INDIANA CENTRAL COLLEGE
INDIANAPOLIS, INDIANA

CENTRAL THEME OF BOOK IS HINDU WITH APPLICATION POINTING TOWARD A GREATER INDIANA CENTRAL

With the beginning of the second half take and compound work on The Oracle, Indiana Central's annual student publication, it will well under way the book toward a successful book next spring.

Two important contracts for work on the 1931 Oracle have been awarded and neither is under consideration. Glenn C. Voorheis of Indianapolis has the contract for photography. The Indianapolis Engraving Company will do the engraving for the book. The printing contract is still open but an agreement with the Lafayette Printing Company is under consideration.

The photographer, Mr. Voorheis, has completed the work on the book this week and by tomorrow evening the pictures of undergraduates and Juniors should be finished. Mr. Long, the editor, has announced that pictures of the Seniors and faculty will be taken within in the next few weeks.

Mr. Long has announced that the central theme of the book is Hindu with picturesque application pointing to a Greater Indiana Central. This book will be approximately the same size as last year's annual, although those who have seen the pages more pages will be devoted to spots and photographs.

Advertising is under the direction of Everett Hoffman, who has divided the territory among the members of the staff, with a view to getting as many advertising agencies as the last year.

Lynn Turner, circulation manager, has been receiving subscriptions since the beginning of the semester and the profits are anticipated.

In the Ohio State University the students are beginning to get their “streaks” with a number of ex-sportsmen.

The Greek bids are fair to be the best publication in the business of Indiana Central. It is a newspaper which is accurate in pictures and writing, of the activities on the campus during 1922-1923, the only copy for future years.

Every member of the staff is working hard, and the assistants are beginning to get their “streaks” with a number of ex-sportsmen.

The editor-in-chief, Locilin Long, is assisted by the following staff members: business manager, G. Hubbert. (Continued on Page Three)

CENTRAL GREYHOUNDS VICTORIOUS OVER MANCHESTER LAST SATURDAY

In spite of Manchester's two touchdowns in first five minutes of play, the Central wins 13-12.

ALUMNUS BUILDS A CHURCH AT HARTFORD CITY

A recent issue of the Hartford City News carries a full page story of the new United Brethren Church dedication which took place on November 18th. This is of special interest to friends and alumni of E. C. C. since the pastor, Rev. Roy, a member of the class of '20 and a graduate of Illinois Wesleyan University, is a former student and a member of Miss Jesse L. Hanger, Professor of English at Indiana Central.

The Hartford Church was completed at a cost of $15,000 and is to be one of the finest church plants in the state. It has complete facilities for Sunday school and services. It has 45 or 60 well equipped rooms, a large auditorium, dining room, a modern kitchen, recreation rooms and an auditorium and stage for dramatic productions. On dedication day, under the leadership of Rev. Roy, the members of the church and the former students of Indiana Central should be proud of the fact that one of her Alumni placed such an important item on the air, Rev. Roy personally supervised the construction of the church.

INDIANA CENTRAL-orange to SING IN M. E. E. A. PROGRAM

A special feature is announced for the M. E. E. A. meeting next Wednesday night. This feature is to announce the receiving of the promises of the singing of the Indiana Central Male Quartet. This is to be the first date they have appeared and we are fortunate in having them.

The personnel of the quartet is as follows: Rev. Nieman, director of the church, who has been connected with the church, first tenor; Rev. Wilmouth, United Brethren minister, bass; Rev. Torner, second tenor and tenor; John Clark, baritone, will give the annual program of sacred and secular numbers.

Editor of Year Book

LEOLIN LONG

Loxlin Long, prominent member of the Senior Class, is editor-in-chief of the 1931 Oracle. Mr. Long has been active on the campus since his freshman year, and is working hard that the affair may be one of the outstanding social functions of the coming year. Mr. Long has been selected by the former student and a number of former editors and faculty advisors, as well as members of the Press Club and their guests are expected to attend. It is hoped that the students of forty fifty or sixty will be made.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION TO ASSIST OLD ST. NICK AT CHRISTMAS

Have you written St. Claus? If you have not, it would be a good idea to do so right away. Old St. Nick is now in the business of giving gifts down the chimney, as he is going to do for the little ones in your story, you had better hurry! But I am not the only people who look forward to Christmas because in a sense it is all of us who look forward to Christmas. The tiny tots of the Philippines are whispering new items to Santa, ready to have their wishes granted.

Old St. Nick has employed some assistants through the Young Women's Christian Association of Indiana Central College. Each member of the organization is urged to purchase a doll under her own selection, and dress it. The doll will be sent to the Philippines to the girl who has been designated as the one who shall receive it. The woman of the Philippines will give the doll to the child who has been designated as the one who shall receive it.

The company will meet in the dining hall, where a formal dinner will be served and a short program rendered, and the Central will rent a strange field before a Manchester crowd estimated at from 1500 to 2000, and the added disadvantage of trailing by two touchdowns after five minutes of play. The Central can play off the win in the CentralCategoria with that punch and grim determination that is necessary to win such contests. Never before in the history of football at Indiana Central have Central warriors been able to come through with a win after the opponents had even piled up a lead, but Saturday the men fought like demons in the face of adversity, and after they once got started, they kept on.

Both of Manchester's touchdowns came as the result of Central's fumbles. The first two points were scored by the players of the home team, and the second were given by the opponents. The weather was not very bright for the coach, and a few "Central followers." The score of the game was 13-12 in favor of the home team.

The Reflector

What they say

Many a conclusion has been reached by because a question could answer be given in the negative. This is an indefatigable "why" and the unanswerable question have called many. 

