The “Temple Players” of University Heights United Brethren church, a dramatic organization composed of members of the church community, was formed at a meeting Sunday, Jan. 1. It is the purpose of the organization to befriend the church community more closely together and to afford religious and clean secular entertainments.

Through the medium of religious and high type secular plays a strong religious and moral sentiment is hoped to be diffused. The organization is divided into two parts, the Senior Temple Players, eighteen years and above, and the Junior Temple Players, ages twelve and eighteen.

It is the desire of the members to perform one play each month. Already they are working on a high type of religious and high type secular play.

Coed Debaters Have First Intercollegiate Contest, Wednesday Night

The coed debaters will open the first intercollegiate contest, Wednesday night, when the Misses Hope Taylor, Avera Richards and Lila Dunbar, the affirmative Greyhound Barker, will meet the Earlhamites at Earlham College, debating the much-dubbed question, “Resolved, that the Philippines Islands should be granted their independence.”

The negative Greyhound Barker will open the intercollegiate discussion at Indiana Central College in the Sherman Auditorium, Wednesday evening at seven. With Slaven, killer, of the local team, and has been working very widely and has furnished much helpful material for the arguments.

Miss Wyman, formerly the Debating Coach at Huntington College, has been coaching the Central teams this year.

FOREST ORCHESTRA FEATURES

On December 6, the Forest Orchestra appeared at the New Year's Day Blowout, conducted by Professor Drescher. The orchestra played several selections, including Lithuanian music, and was well received by the enthusiastic audience.

Drs. Beghtel and Morgan in 'Who's Who in Science'

Dr. W. F. Morgan, head of the biology department of the University of Michigan, has recently had his names added to the list of American men of science in "Who's Who in Science."

A scientist must write some scientific material of his own before his name will appear in the book. Both Dr. Morgan and Dr. Beghtel have prepared several scientific publications.

The book today contains 12,000 names and about a thousand biographies of each person. It publishes not only the research of laboratory scientists but those of psychology and mathematicians.

DR. MARSHALL HONORED BY THESIS PUBLICATION

(Continued from page one)

The thesis prepared by Dr. Marshall is a pioneer piece of work in the field of college administration. The subject of the thesis was "The Causes of Elimination of Students from Indiana University."

Many students have been made of the causes of elimination among students from elementary and secondary schools, but no exhaustive study previous to this has been made of freshmen. College statistics have revealed the growing importance of the freshman in college life, and in many cases have been as high as one-third of the enrollment for a single year. About one-fifth of the freshmen entering the University of Michigan in 1926 were eliminated.

The problems involved in Dr. Marshall's investigation were, primarily, to discover the causes of elimination from Indiana University, and to find out what practices in schools and at the University led to the elimination of students. The investigation also sought to discover to what extent the university is properly accounting for its students, what factors have greatest bearing on the student's failure and his elimination, the relationship of the student to the University, and the relationship of the University to the student. The responsibility for elimination rests: (a) with the student himself; (b) the University; (c) with the teacher; (d) the administration; (e) the student's family; (f) other schools and colleges.

On January 15, Dr. Marshall presented his thesis to the Board of Trustees of the University of Michigan. The President of the University, Dr. Hill, accepted the thesis on behalf of the University and congratulated Dr. Marshall on his achievement.

Affirmative Debater

"You may have enough happiness to keep you sweet;
Enough food to make you strong;
Enough sorrow to keep you human;
Enough love to make your heart glad;
Enough labor to keep you from rust;
Enough knowledge to make you wise;
Enough religion to make you live the best;
Enough of the love of Christ in your soul.

To make you glad you are an American.

Marie S. Streltzer, junior, in debate, November 1926."

Katherine Streltzer, "SANTA VISITS GIRLS, LEAVES PARCHMENT"

Through the influence of Mrs. H. H. Ford the girls in New Hall were made privy to the surprise visit of Santa Claus. He paid his call on Christmas Day, the first of the month, and was received with enthusiasm. Santa Claus, according to the schedule, will visit New Hall, Wednesday and Thursday evenings, the hour of visit being 7:00 to 11:00. He will visit New Hall, Wednesday, January 13, and Thursday, January 14, and will visit New Hall, Friday and Saturday evenings, January 15 and 16.

The office of the Student Body is now open for examination purposes and will remain open until the close of the examinations next Monday, January 16.

The women of New Hall will be entertained by a special party on January 10.

Small Audience ENJOYS MUSICAL ENTERTAINMENT

A quartet of the Freshman Band was entertained by a small audience of students in the Music Hall on Wednesday afternoon. The quartet was composed of four women, Miss Elsie Beach, Miss Gladys Brannan, Miss Helen Lyon, and Miss Dorothyarranty. The quartet sang several songs of the season, and was warmly received. The program was brought to a close by the playing of "Auld Lang Syne" by Miss Betty Early.

A FAREWELL PARTY FOR HANGER AND RAGANS

A farewell party was given for Mr. Hanger and Miss Ragans at their home on the afternoon of Thursday, January 16, at 4:00 o'clock. The party was attended by a large number of friends of Mr. Hanger and Miss Ragans, and was greatly enjoyed by all who were present.

