CHORUS TO TOUR CENTRAL AND NORTHERN INDIANA

45 Songsters Will Migrate North On Eight-Day Trip

It is with much anticipation and eagerness that the Chapel Choir awaits the morning of Sunday, April 15 when they will begin their annual spring tour. Veteran choralists of the Chapel Choir will金融业 over the love affairs that blossomed in the delicious meals, muted choir robes stuffed in a trunk, sight-seeing in Chicago, Schirmer’s dissertations, accidental switching of suitcases, and many other events too numerous to mention. Wide-eyed freshmen are already preparing for the adventure.

Approximately forty-five songsters and forty-five pieces of luggage plus other sundry things, such as visors, music, literature cases, robes and textbooks honest, we do study a little will be crammed, shoved and squeezed, into an Indiana Railroad box car for the eight, day tour.

The choir agenda for the trip is as follows:

"The Weeping Miss Carpet" Or "Everyone Steps On Me"

This is a sad story. In fact it is the saddest story I've heard in a long time. This is the story of Miss Wilmore H. Carpel, a newcomer to our campus.

A few days ago, while walking through the dormitory she was greeted with cheers of welcome. Pleased and happy to be there, she went to her coach and entered the dorm.

Being a little tired from her journey, she decided to stretch out on the reception floor. It was but a short time later when "Willie" was awakened by the pitter patter of feet as they tracked down the hall and into the room. The obs and ah's which greeted "Willie" made her feel more at home than she had ever felt in her life.

Too late, however, the sad truth came out that she had made a decision to depart. Pity the poor little rug sought to find a way out by a streak of feeling that she was constantly being walked over by the rest of the rugs.

Try as she would it was still impossible, and she was planned down by the "armed" chairs.

As little "Willie" wept in her private corner of the spirit of I.C.C. came to visit her.

They had a long conversation and when I.C.C. left the following glowing in fact everything in the room was glowing.

"Willie" said "Willie", of all the hard work that had gone into her personality, and the spirit of co-operation that had gone around, when "Willie" heard all this, she fluffed up her pile and

Alpha Psi Omega Expresses Thanks

Approximately 100 persons were held spellbound by our Alpha Psi Omega annual spring production, Kind Lady, written by Edward Chudoev and produced by Pro-Phi students. The story is one of many stories that have and beginnings but happy endings because the spirit of I.C.C. is based on an old saying "Where there's a will, there's a way."

A. F. Schirmer Soloist In Oratorio "Elijah"

Professor A. F. Schirmer was the soloist in the Alpha Psi Omega production of "Elijah," presented March 11 and 12 by the Alpha and Phi campuses. He is a member of the orchestra. During his absence senior students conducted his classes.

CHOIR AGENDA (Cont.)

(Continued from Page 1)

Sunday, April 27
10:30 Break EUB Church
2:00 Indiana University church
7:30 Lobbton EUB Church

Anyone desiring a complete agenda may obtain one by sending a request to Public Relations Office, Indiana Central College, Indianapolis 27, Indiana.

The authenticly of this report has not been confirmed, but it is rumored that Dick Pollard was a prodigy.

We, the sophomores did it again. It was another hilarious game of hide and "scramble" enough the girls were 25 to 25. Nice going girls.

We do hope that the game does not draw national attention as a fix, for despairs accurately officiating there was just a hint of favoritism.

I.C.C.'s answer to Hollywood's dare-devil heroes, Coach Barkle's, period is the world's only fire flying rings. The only complacent heard: "It wasn't long enough."

Joyce Liechty deserves a round of applause for her performance on the floor. Especially after she fell and turned the wrong way in practice.

Lorraine Carmins will have to be a bigmatist or a quadrangitanist if she carries out those plans she made on the choir trip. Each church she entered seemed to be more perfect for a wedding than the other. The choirmaster, C. M. A. student, vice president of the Phi Delta Threec Command, and president of Sigma Zeta Science Fraternity, was well equipped to take the final step and almost make a job at Southwestem C.

Margaret Parrish, an A vivacious brunette, you'll find Margaret Parrish, a member of the Phi Delta Theta, and Storage Company for the Phi Delta Threec Command, will be a soloist in Mendelssohn's "Elijah." We hope she has her corners curled. We do hope that he will have enough to do, and Easter vacation just a little tired.

