Queen To Be Crowned At May Festival

A queen who will reign over Indiana Central's campus next year will be crowned in the gym at the annual May Festival May 28.

In honor of Central's 49th birthday, the festival is centered around the 49ers and their rush for gold.

Featuring old-fashioned dances and games, Indian war dances and animal frolics, the program portrays the life of each member of a pioneer family.

Campus queen Betty Bender and her escort—Betty Lee, Margaret Zopf, Maria Wainio and Carolyn Hunter—will reign during the program.

Climaxing the evening, Rosemary Springer, Charlene Izen, Mayma Evert, Mary Lou Robinson, and Maryrose Lynch will rue the ruling court. One of the girls will be crowned queen.

The five junior girls were selected at the annual chapered by the student body. Rosemary and a Maryrose attended Pauli High School, Mayma and Mary Lou graduated from Springfield (Ill.) High, and Charlene came from Greenwood High School.

As is traditional, the program will honor all mothers. At 4:00 a tea and style show will be in Wmure Hall. Mothers of girls will model all-occasion clothes.

At the same time, a film on the 500 Mile Race will be shown in Boston Hall for all fathers.

Mrs. Clapp is general director for the festival which is sponsored by the physical education department, and directed by the rhythmic class.

President's Home To Be Built From $40,000 Bequest

A recent bequest amounting to approximately $40,000 will be used for a new President's house at Indiana Central.

Dr. I. Lynd Esh, president, announced that a recommendation will be made to the board of trustees that the new residence be donated to Mrs. Eunice G. Nelson, of West Lafayette, who bequest her home and furnishings to the college.

Plans call for the President's house to be built at the northeast corner of Otterbein and Castle. This would be just north of the proposed Bishop's Manor, on the southeast corner, for the head of the west-central area of the EUB church.

Details of the type of architecture for the President's house and ultimate disposal of the present frame dwelling have not been decided.

Mrs. Nelson, a member of Grace EUB Church, Lafayette, died Mar. 31. Her will gave all her property to ICC except for a $1,000 personal Indianapolis churches, Dr. Pierce has added over a thousand members to his congregation since he became pastor here in 1949. Membership now exceeds 2,000.

SNAPS . . . by Ginger

The Indiana Central Campus is looking its best this spring. The snow shrubs around the Ad Building have improved its appearance two-fold and the maintenance men have been busied up on the new "car saving" driveway. Other local improvements are Fred Beverse's new shoes, Mrs. Cumpata's aloha, and your columnist's perpetually green grass on his lawn. Some dirty dog has glue on his fingers!

For the second time this year (and in a row, too) the Ginger column is going to be put late to the editor. What's the matter, can't you wait until the last issue and find out who I am the easy way? IT'S A CLOSER THAN YOU THINK...

As usual the choir members overdressed themselves on the annual spring trip, but the biggest duck in the pulpit this time was the Chairman himself. He not only fell off his podium, but he came up smelling like a rose. Someone poured perfume on his pajamas. . . . He also received two SPECIAL DELIVERIES from MILLIE. My goodness Professor, have ALICE understood??

DOWN GIRL!!!

Another expression of brotherly love was exhibited on the choir trip by "Bowlegs" Cee. She did her best to support a poor unfortunate Purdie boy who was going back to the campus.

Quickies

Doris Snaps hitting John Rhodes between the eyes with an ice cream cone. . . . Frankie Wolfe losing his last locker key, but he was all right, on a fire extinguisher. . . . Julia Myers being unfriendly with Miss Miller in the library. . . . Bill York's voice sounding "dumb" during his solos, but, not least, Diana Lachte's falling asleep in physiology. . . . SPLASH!!

Flat Rock also turned out to be an eventful trip this week. In the last line of our report, we meant to say, Hell's Half Acre. They were canoeing and someone capsized them. That someone was Bob Chastain, the new prexy of the SCA. Performing with Bob was the new "Car Saving" driveway. Other local improvements are Fred Beverse's new shoes, Mrs. Cumpata's aloha, and Ginger's perpetually green grass on his lawn.

