We Wish You a Merry Christmas
and a Happy New Year

Great Grandfather,
Great Granddaughter

Standing beside the portrait of the first president of Indiana Central College is his great granddaughter, Karen Ruona, of Mooresville, Indiana. The great grandfather is Dr. John Taylor Roberts, first president and business manager of Indiana Central. Dr. Roberts had six children, four sons and two daughters: the Rev. John C. Roberts, retired EUB minister living in Muncie, Ind.; Wm. Glenn Roberts; Olive (Roberts) Stenger of Indianapolis; Irene (Roberts) Reed of Bellevue, Washington; Alfred Leslie Roberts of Charlotte, N. Carolina; and Alva Taylor Roberts of Phoenix, Arizona. All but the second, Wm. Glenn, are graduates of Indiana Central. He went eastward to Earlham, where he must have found Karen's grandmother, a Quaker, as is Karen. A family ancestor is Zachary Taylor, the 12th President of the United States.

The writer has been told that classes began at Indiana Central in September of 1905 with 74 students and 10 faculty members. At the time of its beginning it was called Indiana Central University and included an academy (High School), a college of liberal arts, a teachers college, conservatory of music, Bible institute, and schools of art, commerce and oratory. The number of students today has grown to 975 full time and 58 part time day students, 51 full time and 1338 part time evening students, and 103 graduate students, making a total of 2425 individual students. The present faculty number 61 full time and 52 part time.

The area of the college was called University Heights because its elevation at ground level is that of the top of the Soldiers and Sailors Monument in the heart of the city.

Karen's mother, Mrs. Rachel Roberta Ruona, is the daughter of Wm. Glenn Roberts and teaches 4th grade at Mooresville. Her father is in government service.

William Shakespeare

Some say, that ever 'gainst that season comes
Wherein our Savior's birth is celebrated,
The bird of dawning singeth all night long;
So hallowed and so gracious is the time.
Key Appointed To Governor's Committee

Sheldon A. Key, '29, recently was reappointed a member of the Committee for Special Institutions of the State of Indiana by Governor Roger D. Branigin for a term of four years. Mr. Key has been engaged in the practice of law in Indianapolis since 1936, and has served as Chairman of the Commission since 1961 when he was first appointed by Governor Matthew E. Welsh. Special institutions under this Commission include the Indiana Soldiers and Sailors Children's Home at Knightstown, Indiana State School for the Deaf, Indiana School for the Blind, Southern Indiana Tuberculosis Hospital, Indiana State Sanitorium, and the Indiana State Soldiers Home.

Mr. Key resides at 455 West Hill Valley Road, Indianapolis, with his wife Velma and their daughters Susi and Barbara Ann.

Winn Electronics Instructor

Arthur Winn, '51, an art major, was trained in the Air Force in electronics. When discharged, he used his Air Force training as an employee of the SAAMA (San Antonio Air Material Area). To make a long story short, Arthur is now instructing students in electronics, and received the Sustained Superior Performance Award last year. He was sent to Lowry AFB, and while in Instructor's Technical Training school he won the honor graduate award.

Arthur has a family of five girls and two boys. His wife, Elvira is registered with ASCP and is working as a Medical Technologist at the Baptist Memorial Hospital in San Antonio.

Masten Wins In Golf

Morris E. Masten, '56, broke the record in winning the Annual Fall Festival Golf Tournament at Martinsville recently. He shot a 67 on Saturday and a 68 on Sunday for a 135, which broke the former low of 138. He had nine birdies, an eagle and two bogeys, and was nine under par for the two days.

He was runner-up in the City Amateur Tournament this past summer and in the Monticello Open and the Fort Harrison Open.

E. G. Plum Named Indiana Central Vice-President

President I. Lynd Esch has announced the appointment of Edwin G. (Ted) Plum as vice-president for development of the college.

Mr. Plum retired on August 1 as vice-president and comptroller of Indiana Bell Telephone Co. after 43 years with the firm. He has been a member of the Board of Trustees of Indiana Central since 1953 and chairman of its Development Committee. The college conferred upon him an honorary doctor of law degree in 1958.

President Esch announced Plum's appointment at a luncheon of the Indianapolis Public Relations Society, whose members were guest of the college in its new Schwitzer Center. Plum is the first person to hold the rank of vice-president at Indiana Central.

He assumed his new position November 1. Arnold H. Hodgson, assistant to the President and director of development at the college since 1961, will continue in that office.

During Plum's tenure as chairman of IC's Development Committee, the college has built seven new buildings: Academic Hall, Physical Education Building, Kranmert Hall (a coed dormitory), Married Student Apartments, Lilly Science Hall, Louis Schwitzer Center, and Nelson House (the president's residence).

In the same period, the four older dormitories and the college's first structure-Administration Building — were completely renovated.

Dr. Plum is a native of Indianapolis and a graduate of Arsenal Technical High School. He completed a two-year course in business administration at LaSalle Extension University. He joined the phone company as a clerk in 1924 and rose through the years to the position he held at his retirement.

He has been active in many civic enterprises. He is president of the board of Indianapolis YWCA; director and chairman of the finance committee and past president of the Central Indiana Council of Boy Scouts; and a member and former president, vice-president and director of the Kiwanis Club of Indianapolis.

