Gym Construction: Work Advances; To be Finished Nov. 1

New Structure Will Be Decided Improvement to Campus

STAHIL IS THE CONTRACTOR

One of the most decided changes in the buildings on the campus is taking place on the gymnasium. Work was begun only last week and is expected to be completed by the first of November. The building is to be enlarged on the south side which will allow the gymnasium to extend to the north wall. There will be lockers and showers for varsity as well as visiting teams and there is also to be rented a Stevenson, and an office for the athletic department. The first floor will measure 60 by 50 feet and will permit two intra-mural games to be played at one time. Bleachers are to be erected.

Large Seating Capacity

Student interest for the games will be available for 1200 spectators which is about double the number that can be seated in the old structure.

Lyman Stahl, who superintended the work on several of the college buildings, is the contractor and is expecting to complete the work by the end of the semester.

Prof. Weimar will head speech dept.

Miss Weimar, on leave of absence, last year returns

Returning from a leave of absence in order to complete a Master of Arts degree in the School of Speech at Northwestern University, Prof. Weimar will head the speech department this year in lieu of the mission of her colleague, Dr. James W. R. Davis, who is Professor of Journalism.

Miss Weimar follows Fred Elmer Marshall who for a number of years was head of the Public Speaking department. Miss Weimar received her B. A. degree from Dickinson College in 1922. For two years she taught at the Carnegie Institute of Technology and Northwestern University. Following this she joined the Indianapolis Public Speaking Company, the largest in the country, and was an active member of the Little Theatre Society of Indiana, and the Northwestern University Dramatic Company. She has given numerous papers at the annual conventions of Indiana, Illinois, and Ohio. She is also one of the organizers and the first director of the People's frye speech club denomi- nation organization. Before being added to the faculty of Indiana Central College, Miss Weimar was Warderington of the Department of Speech and Journalism at Dickinson College, Pennsylvania.

Miss Weimar's return will be a decided gain in the speech department. During the past year, besides doing graduate work in Interpretation and Speech, she has given a special speech and discussion program to the Indiana School of Public Affairs.

Why a Buddy

When you go on an excursius to some place of interest, beauty, or quaintness, you expect to find a guide who will point out the principal points of greatest interest and explain their significance. We do enjoy this and we want to know just how far a fresh man, your "buddy" or "big sister" selected. They are to tell us the history of the places, what is peculiar in them, and principles which the school upholds with the expectation of your cooperation in learning them with you and their new surroundings.

The "buddy" system is only made possible by the fact that close and friendly associations are in the making on the campus. The big mixer or "get acquainted" night, the "buddy" social nights, parties, and especially the faculty parties later on, are all ways in which Miss Weimar and the Y. W. C. A. of our school and have been traditional by virtue of the environment of the Y. W. C. A.

The "buddy" system is also made possible by the fact that we have been students and have been taught the importance of the value of the "buddy" system. The "buddy" is the real "buddy" of the Y. W. C. A. in the recreation committee of the Y. M. C. A. (Continued on Page 3)

REV. STINE BECOMES NEW COLLEGE PASTOR

The Rev. G. L. Stine, formerly pastor of the Crawfordsville United Methodist Church, has been assigned to the University Church in the Indiana Central College by his denominational president. The Rev. Stine is the father of Loren Stine of the college who is in college this year.

The Rev. G. L. Stine is a graduate of Wabash College, and was appointed to the Petroleum, Indiana, charge.

Targert—Do you like field hockey, and the name of your favorite player, William—What other kind?

She—Let's talk hard.

He—Now, let's do something that you can do, too.

CURRENT CALENDAR

Tuesday, September 10
Registration of all students.
Wednesday, September 11
Y. M. C. A. Buddy meeting.

Assistants in Circulation Department

As a freshman or a sophomore doesn't believe them.

Appearances are often deceiving which may mean an embarrassing moment if you mistake a senior for a freshman or worse yet a faculty member.

An increased enrollment means more rooters at our athletic contests.

In case you are accepted, don't buy a chapel seat. It isn't being done this year.

LINES 'O CHAFF

Another year has dribbled around and it will not be amiss to disclose to our new students the purpose and ideals of this column. We endeavor to bring to you the best in the fields of humor, poetry, fiction, and all that is kindred subjects. In short, all the things that go into the building of a full and well rounded life.

