### "Marty" Mennen Reigns At Homecoming

#### Buddy-Sister Walkout

As Seen from Under Green Beanies

"Life took on a new stage" for Indiana Central freshmen Wednesday, September 22, at the annual "Buddy-Sister" walkout.

Green became the official mascot of the undersized as the annual initiation festivities began in earnest. Garfield Park was the scene of the crime for the men, and Longacre for the women of the Class of '42.

**Walkout**

By Anna Wade, '42

"Where's your green beanie?"

"Well, it's-I-" "Grab her, gals!"

These were a few of the comments heard at the Big Sister, Little Sister Walkout. The little sisters, wearing beanies, met their big sisters in front of Wilmor Hall. From there the girls paraded down the railroad tracks to Longacre Park.

Arriving at the park, the weary group was led in singing by Bob MacPherson, who kept the Hart Auditorium poems.

The following students are members of the orchestra: Trudy Fields, violin; Martha Mennen, violin; Al Kindig, clarinet; George Spross, clarinet; Loveta Smith, oboe; Wayne Smith, French horn; Wolfgang Eidelman, trombone.

Another student, Joyce Dans, has been playing the violin, and was with the orchestra in past years.

### Students Play With Philharmonic

Several students of the Music Department are now playing with the Indiana Central Philharmonic Orchestra.

The orchestra, an organization made up of musicians from all over the city, gives its members experience in playing with a group and in playing the larger works, such as symphonies.

The following students are members of the orchestra: Trudy Fields, violin; Martha Mennen, violin; Al Kindig, clarinet; George Spross, clarinet; Loveta Smith, oboe; Wayne Smith, French horn; Wolfgang Eidelman, trombone.

### Alpha Psi Float Takes First Prize

October 2, 1948, was the date of our annual homecoming. Alumni, dad's, and friends of I.C.C. came home to join forces with our team to bring back a victory over Manchester from the evening's game.

The members of the "C" Association put on a pep show, red hot, to be our homecoming queen. Having been dully crowned by Captain Paul Eicher of the football team, Martha Mennen, '45, reigns over the day's activities from her throne under the big "C" of the "C" Association float. Martha is a member of the class of '40 and comes from West Lafayette. Philharm and the Donut float are among her favorites.

Entertainers got off to a good start with the homecoming parade through downtown Indianapolis and the south side.

### Students, Faculty Take Consequences

"Truth or Consequences" found its way to the Indiana Central campus Wednesday, October 6, when the Pan-Linguists entertained the student body in Kephart Auditorium.

The program was conducted by Harold Toth, who kept the contestants puzzled and the audience in an uproar.

The fun began when Tom Kimmel gave a humorous impersonation of Abbe. None of the contestants were able to answer the questions and the following people had to take the consequences: Larry George, Jack Fentz, Barbara Knaizer, Kenneth Tyro, Martha Steyr, Daisy Welch, Loveta Smith, Bill Fisher, Charles Severud, Dale Reinhart, Ray Snyder, Al Kindig, Barbara Holt, Norman Hansen, Dr. and Mrs. Kellogg and Mr. and Mrs. Kell.

C.M.A. Launches Year In Chapel Service

Central's Ministerial Association, through the invitation of the Administrative Chapel Committee, began its monthly chapel service of this semester in a Worship Chapel on Monday, Sept. 27, at which Dr. J. A. Hud- dleston, pastor of Calvary E.U.B. Church, was the guest speaker. His message followed the opening worship period under the direction of Robert Miller and Charles Remington.

Formative plans in C.M.A. through the executive officers are going to seek to give a well-rounded program to every ministerial student and the general campus life.

Officers for the year are: Russell Christler, president; Charles Remington, vice-president; Robert Miller, secretary; Donald Sum- walt, treasurer; Harry Parkhill, sergeant at arms; and Kenneth Hollander, reporter. Prof. L. J. Gehr has been chosen as the Faculty Advisor for the year.

The next C.M.A. Chapel will be Monday, Oct. 18.

The new addition in the Cupboard surely has been beneficial and helpful, too. Just check this Bill Eaton seems to have found a "suit of his own"—see his face real! You Say You Want A Band?

Students have been asking what the matter is when the student band assembled itself before the student body in pop sessions and at ball games and only twenty persons find themselves within limits. "Don't they have a better band?" the skeptics cry. And the band members look at each other in perplexity.

Why not, indeed. It is the fault of the twenty who are giving two hours a week plus personal practice hours that the band is not any larger. Were it possible for the band to undergo a milticute division and double itself the organization would probably get its nucleus to work. But this is easier said than done. When some students were asked to join the band, they could think of something else they wanted to do than they "didn't want to play, the band was too small."

Some of these people have been heard to gripe about the size of the band at performance and personal practice hours. But the next time you hear anyone complain about the band, just aim your criticism at the twenty-odd who have with Alexander Pope.

The next time you hear anyone complain about our Edna Wise has become associated with Alexandria Pope, "the queen? ART CLUB

By Bill Stelter

The Art Club is launching a new year, taking as its starting project jewelry making.