Plum is a member of the Columbia Club, Woodland Country Club, Mystic Tie Lodge, Scottish Rite, Murat Shrine, and the steering committee of the Central Indiana region of the Indiana Mental Health Planning Commission.

He also is a member of the board of governors of Associated Colleges of Indiana, composed of 15 private colleges, including Indiana Central.

In the past he has served many other community agencies. He is past president of the Indianapolis Community Fund, the Childrens Bureau of the Indianapolis Orphans Asylum, Mayer Chapel Neighborhood House, and Indianapolis Christmas Committee.

He also was vice-president of the Marion County Child Guidance Clinic. He was chairman of the metropolitan division of the United Hospital Campaign, and a director and past president of the Community Service Council of Indianapolis, as well as a member of its personnel committee.

Plum formerly was a member of the Indianapolis Athletic Club, the housing subcommitte of the Greater Indianapolis Progress Committee, the advisory board of the Metropolitan Planning Commission, the advisory committee of the Indiana University executive development program, and the personnel committee of the Indiana State Chamber of Commerce.

In 1929 Plum married the former Madaline Stevenson. They have one son, John W. Plum, who lives in Cincinnati. The Plums live at 8500 Mud Creek Rd.

Dr. and Mrs. Plum returned a few weeks ago from a European trip.
A Reminder, A Challenge 
And An Apology

At the risk of being repetitious we are again reminding the classes whose number ends in either 3 or 8 that they are due for a five-year anniversary on Alumni Day, June 1, 1968.

A member of the class of 1928 has said that the class will outdo the class of 1927 in celebrating its 40th anniversary. That will take some doing, for the class of 1927 did the best job ever done in celebrating a 40th anniversary. This office will make every effort to avoid a repetition of the regrettable loss of the pictures of the classes. Little was said about the loss in the last issue of the NEWS because we hoped the films might be found. But they have not been found. To say that your executive secretary is sorry is putting it mildly. She really feels worse because she can do nothing about it.

On Alumni Day last year the class of 1927 did make themselves known on the campus and did seem to have a good time. We hope they will repeat their reunion in 1972.

Miss Sims Commended

Virginia Sims, director of nursing education, has received a letter of commendation for her outstanding contribution to the field of nursing education from Gerald Griffin, director of the National League for Nursing’s Department of Associate Degree Programs. He mentioned that Miss Sims was largely responsible for promoting and establishing the first nationally accredited associate degree nursing program in Indiana and the fourth in the United States.

Griffin notified Miss Sims that the executive committee of the Council of Associate Degree Programs has selected her as one of the first nurse educators to work with the North Central Association of Colleges and Secondary Schools as a consultant. She will serve the regional accrediting teams visiting colleges seeking accreditation and those seeking federal funds at the associate degree level.

Miss Sims expresses her appreciation to all at the college and Community Hospital who have contributed to the success of our nursing program.

Chromatography Studied

The Second Annual Short Course on Gas Chromatography was held at Indiana Central on October 5, 6, and 7. The three-day course was taught by the three best-qualified men in the United States, Dr. Richard Juvit of the University of Illinois, Dr. Stephen Del Nogare of Dupont, and Mr. Sea ton Preston, the editor of the Journal of Gas Chromatography. Participants were from throughout the Midwest and also from Canada. This course is one of several offered each year by the Industrial Relations Center in cooperation with the Chemistry Department.

The President Reports

The Alumni Board of Directors has directed that a President’s Column be printed in each issue of the ALUMNI NEWS. As your alumni president this year, I will attempt to keep you informed regarding our progress.

The Board of Directors has met once, October 21, and will meet again on January 13, March 23, and June 1.

At our last meeting, a discussion was held on how the alumni can better serve I.C. We would like to have more alumni visit the campus, especially those who have not been back for several years. The improvement in the campus is hard to believe. Alumni are asked to contact prospective college students and encourage their interest in Indiana Central. Let these prospects share your pride in the improved campus of your Alma Mater.

An open invitation to attend our meetings has been extended to Ted Plum and Arnold Hodgson, as well as President Esch, Board of Trustees members, President of Senior Class, and President of the Central Council.

At each meeting the Board hears from various departments of the College. In the past year we have heard from the Education, Athletic and Admissions Departments, and members of the senior class.

This year Rich Reasoner has agreed to serve as Chairman of Roll Call. A total of $39,005 was given by the alumni last year. Bill Fisher is again serving as Chairman of the Fellows program, with Dr. Charles Dill assisting in the contact of potential alumni Fellows. Ivan Moreman and Otto Albright will be working with class agents as co-chairman.

Any group of alumni in a geographical area can form another local area club. If you have such interest in your area contact the Alumni Office and they will be happy to work with you in the formation of an active club. The Alumni Office will handle mailing of announcements and provide programs for meetings when requested.

With your continued interest in I.C., this year will bring even more progress in alumni activities.

Sincerely,

Bob Thiel, Alumni President
IC Honors Students For Scholastic Achievement

Ninety-eight Indiana Central students were recognized for scholastic achievement at the annual Honors Day convocation Friday, October 13.

Speaker for the occasion was Richard Wells, State Superintendent of Public Instruction.

