Student Forum Held At ICC

Indiana Central College is currently the scene of a two-day Student Forum which is being held in conjunction with the Conference on Cities. The final plans were announced by Indianapolis Mayor Richard Lugar, ICC President Gene E. Sease and Central Council President Kermit Berg at a news conference on May 19. Forum activities, which are being conducted on May 20 and 21, will be conducted in the ICC Fieldhouse.

Invitations have been issued to representatives of all Marion County high schools and to college and university students at Butler University, Christian Theological Seminary, Franklin College, Indiana Central College, Indiana University-Purdue University at Indianapolis, and Marion College.

The Forum was officially opened at 1:30 p.m. Wednesday by Mayor Lugar, who briefly keynoted the program. Speakers for the Wednesday afternoon session included: The Honorable Carl B. Stokes, Mayor of Cleveland and Vice President of the National League of Cities; The Honorable William D. Ruckelshaus, Administrator of the Environmental Protection Agency; Mr. James M. Woods, President of the Studio Watts Workshop in Los Angeles, California; and Madame Colette Fleisch, Mayor of Luxembourg City, Luxembourg.

Thursday morning’s speakers, beginning at 9:00 a.m., will be: The Honorable Russell E. Train, Chairman of the Council on Environmental Quality; Mr. Denis Hayes, founder of Earth Day and director of Environmental Action, Inc.; and Mr. Desmond Plummer, Leader of the Greater London Council, London, England.

The format has been to provide for short informal reports on the part of each speaker, followed by opportunities for questions from the audience. In addition, each speaker has held a news conference for the benefit of student news media following the presentations.

Dr. Sease is serving as General Chairman of the Student Forum. In commenting on the program, Dr. Sease said: “Today’s youth are very much concerned about improving society and with the future of our cities. I think it is appropriate and fortunate that they will have the opportunity to participate in the conferences on cities through involvement in the Student Forum. I am confident that the Forum will offer an opportunity for a stimulating exchange of ideas.”

Ind. Central Names
New Librarian

Dr. Gene E. Sease, President of Indiana Central College, has announced the appointment of Mrs. Florabella Wilson to the post of Head Librarian. Mrs. Wilson, who has been Assistant Librarian since coming to Indiana Central in 1961, will succeed Mrs. Edna Miller, who will retire at the end of the Spring Semester.

Mrs. Wilson received an AL from Indiana Central and her MA in library science from Indiana University. She was an elementary teacher in the Indianapolis Public Schools from 1949 to 1951.

Assuming the duties of assistant librarian will be Marjorie R. Schoch, presently a media specialist at Southport High School. She graduated with honors from Butler University and went on to earn a masters degree in library science from the University of Illinois. She has served as head librarian at Howe, Washington and Arsenal Technical High Schools in Indianapolis.
Editorial

Your Paper

This is the last issue of the 1970-71 Reflector, and I suppose that calls for a brief evaluation of what the past year has brought. From the student body, the school news (?) paper has elicited everything from apologetic approval to downright damnation. Many prominent critics have charged that: 1) the Reflector doesn’t reflect anything 2) the paper doesn’t contain any real news and 3) we use cheap quality paper for printing. A serious rebuttal may be put forward for at least the third point, however.

Seriously, the paper has had its faults. Any voluntary undertaking of this magnitude usually does. However, this year has seen a marked increase both in the quality and reliability of the Reflector. Essentially this is the result of a dedicated editor and a willing and competent staff. Under George Gordon’s leadership the paper switched from a bi-monthly to a weekly publication. Also, content was greatly improved and the material became more relevant to the affairs of students.

The student body and the school as a whole owe a debt to this year’s fine newspaper staff. Those who are leaving will be sorely missed. At the same time, those of us who will be back here next year will again be doing our best to publish a quality school paper.

Thank You

Next week will see the beginning of a mass exodus from the campus of Indiana Central. Some will be returning next fall, others will be gone for good. To everyone who has contributed to our newspaper in any way, a sincere thank you for sharing a small portion of your lives with us. We will miss you. May the coming years hold a wealth of success and fulfillment for you. To those who will be back next year, have a good summer. See you next fall.

May 11th

Central Council Meeting

COMMITTEE REPORTS:

Gil Hubbard reported on the Religious Activity Committee’s appointments, which will help with the function of the religious life on campus. Members are as follows: Elderly Outreach—Jane Holan; Mid Week Comm.—Glenda Combs, Cindy Kistler, Mary Rocke; Nursing Comm.—Paul Abbey; Special Ministry—Bob Biggs and Vickie Season; WUS Auction—Karen Miller; Inquest—Jim and Sue Crammer; Bible Studies—David Fox and Roger Cunningham and Encounter Group—Marcela Overmyer.