The choir is holding up remarkably well after its strenuous schedule of four concerts in one day. Incidentally, don't mention the plank bridge or cautious drivers to choir members or you might get chocked.

Anyone desiring a complete body for a season of perfect. To the choir of this and the authenticly of the student body for a really terrific season.

Spring is peeping here and there! Classes go on, but who gives a care? See you next month, Ganger.

The ED and COED of the Month

Six feet five inches of basketball dynamite, that's our Ed of the Month, Dwight Swalls.

Dwight Swalls, our "little" man as "recently" gained basketball's top scoring crown in Indiana. Not content with a reasonable safety margin, he in our hall 100 against Huntington College to break a few Conference records and a few of Central's too.

A senior in C.C.'s "Stretch" is a physical education major and a history minor. Plans are still pending, but coaching and teaching will probably be the lot of our Ed.

Just in case any pro coaches are looking for material here's good news.

The Indianapolis boy, Dwight graduated from Franklin Township High School on his football and naturally basketball.

Sports rank first as his hobbies followed by his two of his "off-court" diversions.

Keeping everything in an athletic frame of mind he is a member of the "G.C." association.

Almost anything which comes under the heading of "Stretch" but steak well done seems to have a slight edge.

A basketball player because of fame, and a good guy Dwight Swalls--our Ed of the Month.

ELIOTT AWARDED APO SERVICE KEY

David Elliott was presented the annual Alpha Phi Omega Distin-
guished Service Key Award at the Alpha Phi Omega initiation ban-
ner Monday evening.

Dave was chosen from a select group of candidates by the A.P.O. executive committee. Qualiti-
ties considered for the honor were: service to the chapter, stu-
dents, and community, together with religious, ethical, and charitable activities.

Dave is a senior from New Alb-
ny, Indiana, and is active in many organizations notably, presi-
dent of Sigma Zeta Science Frat-

C.M.A. To Hear Baumgartner At S. E. Union Chapel, Apr. 7

The recent engagement of Irene Poleo, assistant professor of music, member of the 1914 graduating class, and Bill Morrotte, '46, of Lib-
erty, Indiana, has been announced. A summer wedding is being planned. Bill is teaching at Harrisburg Elementary School and plans to attend Indiana University this coming year to work on his Master's. When he was here in school he held the office of president of the Alpha Psi Omega group and served as editor-in-chief of the college paper. The school year 1947-48, Irene has done work on her Master's at the University of Illinois. She will not be with us this coming year, so we take this opportunity to wish her the best of luck in her new endeavor and all the best in her kind and courteous assistance in the Library, and to wish her happy future in her work, we extend to her our congratulations.

Basketball Coach Don Bunge of Walton High School, who at-
tended Indiana Central, could quite decide to what name he should name his March in Washington's birthday issue. The name of his sectional coaching opponent is "Bunge." What a name to fear! Well, whatever you decide, congratulations to you and your team.

Student Wives

The Student Wives' Club sold pies, cakes, cookies, etc. fast and sold out of their supply within their annual bake sale in February. Many were turned away, but the others were happy for the sale. The club is sorry and apologise for the shortage. Next year they hope to have enough to go around.

SNAPS by Ginger

Here it is March with the Easter bunny and Easter vacation just a hop, step and a jump away. Vamping up a word, and that dancing meaning it carries to a weary college student.

This spring vacation has probably given all of us a mental vaca-
tion at least.

Recently the reputation of our fair college was besmirched by a worldly act on the part of one of our students. It was a sad day indeed that Chris Livingston had allowed herself to be picked up by a handsome captain after the Ballet Russia. Un-
fortunately, she was too attractive to turn down.

Herman Emmett must take his place in print. Every issue he manages to do something to catch the eye of the roving reporter.

This time he will have been a "latter" better watch, stuff, tella.

Orchids to those dear old pros who so nobly bend their knees to bumble of hard labor at foot blacking. It was a show stopper for sure.

It has been rumored that the auctioning of "indulgence" should become an annual affair. The idea was terrific. The W.J.S.F. gets the funds, we get the fun.

The authenticity of this report has not been confirmed, but it is rumored that Dick Pollard was a prodigy.