The 98 students made the honor roll by completing at least 24 semester credit hours with a scholastic index of 9 points or better during both semesters of 1966-67. This is equivalent to a straight B or higher on the basis of 12 points for a straight A.

Twenty-three of the students recognized also attained the dean’s list for the second semester last year. They had completed at least 15 hours of work with an index of 10.5, midway between a B+ and an A—.

Nine of the students on the annual honor roll were freshmen last year who were elected by the faculty to membership in Pi Alpha Epsilon, freshman honor society, for their academic achievement. They had to earn not less than 30 hours with an index of at least 9.75 (between a B and a B+). Two of these nine were children of alumni: Cynthia Grace Core, daughter of Gordon and Odessa Core, Dayton, O., and Donna K. Stone, daughter of Philip and Claire Stone, Terrennau, IN.

91% of the freshmen ranked in the upper half of their graduating class. Seventy students transferred to ICC from other colleges this fall semester.

This semester’s enrollment includes 29 students from Ohio and 33 from Illinois. There are students representing 15 states and three foreign countries enrolled at ICC, ranging from California to New York to Africa to Japan, and from Wisconsin to Florida to the Philippines.

Of the 226 freshmen, 82 are members of the RUB Church. The Roman Catholic students total 101 from the entire student body, including 13 notiates from Our Lady of Grace Convent in Indianapolis. All 13 are training to be elementary school teachers.

In its early years, Indiana Central was primarily a residential college. In other words, the majority of students lived on campus. Then, at one time, the comparison was about 50/50. Now, in latest years, the trend seems to indicate students prefer to reside on campus, with the majority doing so.

The name of Indiana Central College is spreading throughout the country and beyond, as is indicated by the latest enrollment. The Admissions Office also receives many letters of inquiry each year from prospective foreign students.

The total day school enrollment reached a new high this fall, topping 1,000 students for the first time in the College’s history.

(Information furnished by the Admissions Office.)

Grace Adams Shirley Writes

We were on furlough from the West Africa Mission, Sierra Leone, Evangelical United Brethren Church, in the United States from July 1, 1966 to August 25, 1967. Most of the time was spent in Wisconsin, home of my parents, Rev. and Mrs. W. H. Adams, Janesville. My husband, the Reverend Leslie O. Shirley, and I were in Indianapolis three or four times. It was nice to note the fine physical plant changes at ICC.

Mission speaking engagements took us to many churches in Wisconsin, Illinois, Iowa, Indiana, Ohio, Pennsylvania, West Virginia, Virginia, Kentucky and Florida.

My parents have re-rotated, during our furlough, at 113 First Avenue, NW, Lutz, Florida. My father, a former pastor and superintendent of Wisconsin (UB Conference) and trustee for many years of ICC, is in quite good health at 81 in good Florida sunshine.

During the year I became a member of the Photographic Society of America. I assist my husband as Assistant Director of Audiovisuals and Christian Stewardship of the Sierra Leone Conference. We are in our 25th year of Missionary service. Both of us belong to the Virginia Conference. He received the M.A. at U. of Wisconsin, June, 1967.

Grace Adams Shirley, Class 1964

(Mother Goose)
Christmas is coming, the geese are getting fat,
Please put a penny in an old man’s hat;
If you haven’t got a penny, a ha’penny will do,
If you haven’t got a ha’penny, God bless you.

East Named Dean of I.U. City Campus

Dr. James E. East, ’53, dean and professor of humanities at Midwestern College, Ia. since 1965, has been named associate dean of the Downtown Campus of Indiana University. He also will be associate professor of speech and theater at I.U.

Dr. East earned his master’s degree in rhetoric and speech at Stanford University in 1958 and his Ph.D. in the same field there in 1960. He remained at Stanford as teacher of speech, debate, and drama until coming to Parsons College, Fairfield, Ia., as professor of humanities and speech. From this position he moved to Midwestern College in 1965.

He now lives with his four children and mother at 228 Grant St., Brownsburg, Ind. 46112. The late Mrs. East was the former Allegra Young, X56, B.S. Purdue University, 1956.

Prickett Takes Post At Central ‘Y’

John W. Prickett, ’62, physical fitness director at the Baxter Family Y.M.C.A., 7900 South Shelby, will be placed in charge of the youth program and gymnastics at the Central Y.M.C.A., 310 N. Illinois, Indianapolis, according to Elmer O. Hill, general secretary.

Prickett will eventually replace the present Central Y.M.C.A. director, who retires next year. Prickett’s new assignments begin December 1. Hill said Prickett has developed, in four years at Baxter, three state champion girls gymnastic teams, 18 individual state Y.M.C.A. girl champions, and has had 12 of his pupils competing in national Y.M.C.A. gymnastics meets the past two years. His last team finished fifth in national competition last spring.

John lives at 312 E. Dixie Drive with his wife, the former Nancy Arndt, ’63, and son, Bradley Alan, 2.

Barbara Bean Changes Jobs

Barbara Bean ’66, looking ahead to the completion of her tour of duty with the Peace Corps in Ecuador, has applied for work with the National Teachers Corps. She writes: “I don’t know which is stronger, anxiety to see the States again or a fear to go back to a country that has too much.”

