating what you may read elsewhere on these pages, we think it well to emphasize some coming events.

Throughout the year there is hardly a week without a good program in chapel that the alumni would enjoy and benefit from.

The Artists Series is especially good this year, beginning with The New Christy Minstrels and closing with the Texas Boys' Choir. No one with the least interest in history dramas or literature can afford to miss "The White Rose and the Red." The cheapest way to see these is via a season ticket. The organ concert by the celebrated London musician is already history as you read this. The invitation on the front page to the dedication of the Leah Ransburg Fine Arts Center is for you. Reread it. In the Art Gallery there is an art collection both borrowed and by Professor Boyce and his students.

Religious Emphasis Week this year will feature Dr. Robert Pierce, former pastor of Indianapolis Broadway Methodist Church and now minister of the Methodist Temple of Chicago.

The Showers Lectures and the Sutphin Lectures always bring outstanding speakers on some subjects of theology.

It is expected that before next commencement the new Schweitzer Campus Center will be dedicated, ending the extra-curricular activities of the year.

Five Earn Masters of Arts

Five ICC alumni have this past year received degrees of Master of Arts from Ball State University: Ronald Alexander Boyd '62, Indianapolis; Ronnie Dean Howard '60, Greenfield; Catheryn Rebeca Lausch '35, Kokomo; Elizabeth Rickert Shierling '63, Winchester; and Keith Alan Slaughter '57, Kokomo.

Scheick

Heads History Department

Dr. Donald B. Scheick '38 has been appointed to head the Department of History at Indiana State University, Terre Haute. Dr. Scheick earned his M.A. (1941) and Ph.D. (1953) at Indiana University. A teacher in public schools for seven years, he has been on the ISU faculty for 19 years.

Chrysler's Gift

Our Apologies To Joe And Carol

The expression on Dr. Esch’s face indicates that he is highly pleased with the gift of a new Chrysler station wagon as Fred Parker of the Indianapolis division presents him with the car keys. Such a car was given to each of the Associated Colleges of Indiana.

Kinkade Chairman of Roll Call Committee

Clayton Kinkade '50, Principal of Glenn’s Valley School, has been named national chairman of the 1965-66 Alumni Roll Call Campaign for Indiana Central. He will succeed Albert H. Theil in the job. Kinkade, immediate past president of the Indianapolis Area Club, served as chairman of the Indianapolis telethon campaign last year.

Improvement of distinguished teaching at Indiana Central will be the purpose for which funds are solicited. The funds from Roll Call and the Fellows of Indiana Central will be applied to the operating budget of the college. Securing and retaining top quality teachers is a severe challenge to small colleges. As Indiana Central continues its rapid growth, additional faculty must be employed to meet the needs of the students.

Working with Kinkade on Roll Call will be Bill Fisher '50, Alumni Fellows; and Ivan Moreman '50 and Otto Albright '26, telethon.

The committee will be working to improve on the percentage of alumni participation. Last year 27% of ICC alumni responded to make the highest percentage in recent history.

In addition to his alumni interests Kinkade has two children attending Central, Johanna, a junior, and Lynn, a freshman.

Dr. Lee Teaches At Mayo

DR. RAYMOND A. LEE, '54 a member of the Section of Obstetrics and Gynecology at the Mayo Clinic, Rochester, Minnesota, since January, 1965, has been appointed an instructor in obstetrics and gynecology in the Mayo Graduate School of Medicine, University of Minnesota, at Rochester. He was also elected to membership in the Society of the Sigma Xi at the annual meeting of the Mayo Foundation chapter of the society on June 10, 1965.

Schwitzer Center Under Construction

At this writing the construction of the campus center is well under way. The building will be named in honor of Louis J. Schwitzer, Indianapolis industrialist, whose generous gift makes possible the erection of the last building in the current campus expansion program. The cost of the new center, located just west of Dailey Hall, is estimated at $1,250,000.

Reports ITA Experiment

Dr. Marvin G. Baker, chairman of the Education Department at Indiana Central College, read a paper on “The Use of ITA at the Elementary Level” at the second international conference on the Initial Teaching Alphabet. The meeting was held at Bethlehem, Pennsylvania, August 18 through 20.

Dr. Baker reported on research conducted in the second and third grades in Decatur Township, Marion County (Indianapolis), and in remedial reading clinics conducted at Indiana Central.

Sir James Pitman of England, originator of the ITA, and other persons doing research in it in Great Britain, Canada and the United States attended the conference.

