April 1, Is Day To Play Pranks
UpUpon Friends, Neighbors—Maybe
by Betty Burch
April Fool’s Day began the time when
Christ was mocked and tormented, but
April Fool’s Day is older than that.
The French have a name, “poids
son d’Avril,’ meaning exactly an
“April fish’—a young one and
therefore is easily caught
by the people. But,

It was announced today that
the United States Olympic

For this reason the residents of Men’s

from speed-boatting on the lake

A hasty interview of faculty
members before press time re-
vealed the following opinions:
Dr. W. E. Stoneburner: Well! Miss Sibyl Weaver: Perhaps
the students will like it.
Dr. W. P. Morgan: Typical ex-
ample of a lazy faculty. It’s all
a matter of genes.
Prof. Marvin Henrich: Hurry!

April Showers Bring May Flowers
+ Stormy, Unpredictable Weather
by Ralph Horn
Today is April 1. When I awoke this morning, and noticed it, I was pretty upset.
No, I hadn’t forgotten someone’s birthday! It is, of course, "April Fool’s Day"
(spin). I made the foolish mistake
of not preparing for the lovely (?) Indiana April weather.
A survivor of two Central campus springs, I feel it my
duty to pass along some few grains of
knowledge I maybe have about this unpredictable
"state of the art" these days.
The weather really isn’t unpredict-
ably as it seem it is. It is safe to say that it will rain five days
every week during the month of April. After that, it
usually snows until one storm a
week in June is about normal.
It is pretty hard to tall the
rainy days from the
snowless. Any day a special reason
exists for not wearing rain, it will rain.
Weekends and holidays from classes seem to be the choic-
etime.
Days that start, out light, and

Jack Rice Named City HS Assistant Track Coach
by Roy Taylor

Jack Rice, who coached the Central
track team to two straight conference
titles and assisted Walt Byers in
bringing Central's only track title last spring, has been named assistant
track and cross country coach at Broad Ripple High School, here in Indianapolis.

Jack's 1950 and 1951 cross
country teams here at Central won
district victories in the conference
meet. The part of the story that many alumni and students didn't
know was that he was a grade school teacher in Indianapolis Public Schools,
and donated his time to coach the Greyhound Harriers. He also was an
alumnus of Butler, and his greatest desire while at Central was to down the
Bulldogs.

During the first semester, Jack
was transferred from School 46 to
Ripple to teach biology and to assist Frank Bauert with the base-
ball team. Mordie Lee, Ripple
track coach, knew of Jack's track experience and asked for Jack to
assist him with his coaching until he
refers.

In the indoor season, Ripple has
defeated Hoore and Shortlidge,
two perennial power houses in
track. Under Jack's coaching, I
look for Ripple to become the outstanding Indianapolis high school
team within a few years. We from Central wish you the best of luck, Jack,
although we will really miss you when cross
country season rolls around.

Woody McBride has been play-
ing in a series of games against the

year's team, has not reported for
practice this season. He is work-
ning part time to meet his school
expenses.

Central Will Field Strong Golf Team; Prof. Henricks To Coach
Central will field a strong team this
year, composed of three letter-
men and two outstanding freshmen.
Also, for the first time the golf team will have its own coach, Prof. Marvin Henricks.
The three lettermen who will be back to fill their places on the third place finish of
last year are Tom Yeflick, Paul Bat-
tman, and Chick Zepf.

Ken Peterson and Winford Ap-
ple will round out the five man,squad. Peterson, from South Bend, and
Paul and the Little State Champ
from Valparaiso last year. Apple was
the third man on the Law-
rence Central team last season.
The Golf schedule is as follows:

Leon Patterson handed Central its conference title last year by
scoring 340 points in the title game against Anderson which Central won
by one stroke.

Woody McBride is well known
over several states as an outstand-

troduction here.

McBride Chosen 6 Out-of-7 Times

For 'Place on All 15 Team'

Woody McBride was chosen by
six of the seven Hoosier Confer-
ence coaches for a place on the
1952 All Star team. The honorary
team is chosen at the end of each
season by the coaches of the
league.

Coaches did not have much
trouble in choosing their names.
Three players were unanimous
choices: Anderson's Charles Har-
r, at forward; and Taylor's For-
est Jackson and Manchester's Paul Huffman, the two centers.

Six players of the ten-man squad received but one dissenting
vote. These were forwards Ralph
Johnson, Frank Kirsch, Billy
Moore of Earlham, and Arlen
King of Hennessee; and guards;
John Rodgers and Ted Wright of
Taylor and Central's McBride.

Joe Rawlings of Hanover edged
out Central's Don Thomas for the
place in the backfield.

It was the fourth time Woody has
been chosen for the team. Be-
cause of his championship
in the army, he was selected three
times. McBride and Ferguson were
the only players to return to the
team, taking up 470 and 472 points
respectively.

Ballots were cast for more dif-
cent Central players than for any
other team. Counting both the
first ten and the honorable mention list, Cen-
tral placed five players, Taylor
three, and each of the other teams two.

Central boys on the honorable
mention list were John Sinclair
and Bill Pickard, and sophomore
Don Thomas and Bill Bright.
