June will be bustin’ out all over

Alumni Day becomes whole weekend

The Alumni Board of Directors has voted to expand the traditional Alumni Day to an Alumni Weekend. Scheduled two weeks later than the traditional day, this year’s activities will begin on Friday afternoon, June 1, and conclude on Sunday afternoon, June 3.

The 1984 theme, “June is Bustin’ Out All Over,” captures the new spirit involved in moving our alumni reunions and special activities to June. Our new schedule allows for excellent overnight accommodations in our residence halls (free for Fifty Year Club Members) and unlimited use of our total campus facilities.

This year’s program includes: a special continuing education workshop, a family film presentation, a sing-a-long and snack time, an early-bird swim in the new pool, special reunion class breakfasts, campus tours, alumni fitness fun time, class reunion pictures, a family picnic in the park, a reception with the Alumni Board of Directors, the traditional Honors and Recognition Banquet, an ICU alumni-led worship service, and a superb afternoon program of entertainment by our students and alumni. Top it all off with a Volcano Nightcap (ice cream extravaganza) at Farrell’s Ice Cream Parlor and you’ll be glad you came for this extraordinary weekend! Reunion breakfasts and special activities will be held honoring the classes of 1929, 1934 (golden anniversary), 1939, 1944, 1949, 1954 (silver anniversary), 1964, 1969, 1974, and 1979.

Write or call some of your classmates and encourage them to join you for this return visit to your alma mater. The more who come, the better it’ll be, so mark your calendar now and watch for the reservation form in the next issue of the Alumni News.

Fifty Year Club Scholarship gets boost
For several years members of graduating classes that have celebrated their fifty-year anniversary have joined forces and contributed to a special scholarship fund. Hundreds of donors have contributed to this worthy project, which now totals over $18,000. One of these members, Dorcas Petty Dice '31, boosted the total with a generous $3,000 gift during the 1983 Christmas season. This is the largest single contribution to this scholarship fund since its beginning in 1977. Mrs. Dice, a member of the varsity debating team during her campus years, hoped her gift would be an incentive to other members for their continued support of this scholarship. The club's goal of $20,000 is now within reach for their annual meeting held during the Alumni Weekend. The University salutes these valuable alumni, members of the Fifty Year Club.

Alumni scholarships become even better
In an effort to provide greater financial assistance to outstanding students recommended by alumni, recipients of this year's Alumni Scholarship Awards will receive an additional $500 toward their room and board fees if they elect to live on campus. Besides the $1,000 Alumni Award, these $500 gifts for resident scholars are also renewable each year, while maintaining a satisfactory grade index.

Essay Award funded and named
The Alumni Board of Directors recently created an essay contest for students in English Composition 101. An anonymous gift has been received to endow the award, which will pay for a small stipend to the recipient, a judge's fee, and an appropriate recognition memento. The Major General John J. Dillon Essay Award has been named in honor of the late major general who served as an attorney general of Indiana for two terms and more recently as commanding general of the 38th infantry division of the Indiana National Guard. The first award will be presented this spring.
