Two Administrators, Eleven Faculty, Five Staff Join ICC

Freshmen weren't the only newcomers to Central this year, but like the freshman, it hasn't taken the new crew members long to find out that they're going to be on a challenging voyage for sure. Dr. Robert Cramer, a former professor of philosophy and psychology at Central and now professor of philosophy and psychology at Washington University, returns from Bonebrake Theological Seminary with his wife and daughter to St. Louis, where they spent the past summer. Dr. Cramer graduated in 1936 from Ball State Teachers College with a B.S. degree in education, and in 1954 where he attended Abilene College in Abilene, Texas. He has attended Abilene College in Abilene, Texas, as his hometown, and recently spent a year in the Netherlands as a member of the anti-communist underground. He was a member of the White Russian army which was displaced persons in the Soviet Union, and had taught at the Russian Institute of Forestry and Mining and the University of Colorado. He holds degrees from the University of Michigan Normal College, Columbia University, and the University of Wisconsin and has completed his Ph.D. requirements. His graduate studies were preceded by teaching at Pamona College, a World War II veteran, he married in 1941, and has three children. Mrs. Joseph R. Koliischew, assistant professor of English, attended Brooklyn College and Columbia University and soon will have her doctorate. She has taught at Brooklyn, Syracuse University, and Ohio State University. She was a naval reserve lieutenant in World War II. Her husband has joined the faculty of the II Extension Center in downtown Indianapolis.

Dr. Koliischew was a member of the White Russian army which opposed the Bolshevik revolution in 1917 and subsequently was a member of the anti-communist underground. During his steadfast opposition to communism he considered it unsafe to remain in the USSR, so he and his wife fled to Germany during World War II. After eight years as displaced persons they were able to come to the United States. Dr. Koliischew is a former professor of philosophy and psychology at Washington University, and holds degrees from the University of Michigan Normal College, Columbia University, and the University of Wisconsin. Enrollment Tops 550

Indiana Central College has an enrollment of 550 students this fall, the highest in its history and a gain of slightly more than 20 per cent over a year ago. This is the second consecutive year that the college's enrollment has jumped 20 per cent. The total last fall was 469.

The previous enrollment record was 415 in the postwar boom of 1947-48.

There are 356 men and 202 women students at Central this year. Seventy-five of the men are studying under GI Bill. The breakdown by classes is: Freshmen, 130; Sophomores, 120; Juniors, 60; Seniors, 55. The freshman girls are outnumbered by 152 men to 94 women.

Two-five men and 28 women are enrolled in evening classes.

Attention!

Be on the lookout for the Golden Anniversary plates. They will be on sale in the Campus Cupboard on Homecoming, Oct. 22. These plates are 10 inches in diameter with an eggshell plate finish, a picture of the Administration building on the front and a short history of the college printed on the back. Picture hangers will be available for the plates. The Senior Class heads this project and orders for plates may be placed with any senior.

The five candidates for title of 50th Anniversary Homecoming Queen are, first row, left to right: Sara Reidenbach and Mary Brock-Jones, Second row: Marlene O'Dell, Ruth Emmert, and Kathleen McCormick.

50th Anniversary Homecoming To Be The Best

by Marilyn Stewart

All Centralites who expect to attend early morning Monday morning classes would do well to be completely rusted up before High School and Homecoming Day this Saturday, Oct. 22. The day promises to be the busiest, biggest, and best Homecoming ever.

BEWARE Ginger's back again snipping around in all the little nicks and corners. Be careful of what you say, what you do, and when and where you say it to be known who I might be your roommate, best buddy, boyfriend or girlfriend. (I might add that I cannot be held responsible for anything I hear about you—or others.

Central finally seems to be getting up to date on the fad. I'm speaking of Bermuda Shorts—"Who, Big guys Crazy Pants." Then there's the ever popular green beanies. Kids, those really do things for ya, remind us you're freshmen.

I've noticed a lot of changes and additions around here this year but some of the old stand-bys are still around such as: Carlotta M. and Louise T. perched on the horsehoe; Bob LaFaver and Phyllis Harmon holding hands in the library; Mrs. Peatzy's food; and Dr. Market.

It appears that freshman orientation didn't include quite everything. It took a certain freshman a few weeks to find out that the Med House is not the Southern Circle.

Quite a few Central students were at the Indiana Theater a few weeks ago to see the movie, "To Hell and Back." And there was Larry Martin in the center section of the balcony benevolently pointing out all the Centrels to each other. He's back too.

