VICTOR BOGLE

BAND WILL APPEAR IN CHAPEL OCT. 27

Elise Officers with Eugene Mogle, Director—Many Freshmen Members This Year

Indiana Central College band has begun its fourth year under the direction of Eugene Mogle, with a membership of approximately 35. According to Mr. Mogle, this year's organization is a better balanced group than any of previous years. The first appearance of the band will be in a chapel program October 27.

New officers have been elected for this year, and are as follows: President, Roger Schrader; vice president, Wesley Petlik; historian, Max Oster; assistant, John Mayhew; booster club members, John Rider and Donald Funk.

PHILALETHIAN LITERARY SOCIETY, THE WOMEN'S GLEE CLUB AND SIGMA ALPHAN NUSIE ARTS CLUB, TAKEN CHARGE OF THE HEADQUARTERS, ALLISON PLANT NO. 20, AT THE UNIVERSITY OF INDIANA, IN SOUTH BEND, INDIA."

MRS. ELECTION TO HEAD SENIOR CLASS

Adams Elected to Head Senior Class

JUNIORS ACCEPT WAR CONDITIONS; ELECT CO-ED

U.S. ARMY LEFT CAMPUS YESTERDAY

Central Point of This Service to Our Country

JUNIORS ACCEPT WAR CONDITIONS; ELECT CO-ED

Gordon Adams of Schuyler, Wis., Marion Challe of North Vernon and William Nadeau of Liberty have been elected president of the junior, sophomore and freshman classes, respectively. Adams is a member of the Philatelic Literary Society, the Women's Club and the Sigma Alpha Mu Music Arts Club.

Instructed in Flintridge,

Doddick is a member of the Zeta-theta Literary Society and of the Greyhound baseball team.

The new officers are as follows:

Juniors: Max Carney of Longport, vice president; William Payne of Jay County, secretary; William Jones, treasurer; Mary Elyta of Peru, junior class pres.; Robert Lysaght, member of the Booster Club.

The freshmen are to elect their class officers in the near future.

CHORUS SELECTS MEMBERS

Four Upperclassmen and Five Freshmen Admitted

In spite of the serious loss sustained to the music department by the intake of military service, the Male Chorus has installed upon a new grow with an increased instead of a decreased personnel.

Eighteen members will constitute the active membership as compared to sixteen in 1941-42. It is expected that this arrangement will make for better balance in the group.

Mr. Mogle, director of the chorus, stated that his first period at first was anything but bright. Only nine members were present as of last year, and the first meeting after the New Year period showed that vocal training had yielded some of those who were not quite up to the standard expected.

Robert Foreman, Decatur; Freedman Allen, Washington; John Chapman, Rochester; Robert Shee, Plainfield; Ben Hamke, Frederick-viller Kendall Burn, Huntington.

New World Globe Map in Geography Department

PROF. DAVIS SAYS IT WILL HELP

Professor Davis has announced the arrival of a new globe map of the world in the new geography classroom. For several years the only true map of the world in the geography department was a small globe six inches in diameter.

The new globe is made of metal, being set in a metal case with wheels and it stands on a metal pedestal which may be adjusted to the height of the viewer.

Professor Davis said that this new globe will be very helpful to all students of geography, and that it will be a very valuable asset to the geography department.
At home is the place to start when we talk of combined effort and cooperation. Students at Central have all had enough to say about the faults of the political machinery of the nation. Central has had enough to say about it in all its forms. It is not the fault of the political machinery of the nation, it is the fault of the individual. It is the fault of the individual that the political machinery of the nation is in such a state. It is the fault of the individual that the political machinery of the nation is in such a state.

The victory campaign is proceeding most encouragingly. When these words were written, we knew that the number of pledges would exceed $300,000. We expect to reach $400,000 by Christmas and $500,000 in pledges by commencement. Our work during the first three weeks in October will be in Wisconsin and Minnesota, and then we will go to the Joseph Conference. The most difficult feature of this campaign is the securing of a sufficient number of men to make private solicitations for these pledges.

So much has been said in the Reflector, and in letters to individuals, alumni, and others that the campaign is quite generally understood. It is encouraging that alumni and friends are sending checks and war-stamps to the college to apply on the Victory Bond. Recently, one of the alumni sent $250 without solicitation. We have heard that he read about it in the Reflector. We are hoping that every alumni and friend of the college, who will not wait for a solicitation, will send as large a contribution as possible, either by check or in government stamps, within the next 30 or 60 days. Our total amount should be built up to $500,000 at the earliest possible date and every friend of the college should have a reasonable share in bringing the college to the recognition that it should have.

We are proud of our boys who are out in the camps and in the ranks as soldiers doing their bit for the country. We are honored that we can help the government in the purchase of stamps and for the larger service of the college will be small in comparison with the sacrifice that they are making. The time has come for every friend of the college to do his best.

MOVIE PRESENTED

"Pride of Columbia" was the title of the interesting picture shown in the chapel on October 9. The picture dealt with the growth, harvest and preparation of the coffee bean of Colombia in South America. The show was sponsored by the Atlantic and Pacific Tea Company.