The guests included faculty members, students, and friends of Mr. Hanger and Miss Ragans. The party was held in the living room of the couple's home, and refreshments were served. The atmosphere was warm and inviting, and the guests enjoyed each other's company.

The party lasted until late in the evening, and was a fitting farewell to Mr. Hanger and Miss Ragans, who were leaving for a new chapter in their lives.

Small Group enjoys Concert in Music Hall

A small group of students enjoyed a concert in the Music Hall on Friday evening. The concert featured a variety of music, including classical and contemporary pieces.

The concert began with a performance by the Forest Orchestra. The orchestra played several pieces, each with its own unique style and tempo. The performance was well-received by the audience, who clapped and cheered at the end of each piece.

Following the orchestra's performance, a soloist took the stage. The soloist sang a selection from an opera, captivating the audience with their skillful voice and emotive performance.

After the soloist's performance, the concert concluded with a selection from a popular musical. The performance was light-hearted and entertaining, leaving the audience with smiles on their faces.

The concert was a wonderful evening of music, showcasing the talent and passion of the performers. It was a fitting end to the day, leaving everyone feeling uplifted and refreshed.
The students and faculty members were entertained at a special dinner on December 22, at the hotel. The college choir, with the assistance of Miss Elizabeth Miller, the "Miss Anderson," the "Miss Albers," and other members, sang Christmas carols. The audience was attentive during the entire performance and showed its appreciation for the musical production given on December 22, by the students and faculty members.

The choir was directed by Mrs. Jean Miller, Berenburg, head of the music department. The beautiful carols were sung in many different colleges in its entirety just before the Christmas holidays, and Mrs. Berenburg expressed the wish that its presentation be made public here by the students in the future.

The members of the choir followed: Harry B. Albers, in charge; Kenneth Albers, Robert M. Breckenridge; Cora S. Snyder; Katherine Smith; Claire Cheever; Helen M. Elson; Elizabeth F. McPherson; Julia Good; Helen Davidson; Leo Perle; Russell Ford; Oliver Halvorson; Perry Dorsett; Harry Davidson; Robert Maguire; Raymond Morris; Walter Hauser.

EXCHANGE COLUMN

President and Mrs. Orby Winger of Manchester College have started on a world tour and are expected to be absent from their home until the latter part of June. Their plans are to tour Europe, the Near East, China, Japan, and Australia. Mrs. Winger left New York City December 22, and took the train from New York, Man., for home.

President and Mrs. William A. Miller, of Haverford College, will set sail from New York on January 20. They plan to tour the world, returning to the United States by way of England.

Mrs. C. S. Johnson, who recently made a historical film of Wisconsin, is planning to make several pictures of New York and other Eastern schools this winter. Pictures will be taken of buildings, interior views, faculty and students, which will later be used in making a film.

Manchester College extended its best wishes for a successful season in basketball. Manchester, we thank you, and wish to extend the same wishes to you.

COLLEGES JOYS WANE AS EXAM TIME NEARS

What can those strange actions possibly mean? We see this sudden display of industry? Is something not to this little, dear reader, is simple. The annual term is now taking place. In every town and in the various towns, it is being made to digest four and one-half months of work within the scope of a year.

There are many students who, every year and last year, have a "hot dog" escape the lips of an examinee as he completes his work.

Beginning next Tuesday morning, January 15, examinations will be held away for four days. Lists of questions covering the terms work will start March 1. The professor says, "Could they be answered correctly?" Well, we can answer that and hope that the following power will see us safe through our present difficulty.

The Greyhounds have a jinx following them. They started the season strong by losing a one-point overtime game to Franklin. Since then they have been unable to break into the win column.

Friday and Saturday Muscle Will Hold the First College Basketball Tournament Ever Held in Indiana.

Meet Earlham, Tuesday, January 7:

Tomorrow night the Greyhounds will meet Hanover on the home court. Neither team has won a game and both teams are anxious to break into the win column. Central has played a stronger schedule than the Hilltoppers. This will make the second game on the home court.

In commemoration of the Greatest Gift ever given to the world, a Christmas program was presented at the Y. W. C. A. hour, December 21, 1927, under the direction of Woodie Hustvedt. The program was very impressive and brought the old, old story a little nearer to our hearts.

The first meeting of the New Year was very enjoyable indeed. While the girls were gathered about a cheerful fireplace, Miss Viele read for us several selections from the field of contemporary poetry. As she intoned these poems we discovered an interest in the modern poetry which we had not experienced before. Eloise Drost and Kathryn Smith furnished us with a vocal duet. Apples were passed as we sang several old favorites melodies.

The Y. W. C. A. had its Christmas meeting on Wednesday night before the fellows went home for vacation. The program was a Christmas nature. It consisted of songs and talks pertaining to the birth of the Master.

The fellows were given some idea of how Christmas is celebrated in the home town of our Saviour, when Professor Shanky Haramay gave a round table discussion on "How Christmas Is Celebrated By the Different Churches of the Land."

The president then gave greetings to the fellows from the Y. W. C. A. Society for a Merry Christmas and Happy New Year.

January 4, the Y. W. C. A. had its New Year program at the first regular meeting of the year. The meeting was held in the usual vacation.

A challenge to start the new year was given every fellow by Hillard Barkett. His subject was "Constructive and Reflective Resolution."
