INDIANA CENTRAL COLLEGE BAND TO GIVE FIRST CONCERT FRIDAY, DEC. 10

TO MAKE ITS FIRST APPEARANCE IN NEW UNIFORMS OF GRAY AND CARDINAL IN NEAR FUTURE

The Indiana Central College Band is one of the organizations in our college which has always had pride. The Band has given color to the days of the student body, and has been a source of entertainment andathletic spirit during its performances. The Band has come out in snappy new uniforms of gray and cardinal in the near future.

The personnel of the band is made up of the following members: Director, Mr. Parkin; Assistant Directors, Mr. Taller, Mr. Swihart; Percussionists, Mr. Scholz, Mr. Fugate; Trumpet, Mr. Pennington; Baritone, Mr. Pennington; Tenor, Mr. Wetzel; Bass, Mr. Knauff; Basset Clarinet, Mr. Comiskey; Cornet, Mr. Jones; Snare Drum, Mr. Williams; Field Drum, Mr. Proctor; Snare, Mr. Seeley.

The Band will give its first concert of the season Friday evening, December 10, at the Administration Building. The program will consist of popular numbers, and will be a treat for all who attend.

SEVENTEEN MEN AWARDED FOOTBALL LETTERS FOR SERVICE ON GRIDIRON

HOVERS DUE SIX SENIOR MEN WHO HAVE PLAYED THEIR LAST GAME OF FOOTBALL FOR CENTRAL

The 1935 football season has come to an end, and although it was hard to make it a success in Indiana Central College, it was given as a reward for their faithfulness in maintaining the standards of I. C. C. On the field, the players have been outstanding, and the following letters have been received: Elmer, Smith; D. Vanse, Adkins, Holtz, Capt. Climer, F. W. McCallum, J. M. Leonard, A. Glreman, C. F. McClure, and H. L. Bannett, Long. Of these men, six are Seniors who will be greatly missed when Coach Follett George issues his first call for football candidates next fall. All of these men have given the best that they can, and have established a record for sportsmanship and hard work that will be remembered. It is safe to say that the three Seniors, George Vance, whose presence has been felt but little active competition in the varsity contests, yet has worked hard for a year as a scout and coordinator in providing opposition for the Central teams, has been a great help in the future.

CURLING BASKETBALL SEASON OPENS SOON AT FRANKLIN

Coaches Report That a Snappy Quartz Will Represent Central

Due to the conclusion of the Debu debate season, which has been scheduled for tomorrow night, the opening of the local net season will take place next Thursday night, when the Greendale quintet meets the strong Franklin five in the Boulevard gym.

Coach Haviland, our new basketball coach, has been drilling a squad of student athletes for some time now. The early reports are that a snappy quartet of hard workers will represent the Central and Greip at Franklin next Tuesday.

PRES. GOOD BUSY WITH CAMPAIGN IN WISCONSIN

For the past two weeks, students, faculty and friends hard at work have been working for the President of Good on our friends in Wisconsin. Although he has not been vacationing, the contrary, he has been busy for the past two weeks and has the people been registering vigorously. President Good, with his past history in raising college funds and organizing campaigns, has been soliciting money with energy and determination.

STUDENTS OF THE DORMITORIES AT THANKSGIVING ENJOY TWO PARTIES

"Well, of course, it would be nice to go home if we had time, but we haven't room for anyone. Besides, I just know we will have lots of food and plenty of eats here at I. C. C. And, too, as I said before, it is an excellent authority that those people who have been here are the most delightful informal parties, and picking corn was the order of the day—right at the ends of the bench. On Wednesday evening, an informal party was held in the reception room of New Hall. Following the playing of games, the marshmallows were served—cafeine style. Yum! Toasted marshmallows!"—Thursday evening, Miss Julia Good invited all residents of the dormitories to attend a second informal party. The guests expressed their appreciation of this kind invitation. A delightful evening.

FRIDAY night, everybody met at the dormitory to play more games, to pop corn, and then another "go to bed," party.