Borrowed Date Too?

A certain junior, Joe Wilder to be exact, was questioned by the Latin class before the fall banquet. "Is that banquet formal or can I wear my own clothes?"

More Crumbs . . .

... I hear by way of the grapevine that APO men have been frantically searching for a watermelon they left behind Wilmore the night of the watermelon feast. Just a little tip from someone I overheard the other day—the melon was taken care of on the east fire-escape of Wilmore a few nights ago after the grapevine information as to how the girls got the watermelon on the fire escapes without the whole dorm knowing it, contacted Elvis Williams.

Charles Denbo: "Were you excited on your wedding day?"

Sara Reidenback: "Excited! I gave my bride ten dollars and kissed the minister."

Oh Ha! What to do with the co-ed who was so dumb she thought hardening of the arteries was a highway project.

So long! Hope to "hear" more about you for next month!
That “Many Splendid Thing” Hits Record Production Rate
by Mary Hauswald

There certainly was a “popped free” in this summer. Rings—e specially wedding rings—tended to pop up all over when we came back to school this September. Besides those which were predicted in the June issue of the REFLECTOR, here are the rest.

Karen Castleline was among the girls whose rings came in this summer season. She and Roy are continuing school here—Janet her second year and Roy his first. They plan a ceremony for near August 26.

Carolyn Meekings (57) and Tom Sims (56) celebrated her birthday a few weeks ago in a big way. She is now wearing a ring and plans are being made.

Annie Soderman (ex-57) and John Bowles (ex-56) will always remember July 31, 1956. John, who is stationed in California, came home with a ring for Ann. Ann is teaching fifth grade this year at Cresco, Illinois.

Mr. and Mrs. B. E. L. (ex-57) have already building a home south of Greensboro. 

Just to get in this issue of the REFLECTOR, Bill Bright (57) presented Pat Hunt (57) with a diamond, October 7. Because of the uncertainties of a draftboard, they have no definite plans.

The senior class had three additions to its engaged group. First was Gary Douglas Rhodes who made his proposal to Sharon A. Peay. Dave (59) are a proud Sun and peaple.

No doubt there are more than the two football players. Mark Stephens was born Sept. 10.

Kevin Lynn Clayton came on September 31, by the way. he has served as a guest minister during Re-.

Mr. and Mrs. David Pregley (ex-57) had an addition to the family on Sept. 26. Her name is Kathy Joan.

Burgie and Jean Craig gave an addition to the sophomore class on September 31, by the name of Kimbry-Sun.

Dr. and Mrs. Bernard Carlson (50) Hunter also added a son to the family on November 13.

Mrs. Grace Middlebrooks (56) in Westerville, Ohio, where Paul is a student at United University College. The Middlebrooks have taken over the duties of house-.

Melba Ullrich and Elaine Soules with a diamond, June 11. They plan a bigger day next summer.

Mr. and Mrs. Michael Swanson (58) have parted ways and have set a definite date.

Pat Warner (57) couldn’t be seen but will be missed in this fall. She chased her fiancée from Oregon. In fact, she left for San Francisco, hopped the next plane and reported to a friend of hers in Dubuque. Pat Warner (57) decided to go on the “Morris flats” (with Pete (53) of course). **GRIDIRON GREYHOUNDS LEAD HCC**

**THE REFLECTOR**
October 20, 1955

**Touch FB, Ping-Pong, Tennis, Golf Spark Intramurals**

Athletic Director Angus Nicolson has outlined a promising plan for intercollegiate activities. He has appointed leaders to organize an intramural program for touch football, table tennis, golf, and track and field sports. These events will be held during the week, as much as the football game is talked about on Saturdays.

Marvin Knox, who is in charge of touch football, reports five active teams. There are five Franklin teams. From Men’s Hall, one from Bunton Hall, and an off Campus team. The first round of Men’s Hall and Bunton Hall teams are tied for first position in the standings with a 1-0 record. Table tennis has attracted attention this last week as some of the players have already entered the tournament. The first round of pinn-pong champs are Morris Masten, Prof. McBride, Prof. McGuff, Keith Slaughter, Don Houge, and Tommy Whitten. Don Lewis and Jim Cornett, the organizers of the tournament, pair the players for the winner and the runner-up. The finals are to be played in chapel on Nov. 1.