Hey! This is the last time I'll write under an alias, isn't it? Yep, next month you'll know who's been "ribbing" you all year. All I ask is that you give me a five-minute head start and please don't use iron or hammer on top. Let's all go to the games and back the teams.

This month has enough entertainment to suit everyone's taste. While you're not toasting a close, I think we all need something to lighten the burden.

Dean McWade and Jerry Lewis will appear at the Butler Fieldhouse for one night only. The show starts at 8:00, tomorrow May 15. (These guys can make you forget almost anything.) They are presenting "The Barber of Seville" and "The Merry Widow". They also present "Streetcar Named Desire" for the second time this year (and in a row, too) for the second time this year. If the "Motel" interests you more than Beatrice Lillie, you can get your ticket at the Gladys Alves Music Shoppe. You'll have no transportation worries because the shoppe will be running buses, leaving at 6 o'clock each evening for Bloomington (for a nominal fee, of course).

You've all heard of the "Circle Players," haven't you? Well, I'm not present. our present (in a scene style) is "Mrs. Bebera." This is at the Assembly Room through Saturday. If you have never seen a "theatrical" production (and who hasn't?) you will be astounded at the skill, speed, and grace of grate Lillie. Every night there is a show, and it's a "must" for a "theatre" lover. You must come to "theatre" to get to the "theatre."

Stump, Chastain Take Halms Of Leading Campus Organizations

Bob Chastain, president of the Student Christian Association and Perry Stump, Student Council president, attended a dance last evening as newly elected leaders of the two all-campus organizations at Central.

Bob, a sophomore from Dayton, Ohio, adds this honor to the light of his achievements in campus activities since coming to ICC as a student last September. He was first elected president of the SCM in 1953 as a member of CMA, and now is serving as student president of the Mt. Pleasant Christian Union Church in Columbus, Ind.

Chastain . . . SCA prey

At the YMCA state convention held on our campus in March, Bob was elected vice-president of the SCM and is also recording secretary of the Phi Beta Literary Society.

Supporting Bob in the big endeavors being planned for next year are the other SCA officers elected by the student body Mar. 18. Vice-president is Betty Burch, junior from Indianapolis; secretary, Sandra Anderson, sophomore from Bloomington, Ill.; and treasurer, Jim Miller, junior residing in Indianapolis.

Perry Stump, junior from Hammond, Ind., heads the Student Council for the coming year. Running against the Republicans, Perry and his entire Council party managed a sweeping victory.

History is Perry's major, and he plans to enter law school after graduation from Central. He has been quite active in Alpha Psi Omega dramatic fraternity, being the treasurer of that group, stage managing three plays, and acting in two, with a leading role in "The Haunt of Autumn" last spring. Perry also belongs in the Business Club and the college Y.F.

The other officers elected by the students were: vice-president, Bob Jewett, junior from Indianapolis; secretary, Mary Millhorst, sophomore from Milwaukee, Wis.; and the representative-at-large, Ann Price, freshman from Lawrenceville, Ill., and a boy representative-at-large, Pat O'Rear, freshman from New Alhambra, Ill.

The new cabinet of the council is looking forward to a great year, too, as Stump says, "Since our entire party was elected, we're off to a good start as far as insuring cooperate among our council members. Now all we need is cooperation from the student body."

The new college church was initiated almost before it was finished. It saw its first wedding April 11 when Hope Ruff, '56, and Leroy Rapp, '53, were united in marriage in an unusual ceremony conducted by their fathers. Marital support was given by Pat Lilly Bade, ex-'56, maid-of-honor, and Jim Miller, '59, best man.

I'm a bit late on the scene for all of you, but just didn't get here in time for the last issue. That is Janice Stump, Chastain Take Helms Stump, junior from Hammond, Ind., as newly elected leaders of the two all-campus organizations.

"The Hasty Heart" last spring. Patricia Jane Velker and Paul Velker, '55, Lewis, '55, Lilly Bed, ex-'56, maid-of-honor, and Leroy Ram, '53. were united in marriage in an unusual ceremony conducted by their fathers.