Basketball "Hoosier Madness" Dies With Winter
As Baseball, Track, Golf and Tennis Blossom

**TRACK**

The wild cheering of the crowd has slowly subsided and the students and faculty of the school are getting settled down to the serious business of life. Basketball is bowing out of the sport picture. Taking its place in the varsity sports program will be the sports of baseball, track and field events, tennis and golf.

In the baseball season do we find the Central Greyhound's in each of these sports?

The team will need a great deal of support in order to make a good showing this year. As it is, last year's captain and Richard Huisen, has weakened the team considerably in the field events. Paul Allen, Meyer and Mays are in the quarter mile.

Returning lettermen Art Bright, Eugene Eyer, Jim Stumpf and C. White should have the distance events well in hand. This quartet of runners will be well supported by Lenore Mills, Tom Huhaway, and Joe Dusterworth, all freshmen with good high school records.

Allen Meyer and Paul MIDderick will handle the sports and broad jump while Dave John son and Chuck Zopp will take care of the long jump. Bill Hill and Bob Elston will work on the pole vault with Bill Smith. Besides being out for the basketball, Dave Johnson will utilize his springy legs in the high jump with Kenny Eyster and Glen Klink.

Looking at the opening of the track season.

**BASEBALL**

The big question mark for the coming baseball season is, are we going to have a long ball hitter? If the team is called to service it has left a big hole to fill in this department. John led the team in runs batted in, extra base hits, and was named an All-State of the good American man at third base. Other positions of men such as Bill Huhaway, Dick Knav, and Bill McKnight have left two spots in the infield that will be hard to replace. The infield will be missing, other than Yeffich, Eillian Johnson, Frank Kattau, and Edward McRill. In the pitching department we have lost Bill Dixon who won 2 and 1 last year.

The returning lettermen are Jack Colecott, catcher; Gene Diets, pitcher; Joe Bright and Jim Lumia, first base; Dave Jones and Ace McCollum, second base; Dick Thill, shortstop; and Bob Robinson, and Dave Smith, outfield.

The freshmen material will determine whether the question is a black one as we are total in- lists and west at the end of the season.

**GOLF AND TENNIS**

The golf team has suffered more than any of the spring sports this year due to the loss of 5 lettermen. Last year's team had only one returning lettermen to form the nucleus of this year's team. With the loss of Lou Bummers, Bob Stump, and Bill Coverstone, only Tom Yeffich is left to carry the brunt of the coming season.

All you golfers come out and give Andy a helping hand in getting points towards the All-Conference Trophy.

The tennis team will fare better than the golf team with 3 veterans returning from last year's squad. Loyly Rago, last year's fifth man will probably move up to third singles, and Richard Huisen's experience, Bob McKinian and George Roosevelt will be in first and second, respectively. Teams is still up to make any of the five positions so let's all you "Jack Railway" tennis rackets off the shelf.

Breneman To Speak At Athletic Banquet

- Dr. Raymond Breneman, U. S. representative to the North American Intercollegiate Athletic Association President of the N.C.A.A., will be the guest speaker at the athletic banquet to be held by the Bradley and Central track team, March 22, 28, is open to all students and friends who with enthusiasm have followed the records. Ticket are two dollars a place.

The freshmen material will determine whether the question is a black one as we are total in-lists and west at the end of the season.

Junior Varsity Upset Intramural All-Stars

Central's junior varsity ended a successful season with a near upset of the All-Star Intramural team and an easy victory over Col. Wurst Auctioneers. "Polecats" took a hard-fought victory with the team, made up of all, Frontenac, Operation and Alumnae of the All-Star Intramural team. The final score was 66-27 in favor of the "Polecats".

Bill Bright and Russ Piinson tallied 11 points each for the Greyhound's while Tom Huhaway, and Art Bright scored 10. The "Polecats" were led by Jim Lenore, and Jim Bobo.

Col. Wurst Auctioneers were the fourteenth victims of Central's junior varsity when they led Thomas leading the way with 19 points. The young Greyhounds ended their season with a 14, 20, 1, 2 record. They lost to Frontenac, Anderson, and Alumnae of the All-Star Intramural team. The final score was 66-27 in favor of the "Polecats".