This column shall be conducted in a fearless and straight-forward manner. 'Truth must be known... And you shall know it. We have no political alliance. Although we still hold the ancient philosophy that power or glint of gold shall not sway our opinions. We champion the poor, the oppressed. We are at your service.

OUR PLATFORM

Strict enforcement of the Eighteenth Amendment. Larger and more evident numbers on twenty-dollar bills for the convenience of college students.

A quarter-mile running track. Repeat of the Fugitive Slave Laws. Senator Hefflin for President in 1922.

"I hope that I can make a good impression here," muttered the hashish youth as he dropped his arm nonchalantly over the back of the davenport.

ATTENTION, FRESHMEN MEN!

For your benefit we feel duty bound to inform you that the annual Open Moutache Tournement starts that afternoon. In looking into consideration your youth and inexperience, we suggest that you begin now and get off to a good and flying start.

NOTICE!

All members of the Indiana Central Anti-Spinach Society are requested to meet tonight at eight o'clock in the basement of the observatory. Officers will be elected and refreshments will be served.

We have felt moody and depressed for the last few days. Accompanied with dizzy and faint spells. In other words, we feel some poetry coming on. We can only warn you to be on the lookout for it in the next issue.

STUDENTS MAKE TRIP TO GENEVA CONFERENCE

James Wheeler, Donald Carney, Lowell Griffin, and Roger Ash attended the older boy's camp of the International Council of Religious Education in Geneva, Switzerland, October 1st. The annual conference is held at Geneva, Switzerland, the four year term and received the third degree of the order of LaFond. Rosebush was rated as an outstanding leader of the group because of a time in the teachers' training school annually at Indiana Central College. The program began at a meeting of the board of directors and the four day period, until noon. After an hour of deliberations, the new and revised discussion groups were held. An hour of various sports in which all participated were followed by the regular afternoon swimming events. A short free period was held before the evening meal. The evening was spent in the gym. The four complete the trip in a Ford touring car. At four o'clock, according to the report, there were no casualties. On their return, a banquet was held at the Dunes State Park.

PROF. WEIDMAN WILL HEAD SPEECH DEPARTMENT

(Continued from Page 1)

All classes in speech may be enrolled this week by the regular meetings each Wednesday evening, when good, wholesome programmes are planned for your benefit and entertainment. There is a special fee for private lessons.

Courts of Speech: The major course area: Fundamentals of Speech, 3 hours; Oral Expression, 3 hours; Forms of Public Address, 3 hours; Dramatics, 3 hours; during the year; Rhetorical, hours arranged. Private Lessons.

WHY A BUDDER?

C. A. (Continued from Page 1)

But of the greatest importance are the regular meetings each Wednesday evening, when good, wholesome programmes are planned for your benefit and entertainment. Those who do not take you, ask them to see and if your time isn't well spent.

And another group of organizations, with which we are particularly familiar are the literary societies. There are two of them, Thesaeolion and Philo-beta iota. Those are the literary societies. For the men are organized into groups during their sessions is really profitable, and the productions of important speeches are correlated and enjoyed by all who are interested in literary activities. The sessions are called every Sunday evening in the respective halls and you surely will want to visit them, at least.

BRIGHT PROSPECTS AHEAD FOR 1932 HIGH GRETS

(Continued from Page 1)

We are still striving to improve our reputation and to do all we can to make the college a more attractive and desirable place to live in. But also, to do all we can to make the college a more attractive and desirable place to live in.

LAUGH A LITTLE

Margaret: (Assisting, in cleaning the room) "Shall I have a little rug and beat it?"—"Livy: "That's no rug, that's my 'sammich."" "Why South boy send me his picture? Walkman: "How do you look?"—"Dao: Don't you know that it is only proprietor."
**Alumni Notes**

*Class of 1929*

Paul Bailey has accepted a position with the Big Four Railroad Company and will play baseball and basketball during their respective seasons.

Clifford Robinson is setting an account at Indiana Central College.

Arthur Bright is teaching biology and algebra in the Aurora High School.

Donald Carsey is instructor in history and political science at Indiana Central and will start work on his master's degree through an Indiana University Extension course.

Omer Fishbein is teaching in Ohio. Eliaus Everson is teaching music at North Salem.

Margaret Hovey is engaged in office work in East Altamont.

Kenneth Hembert is teaching music at the Sheridan High School.

Earl Lemme is teaching biology in the Woonsocket Biological Station.

