CARDINAL AND GREY DROPS HARD GAME

MANCHESTER HAS BIG SECOND HALF AND WINS, 33 TO 26

Central's winning streak was broken Saturday, January 18, when they dropped a hard fought game to Manchester by the score of 33 to 26. The game was hard fought and fast from start to finish, but the Cardinal and Grey boys seemed unable to hit their stride, especially in the last half. Manchester scored first when after a few seconds of play Catt was fouled for "hacking," but Central quickly took the lead when Light sank two free throws. Bright got a field goal, and then Manchester took time out. After time out Manchester quickly evened the score and then took the lead and were never headed. Just as the gun cracked for the end of the half Bright sank another field goal. The half ended with Manchester leading, 19 to 18.

In the start of the second half Manchester started an unstoppable attack and piled up eleven points before the Cardinal and Grey boys could score. Near the end of the game Bright sank two field goals and Catt got a long one from center. When the final gun sounded Manchester led, 33 to 26. Bright was best for the losers with nine field goals, while Connard was the star for the winners with nine field goals.

A son was born to Rev. and Mrs. M. I. Webber, January 15. The Seniors have presented Joe Martin with his first toy, a rattle.

Michael Splith, when you place hydrogen iodide in water what does it become? Splith: Wet.

I. C. G. BIDS STRONGLY FOR DEBATING HONORS

OTTERBEIN COLLEGE ON THE SCHEDULE FOR FEBRUARY 15

One hardly realizes the many ways that the honor of a school may be upheld. Football and basketball have had their turn. Let us pause for a moment and turn our eyes toward "Debating."

Well might any college be proud of the records made by our former debating teams. In past years they have bent the pride of much larger institutions of learning and have proven their loyalty to their school. Two years ago the Indiana Central teams won over Notre Dame and tied for the highest honors in the state. Last year our teams won third place in the league.

Our "First Triumvirate" Weber, Fisher and Chauffant with Frys as alternate is planning on equaling the record they have made in former years. They have not lost an intercollegiate debate that they have been (Continued on Page 2)

COLLEGE EXPENSES CHEAP AT CENTRAL

NEXT TO LOWEST IN STATE-CHANGES MADE IN CURRICULUM

In making a study of the college expenses of a number of typical colleges of Indiana and Illinois it was found that the expenses at Indiana Central were considerably lower than at any other of these standard colleges with the exception of one. The cost of tuition, board and room for the students at Indiana Central has been very low in spite of the high standard of work and excellent accommodations in board and room of the student body, members of the faculty and the executive committee, it was generally agreed that a moderate increase would be to the best interests of all concerned.

It was also generally agreed that the semester plan of division of the college year is better than the plan of twelve-week terms and instead of having 192 term hours required for graduation, 124 semester hours will (Continued on Page 3)

TEAM QUAKES BEFORE QUAKERS' BASKETEERS

INDIANS LOSE BASKET EYE AND ARE DEFEATED BY SCORE OF 33 TO 12

Indiana Central lost a loosely played game to Earlham, 33 to 12, Saturday night, January 26. The game was played at the Trueblood indoor field at Earlham. Central took the ball down the floor and Light opened the scoring with a field goal during the first minute of play. Earlham shortly retaliated, then took the lead on a foul throw and the score was never tied again. Central played a faster game than Earlham during the first half, but their basket eyes must have been in the garage for repairs. Out of twenty-one trials at free throws seventeen were missed, and the shooting from the floor was of the same degree of excellence.

The first half ended with the score 14 to 6 in favor of the Quakers. Harry Good, Central's big back guard, went out shortly after the opening of the second half on personals, and this seemed to weaken the defense somewhat, as the final score was 33 to 12.

Central substituted Pence for Bright in the first half, but the latter went back in the second. In this half Sackmire went in for Good and Ament Trout for Light.

The Central players were very greatly surprised just before the game began when they discovered that a bus and several automobile loads of rooters had decided to come over and help the team fight. Their presence certainly put heart into the boys and whatever else may be said about the contest it was a scrapp all the way.

(Continued on Page 4)
We are wondering if it would not be a good plan for the Alumni Association to take hold of the slogan for '25 and help boost?

OUR DEFEATS

I. C. G. has lost two of the men that it surely hoped to win. But that is not failure. It can be said of the men that when they were facing sure defeat they played the part of gentlemen. That's victory! The North Manchester team is one of the cleanest ever played upon our floor. Many times during the game friendly acts were seen to pass from team to team and the spirit of wholesome rivalry was not reflected. The Earlham game was its equal. Our men did not lose — the other teams won. We are anticipating their return in '25 and hope to see the same standard of fairness maintained by the three teams as was seen in '24.

I. C. G. BIDS FOR DEBATING HONORS

(Continued on Page 1)

This year they will meet Otterbein at Otterbein; they will go to Franklin and will meet Oakland City and on the same day. They have the negative side of the question and when they say "no" every one believes it.

Our affirmative team bids fair to win the record of the negative team this year. Peyton, Mast and Leach with Utah as alternate, are working hard on their side of the question. Peyton has had some debating work in high school. Mast has had a number of years of training in the literary society to help him in his work. Leach was on the affirmative team last year but had to drop out because of illness. This team meets Otterbein and Valparaiso here and they go to Oakland City and Manchester.

There can be no doubt about what we want to do to Otterbein. This will be the first time in the history of Indiana Central and Otterbein have competed in any intercollegiate activities. We intend to show them that Indiana Central is on the map.

