Carlos Engle, Outmustered, Tells Chapel of Sea Battle

Carlos Engle, quartermuster first class in the navy, son of Mr. and Mrs. Forry Engle of 406 Willow street in the sun, will talk to the student body in chapels January 18 of his first-hand knowledge of the sea battles in which he had a part.

Many reports are given these days of the war and its importance. Nothing brought home the personal aspect of the war more graphically than the talk given by Mr. Engle.

Carlos told the story of a ship carrying over 5,000 men, 500 of whom were killed in the battle. Engle was a member of the signal corps and was ordered to control the ship's communications.

On orders to return to the port, the ship came under heavy fire, and the veteran signalman was killed. Engle returned to service, and in the following month was transferred to another ship. On Christmas day, Engle was attacked by a German submarine, and he remained in hospital for several days. He was later transferred to another ship, and it was then that he was injured.

Past Or Society Conference Held January 25-26

Past Or Society conference will be held January 25-26 in the dormitories. These speakers will be presented by the college with the aid of the religion, faith and cousinship of the Je+h faith, Rabbi David Shnpiro. This means that in addition to the usual Jewish organizations, there will be added the Student Christian Association. The speakers will be building to the Monday meetings of the Student Christian Association. The series in these meetings of the Student Christian Association will be built to the next seven meetings of the Student Christian Association. The series in these meetings of the Student Christian Association will be built to the next seven meetings of the Student Christian Association.

New Students Enroll

Central welcomes nine new students who started life at college the second semester, January 19, 1944. Elsie Sullivan from Haydren, Ind., has been the new girl in the class since September. She is the only new girl in the class since September. She is the only new girl in the class since September. She is the only new girl in the class since September.

Looking for New Books

Approximately five hundred books have been added to the Indiana Central College Library since the beginning of the first semester. This new addition brings the total of books in the library to about 14,769.

This year, as in the past, a special attempt has been made to raise the library to the North Central Association standard. For this reason the new books have been selected from the recommended list of the Association. The new books number over 600, or about 60 percent of the total of 1,012 recommended books.

Books have been added for the various departments of the college. The acquisitions in the art, education, chemistry, geology and English departments are especially large.

Some of the books added thus far, which should be of special interest to the students are attractive titles on domestic architecture, interior decoration, commercial art, music, music education, newbery awards in children's books, a few recent fiction titles, including "Mrs. Miniver," and "A. J. Cronin's "Keys to the Kingdom."

Cubology Made a Lab Course

The course, Introduction to Philosophy, will be taught by Prof. Roy V. Davis of the education department. Professor Davis occupies the difficult position of successor to the late Dr. A. C. Carri. In this field.

Dr. Richard W. Allen, formerly of Vienna, Austria, and now instructor in German and French in the college, will have charge of the class in human geography. This subject was previously covered by Prof. J. B. Johnson.

With reference to the classes in general, Professor McClure, head of the chemistry and physics department and instructor in geology, reports: "Laboratory work in this course is being restricted this year to a few upperclass students. With increased facilities, both in materials and equipment, we expect to include laboratory and field work regularly in the course, so that it will be acceptable for the requirement of a semester of a laboratory science."

Tea Time Play

"First Margaret"

The one-set historical play, "The First Margaret," was given in the Philippine Memorial Auditorium on January 19, 1944, by the Alpha Psi Omega chapter of the Phi Kappa Sigma. The production was directed by Professor Ralph E. Sears, and the cast included students from the college and its military branch. The play was presented in cooperation with the Philippine government and the University of the Philippines.

The play tells the story of Margaret Hunt, the first American woman to serve as a nurse in the American military during World War II. Margaret Hunt was a nurse at the Battle of Manila Bay in 1898 and later became a member of the American Red Cross in the Philippines.

To the New Semester

Last semester certainly wore wings. It spread by so rapidly that we didn't have time to do all those things that we had so carefully planned, but the new semester with its air of mystery and suspense is before us. What will make it of us?

A few fresh faces have appeared to lighten the halls of I. C. C., but their light will have to be very bright to lighten the dark corners left by those who were here last semester and who for one reason or another have failed to return.

Each student leaves his mark which can never be erased. In our new classes and with our newly found friends we have an opportunity to leave our mark. This semester will be what we want it to be.

We, as Central are feeling the grim shad. of the war. The fellows are uncertain, knowing not how to plan for each new week as time flies.

The brute and boisterous forte of violent men, the United States has contributed to the scrap drive. Newman could use it for carrying out the trash.

For several months the campaign force has given almost its entire effort in St. Joseph Conference. We congratulated him on his election to this high office, and we can be assured that the influence of his fine Christian character will go out in wider circles than just the courthouse. We appreciated the fine things he said about his training at Indiana Central and the expression of his appreciation for this training in the pledge of $500,000 which he made on the Victory Campaign.

