Nine Seniors Elected
To Who’s Who by Deans

Nine seniors have been chosen for recognition in the 1955-56 edition of “Who’s Who Among Students in American Colleges and Universities.”

A committee of the Dean of Women, Dean of Men, and the Academic Dean chose the students with consideration to their scholarship, leadership, and contribution to campus life.

Don Erskine, a senior from Indianapolis plans to enter IU medical school after graduation from the Senior Class and of Sigma Zeta, the science fraternity. Don is also vice president of Student Council.

Danny Rhodes presides as president of Student Council and vice president of the Senior Class. He is also a member of CMA and serves a church.

Fred Clemens is the vice president of SCA and of Sigma Zeta. Fred is a pre-med student majoring in biology and assisting Dr. Miller in the lab.

Margaret Breslin from Hammond is president of Wilson Hall, past president of the Youth Fellowship, and now heads the Religious Life Committee of SCA.

Martha Vaughan from Kingsman is majoring in education and is president of both FFA and GMG.

Dr. Miller, Athlete, Pastor, Educator, Counselor, “Dad”

Dr. Millard J. Miller who has been the guest speaker for Religious Emphasis Week will conclude his week’s ministry at Central Sunday, Nov. 20. Dr. Miller was born July 17, 1905 on a farm near Weyers Cave, Virginia, and was graduated from Weyers Cave High School in 1924 where he had been active in debating and athletics.

He enrolled at Shenandoah College, Dayton, Va., where he also taught Bible and history.

Dr. Miller was elected superintendent of the Virginia Conference, EUB Church, and served in that capacity two years. He was then elected National Youth Director of the former EUB Church and fulfilled these duties for five years.

Having often expressed the desire to return to the pastorate, he was appointed pastor of the Otterbein College Church by Bishop A. R. Clippinger on June 14, 1945 where he has since served.

Dr. Miller has been chairman of the Ohio Pastor’s Convention, trustee of the International Society of Christian Endeavor, and President of the Westerville Ministerial Association. At present he is president of the Columbus Area-Council of Churches and a trustee of Otterbein College.

Ernestine Shaffer was his college sweetheart and in 1930 they were married. Now Dr. Miller is the father of two children, Joyce, a sophomore at Otterbein College, and Joe, a freshman in the Westerville High School.

Dr. Miller has been a source of inspiration and challenging messages on IC’s campus this week. He is not only preaching five sermons a day in the mornings, but has found time to counsel with individual students and college dormitories in the evenings.

**Alpha Psi Play Cast To Square Circle Dec. 1, 3**

- Portraying the four Russian leads in the fall dramatic production are, left to right: Doris Sopke, Lee Wyenick, Marilyn Wilson, Ronald Weaver.

- "Squaring the Circle," the Fall production of Alpha Psi Omicron, Chicago's dramatic society, will be given at 8:00 p.m. on December 1 and 3.

- Prof. Teufel has announced the cast of the play which is a satire on Russian marriages written by Valentine Katvari in 1922. This play was very popular in Russia until banned by the Communist party because it ran contrary to some party views.

- Lee Wyenick is cast as Vasya, a serious-minded Russian youth.

- Doris Sopke will play the part of Ludmilla, Vasya's wife, who like everything the party does approved of, such as soft cushions, gulls, and canary birds.

- Ronald Weaver is cast as Abramov, a Russian youth who finds serious-mindedness gets in his way.

- Marilyn Wilson will play the part of Tanya, Abram's wife. Tanya thinks she can enjoy life on party line philosophy.

- Mrs. Tchaikovsky will play the part of Emilian, a muscle-bound poet.

- Joe Boyd is cast as Novikov, the district commissar, who is not nearly as nasty as he could be.

- Prof. Teufel has cast Stas in the role of Rachinovitch, the superintendent of the apartment building where Abram and Vasya live. Rachinovitch is strictly pre-party.

- Rosalie Williams plays the part of Stechkin, a resident of the apartment building who is much concerned with the propriety of love under communism.

- Tickets for the play will sell for $0.25 each.

**Sandy And Dan Lead Student Body With Honored Gavels**

Sandra Anderson and Danny Rhoades, Central's Ed. and Coed of the month are the two presidents of the lending organizations on campus. Sandra, who claims Bloomington, Ill., as home was elected last year as president of SCA for 1955-56. She is a senior, majoring in elementary education and is now student body president at School 24 where she observes and endorses first graders in her class.