She has almost a month’s vacation in February and March and plans to go to Rio de Janeiro, Brazil, for the Carnival.

Roll Call Off To A Good Start

The current Alumni Roll Call campaign has already reached the one-third mark with good results so far. In the first four months of the campaign results each month have surpassed the totals recorded in last year's record-setting campaign.

The committee is much encouraged with the number of new donors so far this year. If all who participated last year will again send their contributions, we should have no trouble in reaching our goal of 1250 alumni participants.

The goal is extremely important to us this year because of the $4,000 Challenge Gift to Indiana Central. It is contingent upon receiving $36,000 from 1250 alumni, a goal which is not beyond our reach.

The Fellows program is rapidly expanding its membership. Since the start of this year's fund drive, 17 new fellows have been recorded, of which the following nine are alumni: Sylvia H. Parks, Carrol and Martha Vertrees, Hope and Leroy Rapp, Lynn Youngblood, Stan and Amy Zent, A. W. and Marie York, Dan and Patsy Wilkinson, C. David Hancock, and Everett and Kathryn Swank. Bill Fisher is general chairman of the Fellows program with Dr. Charles Dill serving as alumni Fellows chairman.

Much work is yet to be done before we reach our goals. Right now is a good time to think about gifts to Indiana Central in order to take maximum advantage of the tax deductions for your 1967 income tax report. Indiana residents are reminded of the newly-enacted tax credit law for donations to colleges.

IC Foreign Tour Set

Dr. Marga Meier and Professor Gerald Boyce have recently completed plans for the 1968 Indiana Central College European Travel Study Tour. Any interested persons may take the bi-yearly tour to the main capitals of Europe. Six hours credit may be earned through the tour.

A cost of $995 will cover round trip fare from New York, breakfast and a main meal each day, hotel and travel tips, transportation costs while in Europe, and any scheduled entertainment.

Scheduled to leave New York August 1, the group will conclude its tour by leaving England for New York on August 30. For further information, interested persons should contact Dr. Marga Meier or Professor Gerald Boyce, in care of Indiana Central.

More complete details will be carried in the next issue of the ALUMNI NEWS.

Dr. John Goes To Ball State

Dr. Mary Jane John '44 has been appointed to the faculty of Ball State University, as announced by Dr. John R. Emens, president. She is an associate professor in the Department of Special Education, Teachers College.

Dr. John came from Central Missouri State College, where she has been consultant professor of special education for the past five years. Prior to that she was an instructor in the Indiana State Laboratory School.

She earned her master's degree at Indiana State University and an Ed.D at Indiana University. She is the author of "Curriculum for the Mentally Retarded," "Time Workbook Series, Clock-Bingo Games," and "Guidelines for Teaching the Emotionally Disturbed."

Conv. Choir Presented Christmas Concert

The ICC Concert Choir presented a Christmas Concert on December 3 at 3 p.m. in Ransburg Auditorium in place of the annual Messiah.

The program was opened by "A Ceremony of Carols," the poems of which are mostly anonymous and are written in Middle English.

Following the intermission, the choir sang a simple setting of a poem by Laura Spenser Porter. The music is entitled "When the Christ Child Sang." There were four soloists featured in this work.

Flutist and Harpist Give Joint Recital At Indiana Central

Rochelle Draizer, flute, and Eileen Beerman Dishinger, harp, gave a concert in the Recital Hall of the Leah Ransburg Fine Arts Center at 1:30 p.m. on Monday, November 27. Both are members of the Indianapolis Symphony Orchestra, and Miss Draizer is on the Indiana Central faculty.

The program, open to the public without charge, included "Concerto in C Major" by Mozart; "Sicilienne" by Faure; "Entr’acte" by Ibert; "Sontate" by Debussy; and "Serenade No. 10" by Perichetti.

Miss Draizer is from Miami, Fla., where she played flute with several professional orchestras: Miami Symphonic Society, North Miami Symphony, Miami Beach Civic Orchestra, and Hollywood Symphony. She was soloist on both flute and piano with the Miami Symphony Orchestra, conducted by the late Fabien Sevitsky, former conductor of the Indianapolis Symphony. Miss Draizer was graduated from Indiana University in 1966 with the bachelor of music and bachelor of music education degrees in both flute and piano. She has also studied flute with James Pellerite, Albert Tipton of the Detroit Symphony, and Julius Baker of the New York Philharmonic.

Mrs. Dishinger received her bachelore of music from the University of Redlands in California and did graduate study at the College-Conservatory of Cincinnati. She had studied harp with Marjorie Call and Carlos Salzedo. She has appeared as soloist on concert tours with Roger Williams, the Clebanoff Strings, and the Redlands Symphony Orchestra. Mrs. Dishinger now is first harpist with the Indianapolis Symphony Orchestra. She formerly was first harpist with the San Bernardina Symphony, Redlands Symphony Orchestra, Redlands Bowl Symphony, Pro Musica of Cincinnati Symphony and Chamber Orchestra, and Miami University at Oxford, Ohio.

Miss Draizer and Mrs. Dishinger were assisted by Dorothy Mungen, piano, and Hugh Partridge, viola. Partridge is solo violinst with the Indianapolis Symphony.
The Albrights' Summer Travels

Otto Albright, '26, who had spent 18 years as a member of the Indiana High School Athletic Council, spent most of the past summer with Mrs. Albright (Marguerite Brockschmidt '28) in travel.