Bill Green and Phil Kelley organized the golf-tournament and are making up the handbook on the participants. Kelley and Dick Bannuel tied for first places with a 72. Charlie Burris and Morris Masten followed closely with 74. (All scores include handicaps). The play-off between Kelley and Bannuel will be announced later. The Franklin players are just getting their tennis program under way. They have eight players on the court and are still accepting participants.

**Dick Nyers pulls down a 56-yard pass from Dick Shierer for the winning touchdown against Franklin. Number 73 is Jack Huffman, Central fullback.**

**Hounds Dogged By Alma In Opener**

Indiana Central, rated as a 13-point underdog, fell to Alma, Ohio, by a 24-0 score. Alma failed to score in the fourth quarter only.

Central’s only threat came in the middle of the fourth quarter when they marched to Alma’s 13-yard line.

**Harriers Win One, Lose 5**

ICC’s cross-country team has found the win column only once in six attempts.

The Indians defeated Franklin, 16-5, on Sept. 24, then lost to Butler, Earlham, DePauw, Anderson, and Wabash. Anderson and Earlham, two conference teams, won, 15-6 and 18-7, respectively.

**Central claimed first place in the Conference standings by defeating Anderson 13-6, Oct. 8. This made the Greyhounds’ conference record 3-0 for this season and extended their consecutive victories to 13.**

Dick Shierer, senior quarterback, carried the ball more than usual and scored the first touchdown in the opening seconds of the second quarter. Ed Maekerjowski converted the extra point.

Late in the second quarter with the score 7-0, Shierer hit Nyers with a long pass who ran 88 yards for the second touchdown of the half. Shierer hit Dave Birt- ram for the extra point to make the halftime score read 14-0.

The Grizzlies came fighting back and scored after the half but failed to convert the extra point.

In the final quarter, Dick Nyers, another senior, spent 10 yards for the clincher.

**Trailing The Greyhounds**

With Jim Knight

Art Funk, last year’s columnist, has gone the way of all good seniors. Behind him he leaves the memory and challenge of an interesting and up-to-date sports page.

‘Congratulations to Jim Walters, our new football coach. Taking over any team with an undefeated record is a hard position for a coach to fill. Jim seems to be the man to follow winning traditions as he has put the Greyhounds out in front with his 3-0 conference record. Doubts, if fans ever had any, have all been erased.

Jim surprised the Earlham team, as well as the fans, with his sideline play. This surprise element could have probably been used more this season if it had not been “publicized” so much. Imagine Jim’s astonishment when he opened the Monday morning paper to find out that he had been disgraced in anyone could understand it!

Freshman Steve Lane seems to be one of our best men when it comes to charging through the middle of the line. In the Franklin game he gained 69 yards in 12 attempts.

...eight-nine-ten! You’re Out!

The Franklin-ICC game was a hard-fought one all the way. The game ended in a rather rough fashion which left an unidentified Franklin player shaken up considerably. The prayers and referees were coming across the field but no one was paying any attention to the injured man. A quick-witted fan stirred up the situation and emphatically asked, “Hey, Rell! What’s the count on the guy that’s down?”

I don’t mean to lessen your football interest any but by next issue, we should begin the change over to the basketball trail. I’ll see you next month. ‘Til then—trail the Greyhounds.

**Net Squad Nets Franklin 6-1**

ICC’s tennis team, which finished in a tie for first place last year, found themselves with a 1-2 record in the conference. The lone victory came at the expense of Franklin, 6-1.

Anderson claims a 4-3 victory and Earlham has a 6-1 win over the Greyhounds. Although there are only two freshmen on the team, Benny Harlan and Don Stein are the only two returning lettermen. Hutton, who acts as captain and coach, reports a squad of eight members. The team is composed of Ron Strain, Manny Harlan, John Johnson, Carl Jensen, Norm Talbott, Dale Harmon, Jack Pritchard, and Dale Koenig.

**Central overriding Franklin. Number 63 is Jack Huffman, Central fullback.**

Something new and different has been planned in the way of celebration by the student body. Homecoming will officially begin at 9:20 p.m. Friday evening with the judging of the floats of various campus clubs and classes on the roadway in front of Wilcrest Hall. Don Frink, chairman of Homecoming committee of Student Council, announced that the judges will be Miss Mary Huyse, Prof. Marvin Hunkins, and Prof. Robert McBride.

Saturday morning a program sponsored by the faculty and student leaders will offer educational assistance to high school students. The program will include registration, an assembly in