Gil also reported on the questionnaires that were sent to all Catholic students, asking them if they would like to attend Mass services here on campus. This would be on a Saturday or Sunday, depending on request. Not enough were returned to make any decisions at this meeting, but the conclusion will be announced later. In special reading classes. Therefore the Council has agreed on a tentative budget of $1,500, the tuition amount which was announced a year ago, effective September 1971. All full-time students will pay the basic amount, and no additional charge will be made for extra hours.

Resident Students. The basic charge for a resident student for the coming school year will be $1,500. This will include the $113 for room plus $500 for room and board. Payment of this charge entitles a student to a dormitory room just as, through the two regular semesters and the four-week final semester (assuming that he is enrolled as a full-time student) and to a meal ticket providing 21 meals per week in the college dining hall. Room assignments will be made on the basis of two students in a room, and will be made by the Deans of Men and Women in the respective dormitories. (The charge for room and board will be the same for all students regardless of the dormitory in which they live. This amount actually reflects no increase from rates we lived in the New Dormitory last year and ate meals on the campus). As you know, unmarried students who live outside of Indianapolis are required to live in dormitories and eat in the college dining hall.

Payment of one-half the total charges for the year must be made by September 13, and the other half by January 25. The registration dates for the regular semesters in 1971-72.

Although we are always reluctant to make increases in costs, there is no other way to make ends meet. Cost of utilities, food, equipment, supplies, labor, professional services, and all other goods and services necessary to our operation have risen substantially in the past two years. Some costs, such as insurance premiums on college buildings, have increased phenomenally in that time. Because of these increased costs, we must alert you to the fact that basic tuition charges this year have increased from $100 to a total of $1,700 for 1972-73.

In spite of these modest increases, Indiana Central remains one of the lowest-cost private colleges in our area. The cost of tuition in a number of our neighbor colleges averages $2,600 and cost ranges from $2,200 to $2,800. In some cases averages $2,000 per year. We make every effort to keep expenditures at a minimum. Our charges to students can be on the low side.

We write this letter to express our appreciation, and to request your understanding, of the necessity for increasing our charges. We hope that the student body will continue to support the college with the same enthusiasm as in the past.

Sincerely yours,
Lea S. Miller
Treasurer

To Parents & Students:

The Finance Committee of the Board of Trustees has just met to set charges for the coming year, and we wish to share this information with you.

Commuter Students. The instructional charge for a commuter student for the coming year will be $1,500, the tuition amount which was announced a year ago, effective September 1971. All full-time students will pay the basic amount, and no additional charge will be made for extra hours.

Resident Students. The basic charge for a resident student for the coming school year will be $1,500. This will include the $113 for room plus $500 for room and board. Payment of this charge entitles a student to a dormitory room just as through the two regular semesters and the four-week final semester (assuming that he is enrolled as a full-time student) and to a meal ticket providing 21 meals per week in the college dining hall. Room assignments will be made on the basis of two students in a room, and will be made by the Deans of Men and Women in the respective dormitories. (The charge for room and board will be the same for all students regardless of the dormitory in which they live. Program for Graduation Week

**SUNDAY, MAY 30**

8:00 p.m. Senior Candle Lighting Service

Ransburg Auditorium

President’s Reception for Graduating Class

Nelson House

**FRIDAY, JUNE 4**

6:30 p.m. Epsilon Sigma Alpha Dinner

Speaker

Dr. Allen B. Kellogg

Professor Emeritus

Indiana Central College

**ALUMNI DAY, SATURDAY, JUNE 5**

7:30 a.m. Music Alumni Breakfast

Schwitzer Center

Board of Directors Breakfast

Schwitzer Center

8:00 a.m. Registration

Schwitzer Center

9:30 a.m. Alumni-Faculty Coffee Call

Schwitzer Center

Alumni Conversation

Speaker

Mr. Carroll W. Butler ’25

12:00 noon Luncheon* and Annual Meeting

Schwitzer Center

Board of Directors Luncheon

Speaker

Reunited Alumni and Student

2:30-3:30 p.m. Nursing Alumni Reception

Nursing Department, Chester Hall

3:45 p.m. Alumni Association Reception

Schwitzer Center

4:00 p.m. Alumni Buffet Dinner*

Speaker

President Gene E. Sease

*Tickets must be purchased in advance from the Alumni Office.