They first went by air to Los Angeles and thence to Honolulu, Hawaii, for the National Federal Athletic Association's annual meeting from July 7 to July 13. The meeting gave top priority to the role of athletics in combating juvenile delinquency and the drop-out problem.

While on the Islands they attended a Luau, the famous native feast of the Polynesians, visited Pearl Harbor, were taken to the top of Mt. Tantalus, Ernie Pyle's grave, the University of Hawaii, the native State Capitol and former palace. They saw pineapples growing and being harvested and found how delicious can be a pineapple apple. They say, "It is encouraging to find that wherever one goes, there are many who are seeking to serve their Savior in worship as well as in deed. "Perhaps the most eye-opening experience occurred in Los Angeles, where we saw a 'Love-in' in Griffith Park. That is an education in itself."

Alumnus Joins March Of Dimes

Lee Van Jelgerhuis Jr., '60, has been appointed field representative for The National Foundation-March of Dimes in western Indiana, Indiana, Basil O'Connor, president of the organization, has announced.

Mr. Van Jelgerhuis will work with volunteer members of the 28 National Foundation chapters in western Indiana, and will assist them in the expansion of the voluntary health organizations total medical care program for victims of birth defects. He will help inform the public of the research and professional education programs supported by the National Foundation.

In addition, Mr. Van Jelgerhuis will work with volunteers in conducting the annual March-of-Dimes in January to finance these national local programs. Prior to joining The National Foundation, he was employed as a purchasing agent in the electronics field.

Snellenberger Wins

Earl G. Snellenberger, assistant professor of art, won second place in the 10th annual Art for Religion Competition and Exhibit at Bethlehem Lutheran Church with a print, "The Lion Shall Lie Down with the Lamb." He also received an offer to buy the print.

Robbins Contributes To Magazine

"The Instructor Magazine" has informed the ICC Alumni Office that Dr. Russell E. Robbins '49 is among the contributors to its August-September issue and that he is co-author of a column which will appear in each issue of the magazine.

A Late Letter

"A letter received intended for Alumni Day was not received until June 5. Mabelle Runk writes: "It is with deep regret that I cannot come to the 15th anniversary of our graduation from dear old ICC. For the first time in several years I am taking an extended vacation and have chosen to visit my sister in California. By June 4 I will be a member of the "jet" set as my mother and I will wing our way to Los Angeles in four hours flat.

"If I were to be with you today, you would all easily see that the years have put a few gray hairs and a few wrinkles here and there, but the years haven't done much to quiet me down; I am still the noisy cluttering heavy weight I was 15 years ago.

"For the past five years I have taught Eighth Grade English in the Warsaw Community Schools. I enjoy it very much and I love that age group.

"The past five years have brought many changes in my life. During that time I lost sixteen aunts and uncles and my dear father. Also during that time I "slaved" for a master's degree, which I received last August. So this summer I plan to loaf, vacation and even hope I have time to be bored.

"The Lord bless all of you. I am sorry I could not come to Fellowship with you. I will be delighted to hear all about this day and all those who were there,"

"A member of the great '52 class, I remain"

Sincerely yours,
Maybelle Runk

Why do bells on Christmas ring? Why do little children sing?
Once a lovely, shining star, Seen by shepherds from afar, Gently moved until its light Made a manger's cradle bright. There a darling baby lay, Pillowed soft upon the hay; Therefore bells for Christmas ring. Therefore little children sing.

About Our Students

Numbers do not tell us everything, of course, but statistics can certainly show us some interesting facts about Indiana Central College and her 1967 fall enrollment.

The total enrollment for day classes is 1,033 this fall with 975 counted as full-time students. Part-time students are persons who carry less than twelve semester hours.

Of the 975 full-time students, 488 are men and 487 are women. 591 (or 60.6%) of the students are living on campus this fall. 286 men reside in either Dailey, Wilmore, or Buxton Hall while 305 women live in either Kraner Hall or Trimble Hall. These figures indicate that 58.6% of all full-time men students and 62.6% of all full-time women students live on the campus.

There are 326 full-time freshman students attending Indiana Central. Of these, 214 (65%) are living in campus dormitories, compared to 63% in 1966 and 60% in 1965. Twenty-two freshmen living in the dorms are from Marion County.

Of the total student body, 409 students are from Indianapolis. Fifty-five of these (13.4%) live in the dormitories—27 girls and 28 boys. 130 freshmen are from the Indianapolis metropolitan area. Southport High School contributed 29 students to the Class of 1971, Manual added 13, and Arsenal Tech, 14.

Lyric Trio Makes First Indianapolis Appearance At Indiana Central

The Lyric Trio—composed of violinist Arthur Tabachnick, cellist Shirley Evans Tabachnick, and pianist Dorothy Munger—made an Indianapolis appearance in a recital at Indiana Central College on Monday, Dec. 4.

The concert was in Ransburg Auditorium at 8:30 p.m. and open to the public without charge.

The members of the Lyric Trio have been appointed as artists in residence at Indiana Central and perform under the college’s auspices. Tabachnick and Mrs. Munger are members of the Indiana Central music faculty.