Of course, the two groups were so fluid that they almost neglected to mention their parties. However, it is safe to assume from their attitudes that all those who attended the "chapel party" held in the Administration Building, with Mrs. and Mrs. Montgomery and Mrs. Johnston as spadesmen, spent a very pleasant evening. Some of the boys shared, also, that they found Friday night the best night for corn-popping at Ball Hall.

CENTRAL'S BAND TOUR WRAP UP...PRESIDENT GOODLAND

Indiana Central Band Broadcasts on Radio Program

Nov. 26, Indianapolis: The Indiana Central Central Broadcasting from station WFBQ Wednesday evening at 5:30 o'clock. This broadcasting was made possible through the efforts of Miss Julia Good, the Indiana Central Band, and the Wheeler department.

The following is the program:

1. "Alida," an overture, by McManus
2. "On the War Path," which is an Indian war dance by Dr. John Howes, a march, by King. The band broadcast from the anti-aircraft gun on North Delaware street, instead of from the Hoover Athletic Club, as the audience, or at least in some cases, could accommodate all the band members.

This is the first time the band has appeared on a radio program, but it is probable that they will have other opportunities to do so in the future. The band consists of twenty members...

CENTRAL'S STUDENT ENROLLMENTS FOR THE PAST INDICATES A GREAT FUTURE

The schedule of student enrollments for ten years at I. C. C. is very interesting, and indicates the possibilities for the future.

Nine years ago most of the students in Indiana Central College were in the high school, and the total number of regular students was about forty. The first year was sixty-two, and there were only three graduates that year. Eight years later, there were three hundred and fifty-three college students and forty-three graduates. The student enrollment at I. C. C. has always been about evenly divided as to numbers of men and women.

After twelve years of work at Indiana Central there were only sixty-two students, but in the eight following years, the number has multiplied by eight. With the development of the school, the enrollment of dormitories and a gymnasium, the enrollment of students has increased to the point where there are now about two hundred and fifty-two students in the school. This year the enrollment of college students is approximately seven times as large as it was eight years ago, and the freshmen class is expected to number the classes of the old standard colleges of Indiana. Certainly, the growth of Indiana Central in student attendance has been very encouraging.

The great problem seems to be...
The Central Safety Fund

Tomorrow it depends on today and on today’s students. Tomorrow will be materially different from today, if they are. It will be Christian if they are. It hinges on the ideals which determine us, and each of us, to carry forward our formative days on the college campus.

INDIANA CENTRAL COLLEGE SORORITY CAMPUS FRIDAY, DEC. 10

(Continued from Page One)

The splendid band will appear in their usual uniforms, ready to give an excellent program. This will be the regular concert from Indianapolis. The band will be assisted at this opening engagement by Mr. C. L. Valtis, tenor, of the Second Presbyterian Quartette.

We highly appreciate the efforts of the leaders and members of the band in their cooperation for making the Central a first-class band. We realize what a splendid asset to the college it is. We realize furthermore that we have that Central's splendid band, which is the result of the activities of the band from the time of the time, and the band may feel secure depending upon the loyal sons of E. C. C. for true cooperation at all times.

For this is the spirit that we place at Indiana Central, and there can be no room for other.

Y. M. C. A. NOTES

Indianapolis Attorney Speaks at Y

Mr. Arthur T. Mayfield, Indianapolis attorney and member of the First United Brethren Church, gave a very interesting and helpful address. Mr. Mayfield took as his topic success in life and its meaning to the individual. He pointed out that for the young man success economically means holding up the principles of religion and business.

