“DEEP ARE THE ROOTS” DEC. 5 AND 6

Greyhounds Capture First Conference Crown

by Loren Noblit

Indiana Central College clinched the newly-formed Honorer College conference title last Saturday night by an easy victory. The meet was held in the college’s own stadium.

It was just one year ago that the Greyhounds made the long trip to the river banks at Madison to upset the then unbeaten Panthers 6-0.

Central popped the lid off 1947 College football season on September 25, when they lowered the boom on Castleton, 28-6. The Greyhounds were dominant throughout the entire game and cut loose with two fast-breaking opening plays off tackle, and some very dangerous passing that made the visiting Ponies green with envy over how the power was.

The three new players who broke into the starting line-up were Clark, Dill, and Hanson. It was in the opening game that everyone saw that the Greyhounds were two and three deep for most positions.

The boys in Cardinal and Grey handed Franklin three touchdowns in a row on a silver platter.

Rev. Mays Conducts Revival Services

Rev. Thomas S. Mays of Her-
shay, Pa., pastor of the E. U. B. Church in that city, is conducting a week of revival services in the College Church. Rev. Mays opened the revival with the morning service on Sunday, November 9,

and will close the campaign with two services on November 16.

Assisting Rev. Mays is Mr. J. Allen Stack, National Youth Di-
rector of E. U. B., and who is available on the campus to counsel those who are seeking spiritual, vocational, or social guidance.

Prof. Schriner leads the song service, and the music department provides special music for each service.

On Wednesday night, November 12th, each dormitory should be well represented, for it will be "Dorm Night." Daily prayer meetings are held each morning at 6:30 in the church and informal discussion group meetings in the evenings with designated leaders in charge.

For those interested in doing personal work on the campus at all times, special study groups will be conducted.

“C” Association Holds Initiation

Members of the “C” Associa-
tion held the customary initiation for new members Tuesday morning, October 21, at the unheard of hour of 4 a.m. The initiation, traditional of I.O.O.F. "C" members, is a dead secret known only to the members. All that is known is that several of the new members sat down with difficulty all day long.

The new members are Harvey Nolan, Frank Kattau, Bill Mc-
Grath, Louis Sommers, Jim Blev-
ns, Robert Cummings, Robert Pippen and George Grasshop.

Freshmen Where Are Your Beanies?

Green beanies will remain the most popular freshman fashion until Thanksgiving, predict the fashion experts—the sophomores' tug of war team.

On October 10, the traditional tug O' War between the fres-

hmen and sophomores was held at Langere Creek. This affair de-
cided the period of time the green beanies will be worn by the freshmen. The winning team was determined by pulling the freshman team in less than three minutes. The contest was under the direc-
tion of the athletic department. A coin was flipped to decide the position of the teams. The sopho-
mores pulled from the north side of the creek and the freshmen, the south side.

Alpha Psi Omega To Present Play

Alpha Psi Omega Campus dramatic fraternity will present "Deep Are the Roots" by Arnaud d’Usseur and James Cow Friday, Dec. 5 and Saturday, Dec. 6 at 8:00 in Reher Lom Memorial Auditorium.

The play directed by Lester Schliemann, of the speech depart-
ment, deals with the problems confronting the negro war hero when he returns to a small southern

town.

The play is concerned with three principle members of the household of Senator Langdon, his oldest daughter, Alice, a southern woman with social, vocational or social guidance.

and the music department.

Prof. Schkmer leads the music department.

Oral, vocational or social guidance.

and the music department.

THE STUDENT COUNCIL

The work of the Student Council enters another year, its first under the constitution drawn up for it in the year behind us. The road behind us and the one ahead is not so smooth with the proverbial rocks. The process of laying the foundation of an organization that will accommodate the needs of students and faculty alike for many years to come is not a simple one. We should be realistic in the fact that the Student Council is "an experiment in self-government" on the part of both the administration and the student body. The foundation we lay now is of utmost importance. If we attempt to circumvent the issues involved in every action proposed, it is for this reason that the work of the council is being undertaken with the idea of joint faculty and student cooperation as much as is humanly possible. The council must realize not only its responsibility to the student body but to the church and homes that make its presence here possible.

With these things in mind, the members of the council face this school year. No problem will be shunned because of its proponent's inactivity. All of us as individual students, faculty members or administrative officials are concerned. No issue will be looked upon as unimportant unless we have the opinion that the work of the council may depend a lot upon the interest shown in it in every branch of campus activity. We feel that the cooperation of President Echel and other members of his staff has been characterized by a fine spirit of willingness to help in any way possible, and we know that it will continue to be so. Working hand in hand we can make this year a milestone in the history of the development of the Student Council. The following are the Student-Administration policies. Any other course is to predestine the work of the council to certain anarchy.