Mr. and Mrs. Tabachnick founded and played with the Lyric Trio at Chicago. Mrs. Munger became a member after Mr. and Mrs. Tabachnick moved to Indianapolis. Tabachnick is concertmaster of the Indianapolis Symphony Orchestra and Mrs. Munger is its official pianist.

Mr. Tabachnick’s formal music training began when he was 4 years old. He won two of the most coveted awards in violin competition in 1938, the National High School Contest and the Interlochen National Music Camp Scholarship. Four years later, after concertising and studying, he earned a Juilliard Music Scholarship in New York. He was a member of the National Symphony Orchestra, appeared with the Pro-Art Quartet and the Sadenberg Sinfoniette, and then became concertmaster of the Illinois Symphony Orchestra.

He was staff violinist at WGN Radio, Chicago, and concertmaster of the Chicago Lyric Opera, the Grant Park Orchestra, and the Chicago Chamber Orchestra. He earned his bachelor and master of music degrees at Roosevelt University, and became a member of the faculty at Northwestern University. Besides being a member of the Indiana Central faculty, he is on the faculty of the National Music Camp at Interlochen, Mich.

Mrs. Tabachnick began her meteoric rise in the music world at the age of 16. After only two years of studying the cello, she won the Modern Music Guild award and made her debut in a major recital. Soon she joined ranks with leading cellists and concertized throughout the United States and Canada. She was solo cellist with the Lyric Opera and Grand Part Orchestra at Chicago. She has made many chamber music appearances, giving her an enriched background. She is solo cellist with the Indianapolis Symphony Orchestra.

Mrs. Munger’s musical background includes work at the Cincinnati Conservatory, Jordan College in Indianapolis, LaMont School of Music in Denver, and private lessons with Josef and Rosina Lhevinne and Ania Dorfmann in New York and Guy Maier in California. She has performed in solo recitals throughout the United States, with chamber music groups and with major symphony orchestras.

She has been a professional accompanist for outstanding artists from New York and Europe, is on the Steinway Artist List, and is the official accompanist for Acompanists Unlimited. She is a member of the Society of National Arts and Letters and of the Indiana Central College music faculty, and is listed in “American Women’s Who’s Who.”

Another ICC Family

Carl (’27) and Nellie (Totten ’59) Hauswald continue to teach in the New Albany-Floyd County consolidated schools.

Carl is a social studies teacher in the Hazelwood Junior High. This is his 43rd year, all of which has been in the New Albany Schools, except for three years. Nellie is an elementary teacher, teaching 5th grade at Mt. Tabor School. All of her teaching has been in the new Albany-Floyd County Schools.

Their son, Ronald L. Hauswald, D.D.S., also located in New Albany, attended ICC for three years before going to Indiana University Dental School. His wife, Mary Milhouse, graduated from ICC in 1956.

In the not-distant future they hope to add the names of the grandchildren, Gregory Lynn 9, Jeffrey Scott 7, and Carol Ann 4, to the list of ICC students.

English Club Holds Meeting

The ICC English Club held its first meeting of the year at the home of Dr. and Mrs. Allan Kellogg on October 12. An interesting program was given by Dennis Wolf, a junior, who showed slides of pictures he took while traveling in England this past summer.

Smith Named AAP Head Start Deputy Director

Mr. Harry E. Smith, ’52 formerly director of Head Start Operations, Cook County Office of Economic Opportunity, Inc., has been named deputy director, Medical Consultation Service-Project Head Start, for the American Academy of Pediatrics.

Mr. Smith, an Episcopal priest, will assist the medical director in organizing and directing the national Head Start medical consultation program for the AAP.

The Academy will select from its membership and from other leaders in the field of child health, a group of several hundred physicians who will provide medical consultation to each of the nearly 2,000 communities which offer Head Start child development programs to their children.

Mr. Smith received his B.D. degree from Evangelical Theological Seminary, Naperville, Ill., in 1955, and later did graduate work at Seabury-Western Theological Seminary, Illinois State University, and Illinois State Teachers College.

From 1955-58, Mr. Smith worked as an Evangelical United Brethren pastor. He later directed a community center in Bloomington, Ind., from 1958-60.

Mr. Smith became an Episcopal priest in 1961, and from 1961-63 held positions including vicar, Christ Church, Harvard, Ill., and chaplain and instructor, Northwestern Military and Naval Academy, Lake Geneva, Wis. Mr. Smith became rector at St. Elizabeth Episcopal Church, Chicago, Ill., in 1963, and held that position until 1967 when he resigned to work in the Head Start program in Cook County, Ill.

He directed several summer programs for children from 1954 through 1965, and became director of Head Start Operations for Cook County in 1967.

Mr. Smith is married and has three children.

The old order changeth yielding place to new.

New Member On Music Faculty

Dr. John Gates has been appointed to the faculty of the Indiana Central College music department. He will teach piano, music history, and music composition.

Dr. Gates received his bachelor's and master's degrees in composition from Butler University. His doctorate was earned at Florida State University in Piano Performance and Literature. He also holds an Artist Diploma in Piano and Composition from the American Conservatory at Fontainebleau, France, where he studied with Robert Casadesus and Nadia Boulanger. He was the recipient of first prize in the Phillips Memorial Award Contest for pianists and first prize winner in the National Scholastic Composition Contest over a field of 7,500 entrants.