Deputation Team to Make Trip

The Y. M. C. A. deputation teams are again getting under way, and their first trip will make its appearance at Zionsville. Dr. Howard Boyer, the team leader, is composed of Lester Hindrick, Edna Hoos, Eleanor Evert, Hortan M. Gernandt, James Doller, Paul Hilpky and James Wehman. These teams will consist of from twenty to twenty-five members, and cover a large portion of the county. All members go in a bus, and will be met at the railroad station by the local deputation. They will give recitals, sing songs and conduct meetings. All members go in a bus, and will be met at the railroad station by the local deputation. SECOND TERM ENROLLMENT FOR NORMAL SCHOOL IS A SUCCESS

Normal enrollment for the second term of 1922-23 is in excess of the normal enrollment for the second term of 1921-22 and the enrollment for the first term of 1922-23.

The enrollment for the first term of 1922-23 was 2,000 students, and the enrollment for the second term of 1922-23 is 2,700 students.

Harry E. H. Smith, a student here last year, visited friends at I. C. C. during the Thanksgiving vacation.

Bill Newberg, a student from Indiana Central, is visiting friends at I. C. C. last year, and is now in the hospital, having undergone an operation for appendicitis.

Oliva and Margaret Howe spent Thanksgiving day with May Shirley in Franklin, Ind.

Shelton spent his vacation at the home of W. M. Orr.

John and Miss Dier, members of the faculty, were guests of the Dean in these series of meetings.

MOMENTS WITH MUSIC

We were quite fortunate in securing a short program of vocal selections by Miss Ruth T. Davis of Indianapolis for the chapel service of November 14, 1921. Miss Davis, who has just returned from New York, gave the first concert work, sang a group of selections, followed by a series of solos and duets, in which she is a rich, full contralto voice. She is a prize winner of the St. Louis and New York. She is a prize winner of the St. Louis and New York.

Miss Davis is a member of the Phi Alpha, honorary musical society, and is actively engaged in concert and entertainment work.

The men's quartet, composed of the Thoms, Paul, Harry Davidson and Karl Parsons, gave a short program at the last meeting of the week.

Miss Clarence Chandler sang two solos in chapel Thursday morning. Her numbers were "Three "The Joy of Living" by Foster, "It's not the tug by Rodgers. The glee" quartet also sang a group of songs and Miss Julie Good played "Corduroy" by Albens.

MYSTERY SOLVED

The mystery was solved when Ben Thomas' pet was found in the reception room of Daily Hall. Everyone taking lunch at the hall was quite excited, and the pet was not missed. It was already on the floor when the band was over the head and the door closed. It was not seen again until the bell pull was pulled. It was not seen again until the bell pull was pulled. CENTRAL'S BASKETBALL SEASON OPENS SOON AT FRANKLIN
(Continued from Page One)

It is pretty easy to tell just who will get regular berths on the varsity. The following men have been showing up well in practice and will probably see action in the Franklin fray: (for- ward) McNathan, Halley, Hurley, Bright; (center) Fraze, Fles, (guard) Fraze, Clarr, Stipe, In- man, Sackman, Barbee and Smith.

This promises to be the best year ever in basketball at Central, and everyone connected with the school should get behind and help to make the season a success.

"HEAT BASKET"--

AND A MODERN SPORTS WRITER COVERS OLYMPIC GAMES

We arrived in this nine-league towm, Olympia, along with a special chariot load of roosters from Athens, who were to beg for dirt and dreg, and the sky. The Kasch, passing through the towns, the Thetis, white- wind, with an accidental upper cut. Simon, from Argos, won the wrestling after a sluggish bout and should have been examined to see the olive leaves. The host race was a walkway for Epimenus, the Megarian, who would look like an ambitious crab among statues of Paddocks or Lockes. In fact, the whole show was about the slowed thing for which the Hellenic fans seemed to rely them immensely. Kid Nebros, a born Egyptian, ensured the native sons by bringing Kerkesls, these Thetas to the wind, with an accidental upper cut. Simon, from Argos, won the wrestling after a sluggish bout and should have been examined to see the olive leaves.

He was Coach George's assistant last year as well as having taken a course in basketball coaching last summer at "Ivy" Lambert's famous Purdue Univer- sity basketball coach. Two weeks intensive training under this basket- ball wizard at his Lake Moneta Coach- ing School should show up in our '28- 29 varsity.
