Fitzwater Elected Trustee Chairman

Otis T. Fitzwater, Chairman of the Executive Committee of the Board of Directors of the Indiana Power and Light Company, was elected by unanimous vote on June 4 to the chairmanship of the Board of Trustees of Indiana Central College. He succeeds Dr. L. W. Hefner, who retired after serving as chairman since 1954. The board for the first time will review the college's activities over the past year and plan for the future. Of particular importance were plans approved for an addition that will double the size of the Lilly Science building with an estimated cost to be $2 million. Fitzwater, who started as Indiana Power and Light Company in 1922 and rose to the presidency of the company in 1927, retired in May of 1927. He has had a long history of civic service which included, among many others, the chairmanship of the Indiana Board of Merchants National Bank and Trust Company, Indiana State Chamber of Commerce, Central Indiana Real Estate Board, and campaign chairman for the United Fund of Greater Indianapolis. He is an active member of the Indianapolis Kiwanis Club, The Columbia Club, Prospect Lodge No. 74 of the F. & A.M., Scottish Rite and Mason Temple of the Mystic Shrine. A member of the Board of Directors of various civic organizations, Dr. Fitzwater is a graduate of Indiana Central and has been a member of its Board of Trustees since 1956.

Sheldon A. Key, ICC benefactor, dies

Funeral services were held at the University Chapel on Tuesday, August 27, for Sheldon A. Key — attorney, businessman and benefactor of Indiana Central College. Mr. Key was a prominent member of the Indianapolis community, serving in many capacities with distinguished ability. He was the founder and president of the Key, Latham, McCrory law firm, a former Marion county prosecutor and former 11th District American Legion Post 10 commander, and campaign chairman for the United States in the 1940 election. He was a co-founder of the Key, Latham, McCrory law firm, which has served as counsel for Indiana Central College since 1928. He also served as a member of the Board of Directors of the Lamb and Lamb Estate in southeastern Marion county. In addition, he was a member of the State Board of Education and had served on the advisory committee for the Indiana University Men’s and Women’s Marching Bands. He was a founding member of the Indiana State Chamber of Commerce and was a director of the Indianapolis Chamber of Commerce.

Mr. Key died after a long illness in his home in Indianapolis on Monday, August 27. He was 77 years old. He is survived by his wife, Frances, and two sons, John and David. Services were held at the University Chapel on Tuesday, August 27, with Dr. R. W. Brooker, president of the college, delivering the eulogy. The interment was at the Indianapolis Memory Park. Contributions in his memory may be made to the Indiana Central College Foundation, the Indianapolis Starlight Club, or the Indiana State Chamber of Commerce.

Registration Day Dance

Central Council is again sponsoring its annual Registration Day Dance, this year featuring the Soul Messenger. The affair will be held in the Student Union on Sept. 13, from 8:00 pm until 11:30 pm. There will be no admission charge.

Dr. Robert M. Brooker

WELCOME TO I.C.C. STUDENTS

We extend a hearty welcome to all entering freshmen and returning students and a generous welcome back to all I.C.C. students. This summer has been a busy one on campus! The new academic year has gotten off to a great start, with classes underway and students busily engaged in their studies.

Dr. Robert M. Brooker

Dr. Brooker Receives National Honor

The following is a list of the recent awards and honors received by Dr. Robert M. Brooker, president of Indiana Central College.

- Dr. Brooker was named an outstanding educator of America in 1971.
- Dr. Brooker is executive secretary and past president of the American Chemical Society, member of the executive committee of the American Chemical Society, and past president of the American Chemical Society.
- Dr. Brooker is a member of the faculty athletic committee, past president of the I.C.C. and I.T.A. He is also a retired colonel in the U.S. Army Reserve.

Registration Day Dance

Central Council is again sponsoring its annual Registration Day Dance, this year featuring the Soul Messenger. The affair will be held in the Student Union on Sept. 13, from 8:00 pm until 11:30 pm. There will be no admission charge.

Appointed by Governor

Dr. Gene E. Sease, President of Indiana Central College, has been appointed to the Indiana State Scholarship Commission by Governor Edgar D. Whitcomb. Dr. Sease will succeed as commission member Dr. J. Lynd Ech, former president of I.C.C.

Nuel Wooden Named Outstanding Young Man of America

Mr. Nuel Wooden, assistant professor of mathematics, has been named an outstanding young man of America for 1971.

Mr. Nuel Wooden is a graduate of Indiana Central. He received his B.S. in 1958, his M.A. in 1961 at Indiana University. He has done advanced study at Butler University and Purdue University. He joined the Indiana Central faculty in 1965.

The staff of the Reflector extends warmest congratulations to Mr. Wooden and our sincerest wishes for continued success.