Long active locally as a pianist, Dr. Gates made his New York debut last year at Carnegie Hall in a program of rarely-heard works which caused Harold Schonberg, leading critic of the New York times, to state that: "Connoisseurs of pianistic exotica rushed to Carnegie Hall Thursday when they saw John Gates' program. Schonberg went on to compliment Gates for his "curiosity and imagination."

In addition to his duties at Indiana Central College, Dr. Gates will be head of the Music Department at the Catholic Theological Seminary.

Gillaspys Go To The Marianas

Steve '66 and Barbara Gillaspy, both of Indianapolis, have been assigned to go with the first group of Volunteers in Service to America to the Marianas Islands to work with the Chamorro natives in the building and organization of neighborhood centers and cooperatives.

While Steve was finishing his college work, Barbara was receptionist and switchboard operator at Indiana Central. After his graduation they served for a year as VISTA volunteers in the riot areas of Dayton, Ohio. Both Steve and Barbara are graduates of Arsenal Technical High School and are members of the Brookside EUB Church.

Middleton Chosen Teacher Of Year

Max Middleton, '35, a 28-year veteran teacher of mathematics in the Santa Fe schools, was last year chosen among 450 teachers as the 1967 teacher of the year. He was chosen "for his outstanding ability as an instructor and in getting his knowledge across to his students, for his loyalty to his profession and the high regard in which he is held by both faculty and students."

Max and his wife have two children who were educated in the Santa Fe schools before coming to and being graduated from Indiana Central. Max Jr., '62, also teaches in Santa Fe, and Mrs. Anna Middleton Jensen, '57, wife of Carl Jensen, '57, who is teacher of art at Washington High.

The Middletons live at 516 Sandia Street, Santa Fe, New Mexico 87501.

The Keks On Sabbatical Leave

Both Evan, '30 and Anna (Dale) '28, Kek, who are now with Davis and Elkins College, Elkins, West Virginia, will have Sabbatical Leaves running from Feb. 1, 1968, through the following August.

They plan to sail for Europe with their car from New York. First of all they will spend two months in study in England doing library research. From about the first of April they will travel at will through Western Europe touching some of the points they have touched before, but this time including Spain. They also plan to make a brief stop at Istanbul and do a cruise in the Greek Islands.

Mrs. Kek resigned as Registrar last June 30 and is now serving full time as Professor of Languages and head of the department. She will be doing the same thing when they return in August.

Mr. Kek has resigned as Business Manager and will become Associate Professor of History. He is anticipating his new job with much pleasure. He will be teaching Ancient History and Medieval History. These will be his areas of study while overseas.
"Jezebel's Husband" First Presentation

"Jezebel's Husband," a comedy by Robert Nathan, was presented in Ransburg Auditorium on November 1-4.

This was the play's first production in Indiana. Prof. Richard A. Williams, a new faculty member, presented the play. He is assistant professor of speech and drama and has had extensive experience in both religious and secular drama. The first night's attendance was small, but it gradually built up until the last night, when it was satisfactory. The next presentation will likely be for only three or two nights.

Tom Tozer, a senior who is a veteran of the Indiana Central stage, had the role of the husband (Jonah). Miriam Watson, a sophomore, portrayed Jezebel. Cindi Sarles, a sophomore, was seen as the childhood sweetheart of the husband.

The comedy was produced by the ICC Players and Gamma Theta chapter of Alpha Psi Omega, national honorary dramatics fraternity. The set was designed by Prof. Gerald Boyce, chairman of the college's art department.

Area Clubs Visited

Three Area Clubs outside of Indianapolis have been visited this fall: New Albany on September 10, where Bonnie Binkley Pinaire '58 is president; Chicago on October 14, where the Rev. George Jacobs '42 is president; and Evansville on November 10, where the Rev. Robert Sachs '46 is president.

Dean Ransburg, Director of Alumni Relations, attended all of these meetings and took with him some member of the faculty to bring the alumni present up-to-date on the exciting current happenings at the college.

Dr. Charles Dill, president of the Indianapolis group, on November 10 "summoned" all the alumni of the area to a chili supper in the Schwitter Center dining room and for a short business session, after which they were to go to a ball game.

Reception Honors Principal

A reception was held October 24 at Indianapolis Public School 87 to honor its new principal, Mrs. Mary Puryear Owsley, Normal 35. She was formerly assistant principal of School 28.

Meet The Coach

Angus Nicoson
Associate Professor of Physical Education, Athletic Director, Basketball Coach, and Chairman, of the Health and Physical Education Department

Coach Nicoson returned to his alma mater as head basketball coach in 1947—the same year the Hoosier College Conference was organized—and his teams have the best record of any member school. Two years later, he accepted the responsibilities of Athletic Director.

In the 20 years of the HCC's existence, Central's teams have won the basketball championship 8 times, placed second 8 times, and placed third 3 times.

As Greyhound basketball coach, Nick has produced 349 victories against 173 losses. In the five years he was a high school coach, after his graduation from ICC, his suburban Franklin Township (now Franklin Central) netters won 92 and lost 28. They won the Marion County championship twice, and the Capital District three times. The combined totals of the two are 441 wins and 201 losses. This does not include his record as coach of the Indiana All-Stars Basketball Team for fourteen years, in which they won 14 and lost 11.