Oliver Hove is teaching physics and mathematics in the Aurora High School.

John Thompson is serving as student field secretary for the college.

Bessie Dillard is teaching in Marion.

Herschel Scholl is expecting to attend the University of Illinois this fall.

LaVerne Thompson is teaching music in the Wauhaha High School.

Herschel Adams, '27, is teaching at Knightstown.

Holli Adams, '26, is principal of Knightstown High School.

Paul Arbogast, '25, is teaching. of biology in the Junior High School at Bloomington, Ind.

Harvey D. Scudder, a graduate of the University of Illinois.

Gladys Hawthorne is expecting to leave shortly for Burka, Russia with her husband who is employed by an oil company.

Indiana University students during the summer term were: Mr. and Mrs. Howard Patten, Mr. and Mrs. Elmer McCoon, Mr. and Mrs. Leon E. Long, J. C. Smalley, Gus Valentine, Edgar Tuttle, Richard Hunter, Ralph Hiltz, Edie Ponce, Howard Hite, and Blanche Penrod.

Bertrand Hawthorn attended Central Normal School at Danville this summer.

Ralph Hiltz, '24, spent the summer at the Willamette Business College.

Herman Spiehl and Edie Ponce made a trip to the Osark Mountains getting supplies for Indiana University.

D. C. Smith formerly pastor of the Evansville United Brethren Church, was named Superintendent of Indiana Conference.

C. F. Martin, '25, was made pastor of the Bermont U. B. Church in Indiana.

Anna Helen Mosen is acting as field secretary for the Goodwill Mission board of Dayton, Ohio.

Esther Parker, '26, is teaching in the Big Four School. W. H. Cune, '19, is teaching in the Aurora High School.

Lea Smock, '24, is assistant in the evening department of State Normal at Terre Haute.

Howard Ulsh is working in the U. S. weather bureau at Grand Rapids, Michigan.

Gus Valentine is principal of the Kau High School.

**Buddy Meeting to Be Held Tomorrow Night**

The annual "Buddy" Y. M. C. A. meeting will be held, weather permitting, on the campus Wednesday evening at 6:15 o'clock. This is the first meeting of the Y. M. C. A. for the school year. Every "Buddy" Club is bringing his "Little Buddy" to the meeting. Refreshments will be served and an interesting program has been arranged by Ralph Hiltz, chairman of the "Y" program committee.

**Music Dept. Gets New Practice Rooms**

The music department has several improvements on the campus, the most important change being the addition of four new practice rooms and one new recitation room in the music department. The art class will also be seen in better quarters, the new room being the same size as the music studio.

The usual cleaning processes have taken place in the dormitories, several students having returned early from their vacation to complete them. The campus in front of New Hall has been included in this improvement program.

**Jokes**

The Scrotum who offended a pupil to the first person to swim the Atlantic has recently announced that the winner must swim the distance under water.

Lois: If you didn't swim me on the clock, which one would you choose?

Bill: I'll hedge, a long time between them.

We understand that "Osage" Brandon, better known as "Brandy," was caught in the post office the past week trying to sell the postmaster some advertising.

Prof: Nobody ever had a sentence without a predicate.

Student: I have.

Prof.: What's it?

Student: Thirty days.

*How do you get so many girls?*

"Oh, I just sparkles a little gasoline on my handicar.

Our latest song is entitled, "If the Moon Had a Baby, Would the Sky Sneeze?"

**Night Classes**

The institution of night courses in speech and journalism is the result of the demand for evening instruction among school-teachers, business men and women, and other interested persons for evening instruction in those courses.

The class in euthanasia, valuable to maid workers, those interested in pageantry, and in the development of personal grace and poise, will likely meet on Tuesday and Thursday afternoons at four o'clock.

Play Production, 2 credit hrs. throughout the year, for leaders of school, community and church entertainments and dramatics, will meet Tuesday evening from seven to eight-forty.

A class in oral expression, 2 credit hrs., scheduled for Thursday evening from seven to eight-forty.

Mr. McElroy will teach new reporting, 2 credit hrs., from seven to eight-forty, Monday evening and editing, 2 credit hrs., seven to eight-forty, Thursday evening.

CORNETT TO MANAGE FOOTBALL THIS YEAR

Lamm Elected Junior Manager; Opportunity for Several Freshmen Managers to Gain Place

Ernest Cornet, from Elkhart, has been elected senior football manager for the coming season. "Ernie" has been an alert worker in his three years of preparation for the important post, having worked under such men as coaches "Gene" and "Vance" Scholl.