**SUNDAY, JUNE 6**

11:00 a.m. Baccalaureate Service

Physical Education Building

Baccalaureate Sermon

Dr. Gene E. Sease

President, Indiana Central College

3:00 p.m. Nurses’ Pinning Ceremony

Ransburg Auditorium

6:00 p.m. Sixty-Sixth Annual Commencement

Physical Education Building

Commencement Address

Dr. Richard G. Lupteg

Mayor of Indianapolis

*The time indicated above is Eastern Standard Time

Published at Indiana Central College, 4001 Otterbein Ave., Indianapolis, Indiana 46222, weekly during school year except for vacation and examination periods. Second class postage paid at Indianapolis, Indiana.
Spring Food Drive: 

Guts Underway

Daily, we as American citizens are told that our nation is a land of social, political, and economic freedom and prosperity for all, but we find many people still starving from day to day. Therefore the Black students of ICC have initiated this spring food drive to try and partly solve some of the hunger desires that exist.

The Spring Food Drive is a project developed to (1) help fight hunger in Indiana, and (2) involve the Indiana Central student community in real world social problems. The project is primarily concerned with collecting food to help supply emergency food service agencies in the inner city. It is the intention of the Directors that all contributions will be divided between the Southern Christian Leadership Conference's "Operation Breadbasket" and the United Presbyterian Metropolitan Center both of which organizations operate emergency food programs. Applicants will be screened and food allocations granted by these agencies.

In concluding it is important to note that it is often the duty of this project to take the hunger political. We welcome all who participate and contribute, for both make the decision. For more information please contact Liz Johnson or Kenna Hampton through campus mail.

Three To Retire From ICC

Three Indiana Central College faculty members who will retire at the end of the 1970-71 school year, represent a total of 70 years of service to the college. They are Dr. James A Weber, Professor of Philosophy and Religion, Miss Edna Miller, Librarian; and Dr. Kermit R. Todd, Professor of Education. All three were honored with gifts and commendations at the annual President's Breakfast, for faculty and staff.

Dr. Weber, a native of Huntington, earned his bachelor of arts at Indiana Central, a bachelor of divinity at Brooklore Seminary in Dayton, Ohio, and a master of science from Butler University. He was awarded an honorary Doctor of Divinity by Westmar College in 1959. Dr. Weber came to Indiana Central as chairman of the Department of Bible and Religion in 1929 and has served on the faculty for 32 years. Miss Edna Miller received her bachelor of arts from Indiana Central, a bachelor of science in library science from the University of Illinois, and in 1948, a master of arts in history from Butler University. She served as librarian from 1959 to 1957 then returned to Central in 1948. In the interim she held positions with the Butler University library, the South Bend Public Library and the Indiana State Library in Indianapolis. She has served the Indiana Central Library for 27 years.

Dr. Kermit R. Todd earned his bachelor of arts at DePauw University, and master of science and doctor of education degrees at Indiana University. Prior to coming to Indiana Central in 1950, he held positions of both teacher and principal in the Indiana Public Schools for a total of 20 years. For the past 11 years he has served Indiana Central as Professor of Education and Director of Adult Teaching. It has been his responsibility to place student teachers in the public schools for their practice teaching experience. All three of the retirees have been given Emeritus status.

Health Fair Held

A Health Fair, sponsored by the Health and Physical Education Department of Indiana Central College, was held Friday afternoon, May 2 between 12:00 and 4:00 p.m. in the college's Physical Education Building.

Displays and demonstrations emphasized the prevention of individual of various health problems such as drugs, smoking, physical impairment, posture, coordination and nutrition.

Saturday, May 29 (Race Day)
3:00 p.m. - Combined Band and Orchestra Concert, Auditorium
8:00 p.m. - Candle Lighting Service, Auditorium.

Dr. Wiltmer H. Wolf, Associate Professor of History and Political Science Emeritus, has been appointed a Life Trustee of North Central College.

Dr. Wolf was a member of the North Central College Council of Trustees from 1960-63, and was a member of the Board of Directors of the College and Seminary Library Board and the North Central College Alumni Association. He was the recipient of the College's Outstanding Alumnus Award for Service to Alma Mater in 1960.

ICC Golf Team Finishes Strong

Following a slow season marked by rainouts and cancellations of matches, the ICC golf team finished strongly to give Coach Ken Portridge his fifth winning season in as many years. This year was achieved despite a much tougher schedule than in past years, and one which saw the Greyhounds playing in a variety of conditions.

Junior John Davis and Al Hees led the team with season averages of 78 and 79 respectively. They were ably supported by seniors Captain Bob Buchanan and freshmen student athletics director, Bruce Bottom and Bill Alexander. These five regulars averaged collectively, just under eighty strokes per round per man.