Dr. Baker also spoke at teachers’ institutes in Decatur Township on September 2 and Dearborn County on September 11.
Greyhounds Will Attempt To Come Out Of Football Doldrums

by Jim Brunnemer '66

After three consecutive losing seasons, head football coach Paul Velez is maintaining a "wait and see" attitude with a young but potentially tough Indiana Central College football squad.

Pre-season performances have given rise to optimism in each of the ball squad.

Even though the 1965 edition of the Greyhound football squad seems to most observers to possess more size, speed and ability than any recent Greyhound team, Coach Velez will not go out on a limb at this early date. "Remember" the youthful IC mentor says with a sly smile, "we have 27 freshmen among the 60 players whom we have out for the team, and many may fill key positions."

Whatever the case, Coach Velez has certainly done a fine job of recruiting this season, as shown by an unusually talented freshman crop. Among the rhinies, Paul has six quarterbacks, who will vie along with soph Dan Nicson to replace the graduated Charley Miller.

These include All-Marion County choice Larry Wetherald of Warren Central; second-team All-City selection Tom Heitzman of Tech; All-South Central Conference signal-caller Terry Fox of Shelbyville; Buster Shepherd, who piloted North Vernon to a 9-1 record last year; Mike Dawson of Sacred Heart's tenth-ranked squad of 1964; and Bill Tutterow, leading scorer and ground-gainer for Martinsville last season.

Velez also has all-state end Jan David of Eastern's undefeated squad of last year; Marvin Rhoden, a 245 pound behemoth, who gained all-SCC honors at Martinsville last season; 235 pound Stewart DeVane of Arlington; and a whole host of other promising rookies. Although he lost all-HCC choices Dave Scheib, Bob Dellinger, and Larry Keene; ends Pet Bullard, Vic Combs, and Mason Meeks; tackles Tom Pearson and Dave Weber; center Jim Weber; linemen Norm Terry and Dick Burrows; and quarterback Charley Miller, Velez still has a nucleus of promising rookies. Although he lost the defensive side of the ledger as Steve Stroeh, a solid 205 pounder, 248 pound Al Ruehman, who didn't win a letter but did play quite a lot last year, and Cummings, HCC heavyweight wrestling champ, return to hopefully stop the opponents' plunges at the tackle spots. Dave Graves (185), another HCC wrestling champ, and John Gruner (175) are both experienced defensive ends. Backing them up are linemen Dick Elmore (185), from Martinsville, Steve Maple (180), and 1963 All-HCC choice Bruce Quinn (140), all letter winners.

In the defensive backfield, Dwyer will have three veterans in Bobby Maple (140), Alton and Murphy.

Meredith Payne, regular kick-off and place-kicking specialist of two seasons ago will return this fall to handle these duties.

On paper the Greyhound squad shows much promise. Key reasons for optimism would be the addition of defensive specialist Dwyer to the coaching staff; the outstanding crop of rookies; and savvy of twenty-two returning lettermen. However, the question marks are still apparent: Will a leader emerge from seven halfbacks, Velez has juniors Dave Smith (170) and Dudley Pugh (156), both speed specialists along with sprinter Dick Murphy (175), who returns after a year's absence.

Line coach Ed Dwyer has some horses to work with in his first year at ICC. Experience is a plus along the defensive side of the ledger as Steve Stroeh, a solid 205 pounder, 248 pound Al Ruehman, who didn't win a letter but did play quite a lot last year, and Cummings, HCC heavyweight wrestling champ, return to hopefully stop the opponents' plunges at the tackle spots. Dave Graves (185), another HCC wrestling champ, and John Gruner (175) are both experienced defensive ends. Backing them up are linemen Dick Elmore (185), from Martinsville, Steve Maple (180), and 1963 All-HCC choice Bruce Quinn (140), all letter winners.

In the defensive backfield, Dwyer will have three veterans in Bobby Maple (140), Alton and Murphy.

Meredith Payne, regular kick-off and place-kicking specialist of two seasons ago will return this fall to handle these duties.

On paper the Greyhound squad shows much promise. Key reasons for optimism would be the addition of defensive specialist Dwyer to the coaching staff; the outstanding crop of rookies; and savvy of twenty-two returning lettermen. However, the question marks are still apparent: Will a leader emerge from seven literally untested quarterbacks to solve the most basic weakness of the offense? Will injuries, which have plagued Velez and IC teams in the past, strike at a critical period? How much effect will the combined 7-18-2 record of the past three years have upon Coach Velez' attempt to build a championship football attitude and team at ICC?