Staff Columnist

Sandy is employed as assistant to Mr. Pearson in the publicity department and has recently taken over the duties of the News Bureau due to Mr. Pearson's illness. She has been one of the most active and influential Centralians, having served as secretary of the Student Building Campaign her junior year, writing this column for the Reflector, serving as business manager for the Oracle last year, and serving as secretary for the College Choir. She has also been a member of Student Council, Philological Library Society, IAY, FTA, Verdi Club, SGS, and SSIS Society of Sweethearts Sports Sparklers.

Making Plans

Sandy sits alta in the Central Mixed Quartet which travelled over a distance last summer giving programs and advertising the college. Her vital interest, by the way, answers to the name of Bill Schmeling (20) who is now enrolled in United Theological Seminary at Dayton, Ohio. They are planning their wedding for next summer.

Council Head

Danny Rhoades, the very capable Student Council president, is doing a tremendous job of helping to bring about a "greater Central." His busy schedule includes holding the office of treasurer of SCA, vice president of the senior class and membership in Sigma Zeta, science honor fraternity.

Danny is one of Dr. Morgan's lab assistants, is a student pastor of Jeffersonville Presbyterian Church, and was elected secretary and coordinator of CMA, and vice president of the junior class last year.

Throughout his college career, Danny has kept up the scholastic record he set for himself during his freshman year. He received the award of becoming a member of the freshman honor society and has just recently been elected to "Who's Who in American Colleges and Universities."

**Pop Tea**

Danny and his wife, Peggy, reside in the barracks and are the proud parents of a four-month old boy named Gary.
Weaver, Morgan Receive Doctorates From Central

Honorary doctorates were conferred upon Prof. Sibyl Weaver, head of the English department, and Dr. William P. Anderson, head of the biology department, at a convocation Thursday, Oct. 6.

This convocation was in observance of Founders Week, Oct. 3-8, during which time the 50th anniversary of ICC was celebrated.

Prof. Weaver, who received the Doctor of Humane Letters degree, was graduated from Indiana Central in 1916 and received a master of arts degree from Indiana University in 1918. She then joined the IC faculty. She has done graduate work at Indiana University and the University of Wisconsin, Minnesota and Chicago.

Dr. Anderson, an alumnus of Central in 1919, received a doctor of laws degree at the convocation service. He has obtained an M.A. from IU in 1922 and a doctor of philosophy degree in science from IU in 1929. Dr. Anderson is now a member of the faculty of the Indianapolis extension center of the IU in addition to his duties at Central.

Benny Harlan, Central's undefeated tennis star, has spiraled the tennis team as both coach and player. He first became interested in tennis at the family's farm while living at Carmel, began playing tennis with the neighborhood gang.

When, who attended Tech High School, he started a tennis tourney competition as a sophomore. By his junior year, he had improved rapidly and so advanced to the semi-finals in the City High School Tournament. The same year, playing with Jerry O'Dell, he made the doubles in the tournament.

By his senior year at Tech, Benny had advanced to the winning of both the singles and the doubles.

After graduation, Ben went to Eckhart to play in the Junior Division of the State Tournament. Again, during the summer of 1955, he found success winning by winning the singles and the doubles of the tournament.

Benny only had one match at Tech and has gone undefeated at Central. In the last four years, he has won 17 tournaments. This past summer, Harlan won the Men's City Fall Creek Turn-}

Trailing the Greyhounds
With Jim Knight

Shadows of Football

One noticeable improvement of this year's football squad over previous seasons was the ability to convert the extra point. Ed Masten was an important factor as he was the outstanding "extra point" kicker.

Steve Lane also proved valuable as a kicker but was used mostly for punting.

Dick Nye, who has recovered rapidly from a football injury, will report for basketball practice this week.

The "C" Association is to be commended on their supervising of the Homecoming Queen program this year. The floats that were present were also good but where were the rest of them? This type of parade is an example of our school spirit. Is there just three or four groups with enough interest to work and show their appreciation of our school and our athletic teams. We still have time this year to make enough for this neglect but next year-

LETS HAVE MORE FLOATS!

Basketball Outlook

After placing fifth in the conference last year, the Greyhounds hope to start rolling this year.

- With experienced lettermen, Bob Jeffell, Dick Nye, Balloy Bohemian, Dick Wernahn, Marv Knopf, Charles Denbo, Larry Gartner, Larry Hanzl, and Dave Curti return, the team should have a nucleus from which they can develop rapidly. Also added to this list of seasoned players are Don Thomas, a former three letterman, and Charlie Smith, a wayside guard just returned from the army. Bobbi Thiel, a transfer from Purdue.