"Polecats" Will Guard Broomball Title on March 30

The world's champion broom ball team has signed to defend its title in the I.C.C. season March 30. Having won the I.C.C. championship from last season's game, the "Polecats" will be the only team to receive an official challenge by the junior class.

For those uninitiated in the art of "hoosier hockey", the game is a form of the fastest game on earth and known as "something like field hockey without the "something like field hockey without the rules of either of that game. Although the game is played by the same rules, the regular rules of hockey are used. The major difference is the use of brooms to get a ball into the goals-instead of sticks and a puck.

**Hounds End Season With Three Wins; Lose Bid to NAIB**

After clinching the Hoosier Conference with the win over the Anderson Ravens by a score of 72-72, the Greyhounds, looking forward to an invitation to the N.A.I.B, playoffs, finished the regular scheduled season with three consecutive victories.

After trailing twenty-one points at the half the team came back to win a well earned 72-72 victory over a strong Villa Madonna Club. Swalls and Stevenson field, for scoring honors with twenty-one points.

With Dwight Swalls dumping in seventeen field goals and six free shots to set a Central scoring record of forty points, the Greyhounds went on to paste the Huntington Hunters, 11-1.

Angus Nickerson's hoosier寻找 closed out the regular season with a 48-61 rout over the Central's spirited Tri-State basketball team. "Stretch" Swalls again paced the scoring with 27 points. In the consolation game the Greyhounds defeated Franklin 68-41, with Swalls scoring 21 and Jones contributing 14.

The resilient Greyhounds should be praised for their excellent showing in the 1951-52 season. The loss of Swalls, Stevens, and Robinson due to graduation will be keenly felt in next year's hardwood action.

**Baseball Schedule**

- April 7—Roo Poly—T
- April 14—Manchester—H
- April 17—Huntington—T
- April 21—Taylor—H
- April 27—Anderson—H
- May 2—Hannover—H
- May 10—Poly—T
- May 16—Poly—T
- May 16—Hannover—H
- May 22—Franklin—H
- May 24—Anderson—T

**Final Schedule**

Both teams are reported in top form. The "Polecats" coached by Gouche, have lost a few sons from last year's line-up. This year's team will not impair their championship play, they will do a great job of playing on team play and keeping team players. They hope to create the "Northside" championship in the forthcoming contest.

The juniors hope to make the championship game, not only for the hometown spectators (by helping keep attendance) but for the juniors (by winning). "I feel assured that the more unorganized approach will emerge victorious," one team member states.

**Sports On Parade**

Senior Dwight Swalls finished up the season with 45 points in the regular scheduled games to walk off with the Indiana State leading crowns. Swalls was the four year scoring record held by Andy Taft by 16 points with his 1947 total.

Swalls has been named as a member of the Times All-Star basketball team that will meet the Indianapolis Olympians in Butler Fieldhouse April 14. Other members of the squad are Don Bagley and Marty O'Connor of Notre Dame; Jack Brown, Bill Toomey and Bill Garver of L.U.; Neil Schmidt, Glenn Behler and Norm Grether of P.U.; Bob Barnett and Bob Skel of Evansville College; Jim Groce, Valparaiso; Evan Fisk, Centrebury; Norm W. Hill at I.M.I., Taylor, and Lloyd Smith, Frankfort.

It had to happen sometime, and that is just what came to pass at the N.A.I.B. playoffs at Terre Haute, the tripod team of the south was defeated the Greyhounds in basketball. The defeat came in the 28th, game between Central and Oral Ross. Oral Ross had a long two hander over the middle of the floor for three seconds remaining in the game. We want to congratulate Coach Gouche and his Trojans. This defeat will remove some of the pressure on the team.

The talk of the town is the title contender on Ray Crown, "37", and his Crispus Attacks Team. Ray has led the Tigers into the finals of the State Tournament with Attacks being tabbed as the team to win. Incidently, Nicolson has been named for Crowe at the Regional and Semi-Final.

- Hack Potter, "38", who was a high scorer, was recognized from the Tournament by Attacks in the Regionals. Pepper's Franklin in a 91-81 lead, and won the Greenfield Sectional.

The third chamion to have a winning sectional team was Herman Eaten who coachs the Washington- Clay team. They won the South Bend sectional, but were eliminated by Elkader in the finals of the South Bend Regionals.