At the first Art Club meeting of the year, the following officers were elected for the present term: Dwight Taylor, president; Mar- jorie Bryant, vice-president; Joyce Porter, secretary; B. I. 1. Bulter, treasurer; Betty Grem- berg, Student Council representative; and Arthur Wins, Public Relations.

Everyone in school is eligible to enter the "Art Club." There is no requirement, that they enjoy art work. Anyone interested in joining may see Bill Stelter or Prof. William Miller. The work for the coming semester has been planned to hold interest for all.

Vestuia Club

Activities in Vestuia Club began early this year with a tea for the freshmen, Sunday, September 15.

Some new supplies and demonstration specimines have been added to the department during the past year. Mrs. Shademan, the wife of the former Chemistry Professor, gave to the department several of her weaving and textile processes, which she had used in demonstrations all over the state. In the collection are a blue and white covered, an old family registry book, some Japanese and Chinese silks, and a quilt block of the River Brethren people.

The Chamber range is another addition. Vera Stobbe, a senior who worked for the Chamber Gas Company this summer, demonstrated the range to the Foods 12,500 of them named John. Also on file are 5,500 Adams, 900 of Indiana Central's students traveled "C" to Westerville, Ohio for Otterbein-Indiana Central football game.

In spite of a 4-0 deficit for the Lady Grenadiers, the day can be considered a success in the friendly challenge between the two schools.

Several car loads of students and faculty drove the 200 miles for the game. After the clash, some of the groups were shown around the campus by friendly student hosts.

The atmosphere of pleasantries was appreciated by most of the visitors, although it was found that some Otterbein students had little appreciation of ownership of the site or location of ICC.

Genial Hosts

Intradiventional relations were bettered last week when Indiana Central students traveled "C" to Westerville, Ohio for Otterbein-Indiana Central football game.

Veterans News

Veterans assigned "C" (flahmen) numbers by Veterans Administration are urged to remember that they can use these numbers readily when they write or call VA about their benefits.

Use of these numbers speeds up services to veterans, VA said.

A number is issued to each veteran, Negro, white, or Indian, on his enlistment, and the number is his only legal identification. The number is used in a hospital or other medical care, in person or by letter, to the local VA office, or on VA forms. It is also used in a letter to the service branch he served in.

"C" numbers often are the only means by which VA can distinguish one veteran from another. With some 30,000,000 veterans in VA's files, many names are duplicated thousands of times over.

The files contain 317,000 Smiths, 12,500 of them named John. Also on file are 35,500 Adams, 900 of Indiana Central's students traveled "C" to Westerville, Ohio for Otterbein-Indiana Central football game.

Musical Organizations

Still Open To Students

"Judging by the questions still being asked, it appears that a fair number of students are not thinking of entering the military. There may be some necessity relative to membership in several musical groups on the campus."

All students on the campus are eligible to join any and all musical ensembles, barring only those who can't "carry a tune in a barrel" or can't "sing for apple soup." All those who have sung or played in high school organizations are urged to try out for their talents.

Especially, the school can never have well-balanced groups if some performers who definitely should be in them don't walk on. Also, a logo size needs the support of everyone's talent. It should be remembered that the better the groups that represent the College, the more valuable your degree from Indiana Central will be.

Sharps and Flats

The Music Club had a winner roost at its first meeting on Tuesday, October 9, at Mrs. Hope's home in Southport. Officers were elected, and entertainment made for much merriment.

Mr. Edelman has really been "on the ball" organizing instrumental ensembles for the new year. ICC has now boasts of a new piano duo, namdy, Ben, Roy, Ralphy Myers, Frieda Meyers; a clarinet quartet whose members are Al Kindly, Gordon Looper, and Sara Jane Thompson; and a cornet trio consisting of Jim Kindly, Jim Weaver, and Dan Hausthan. Mr. Schirmer has announced that Becky Sloan, Hazel Decker, Floyd Harris, and Velma Wester will represent Central as the College Mixed Quartet, this year.

Hounds Suffed by Otterburn

I was lunching with a friend the other day when we talked about the upcoming football season. He mentioned that he was really excited about the new coach and the potential for a great season. I agreed, but couldn't help but remind him that the team has struggled in the past few years. He chuckled and said, "I know, but I have faith in this coach. He's got a plan and he's implementing it." I nodded in agreement, but couldn't help but feel a bit skeptical.

I wondered how the team would fare against the strong opponents they would face in the upcoming games. It's always exciting to see how the team adapts and performs under pressure. I was looking forward to watching the games and seeing how the new coach's strategies would play out on the field.

I couldn't help but think about how important it is to support our local team. Whether we win or lose, the community comes together to cheer them on. It's a great way to build camaraderie and foster a sense of belonging.

I then turned my attention to the menu and took a sip of my coffee. As I sipped, I couldn't help but think about how much I enjoyed spending time with my friend. It was a simple pleasure, but one that brought me a sense of joy and contentment.

After saying goodbye, I left the cafe, feeling refreshed and ready for the day ahead. I couldn't help but wonder what the football season would bring for the team. Only time would tell, but I was excited to find out.