MELODY CORNER

Student! A new musical organization will soon make its first appearance on the campus of Butler University. The Indianapolis Symphony Orchestra, formerly the benevolent society of college students and augmented by the new organ, is now requiring the attention of all school officials and students. The Indiana State College, a large organization of college students, has established a new orchestra, the Butler University Militant Orchestra. The orchestra is composed of students from all the schools in the state, and is under the direction of Dr. Leonard Stoneburner.

LOCAL MINISTERS

SPEAK IN CHAPEL

Two Indianapolis ministers visited Butler University last week and spoke in chapel. Rev. L. A. Huddleston of Calvary Church in Indianapolis spoke on Tuesday, October 6, and Rev. F. G. Siemore spoke on Thursday, October 9.

The Rev. Mr. Huddleston is an element of this institution, a member of the class of 1916.

The Rev. Mr. Siemore is working as a mission in the state of Kansas. He is a student of Butler University this year.

SKETCHES

From the Art Department

Indian Summer! Yes, these beautiful Indian Summer days have been very fitting for the arts. The brilliant colors and the beautiful landscapes have given each student a chance to draw nature as he sees it. Many of our paintings have been shown and in the past few days, we are hoping for more. The students are looking forward to the coming of exhibits this winter. They will be announced in the next issue.

We want to ask you again for the things that have no value to you. These things are objects that you would like to discard. Bring them up to Mrs. Hower on the third floor.

THE REFLECTOR

FROSTY WIN-Turn-CLASS

TOWNSHIP

Sophomores Defeated in Finals

The annual interclass football tournament was won by the freshmen this year.

In the first set of games, the freshmen easily whipped the senior boys by a large margin. Carrying on a similar slaughter, the freshmen defeated the junior boys. The final game was won by the freshmen over the sophomores with the score of 31-0. The freshmen scored three times in the first three innings, and then went on the offensive and put the game away with scoring one run on each side, as the game ended 4-0 in favor of the freshmen.

CANCELES MEETINGS

During the revulsion of the last two years at the Universities Heights University church, the church literature of the Philomathes, Philanthropes, Zetaphil, and Theselus, cancelled their meetings in order to devote their energies to the work of the society.

CHORUS MEMBERS

[Continued From Page 1]

to fit themselves for participation in the work of the nation. There are considerable amount of material, improved the prospects for a capable chorus. Applicants for membership are expected to submit a plan of study, in full agreement with the director. Men are judged on the basis of personal merit, personality, and general character.

transferred to the basement, where the students sang, and Frederic Yoder, bass. Veteran members in the group are: Carroll H. Worthington, tenor; Harry L. Dulaney, tenor; and Quartet Kinney, second tenor; Robert J. Stulli and John S. Haver, bass; and Frederic Yoder, bass. Veteran members in the group are: Carroll H. Worthington, tenor; Harry L. Dulaney, tenor; and Quartet Kinney, second tenor; Robert J. Stulli and John S. Haver, bass; and Frederic Yoder, bass.

Offors the coming year are: John P. Moore, president; Charles C. Cadenhead, secretary-treasurer, and Gene Moore, librarian. For obvious reasons, the activities of the chorus will be limited to Indianapolis, and plans are being made for more chapel appearances this year.

Men in Armed Forces

Appreciate Reflector

Many letters of appreciation have been received from men in the service thanking us for sending them the Reflector. This is a service which we are giving all the alumni and former students now in the armed forces. The Reflector staff is very grateful for this service through the cooperation of Dr. Stoneburner's office.

Here is a typical letter from one of our men in the service. It is from Mr. Robert M. Stoneburner of Indianapolis, Indiana. He writes to his father, Dr. Stoneburner, the class of 1916. Here is his letter:

Dear Dad—I received the Reflector this week and enjoyed reading it. Every word has been read and I am of extreme interest to me. I find that the Reflector has been collected in reading over the annual fall activities. Thanks a lot for sending it. I hope you'll try and send me a copy of each edition as news of Central means so much after three years of fellowship and good times there.

The thing of most interest, I believe, was the list of members of the class of '42 and what has become of some of them. I believe that a lot of the boys in the service and the others so we could write some of them.

I hope the class of '42 comes through this thing alright and that they will. They're the best class that ever bit Central. Right?

I'm sure glad to know you are so far and that my school helps consider-ably. I'm going to be working in the fishing business during the after-noon training, which may be three or nine months. I hope to make application for officer's training later and to have the opportunity arise. If you suppose I regret this is your last year at Central. I wish I was back, but Uncle Sam comes first, I suppose. I must close now. Tell everyone I said hello and to write.

Your friend,

Mike

S. C. A.

Under the direction of Mr. George D. Morgan, the S. C. A. will meet in the church auditorium on September 25.

The next two midweek meetings will be devoted to the preparation of therevival.

Hope, of course, was the popular song. She spoke concerning the advantages of Indiana Central.

Hester, Kathryn, Judy, and Doris Petry rendered a number in unison.