Last year Manchester won from our college here and it is the plan of the affirmative team to pay it back. Last year Valparaiso learned that our negative team could debate and this year they will learn what the affirmative team can do. We will trust the negative team to teach Franklin and Earlham how to debate.

The Otterbein debate is scheduled for February 15. The negative team will go there and the Otterbein negative team will come here. The teams will be assigned to their subject at eight o'clock of the evening of the 14th, and the next night at eight o'clock they will debate. The other debates will be on the subject which is used by the Indiana Debaters League.

The complete schedule is:

February 15—I. C. G., affirmative, vs. Otterbein, negative, vs. I. C. G., negative, vs. Otterbein, affirmative, there.

February 23—I. C. G., affirmative, vs. Oakland City, negative, there; I. C. G., negative, vs. Oak-

Y. M. C. A. BRINGS DEAN COUTLER FOR ADDRESS

ORGANIZATION WANTS CONFERENCE HERE AGAIN THIS YEAR

A few weeks ago we were privileged to have as a guest of our college the Hon. Dean Coutler of Purdue University. He came through the efforts of the Y. M. C. A. and spoke to the men and women.

The student Y. M. C. A. of Indiana Central has as an item of its yearly program an officers' training conference. The conference is held in one of the colleges in the state. Last year the conference was held here and the officers have asked that the conference might be brought to Indiana Central again this year.

Last year all the students enjoyed the company of fellow-students from all parts of the state. It was a great inspiration to our Y. M. C. A. conference.

We welcome each man and woman who comes to the conference. We will attempt to show our natural attitude and entertain them as well as we know how.

EXCHANGE

Many new exchanges have made their appearance since our last issue of the Reflector. We are especially glad for "The Argus" from Illinois Wesleyan University; "The Butler Collegian" from Butler College; and "The Crimson Rambler" from Trine University, Lexington, Ky. The new high school exchanges are "South Side Times," Fort Wayne, Ind.; "The Budget," Galesburg, Ill.; "Triangle," Columbus, Ind.; "The Garfield," Garfield High, Terre Haute, Ind.; "Booster," Portland, Ind.

Daily Hall Reception Room
INDIANA CENTRAL

A Standard College, fully accredited.
A Christian College, centrally located.
A Growing College, with high standards.
A Live College, with loyal students.
A Strong College, with moderate expenses.
A Choice College, for choice students.

Summer Session Begins May 26, 1924
Fall Semester Begins September 8, 1924

Indiana Central College
Indianapolis, Ind.
DAILEY DOINGS

Several of the girls spent the week-end at home or with friends. Among those from Dailey Hall were: Lucile Peterson, Beulah Rodebaugh, Bob Greene, Florence Jones, Genevieve Nichols and Mabel Jenkinson. Several had their hair bobbed during the week. One of the most prominent was Bertha Palmer. Miss Waterbury was heard to remark that it was her turn next. "Yes, Waterbury! We're all for you."

A special was given in the Misses Mason and Hoffman's room near midnight, January 22, in honor of Charlotte Gillfillian and Georgia Mann's birthdays. The eats consisted of fried chicken, marshmallows, cake, iced tea and coffee. Those present were the guests of honor: Aileen Case, Gertrude Scott, Carol Cooper and Frances Griffith.

TEAM QUAKEs BEFORE QUAKERS' BASKETTEERS

(Continued from Page 1)

Lineup and summary:

- Earham (33) Ind. Central (12)

Wallace .... Forward. Albright
Schumaker .. Forward. Bright
Scott .... Guard. Catts
Spaulding .... Guard. Good
Substitutions-Morris for Schumaker, Stafford for Morris, Gilbert for Scott, Mosher for Spaulding, Pone for Bright, Armentrout for Light, Sackmire for Good. Field Goals-Wallace, 4; Schumaker, 3; Morris, 3; Huntsman, 1; Monger, 1; Albright, 1; Light, 1; Good. 1. Fool Goals-Wallace, 2; Huntsman, 3; Scott, 2; Monger, 1; Albright, 2; Bright, 2.

JUNIOROLGY

Mr. Lynn Albright is the pianist during the revival services.

Miss Gertrude Hutton and Herbert Lifschitz enjoyed a rare privilege last Sunday night, that of hearing the Sistine Chapel choir from Rome, which was in the city.

Miss Myrtle Banks was injured Thursday when she fell on the ice-covered walk between Residence Hall and the Administration Building.

Mr. Sackmire was inquiring of his academy class their purpose in studying Latin. One retorted that it was because he had to, as it was a dead language anyway. Instantly, another student's face became illuminated with vision. "Sir, I'm studying it because I'm going to be an undertaker."

THEALACOSIA

In spite of the fact that Thesalosia is only three months old, a great deal of talent is displayed by its members.

Two very interesting productions were given January 28. They were, "Autobiography," by Elsie Delaney and "Bits of Fun," by Opal Gilliam.

A musical number between each literary production adds dignity as well as enjoyment to the sessions. Each Thesalosian is eagerly looking forward to the arrival of the new society pins which have been ordered.

J. A. FENDLEY, Prop.
Phone Stewart 1145

We are glad to welcome Miss Bashong and Miss Watson back to our meetings.

Four new associate members have been added to the roll: The Misses Elthea Stahl, Davis, Wiltrout and Keller.

Georgie: Ma, there is a circus in town; see that clown.
Ma: Be still, that is a college student.
