NOBILITY'S GIFT

Numerous things enter into the makeup of a gift to give it a high value. Among these are the giving spirit, the future usefulness to the person receiving the gift, and the spirit out of which the gift is given. Because all these valued elements are manifested in the press club gift, it is a gift of value. Professor Nobility has contributed to the press club a sum of money which will be put to good use. Professor Nobility has put much energy and time into the gift, in that he obtained the money from the department of education, thus his future usefulness is within the gift.

J. O. Nobility, a local business man and brother of the professor, who furnished the money, is also to be congratulated for his part in this notable contribution to our school.

GROUNDEY BASQUET

As yet no plans have been made for a second annual Debaters Banquet. It has been held that it is too late now to have this affair and that the November meeting will do as well. It means that the Grounder basquet will not be honored with tillade that is cer-
tain. Yet the fact that this year has been one of the big events in the life of the school means that this year is certainly a great milestone. The Grounder basquet deserves all the praise we can bestow on them. In falling to honor them at the end of their services Con-
trol will not carry out their usual attitude toward those who give their best for our school. Perhaps some are wrong, and it is not too late to let them know. If someone
will get behind this and start

In response to the suggestion of several weeks ago that pastors, alumni
and students endeavor to enlist new members, there has been a splendid effort. Some of the pastors have talked about it in their sermons and have not only given them general encour-
agement but have put them in touch with the church. Some of the almae have enlisted recruits who will do honor to the college, and many of the students are doing an excellent job. We could not have hoped for better results.

"RAINBOW" IS THEME FOR SENIOR CLASS PAGEANT

The theme of the chapel period, Monday, April 30, and Tuesday, May 1, was the "Rainbow" of Oberammergau, Germany. Dean Virginia Swanson has been active in various campus activities and will edit the Oberammergau page.

The management of the Gospel Team Quartet,--which has been under the direction of Paul M. Hilby since last fall,--will have George H. Weber as a new member. He will be active in various church activities and will edit the Oberammergau page.

A summary of the work done by the three gospel teams this year shows that the Oberammergau pageant under the leadership of Milford and Lawrence alliteration will be presented and sung before approximately 7000 people, while Vera Longyear's three gospel pageants and the Steward pageant visited and sung before approximately 5000 people.

The third group under the guidance of Chris Hustedt has visited fourteen churches with a total attendance of over two thousand.

Each week-end these pages have gone to press for distribution to hold services in the United Brethren churches of Indiana and Illinois.

The "Rainbow" theme was used to good effect on both "4" and "5" at Cincinnati. Those who have taken part in the不管知道, Herman Bider, Walter Hauwaldt, Chris Hustedt, Freda Rider, Margaret S. Cornette, Geraldo M. Harris, Pauline Sharkey, and Margaret Richards have been in a number of different churches without any outside organizations. The work of the Oberammergau theme is one of the most important projects of the local Y. M. C. A. organization.

PERSONALS

Zilka Priscilla Baker, Fay Crocker, Anna Helen Masen, and Marian L. Wood have been active in various church activities.

Mr. and Mrs. Frank Stonecipher were in the Auditorium.

The tree was carried on the first guest performance of the year. Mr. and Mrs. Freda Rider, vocalist, who were in the group, directed the choir and music was arranged by the student music committee. The choir consisted of the junior and senior classes. Miss Swanson and Miss Stonecipher were in attendance.

CENTRAL BACKSTOP

"Don" Marshall

"Don" Marshall, a senior, is an outstanding

member of the Greyhound string squad and has done

good work this season both as catcher and

as the bat. Tuesday, at the game with Butler, he displayed

at both positions, catching nearly all of the

balls that came his way and knocked

two-bagger to score Bright.

CENTRAL SLUGGERS GAIN

VICTORY OVER ROSE POLY

Rose Leads In Fourth, Central Ties In Fifth; Lerry Catches Good Game for Locals.

Central turned back the Rose Poly sluggers, 4-2, last Saturday in the

fourth home tilt of the season. The weather was fair, with the result

that neither team made many errors. The Greyhounds drew first blood

by sending Wilson across on Thompson’s hit. The third baseman, when

smashed into the field, immediately went into the head by securing two runs in the fourth

inning. Central came back strongly in the fifth and tied the score. Then, to

put the game on ice they scored two

more runs in the sixth, never to

be bothered again.

Nevertheless, Central showed the old fighting spirit by retiring Rose Poly in the seventh, with one down and the bases loaded, without a

hit. Lefter pitch a good brand of ball during the seven innings he was at

the mound. "Pete" Bailey, who re

lived him in the remaining two

months, tossed some good ball.

Galb outlets, Rose Poly’s speed ball

spirit, allowed Pettis in the seventh

and was quite effective. Wilson, Rees and Eastridge each gathered

two hits for Central.