Homecoming Set for October 9

Get your calendar and mark a red circle around the second Saturday of October, for those of you who are uninformed, that Saturday, October 9, is the date for this year's Homecoming festivities. John Adams, Social Activities Vice-President of Central Council, has announced that the theme for the occasion will be "Under the Big Top." Activities will commence on Saturday morning with the appearance of class and organizational displays and floats. Separate judging for the two categories will be held, and cash prizes will be awarded for the winning entries.

At 2:00 p.m., the football field will put on their usual spectacular performances against Rose-Hulman. But possibly the biggest event of the day will be the traditional Homecoming Dance. This year the semi-formal affair will be held at the beautiful Sahara Grotto (4107 East Washington), with music provided by the Guitars.
REGULATIONS GOVERNING THE COLLEGE-LEVEL EXAMINATION PROGRAM

Indiana Central College participates in the College-Level Examination Program (CLEP) of the College Entrance Examination Board. These examinations are available to students of all ages who have participated in non-traditional education and believe they can demonstrate college-level education in a certain subject. Each examination consists of a 90-minute multiple-choice test containing approximately 100 questions. The tests are administered in accordance with the following regulations:

1. A student may earn as much as 16 semester hours of undergraduate credit by making satisfactory scores on the College-Level Examination tests.

2. The tests are administered twice each year at Indiana Central — in early August and in early December (Friday, August 6, 7:00 P.M. and Friday, December 3, 7:00 P.M., 1971). The request to take one or more of the examinations must be made to the Office of Testing not later than five weeks prior to the test date.

3. A student may take the examinations prior to enrolling at Indiana Central College or after enrolling; however, no record of credit by examination is entered on the student’s permanent record until he has completed 15 semester hours in Indiana Central College and has received a cumulative index of 6.00.

4. College-Level Examination Program tests must be used to validate credits from the United States Armed Forces Institute (USAFI).

5. Indiana Central College will not accept credits which another institution has awarded based on examination results against its standards to determine whether credits will be awarded.

6. Credit will be granted for scores of 50 or higher in a subject examination.

The $20 fee for each test must be made at the time of registration.

As of November, 1970 College-Level Subject Examinations are available in the following subjects:

The amount of credit given for the above subject examinations will be determined by the department head and the Academic Dean.

THE COLLEGE-LEVEL EXAMINATION PROGRAM TESTS ARE EQUIVALENT TO THE FOLLOWING COURSES OFFERED AT INDIANA CENTRAL COLLEGE

### CLEP TEST

1. **American Government**
   - Credit: 3 hours

2. **Analysis and Interpretation of Literature**
   - Credit: 3 hours

3. **College Algebra**
   - Credit: 3 hours

4. **College Algebra and Trigonometry**
   - Credit: 3 hours

25. **Biology**
    - Credit: 3 hours

26. **English Literature**
    - Credit: 3 hours

27. **Introductory Accounting**
    - Credit: 3 hours

28. **Introductory Business Law**
EDITOR'S COLUMN

Your school and welcome to it.

May this year be one of the best ever.

The Reflector has come a long way since its first bi-monthly issue. This year there should be approximately 30 issues published on a weekly basis (except for vacation periods). You may find that some situations have already been added, and hopefully, there will be more improvements before long. With your cooperation, this will be the best year yet for the Reflector. There are still many positions open on the Reflector staff. If you are interested, please get in contact with someone from the office. We would be glad to have you along. It will not take much effort, you need not have any extraordinary talents; all you need is a willingness to help.

There will be organizational meetings on Tuesday morning at 9:45 a.m. and on Tuesday evening at 7:30 p.m. in the Reflector office. You are invited to attend one of the meetings. Current staff members and anyone else interested should plan to be there.

Initially, the Reflector will be distributed on Friday mornings at approximately 10:45 a.m. There will be two news stands outside the Reflector office in Switzer Center where papers should be available throughout the day. We know that our paper is not always interesting; try to limit yourself to one copy per person.

Thanks for your interest in this first issue of the year. The next issue, to be published on September 21. All contributions of news items, announcements, and articles will be eagerly accepted, and will be printed as space is available.

Nurses Make "Neat Operation"

All 110 nursing students graduating this May had all parts of the Registered Nurse Licensing Examinations. They are required by the state to pass this examination.

The girls took the test on June 21 and 22 at the Indiana State Teachers' Association Center at 150 West Market street. During the 2 days exam, the girls were required to write from about 9:00 a.m. to 4:00 p.m.

The test covered five areas, and to pass the test each student must pass all parts of the exam. The five areas covered by the test are medical nursing, surgical nursing, nursing of children, obstetric nursing, and psychiatric nursing.

The test is given in all 59 states and must be passed by students for nursing diplomas, A.D. or B.S. degrees.

Congratulation girls we're very proud of you!

GRE Test Dates Announced

This year's

PRINCETON, N.J. — Educational Testing Service has announced that undergraduates and others planning a high school English major may take the Graduate Record Examination on any of six different test dates during the current academic year.