- With the freshman added to the group to provide depth, all we can do is wait and see and BACK THE GREYHOUNDS WITH REAL CENTRAL SUPPORT!!

Hanover Dampens Alumni Day 19-13

The Hanover Panthers ended the Greyhounds string of 16 consecutive victories by defeating Central 19-13. Central was forced to play most of the game without the services of Dick Nye, who sat out most of the first half, re-injured his ribs on his thrilling touchdown play.

"As the half ended, the home-crowd fans read the scoreboard 19-13." Hanover.

Central came back with determination in the third quarter as Jack Hoffman scored on a 29-yard run. Dick Masten, converted the extra point.

It was still in the third period that Dick Nye literally put himself into the ballgame and raced 49 yards for a long-to-be-remembered run.

Central threatened once more in the fourth as Hanover fumbled on their own 33 but the Greyhounds failed to capitalize on the error as Dick Shierer's pass was intercepted with a minute to go.

Frosh Exhibit "Beginner's Luck"

What a class! The freshmen, for the first time in Central's history, have captured three "firsts" in the opening events of their college careers.

They won first place in the first competition on Homecoming Day, Oct. 22, first place in the tug-o-war with the sophomores, and first place in the stunt contest Oct. 20.

I.C. Harriers Place 3rd In Conference

ICC's Cross Country Team placed third in the conference behind Hanover and Anderson. Hanover scored 26 points and Anderson 53 to Central's 76. Earlham, Manchester, and Taylor finished respectively in that order.

Art Targgart, who placed sixth in the conference, finished first for ICC. He was followed by Jester with 11 points, Jones, 15, Jones, 21, Adson, 24, and Mace, 27.

Targgart also placed first for ICC in the 5-kilometer run. He was Nav. 4. He finished 30th in a field of 99.

Coach Angus Harmon attributed the conference success to the sacrifices made in individual meets.

Undeated Quakers In HCC Play

IC Romans Ashlands;
Downed By Findlay

Displaying a strong and aggressive line, Central scored a definite win over Ashland (Ohio) 22-21, on Oct. 15.

In the final game of the season Findlay (Ohio) turned three successive kickoffs into touchdowns to defeat Central 47-7.

The Greyhounds scored first in the opening minutes with Dave Bertram taking a short pass from Dick Shierer. Ed Masleskwicz booted the extra point but Findlay soon scored the tying touchdown.

The overall record of the Greyhounds this year is 3-3-1.

Trojans Bow To 7-6 Defeat By IC

Without the services of senior halfback, Dick Nye, the Greyhounds lost the Trojans 7-6, at the home game played Oct. 29.

Taylor took the lead on a one-yard plunge in the second quarter. Taylor's advance really began when they were forced to kick and IC was called forfoul.

Taylor was awarded the ball on Central's 49-yard line and continued their march to the touchdown. Tom Lockwood, who had scored the touchdowns, failed to kick the extra point.

The Greyhounds started their retaliation march in the same quarter as Dick Shierer hit Bob Woods with a 14-yard pass. Near the end of the second quarter Johnny Marsh, who filled the injured Nye's position, carried the ball over from the one-yard line. Again, it was the test of Ed Masleskwicz that booted the ball for the winning extra point.

Central provided a serious threat in the third period and had a touchdown, by Gail Foy, called back due to a clipping penalty.

In the fourth quarter, Taylor marched to Central's 23 but had their hopes shattered as Ned Vargo intercepted a pass, ending the game 7-6.

Whippers Urge School Support

By Maxine Milburn

Marion College handed the "Whippers" basketball team a decided 7-6 defeat on Oct. 25 and Nov. 7.

The last game played at Marion showed a promising first half for the "Whippers" but the opposition rallied in the second half for the final score, 22-21.

With volleyball drawing to a close, basketball practice is well underway, and here's where I want to talk straight. If the girls had half the encouragement from the student body that the boys enjoy, maybe they could rack up a few victories.

The few Centralists who attend the Marian-Central volleyball game in our own gymnasium found themselves amidst a crowd of unfamiliar faces and probably wondered if IC were even playing. However, by a second glance, they were rescued by some other familiarities — namely Coach Nancy Stanfill and the Whippers team.

If the Marion fans can come down and make it easy to give their support, why can't YOU walk across campus to back your girls' team?