In a letter just received from a good friend in Indiana Conference is the following statement: "I am enclosing $150 which is the rest of my Victory Fund pledge. I think it is well to send this since I have it now. If the boys and girls in Indiana Central College receive as much good from this as I have gotten from giving it, we will be all right!" We have been saying all along the line that the people who give this $500,000 will receive spiritual benefits that are worth the sacrifices.
News of Service Men

(The following is a list of the graduates of the music department of Indiana Central College, who are now on active duty.

If you have a friend or relative serving in the armed forces, who is a graduate of Indiana Central College and whose name does not appear here, we should be pleased to publish it in our next Honor Roll if you will furnish us their name and address.

Earl K. Akkad, John Andrus, Ben Apelgoete.

Central Drops Second To Manchester

Manchester handed Central's Grayhound hopes a setback when it defeated the Spartans, 49-35, at the old Central gym, Saturday afternoon, January 21. The win was Central's second in the season and left the Grayhounds with a 4-7 record. Final score for the Central team was 35-24. The contest was hotly contested and the Grayhounds held their own for the first half of the game. However, Manchester took control in the second half and pulled away to win by 15 points. The win was a build-up for the Grayhounds, who will face a tough challenge in the upcoming conference games. Central's next game will be against Madison High School on January 26. The game will be held at Central's home court. The Grayhounds are looking forward to the game and are preparing to give their best effort.

Grayhounds to Tackde Cardinals—Crowe, Howe, Saylor

The Grayhounds of Central High School defeated the Cardinals of Madison High School, 64-57, on the old Central gym floor, Friday afternoon, January 20. The win was Central's third in the season and left the Grayhounds with a 4-6 record. Final score for the Central team was 64-57. The game was a close one, with the Grayhounds leading by only two points at halftime. However, Central took control in the second half and pulled away to win by 9 points. The win was a build-up for the Grayhounds, who will face a tough challenge in the upcoming conference games. Central's next game will be against Madison High School on January 26. The game will be held at Central's home court. The Grayhounds are looking forward to the game and are preparing to give their best effort.

Defeat Greyhounds

The Greyhounds of Central High School defeated the Cardinals of Madison High School, 57-49, on the old Central gym floor, Saturday afternoon, January 21. The win was Central's fourth in the season and left the Greyhounds with a 4-5 record. Final score for the Central team was 57-49. The game was a close one, with the Greyhounds leading by only two points at halftime. However, Central took control in the second half and pulled away to win by 9 points. The win was a build-up for the Greyhounds, who will face a tough challenge in the upcoming conference games. Central's next game will be against Madison High School on January 26. PERU SINKS CENTRAL

Navy Men Avenge Early Defect

The Peru Naval Base sent its quintet out to avenge an earlier defeat by Indiana Central and succeeded to the score of 48 to 39. Central never was in the ball game, played at Peru January 10, and after a quarter's lead the Navy boys amassed a total of 25 points during the initial half while holding the Greys to 11. Crowes and Saylor covered the Central threat in the second period but the losses were not enough to hold their own and the Peru boys maintained their 15-point advantage. This defeat was the second in a row of two straight games for Indiana Central. The loss brings the Greys' record to 4-7 for the season. The game was played in front of a large crowd, who enjoyed the exciting action. The contest was a close one, with the Greys leading by only two points at halftime. However, Peru took control in the second half and pulled away to win by 9 points. The loss was a disappointment for the Greys, who will face a tough challenge in the upcoming conference games. Peru's next game will be against Madison High School on January 26. The game will be held at Peru's home court. The Greys are looking forward to the game and are preparing to give their best effort.

Grayhounds

The Central High School Grayhounds defeated the Madison High School Cardinals, 57-49, in a game played at Central's home court, Saturday afternoon, January 20. The win was Central's fourth in the season and left the Grayhounds with a 4-6 record. Final score for the Central team was 57-49. The game was a close one, with the Grayhounds leading by only two points at halftime. However, Central took control in the second half and pulled away to win by 9 points. The win was a build-up for the Grayhounds, who will face a tough challenge in the upcoming conference games. Central's next game will be against Madison High School on January 26. The game will be held at Central's home court. The Grayhounds are looking forward to the game and are preparing to give their best effort.

BASKETBALL SCHEDULE

Central back on Victory Trail

Central's Greys bounced back into the win column at the expense of the Indianapolis Illinois College on January 29 in a game played at the uptown court. Exhibiting a hard-earned attack in which four players contributed to the effort, Central early led and held it to the final winning 71 to 40. This triumph was the second of the season over Huntington and the fifth of the season for the Greys. The winning for the winners was evenly divided among Howe, Crowe, Saylor and Wollen, each gaining an even dozen markers. Howe, sharpshooter and Grayhounds' ace, shot 23 points on 17 field goals and a single free toss to Grayhound point-making with eight points on five goals and a single free toss. Howe. Crowe and Saylor, each gaining an even dozen markers. Howe, sharpshooter and Grayhounds' ace, shot 23 points on 17 field goals and a single free toss to Grayhound point-making with eight points on five goals and a single free toss.
