Blanket Toss, Auction, Turtle Race
To Feature WSSF Drive; Kickoff Feb. 26

By Marlene O'Dell

"It's fun; it's world-wide; and it's coming real soon!"
Yes, it is the annual World Student Service Fund drive being held on Friday, Feb. 27. Faculty participation begins Feb. 23, and the campus-wide campaign for funds opens with a blanket toss at the Anderson gym Thursday, Feb. 20. The drive will continue through Friday, March 6.

Ike Supports WSSF Drive
In a letter to the WSSF National Chairman, President Dwight D. Eisenhower said:
"Any movement whose goal is to satisfy the material needs of Korean students and teachers and continues a program of educational reconstruction is commendable. I urge all who have the opportunity to make a good effort for the World Student Service Fund, to add to those who have already helped in some measure to assure the universities of Korea:

With $600 as its goal and "Help them help themselves" as its motto, the WSSF this year is planning the biggest and most enjoyable drive in its history. The real fun begins with an auction in chapel Mar. 5 and 6, where such honors as a home-"shone by Pres. Each, an excursion from chapel or gym for a week, and breakfast in bed will be bestowed upon the highest bidders. Manicure and shoeshine booths will be within easy access to all.

Dr. L. Lynd Esch, president of Indiana Central College, announced recently that the college has been bequeathed an estate valued at $25,000, by Mrs. Rettie C. Barber of R.R., Kokomo, Ind.

Mrs. Barber died last Dec. 23 at her farm home near Pepin Grove, in northeastern Howard County, at the age of 79. She was the widow of Olypsum D. Barber, who died in 1945.

Rettie had made will dated June 13, 1943, bequeathing all of her personal property and real estate to Indiana Central College as the death of the survivor. The estate includes an 88-acre farm and personal property. The farm will be sold and the proceeds added to the college's permanent endowment fund.

Mr. and Mrs. Barber had been active in the Pope. Grove Evangelical United Church of Christ, of which they were life-long members.

Nine Students, Faculty Member Added To '52-'53 Reflector Staff

Nine students and one faculty member have been added to the staff of The Reflector for the 1952-53 school year, according to a recent announcement by the staff editor.

Putting out a school newspaper on a monthly basis is a trying task. It is difficult because a school newspaper is first of all to print news, and news isn’t very new after a month’s time. The Reflector that cannot always publish news that is absolutely new and previously unknown. What we do want to do is publish all the news, completely yet concisely. In order to do this more effectively we need the help of every student, alumni, faculty member and everyone interested in Indiana Central.

To secure all the news is a difficult task. No newspaper has an absolutely foolproof method of finding all the news. First of all: So first we ask you to tell us what you think, your comments, criticisms, and suggestions. From henceforth, something we should print. So first we ask you to tell us what you think.

Mayme had just been accused of being a Hoosier. "I’m an Illinoisian," she proudly informed. "I was born in Illinois; my home and heart are in Illinois." However, Gerry’s denial had come too late to be denied a rumor that had been in the air for some time. In the spring, Linda Locke and Gerry had become engaged, and their engagement was to be announced in the June issue of the school magazine. Their aspirations are to graduate this year and be married.

"Gerry, a lifetime resident of Indianapolis, attended Warren Central High School where he was very active in school activities. A member of the choir and musical group known as the Madrigal Singers, he was student director of an all-school musical, "The Music Man," and a member of the Senior Council and Senior Honor Society." This year Gerry is president of the Sophomore Class and a member of the Chapel Choir and Chorus. He has participated in opera productions both years he has been here. An English major, Gerry plans someday to enter the Christian ministry.

Great Men Have Called Upon God

We sometimes think that the life of a great man is known all about the universe—anyhow, enough to plan our own wars and religion. However, we should be thankful that all men have not tried to do this. The life of a great man is not the life of a politician. They discovered that there was something greater than themselves, and if they were to be great, they must relate to something greater than themselves. But gradually he found that this life and shine is afootloose and, fancy free. So we can help not being great. Now for the picturesque presentation. You do not become great by striving for greatness. Greatness is not something to strive for. It comes unasked for, and often unawarded.

Males Beware, Last History Repeat Itself

By Ralph Henn

Well, it's another year comer. Congratulations to you all. Surprisingly we survived and maintained our traditions. Last week has been over for almost a week now, so I guess its safe for you to come clean.

I didn't get to see the Sadie Hawkins race this year, but my girlfriend said that Marjorie Robinson caught. She tackled me with a broom and said she would only marry me if I would recover completely one of her classmates dragged down the aisles. Apparently this is a lie. By the time I met Miss Robinson I had misspent my football season and was no longer a threat to any girl's virtue.

However, the acts were produced. Some few incidents such as a pair of ill-fitting teeth made the worst penalty that could be inflicted upon the worst of all. The people believe expenses today meant for the breaking of a lock. Only a few incidents such as this caused a ruckus. The happy couple were married Saturday, Feb. 8 at noon.