Many questions will be answered as the season unfolds starting with Otterbein, September 18, on the Greyhound gridiron!

Professor Writes Review

The Indiana Magazine of History for March, 1965, carried a lengthy review by Indiana Central's visiting professor of history, Dr. Max Allen, of the book by John Gray, Lord Sle-kirk of Red River.

The book is a study of an Irish Nobleman who played a notable part in the pioneer days in the Canadian North. Dr. Allen's review is a signifi-cant contribution in itself to this little known phase of American his-tory.

Committee Reports On Graduate Degree Program

A committee appointed by President Each to study the problems and possi-bilities of establishing a graduate degree program at Indiana Central has reported favorably to the faculty. It is expected that the program can be initiated in the fall of 1966.

New Christy Minstrels Open Indiana Central Artist Series Season

The New Christy Minstrels will open the eighth annual Artist Series at Indiana Central College and will be followed by "The White Rose and the Red," the New York Woodwind Quintet, Tong II Han, and the Texas Boys' Choir.

To accommodate those wanting to hear the New Christy Minstrels several changes are being made from the usual pattern of the college's program for 1965-66. The nine-member group will perform in the gymnasium instead of the auditorium, will be on a Saturday night instead of Friday, and all seats will be $2.00. Season tickets for the five events cost $10. The troupe will present its own special variety of folk music at 7:30 p.m. (an hour earlier than the other series events) on Saturday, October 9, which is Homecoming Day. A portion of the 4,200 seats in the gym will be reserved for season ticket holders; the remainder will not be reserved.

The New Christy Minstrels, organized five years ago, adopted a singing style patterned after a group of pre-Civil War entertainers created by Edwin (Pops) Christy. They accompany themselves on banjos, guitars and bass, and each member of the company has his or her own specialty which can be performed solo. Single admission tickets for the four other programs of the series are $3, each. There is a special student rate of $2. A distinguished cast which includes Vivienne Bennett, English actress, will present "The White Rose and the Red" on November 5. The play affords a sweep of history as arranged from Shakespeare's "Henry V," "Henry VI," and "Richard III." It depicts an exciting period in English history when the long-festerimg enmity between the House of York (white rose) and the House of Lancaster (red rose) erupted into the War of the Roses. The New York Woodwind Quintet will perform January 21. For 15 years it has held a position of preeminence in the field of chamber music. The members of the quintet are Samuel Baron, flute; David Glazer, clarinet; Ralph Froelich, horn; Ronald Roseman, oboe, and Arthur Weisberg, bassoon, each a virtuoso in his own right.

The brilliant young Korean pianist, Tong II Han, will give a concert February 11. He studied at Julliard School of Music with Mme. Rosina Lhevinne and has performed with major orchestras in the United States and Canada, including the Indianapolis Symphony Orchestra.

The series will end March 4 with the appearance of the Texas Boys' Choir, composed of youngsters from 8 to 15 years old. Their repertoire ranges from church music and classical numbers to popular music and cowboy songs.

Gerald A. Edwards, an Indiana Central graduate, has been appointed to a new post in Indiana Bell's commercial department.

Edward's is public office manager at South Bend and manager of the company's exchanges at Mishawaka, Culver and Osceola.

The remaining programs will be in Ransburg Auditorium, begin at 8:30 p.m., and be on Fridays. All seats are reserved for these.

It depicts an exciting period in English history when the long-festerimg enmity between the House of York (white rose) and the House of Lancaster (red rose) erupted into the War of the Roses. The New York Woodwind Quintet will perform January 21. For 15 years it has held a position of preeminence in the field of chamber music. The members of the quintet are Samuel Baron, flute; David Glazer, clarinet; Ralph Froelich, horn; Ronald Roseman, oboe, and Arthur Weisberg, bassoon, each a virtuoso in his own right.

The brilliant young Korean pianist, Tong II Han, will give a concert February 11. He studied at Julliard School of Music with Mme. Rosina Lhevinne and has performed with major orchestras in the United States and Canada, including the Indianapolis Symphony Orchestra.

The series will end March 4 with the appearance of the Texas Boys' Choir, composed of youngsters from 8 to 15 years old. Their repertoire ranges from church music and classical numbers to popular music and cowboy songs.