The squad triumphed over seventeen of their last twenty opponents, and with the final score of the team at 341, the Greyhounds claimed an equally phenomenal record. The team got off to a roaring start when on March 19 they finished first in a field of eight at the Midwest Indoor Tournament. The Greyhounds then followed with four more place ribbons, including two for new meet records in the triple jump and mile relay. The Greyhounds were also awarded the spirit award by the Intercollegiate Conference at their meet. The Most Valuable Player award of the meet was presented to Joe Breisch, head of the track team.

The team moved to the outdoor track with the same dominating results. At the Wabash Relays on April 19, the Greyhounds walked or ran off with four first place finishes, three of which established new records. Further, the team was awarded four NADA and three USA. One week later ICC edged out DePauw to capture the DePauw Invitational. At a field of eight teams, the Greyhounds earned 61% big points. Once again the team captured four of the top nine finishes, and set three meet records.

The Little State Meet, held on May 1 at Wabash, brought together 10 of the top small schools in Indiana. For once, the ICC trackmen slipped off the top position. Although John Layman and Rick Allen captured the high jump and pole vault respectively, the team's collective 41% points placed them only fourth when the final meet tallies were announced.

A week later the team traveled to DePauw to take part in its first Indiana Collegiate Conference Meet, and here they failed to take top honors. However, the Greyhounds gave a strong account of themselves, finishing second only to Wabash. Meet champions from ICC included Gary Brendel, John Layman and David Williams - all of whom established new school records in their respective events.

For the ICC trackmen it has been a very good year. Time and time again they have proved themselves to be a truly outstanding team. In all, eight school records were broken or tied; 220 yd. dash - Joe Bretch; 880 yd. run - Gary Brendel; 3 mile run - Dennis Walker; high jump - John Layman; pole vault - Rick Allen; triple jump - David Williams; mile relay - Glispie, Bredenas, Messelunas, Bretch. One of the most amazing aspects of this year's team is its team spirit - so young. Only three seniors will be leaving - Dennis Walker, Rick Everhart and Todd Jones. While they will certainly be missed, the depth of this year's team invites optimism about future seasons.

Several special awards have been presented since the end of the regular season, and as a result of these efforts the Greyhounds were invited to several meets.

Grady Goff has been selected to head one of the nation's top 20 Relay Teams, and will be listed on the National Collegiate Track Association's top relay teams. For the ICC trackmen it has been a very good year. Time and time again they have proved themselves to be a truly outstanding team. In all, eight school records were broken or tied; 220 yd. dash - Joe Bretch; 880 yd. run - Gary Brendel; 3 mile run - Dennis Walker; high jump - John Layman; pole vault - Rick Allen; triple jump - David Williams; mile relay - Glispie, Bredenas, Messelunas, Bretch. One of the most amazing aspects of this year's team is its team spirit - so young. Only three seniors will be leaving - Dennis Walker, Rick Everhart and Todd Jones. While they will certainly be missed, the depth of this year's team invites optimism about future seasons.

Several special awards have been presented since the end of the regular season, and as a result of these efforts the Greyhounds were invited to several meets.

Sign Is Completed

There have been questions raised in recent weeks about the completion of the lighted events sign being constructed in front of Schekman Center along Highway 3, as it had never been completed. Now that all the work has been completed, the sign is now in place.

Two post-presidents of APO's Theta Pi Chapter, Randy Hoya, and Roy Meyer, both in the 243 graduating class, played big roles in the creation of the sign committee. As requests continued, the project grew. This spring, members of the fraternity are seeing the final stages of their ribs, and the work appears to be a success.

Two post-presidents of APO's Theta Pi Chapter, Randy Hoya, and Roy Meyer, both in the 1971 graduating class, played major roles in the creating of the sign committee. As requests continued, the project grew. This spring, members of the fraternity are seeing the final stages of their ribs, and the work appears to be almost complete.

According to Mike Willeman, current Theta Pi chapter president, the sign will be turned on at 9:00 p.m. when it is completed this week. Dr. Greene will dedicate it at Alumni Day, June 5.

Major events of the college will be featured on Tuesday's two sides, so why don't you mark your calendars now. Special events will be scheduled this week, so be sure to check the college's schedule to see if any events are being held.

Library Hours:
Memorial Day Weekend

Open:
Saturday - 9:00 a.m. - 12:30 p.m.; Sunday - 1:30 - 5:00 p.m.
Closed all day Sunday.

Winners of this week's 15" Pizza
Glenda Coombs
Gary Greene

PASQUALE'S PIZZA
8" Giant Sandwiches
Spaghetti & Ravioli
Chicken, Fish & Shrimp Baskets

1125 East Troy
787-7223

The drawing will be held every two weeks for the winners of Pasquale's. Winners' names will appear in that issue of the REFLECTOR.