Rev. C. A. McPherson, pastor of the North Methodist Church, will speak in the regular association meeting on October 21 at 7 o'clock.

BAND WILL APPEAR

[Continued From Page 1]

So, will the bunch move their address to the barber at Indiana Central College, Indianapolis?

[PHOTO—The bunch collected.]

HONORS DAY

[Continued From Page 1]

A feature of the spring activities at Central College was the annual Honor Day, in honor of those who have been so successful in their studies that they have been announced by the alumni committee of the faculty.

Our Alumni

By Bruce Harkness

John Chamber, class of 1937, sends word of the fact that he was born on last June 23. Mr. Chamber received his B.A. degree at Boston University last year and is now pursuing a law degree at Harvard, in the city of Boston.

Mrs. Temple, class of 1931, is working on a master's degree in English and Latin at Butler University.

Beulah Loumore Smith is music supervisor in the city schools of Galveston, Texas. She was born in the town of Galveston during the years of 1930 and 1931.

Mr. and Mrs. Mrinal Trudell and infant son are now living at 1224 Willow Street, Indianapolis. Mr. Trudell was a member of the class of '41 and Mrs. Trudell is an instructor in the music department.

Mr. and Mrs. Mark Bradford have announced the birth of a son born last week. Mark was a member of the class of 1910. Mrs. Bradford was the former Mabel Miller of the city of Indianapolis.

Last Sunday a baby girl was born to Mrs. Robert G. Southport, Ind. Mrs. Southport is an alumnus of the class of 1941.

Arrden Grabhorn, class of '42, is in the all-American football team. Mrs. Dorothy (Honne) Oram- hool, also of the class of '42, is teaching in the local post-township schools at Medaville.

Faculty Activities

Miss Mary Hower, head of the home economics department, is instructor in the Home Economics Department at the University Heights community. The classes, a part of the civil service defense, will meet Monday and Wednesday at 7 a.m., and Tuesday and Wednesday at 7 a.m.

Professor S. M. McClure of the chemistry department attended the October meeting of the Indiana section of the American Chemical Society, held on the campus of Purdue College. He was the guest of Dr. James H. Sample, former head of the chemistry department here, Dr. Sample in his absence being acting chairman of the organization.

Professor W. E. Stoneburner, dean of men, and Professor R. D. Davis of the education department attended a meeting of the State Republican committee on October 8, in regard to matters relating to the teacher's bill in the legislature.

Dr. W. P. Morgan, head of the biology department, will go to Smith Field on Saturday, October 29, to attend the fall meeting of the Indiana Academy of Sciences, which will be held on that day. Mr. Morgan will be the eighth president of the organization.

Professor S. M. McClure of the chemistry department also will attend the meeting.

Notice, Readers!

In the Reflector filling its place as a part of Indiana Central College of the University Heights community, we are a constructive critic and news medium for its students and alumni. We believe that every college student has a right to know what is going on in his college and how it affects him. If you have your copy of the Reflector, let it help you to do a better job of finding the news more timely and personal for you. That's your job, too. We believe that your college is your home, and we want to help you to keep it that way.
Facts about Navy V-I at Indiana Central

Q. If a man enrolls in V-I, falls in his competitive examination and enters the navy as an enlisted man, would he have an opportunity to obtain a commission as an officer? A. Yes. "Following preliminary training at the Command School, the enlisted man will be given the opportunity to obtain petty officer's rating. After he is petty officer 1st class, he can be recommended for officer's training school. In that event he may obtain his commission before going to college.

Q. Will the same V-I enlistment quota, of 80,000 freshmen and sophomore men, be maintained? A. Yes. The navy currently plans to accept 80,000 V-I enlistments annually.

Q. What is the Navy's advice for a student who has not decided on a study medicine? A. Any freshman or sophomore preparing to enter medical school, who wants to go into the navy medical corps, should enroll in V-I. If he is admitted to medical school he will automatically go into a special medical training program and receive the medical corps officers and will continue with his studies until he has been given his medical degree.

From a Sailor

Elsewhere in the paper is a letter from one of the men in service, a sailor who has been in the Navy for some time, we thought many of you would be interested in hearing from a man in the navy also. Here is a letter received from Harry Stoneburner, ex-member of the class of 1941.

Just a line to thank you for sending me the Reflector. I think I enjoyed it more than I ever had before. Sincerely, I was back at Central now. After all the things I said against it, I've found out it's a pretty good paper. There are things I'm finding now is a touch rough, but aside from that there isn't any such thing as a passing grade of "C"; it's a "A" or you keep telling me what I'm not doing right; but Central College is a breeze to this. And I'm having a tough time on the ground school part. The flying is simple for me. I start noon and night flying this week. Fray will move to Corpus next day, and the day after he gets a letter from Sparks. He is stationed at Rhode Island.

We have night classes also, so our only spare time is from 9:00 to 9:30. I write all my letters then and always check. Well, that's all on this. I don't know when we'll get to 9:30. Some of Miss Cran-...