Wabash center Rex McCoy scored 26 points for individual honors, Bill Pickard and John Sinclaire, tied for third place with 18-point production. Central now has a 12-10 record for the season with losses remaining on the schedule.

Gals Become Confused, Lose 36-27

A trip to Hanover failed to net any results for the Gals as they bowed to the down-staters by a score of 36-27.

"Perhaps they were still flustered from a pre-game experience. Arriving as an only member to show them to the dressing room, the girls wandered to the lounge they had used the previous year.

There they found a refrigerator packed with snacks and all kinds of refreshments. "For guests and officials," being the usual saying, the kids helped themselves. The one drawback, as they found out later, was that the food was not all as appetizing to officials and varsity players.

They were permitted to leave tickets for the Midgets and alumnus to the "girls' dressing room."

Big Grey Top Stars..."

In Thriller, 84-79

In a thrilling game from start to finish, Indiana Central's Greyhounds took the rubber game of a two-game conference series off the Camp Breckenridge All-Americans. The 'Hounds failed to be chewed up by such Jameson namers as Thunh (Bodley), Smith (Glover), Sinicota (Giangari), Bagley (Notre Dame), Miller (Penn), Rodrigues (West Virginia), and our own Dwight Burns as they played one of their best games of the season to turn back the Indians, 84-79.

The score was an exact duplicate of that of the first game of the series.

Traffaling 71-48 in the last quarter the Big Grey came to life. Bill Pickard, working consistently, hit three straight two-pointers and a free throw to put the Greyhounds into a lead that they never relinquished.

Don Thomas switched 24 points through the nuts to head the IC scoring attack but still wound up without any of the usual scoring honors with 25 points.

Depauw Edges By ICC

Indiana Central's Greyhounds lost 73-71 to the Depauw Tigers at Greencastle. The game was close all the way and personal fouls by Central lads finally evened the score.

Trailing 23-32 at the halfway point, Central had a 53-49 lead by the end of the third period. The Greyhounds fought off the Depauw comeback and the score was tied 67-67 with two minutes left to go. Bill Pickard, John Sinclaire, 6.4, then drove out and Depauw took over the lead.

Bill Bright was high point man with 21 points in three quarters of action on a bad knee. Reserve center Cuneo (Upton) tagged Depauw with 19 points.

Bright Lay-Up Scores

Bill Bright, 6'1" junior forward and top men's scorer, slips in a lay-up shot against the Spartans of Manchester College. The Grey- hounds won, 76-71.

Cagers Swing Back On Victory Trail..."

Move Into Fourth Slot With Double Win

After a rather disastrous skid to the second division of the HCG tho. Greyhounds of ICC came roaring back with a pair of conference upsets to move back into contention for first place. As a pair of "poor" hosts to the Manchester Spartans the Nicaragua charged them, 67-61, in a real thriller before giving the Panthers of Hanover a similar treatment on the Hanover floor. The tally finally was 87-74.

After having lost two straight conference games the ICC men found the third time a charm. The Spartans, without the services of regular forward Don Hyde, invaded the annuity of the Indiana Central goal only to return on the short end of the count against the 'Hounds for the second time this year.

The game was nip and tuck all the way with the score being tied numerous occasions. Finally, a foul shot by Bill Bright put the Big Grey in the lead to stay late in the final chapter.

Back on the victory trail the Citemen and Greyhounds followed the right path to Hanover and returned with an impressive 87-74 victory. It was the first Greyhound-Panter struggle closest of the season.

The third quarter provided the margin for the winners as they slowed off just enough to give the attempt by the Cats to seal the win. Don Thomas led the victorious charge with 21 points while Arian King took runner-up honors with 20.

Ravens Top 'Hounds On Last-Minute Shot

Coach Angus Nichols decided on a plausible system of basketball to counteract the Anderson Ravens and their small crowd. The idea looked as if it would bear fruit with Jack Lowell a hit a jump shot under the basket with 4 seconds to go and broke an 80-80 tie. Although Bob Clark hit one of his charity shots to make the final tally read 80-80.

Anderson played a center ball game and with time running out, Lowell fired his winning shot.

Frosh Team Finds Victory Trail; Wins 8 In Row After Shaky Start

The Indiana Central Freshman team, after getting off to a slow start, has finally gained its legs and is breathing along with a 10-4 record, after winning its last eight straight games.

The Gropuys had trouble getting started this season as they lost their first four games losing the opening game of the season and bouncing back against Wash- bash to balance the record. They lost their next game to Franklin after then losing 63-58 to Hanover on the road and Central and their small crowd to finish the season.

The Pups began to roll against Franklin and then beat Earlham on their own floor. The Cummins Engineering Team of Columbus and New Cornerstone scored 91 points. Taylor's home court was cut in half against Anderson over on the Raven's floor.

The intramural squad fought itself up a full head of steam with the power of the Freshman steam-roller. Hanover became the svavl- shot under the basket with 4 seconds to go and broke an 80-80 tie. Bob Clark hit one of his charity shots to make the final tally read 80-80.