The President of the Student Council.

"Autumn"

Aan Bixby

One more it is autumn and the Indian summer haze is hanging on the horizon. The warm, pleasant afternoons are followed by crisp, spicy evenings. Nature seems to be ending herself completely before the cruel dashes of winter. No season is more beautiful, nor more poignantly sad. No season emphasizes more completely the sure persistence nor the certain mutability of Nature. Many beautiful poems have been written about this lovely season. Yet each poet recoils to autumn in an individual way and each has his own way of expressing this reaction.

Autumn shreds her crimson skirts to quiet mounds of snow.

Dry streets are slowly waked.

At morn leaves come sliding down.

Brilliant crocuses fling the fancy, Standing in quiet solace view.

Capes now rich and sag a bit.

Tired, but still proud of their amber finery.

Gypsy rose in rusty green

Flies empty arms to winds at play.

Gilly-daisy dance, but with bitterness.

Autumn that is, just a day.

This week we are printing a poem by Barbara Holt depicting a mood that we feel many of you have experienced. We are not claiming any great poetic merits for these rhymes, but we know you'll appreciate the mood.

I think I miss you most in September,

When the cold, damp rains beat on my window pane.

I remember so many September nights,

When we sat on the porch and I'd softly wave.

I remember the words you said, so sincere,

This week I can almost feel you near.

I remember the walk around cool, over-late,

The hills we climbed, the skies we talk.

Yes, I remember one gay day in September,

But wherever you are, my dear,

Do you remember?

We know that some of the rest of you have similar situations.

"Do you remember?" We'd like to reproduce the poem you wrote to the editor of this column.

Music Notes From Here and There

The Music Club got off to a good start this year when it held its first meeting at the home of Mrs. Hope, at Southport, on October 14. It was agreed that we should have some wonderful picnic supper.

The following music majors joined the club during the meeting: Dick Coffin, Trudy Fields, S. C. Jordan, Maryline Buxton, Dr. McCreaven, Freda Myers, Betty Rutliff, Rose Ann Rider, and Wayne Smith.

The College String Quartet, comprised of Ruth Crosby, Trudy Fields, Martha Mennen, and Dorothy Stricker, played on Honors Day and for the Founders' Day program. The Quartet was accompanied by Betty Rutliff. Hazel Cochran and Dick Coffin sang duets for the White River Conference Fall Youth Rally at Anderson, and also for the Founders' Day program. Marilyn Sonner and Vernon Smiley assisted them at the piano. Trudy Fields, who has performed several times both on and off the campus, played two selections at the performance of the play, "The Monkey's Paw."

The choir recently elected the following members to officer President, Charles Jenkins; Vice President, Barbara Holt; Secretary-Treasurer, Rebecca Slum: and Sergeant-at-Arms, Dick Coffin.

Will you join us in the 1946 Oracle. Have your picture taken now.

Final: the 1947 football season ended in glory for the Greyhounds. The 25-14 conquest of the boys from Hanover was more than just the last game of the schedule. It was the culmination of a season in which both the team and the coaches were given high marks. We are proud to be able to give our humble support and service to the Greyhound football team and the words: CONFERENCE CHAMPIONS.

Peregrine Sports go inside. Once again the sound of leather on hardwood is heard being played at the opening sessions. According to pre-practice estimates, the number of fans will be in the neighborhood of fifty. A lot of good should come out of that.

We think it's a hard job these days that the style of play will not be. The battle of the ball is the ICC field. For, back in 1941 Indiana Central was rated the ninth best in the State. This was for such a small school. On that team was a speedy little fellow named Mike McBridge. He was selected by the name of Angus Nicason. Several years later "Nicky" was coached to be a High school team and once again the team was a speedy aggregation that played the "full-court" game. Right now we couldn't say just what the team will be, but it stands to reason that action will be red hot when the Greyhound varsity makes its appearance. A natural. We believe one case of that feeling shouldn't make such things, however. There's a style and a writing. However, just as soon as the necessary trimming of the teams will be made, the REFLECTOR sports staff will be ready to render an introduction to the team in the way of previous experience, home town, etc.

We hear that at the Hanover game last week, a very nice lady, apparently unmarked, was paid off in the cash register. This lady is a student of Central, is a member of Phi Beta Kappa, has a brilliancy in the sciences, is an expert in the fine arts, has a flair for athletics, and is a leader in the social field. Thus, we are certain that this lady will be a valuable asset to the team. We are looking forward to the game against Hanover, and we are sure that this lady will be a great addition to the Central team.
