AFFIRMATIVE WINS FROM STATE NORMAL;  LOSES TO MANCHESTER

Central Affirmative at Taylor and Negative Meets Earlham College

March 13th

Another victory for debating, Indiana State Normal won the first debate of the season with Indiana State Normal last Friday evening, which left their formidable opponent Manhattan University to face them in the next tournament.

Central's affirmative with the following speakers: Leonard Brown, Stuart P., Freeman, Dr. Kline, their opponents, Ketch, Jardine and Jardine, with such forceful arguments that the judges, Prof. Ott, Head of the Public Speaking Department at Shortridge High School, observed their decision in favor of the local team. Some believe it seemed to be in the form of a speech that the speakers reminded him that age is between ten and ten, and include such words like "great minds think alike" and "triumph over fate."  

Central's negative team, Robert Peterson, Ray Bryant, and Robert Hobbs met their Manchester opponents, Claude Swain and Dallas Dickey at North Manchester College. Prof. Preston Scott of Purdue University gave his decision in favor of Manchester after a careful "consideration" from which he found that the delivery of Central's team and that of their opponents was very equal, and in this case the final decision was rather technical points.

Early in the month Indiana Central finds these purely scholastic contests a source of pleasure and pride in that they illuminate the curriculum and to add victories to the columns that always appear in the school. The affirmative team will meet the negative team of Taylor University on March 15th, and again encounter the affirmative team from Earlham College on their platform.

DEARING SPEAKS AT CHRISTIAN ENDEAVOR RALLY

About forty college students were present at the rally held at the College on Friday afternoon, and the program was presented by the students of the Christian Endeavor Society, under the direction of Miss Nellie Dearing, who delivered an inspiring address upon the subject "At Our Best." The Indiana Central students rendered a preliminary concert of several numbers, which was very much appreciated.

President of the city union, Leslie Roberts, was in charge of the singing. After a song service led by Rev. Dandridge, the program was concluded.

PROF. EATON, HEAD OF PHYSICS DEPT. TO I. U. NEXT YEAR

Upon entering the Physics laboratory last Monday afternoon the writer found "Prof. E. Eaton" with his feet on his desk and his hands behind his head in a meditative and remainder mood. He has been the head of the Physics Department at Indiana Central College since 1909, and told you something of a certain man in that capacity, either in a utilitarian or a religious spirit. He is to give his time to Y. C. M. C. A. work, and of his eagerness to look after, and to some other matters of our school.

Professor D. W. Eaton, was born in Liberty High School in 1901; taught school for two years and then entered Earlham College for four years, being graduated with his degree in 1907. After graduating he taught in the high school of Coldwater, Ohio, from 1905 to 1908. He then taught for one year in the high school of Indiana, following this beginning the fall of 1909 he became Prof. Eaton was a graduate student at University of Illinois in 1912, 1913, and Indiana University, 1914-15.

At his educational career, however, his attention was not only directed to the sciences but also to the humanities. This was in our college a fair co-educational, which also became interested in the tenements, the" Bradstreet" and the" Botanical nature he used to gather..."

SPRING TERM OPENS FOR THE NORMAL STUDENTS

Courses of the Summer School Will Attract Many Normal Students

The spring term opened for the normal students this morning, with an enrollment of sixty-five students. The normal students are beginning to realize the many advantages and opportunities offered at Indiana Central, because the normal department is increasing very rapidly, and it is the reason for the recent move to the premises of the institution.

The summer school has been engaged in a great variety of activities. All the courses are being offered.

The Indiana Central College, as the State Board of Education as an institution for the training of teachers under the new State requirements of Licensing Law of 1922. This extends to the normal department and to the training of High School teachers and courses leading to the A. B. degree.

Indiana Central offers many attractives, including strong teaching force, modern dormitories, very modern lecture hall, high school and normal schools, beautiful campus, is it well worth the consideration of all students and students to note these facts.

RECOGNITION OF I. C. B.

President Good has recently received letters from Yale and Cornell Universities that assure our students a very favorable reception at these colleges to the large universities.