Nick resigned as All-Star coach after his election as President of the NAIA. He will continue to serve on the NAIA Executive Committee as a past president for 2 years.

As an undergraduate at ICC, Nick became one of the school's most outstanding athletes. He was named to the All-State collegiate team one year and the All-Conference team two years. The Greyhounds won their last 10 games in his junior year and all 16 in his senior year for 26 consecutive victories. Nick was captain, as a senior, of the squad which ranked fifth in the Midwest and ninth in the United States.

Indiana Central has taken the HCC All-Sports trophies 9 times, placed second 9 times, and third 2 times. The Greyhounds have been chosen for the NAIA District play-offs 12 times, and 5 times they have advanced to the National Championship Tourney in Kansas City.

Many honors have come to Coach Nicoson. He has been chosen Hoosier College Conference Basketball Coach-Of-The-Year 8 times, and he was the first person to be honored as Basketball Coach-Of-The-Year by NAIA District #21 in 1963-64. He was again honored as their selection in 1964-65. He was also honored as NAIA Area 6 Coach-Of-The-Year in 1966-67.

Nick and his wife, Bea, make their home in University Heights, near the college campus, and have two sons, Danny and Terry.

Shirley Honored

The Rev. Archer Shirley, '32, was honored October 1, for 35 years of service as pastor of Pleasant View Baptist Church. The occasion was known as Archer Shirley Day. In addition to the regular morning worship and Sunday School services, there was a carry-in dinner and a jubilee celebration at 2 p.m., followed by a reception. The jubilee celebration took the form of "This is Your Life" program recalling events from his childhood to the present. Under the leadership of Archer and his wife, the former Grace Hicks X34, the church has grown from 26 members in 1939 to 325 in 1967. The beautiful new church is located in Pleasant View, about 15 miles southeast of Indianapolis.

That a prophet is without honor in his own country is certainly not true of Archer Shirley, for he is adored by his congregation, among whom he has lived all his life. As a token of appreciation he was presented with a check of $1500 to be used for a trip to the Holy Land.

Sweeping Study Made On Pupil Smoking

The Marion County Health and Hospital Corporation and Indiana University have begun one of the most comprehensive studies ever undertaken of the smoking habits and attitudes of grade and high school pupils.

This study is being directed by Joseph W. McIntosh (ICC '58), health educator for the Health and Hospital Corporation's public health division, and is financed jointly by the public health division and I.U. Medical Center. The purpose of the study is to discover the reasons children smoke or want to smoke.

Basketball As Predicted
By "Nick"

Last season I stated that the Hoosier College Conference is beginning a basketball era that will cause it to rank on a level with any small college conference in the United States. My thinking has not changed. I am surer now than I was last year that this is a true comment. Any team in the conference is capable of beating the other one. This makes a good conference. As you discuss the conference strength with coaches and other reliable conference personnel you would come to the conclusion that the top four teams to beat will be Earlham, Hanover, Manchester, and Taylor. No one can predict which one will be the conference champions.

This definitely will be a rebuilding year for the Greyhounds. Any rebuilding year has such problems as team attitudes, selecting abilities that will complement each other, and developing experience soon enough to be ready for conference play. One of our first problems will be to get ready for the first two games which are conference powers, namely Taylor and Earlham, in that order. Both are before Christmas vacation with Taylor away and Earlham at home.

The loss of three of our starting five, Phil Honnold, Jack Noone, and Roger Wathen, presents the problem of finding replacement for 26 rebounds, 47 points, and 12 assists per ball game. We are losing 54% of our offensive punch, 68% of our rebounding, and 43% of our assists.

We have eight returning lettermen: senior, Bob Curless; juniors, John Beebe, Charles Russell, Bob Smock, Dave Stillabower, John Swank, Al Williams and Harry Williams. Up from last year's frosh squad are: Ron Gresk, Jack Martin, Ron Smith. We have a better than average freshman group, but it is too early to know if we will get any help from them this year. We certainly are not counting them out.

"The team first, me second" is at the present time the first thing we must find out and develop. This is a must for any team to become a champion. I have faith in the men I have chosen to represent and maintain the prestige that many great basketball teams of the past have established. I am sure that all of them have accepted this challenge for this year and will give 110% to maintain it. Many people ask the question: "Will we have another champion this year?" I do not know; however, if they give 110% on the floor and off, they will be champions in my books. Time will tell.

At a recent press conference where the Hoosier College Conference Basketball Coaches met with newspaper and TV reporters, a poll was taken to estimate the order of finish for the conference. The coaches selected:

Let me don my hat as Athletic Director for a moment to say that football seasons have been disappointing over the past several years. At the present time there is much thought and work going into the planning for next year on the part of both the coaching staff and the administration. We certainly encourage alumni recommendations on outstanding student-athletes who can help our athletic program. We will welcome the attendance of alumni and prospective athletes at our athletic events during the winter and spring.

Sir Walter Scott

Heap on more wood!—the wind is chill;  
But let it whistle as it will,  
We'll keep our Christmas Merry still.