Myron K. Laman from Danville, Ill., has also been selected as a junior manager. Laman has had considerable experience, having had charge of intramural basketball for the past two years and also football and baseball.

The duties of the managers will be double this fall as there is much new equipment to take charge of and more men to care for and to keep in condition. Therefore, it is very necessary that there be several freshmen managers to assist in this work. All freshmen wishing to try out for managers should see either Coach Good or the senior manager, Mr. Cornet, as soon as possible.

FOOTBALL SCHEDULE 1929
Sept. 25—Ball Teachers College at Muncie.
Oct. 5—Franklin at Washington Park.
Oct. 12—Open.
Oct. 19—Evansville here (Homecoming).
Nov. 2—Earlham at Richmond.
Nov. 9—Valparaiso at Washington Park.
Nov. 16—Manchester—There.
Nov. 23—Oakland City—There.

Sold the sugar to the sack: "You hold me nicely." Replied the sack: "I think you've sweet." Form Ad—College man wanted to milk and drive a Ford car.

JOHN W. GEORGE
SAYS
A Heartly Welcome to Everyone and Best Wishes for a Great Year

SPORT-I-TEMS
"It's rumored that our own Oscar Smith has been taken on the advisories this summer...let's hope it doesn't slow him down any...eh what?" These redheaded Illinois football players seem to be universal in their method of training, for none other than "Red" Jones has been reported as serving the Bloomington housewives with ice during the summer vacation.

Central sequel to a great advantage this year at Washington Park. Ernest still remembers what happened there last fall.

We are assured of at least one more football this year—"Jimmie" Rider has been keeping in shape by working in the steel mills at Gary.

Lucy seems to be with us thus far—the rules are beginning to soften the old gridiron.

Just think what agony it's going to be, fellow, to sit in "ball" and hear the old pigskin being thumped...lucky not to have any laboratories, isn't it?

Prof. "What quotation marks on your paper?"
Student: "Because the man on my right, sir."

NORBOROUGH'S OPEN GRID SEASON WITH MUNCIE SEP. 25
(Continued from Page 1) certainly this season. Graduation deals a severe blow to the strength of the line and that is the place that Coach Good is expecting to put some of the incoming freshman material.

Bright, Eastside, Pawley and Smith were the four varsity lettermen last year, but graduation, through four other members of last year’s team left school. Coach Reese will hold down a guard position again this year and Dave Vance is expected to be named one of the tackles. Fields and Harold Smith will probably also be in the line while Herman Rider who has been working in the steel mills all summer, will get one of the end positions.

In the backfield, Oscar Smith, second highest scorer in the state last year, should easily win a place at halfback and Raymond Bemis will probably call signals again. Boss and Cooper were not regulars last year but they stand a good chance to fill the official positions that are vacant. Glassburn, Inman, Settleman, Settleman, Settleman, Settleman.

Notice to Athletes!
Football practices will get under way this afternoon. All candidates for athletic room in basement of Mon's Hall where equipment will be leased. Freshmen will also please take note.

-1nrt year’s team left two backfield positions, that are probably called signals again.

The first football game is September 26 and that we have only two weeks to put in shape...Dave Vance, Oscar Smith and Jack Turner were named in the list of leading players in the United States for 1028...All the home games except the Homecoming game are to be played at Washington Park...Only four letter men are left out of last year’s football squad...The new addition on the "gym" will speed up intramural ball by playing two games at once...A large amount of new equipment has been procured for the coming season...Indiana Central ranks third in the state in football last fall...Six years ago football was inaugurated here. This season will mark the first appearance of a Franklin eleven on Central’s field.

Swan and Watson are also returning to the squad.
The squad has slightly more than two weeks to prepare for the Munroe game. Last year the Greyhounds fought the Cardinal team to a 6 to 6 deadheat with Cardinal out of Central’s touchdowns after a fifty-six yard run.
The girl who thinks no man is good enough for her is sometimes right, but she is more often left.

Said the dance to the buckler With a smile and a shake What a whale of a difference, A few "cents" make.

"Say, Coach, you going to give any prizes at the game?" Yes, there will be a few forward passes.

That was several years ago, but I will gladly cash checks, sell stamps, help you secure anything you want and Watson are also returning.
