Candlelighting Service Opens Commencement Week

The student body, parents and friends witnessed the most elaborate of all ICC annual events, Saturday, May 13, at the Coronation of Campus Queen, Janie McIntire. Miss Schafer and her court, Janet Schafer, Virginia Valka, Sandra Brown, and Judy Thompson will attend over many activities of the new school year.

The result of the election for queen was kept secret until the procession by the court and her majesty, Janie was crowned by President Eshch, and was seated on the throne to receive her tribute song by Loera M. Willard.

The program concluded an activity filled day in honor of the Mothers. They were greeted at a tea in Nelson House. Dormitory opens house and a smorgasbord dinner completed the activities.

"Kitten Kapers" was presented by the physical education department in honor of 1960-61 Queen Sandra Dale and her court, Brenda Huns, Linda Kirkham, Ensora Holbrook, and Phyllis Wheeler.

Seniors Present 'Mrs. McThing'

The play is being directed by Tom McInerney, senior, with Sharon Hambly as technical director and stage manager.

The plot is centered mostly around Howard V. Laron, III, a wealthy widow played by Earleen Hamblett, a young son of the home, who only wanted to play a pedestrian, but instead won for him her mother's favor. Central Wins Baseball Crown

Coach Bill Delight has once again led Indiana Central in a ICC baseball championship, its seventh in the last ten years. The Hounds finished the season with a 21-7 overall record, and a 9-2 conference showing. A summary of the first game of the season is as follows:

**FIRST GAME**

**ICO** 10 0 0 0 0 0 0 0 2 4

**Taylor** 0 0 0 4 0 0 1 0 0 5

The Hounds clinched the All-Sports Trophy by splitting two games with the Anderson Ravens on the Anderson diamond May 13. The Ravens jumped off to a 4-1 lead in the first inning of the first game, but were never silenced. Although the Hounds tied the score when, with two men on base in the half of the fifth, Central had only five hits with Larry and Charlie Spernges constantly at the plate of them. Veteran Ray Howard suffered his second loss of the season, Central lads could muster only five hits in the second contest as well, but five Anderson errors helped the Hounds score seven runs. Don Ireland slammed two triples, and Jerry Townsend drilled a home run, his third of the season, and a single.

Jerry Louis pounces on home plate to clinch victory against Franklin.

POWELL IS MEDALIST

The ICC golf team with the aid of the entire Central faculty and student body, placed second in the Hoosier College Conference in a meet at the Big Four Golf Course Wednesday, May 31. Powell shot a 35 hole total of 145, as the Hounds wrapped up another golf championship. Results of the conference were: 503, ICC 456, Anderson 451, Franklin 471, Manchester 477, and Taylor 270. Those who helped keep score, among the rest of the Central faculty and student body was Professor Powell, Dr. Henry Easter, Jack Green, and Dr. Robert Hoycr.

Graves Pitches Thillmes

The Central track squad finished fifth in the conference meet May 15, being only three points shy of third place. Although all of the members of the squad did their best, individual medallists were Daniel Kline, third in the conference, and Jim Miller, third in the conference, presented the trophy to Lynd Esch and Athletics Director Angus Nixon.

The trophy emblematic of the 1961 medal championship was presented to the team by Dr. Robert R. McIlhine, chairman of the faculty athletic committee, and each member will receive an individual trophy. A cup was given to May Powell, for being medalist on the 4x110 team.

Each senior participant in varsity sports during the past school year received a senior pin from Coach Nixon, and he gave glasses to each senior who has earned four letters in any sport at Central.

seven-seed results for baseball, 16 for track and five for golf.