It has been long disputed just which colleges will accept credit for work done in the induction of these students. Our graduates have transferred their credits to these departments recently to Illinois University, due to their vast number of students are large numbers of students. They are the largest members of the student body. They have been working in students in the Indiana State Normal for six years. They told the three things that American students are doing:

1. They are joining and supporting of the World Student Christian Federation Fund. The student body has made contributions totaling thousands of dollars.

2. They are working in the promotion of World Peace by programs, debated, themes and research study.

3. They are assisting in the Friedl

MISS QUATTLE TALKS TO STUDENT BODY

Talks of Her Work As National Student of Friend-

ship Fund

Miss Marguer Quattley appeared before the student body on Friday morning, February 23. Miss Quattley is National Secretary of the Student Friend-

ship Fund. She recited her experiences with the World Student Christian Fund in 1922, when the faculty and student body were very poor. The student body was broke every Wednesday for a length of time and donated the amount saved to the student fund. In 1922, they were working in students in the eastern United States in 1922. She told the three things that American students are doing:

1. They are joining and supporting of the World Student Christian Federation Fund. The student body has made contributions totaling thousands of dollars.

2. They are working in the promotion of World Peace by programs, debated, themes and research study.

3. They are assisting in the Friedl

SPRING VACATION DATE SETTLED

Lately there has been some talk of changing the Spring Reces and placing it a week later, so that the Men's Glee Club schedule could be made the week after Easter as many churches did not want this before that time. But as this date has been fixed since this year from the scheduled date, and that the dates of other disturbances in plans on the part of students and faculty members it was left unchanged through action taken by faculty in meeting the Spring Reces will be from March 25, Thurs-

JUNIOR SENIOR BANQUET PLANS

Plans for the Junior Senior Banquet are being planned. The program will be held to be completed by March 25th. By this time the Junior and Senior classes should have their complete plans of decorations and program appointed. Let every Junior have the pleasure of seeing what you do at the date a made out for the Spring Reces.

Do you remember "ways back when"...
THE READER

THE READER is a college newspaper published by the PRESS CLUB of Indiana Central College. It was established in 1934.

Entered as second-class matter October 16, 1923, at the post office in Indianapolis, Ind., under the Act of March 3, 1917.

Acceptance of advertising is subject to special rates of postage provided for in Section 1150, Postal Laws and Regulations, as amended October 16, 1923.

Subscription—One dollar per college year. Single copies, ten cents.

PERSONALS

Rev. J. C. Shadd, pastor of the United Brethren church at Galesburg, Illinois, who was a student here two years, is to return again for the remainder of this present semester. He plans to spend every other weekend at his church. The other weekends he is to be spent in Kokomo, Indiana, with his wife, whom he married last Christmas. Mrs. Shadd is teaching English in Kokomo.

Vernon Longshung spent the last weekend visiting his parents in Paris, Illinois.

Roy L. Webber, of Oberlin, Illinois, visited his sister and friends here on the campus last week a few days.

Joe Bagalski spent last weekend at his brother’s home in Palos Heights, Illinois.

Mr. Charles Condor spent last weekend at his uncle’s farm in Winamac, Indiana.

Mr. McConnell, Art Bright, and Earl Lemons of Men’s Hall met Tuesday at Washington, Indiana, last weekend and attended the sectional tournament at that place.

Mr. Edgar Bright spent last weekend at his home.

Mr. John Thompson, Glenn Dun, and Mr. Kersten met Wednesday at Washington, Indiana. Last weekend, Mrs. Durrant and Mr. Lewis met at Washington, Indiana, last weekend and attended the sectional tournament at that place.

Dr. J. C. Sidenbender Dentist

Gleanings

No names are given, but a certain student who attended the Circle Theatre last week asked another why the House of David fellows had such long whiskers. The reply was, "Because they don’t Shave."

"Lucile Hoffman: What happened to Solomon’s wife when he died?"

"Dr. Long: They became widows."

It appears that many of the usual muskrats have been harvested.

We welcome the changes that have been made in the menu and management of the Club. Let us, now, do our part in making it better and observe the requests of the management, in our seating and in eating and in other ways.

The debut that was originally planned for Manchester was changed when they were told to sleep in the college hospital. Manchester must have figured out something more than they were able to do, and the plans needed an amendment after the debate.