No church can succeed without good colleges. We would lose our best young people if we did not help our church. If we did not have our college, we would fail in maintaining our college.

There some people think of us as a missionary people. We think it is important that the sons and girls from our own church have the best theological college. So we have supported the Central College and the College Central Fund Plan has been so successful. The Central College is a great and outstanding feature in the minds of a splendid student body, and it is our hope that thousands of United Brethren people. The need of having a million-dollar fund is evident in your mind. The Ursuline's success, with a pledge of $1,000,000, the Central College, and the United Brethren Church in Indiana, Illinois and Wisconsin is able to arise the amount.

No, what do they say, Bishop does not mean to say that the action of the church is not a part of the great work that the church is doing. But they do mean to say that the church is doing great work by a pledge of $1,000,000, Dr. R. D. Par- mers, superintendent of White River College, and President of the College, in a recent speech, said that many have answered with splendid pledges ranging up to $1,000,000.

I know of a woman who answered this year with a pledge of $1,000,000. She can hear the answer of the great host of the United Brethren people, saying, "The church is going to be a great success.

How does the Reflected Church plan? This is one of the new churches in Indianapolis, that several years ago was struggling along with a strong pastor, and then under the leadership of Bishop W. E. B., who was the first student at Central College, they began building a church. The church is growing, and is now being supported.

I know of a woman who answered this year with a pledge of $1,000,000. She can hear the answer of the great host of the United Brethren people, saying, "The church is going to be a great success.

And if there were no other reason that I can think of, I would say that they should go to the plan of the church, and every church member should cooperate to make their church successful. If we had no other purpose in our church work, we would still do our part. Why shouldn't we?

$1,000,000 Goal

Of course, it is a big sum to be raised, and some people will wonder how it can be done. But the base people who were raised.

A visit to the country and our children's children, when the Christian courses are not kept up.

2. From what I have heard and observed, the children are not doing very well and really trains the boys and girls for Christian life.

3. No church can succeed without good colleges. We would lose our best young people if we did not have our college, we would fail in maintaining our college.

ALUMNI NEWS

NOTICE: Miss Hanger would appreciate receiving notices as early as possible. She doesn't like to seem insufficient about such a small amount as your check, so please send her your check as soon as possible and avoid causing her the discomfort of waiting for it again.

We were certainly glad to see so many of our old grads and friends back for homecoming. The increasing number of responses each year seems to show that we are becoming more interested in the work that is going on in the interest of our Alma Mater. The alumni and former students who attend these events are becoming more and more important, and their support plays an important role in its development.

Members of the class of 25 were present: Louise F. Holman, Florence Delph. In the 25-26 group, Clara D. Cooper, Laura A. Huddleston, Virginia Post, Mabel Loehr, Claudia Witherspoon, Edith M. Scott, Howard Scott, J. Lyn Arnborg and Paul G. Sletten.

The class of 25 was represented by Miss Avis Dole who is now a teacher in the High School at Hamptons. Other present from this class are: Prof. Mathias, Jett McPerland, Rev. A. F. Byrnes, June Marshall, Leona Shockey, Ester Justice, and Elizabeth Bowkett.

Members of the class of 25 present were: Rev. I. L. Venatta, who is now pastor of the G. L. Church, Mrs. W. A. Wessells, Mrs. A. D. Huddleston, Mrs. A. S. Schull, Mrs. H. A. Bowkett, Mrs. R. A. Williamson, Rev. F. J. Reid, Mrs. R. D. Smith, and Rev. Forrest A. Reel.

Pro. Gilliss and M. D. Cammell were the only members of the class of 25 present.

New grads always return. The class of 26 returned in large numbers to greet old friends. Several of them seemed rather parochial to certain of us, but we say to them they are to be congratulated. Among these attending the reunion are: Miss Sarah Brown Johnson, who has recently accepted a position with the Indianapolis Y. W. C. A. and Miss Pauline A. Gossard from Southport High School; Allen Weaver Black, Mrs. Betty A. Witherspoon, Mrs. Ida Ticknor, Genieve Washburn.

Alto—Marvin Barnhart, Mabel Bowers, Mrs. A. D. Shockey, Good, Esther Lema, Esther Parker, Sidney Sholly, Pearl Swanson, Lavonne Thompson, Alice Winchell.

The change of Smith from end to fullback has paid off in Central’s backfield, notably, the lack of a good defensive and offensive fullback.

There is an old score that must be paid tomorrow. Hancock is the first team to have crossed the local goal line up to date. We expect the Greyhounds to build a road across the Hilltoppers’ goal line and then walk back.

Where are those football songs we learned a while back?

See anything wrong with Vanes as a likely fullback tackle this year? I don’t.

Don’t miss the last game of the season. The game is not so much a matter of victory as it is to get along very well with our opponents.

So far, Hancock has defeated us but that It means nothing in our young lives. The Indianapolis News placed Hancock to win last Saturday, and look at what happened. You can’t always tell, especially in football.

BASKET BALL PRACTICE BEGINS UNDER COACH "RED" HAIVELD

Coach Red Haviland has issued his first call of candidates for the varsity basketball team who are not busy on the football squad.

Twenty-six hopefuls answered the call. They have been practicing regularly. They will be given regular workouts until the close of the basketball season.

Haviland begins his first year at Indiana University with unusually bright material and present indications are that the oldmen will have to fight to retain regular berths on the team. Judging from present showings, we may safely predict a successful year for Central in basketball.

Coach Haviland announces that the schedule is not ready for publication, but that it will be within a short time.

Coach Haviland strengthens his backfield. An exchange of points placed Smith from end to fullback, sending McCornack to Smith’s old position.