The first testing date for the GRE is October 21, 1971. Scores from this administration will be reported to the graduate schools around December 1. Students planning to register for this test will be advised that applications received by November 18 may incur a $3.50 late registration fee. After December 1, there is no guarantee that application for this test will be accepted.

The other five test dates are December 11, 1971, January 15, February 26, April 30, and June 1, 1972. Equivalent late fee and registration deadlines apply to these dates. Choice of test dates should be determined by the requirements of your graduate school or fellowships to which one is applying. Scores are usually reported to graduate schools five weeks after a test date.

The Graduate Record Examination includes an Aptitude Test, an English Test, and an Advanced Test. The English Test is given by region, the Advanced Test is given by school. The Aptitude Test is given by region.

Indiana Central Appoints New English Professor

Dr. Gene E. Sease, President of Indiana Central College, has appointed the following new professor:

Dr. Kenneth T. Mulder, Associate Professor of English, will teach courses in English literature, composition, and modern English literature. He is a member of the Modern Language Association. Mulder was the first person to be appointed to the Department of English.

Environmental Chemistry Course Offered at I.C.

INDIANA Central College will offer a new course this fall called, "Environmental Chemistry." It will carry three semester hours of college credit and will be given during the day in a three-hour session per week. It is particularly designed for the part-time student who wants to improve his knowledge of the world in which he lives.

The course will study the problems of pollution in the environment and the damage it does. Members of the class will consider the steps being taken to clean up the world, and will seek to develop procedures that could possibly be used toward a more comprehensive correction of the problem.

The material will be studied from a non-technical viewpoint, but a basic knowledge of high school mathematics and science will be helpful for a full understanding of the course content. Robert M. Broomer, Professor of Chemistry, and Kenneth Clendenon, Associate Professor of Chemistry, will be the instructors, and will be assisted by several visiting lecturers who will present material in their areas of specialty.

While having one 3-hour session per week is a new concept in day classes at Indiana Central, it is believed that this approach will enable the class to become more deeply involved in each course. This booklet contains forms and instructions for the evening division, Indiana Central College.

Finals Week Policy

Last spring there was much talk and confusion concerning the continuation, revision or possible termination of a Finals Week policy. The continuation was caused primarily by the change from a two semester system to the present semester system. Forums were held, petitions were circulated, but there remained much in doubt. The matter, however, was decided at the May 24, 1971 faculty meeting.

Mr. Henricks had called distribution by mail a recommendation from the Educational Policies and Curriculum Committee to abo Finals Week as a separate week of the term. TI motion was seconded by Dr. Brooker.

Dr. Nelson moved to amend the recommendation with the following amendment: It is proposed that the wording of the resolution submitted by the Educational Policies and Curriculum Committee be revised to provide that, instead of abolishing the final examination week procedure at this time, when changed, as stipulated by the resolution, be returned to a provisional and experimental basis, subject to review by the faculty during the second semester of 1971-72. This procedure, to be in full, opportunity for expression of student reaction to the experiment, and as it will have been an experiment of the first semester in some procedure directed by the Academic Dean with the cooperation of THE REFLCTOR and the Central Council.

The motion was seconded by Mr. Wieg. Mr. Fred Linn moved to amend the amendment to state that the trial period be for two semestres instead of one. The motion was seconded by Dr. Cornelius. The amendment to the amendment was passed, and the original motion as amended passed. +

What this means for Central students is that this year there will be no separate Finals Week (please note that finals themselves are not necessarily abolished). Some new procedures will be instigated, subject to possible revision next year. Whatever the new system is, whether it works or not, students have the right and the duty to voice their approval or disapproval.

+ The following was taken from the Faculty Minutes of May 24, 1971.

"ONE OF THE YEAR'S MOST PLEASANT MOVIE EXPERIENCES."

A Reiver is an operator.

A Reiver is a brawler.

Steve McQueen is the head Reiver.

"A wonderful movie! A magical mystery tour."
New Sociology Instructor at ICC

Dr. Gene E. Stase, President of Indiana Central College has announced the appointment of Mrs. Stella R. Jones to the Department of Behavioral Sciences as an instructor in sociology.

Mrs. Jones received her bachelor of arts in Sociology from Seattle Pacific College and a master of arts from the University of Washington. She has had experience as a social case worker with the Washington State Department of Public Assistance and as an assistant in sociology at the University of Washington.

Mrs. Jones' husband, Dean C. Jones, is associated with the Indiana-Purdue Indianapolis campus. The Joneses have two children, Steven 16 and Kathy 14.

Youth Group Meets

The Indiana Central College youth group of the YMCA, as a life-work, are in need of assistant in sociology at the University of Washington.

Mr. Jones' husband, Dean C. Jones, is associated with the Indiana-Purdue Indianapolis campus. The Joneses have two children, Steven 16 and Kathy 14.

Test Dates for Teacher Exams

PRINCETON, New Jersey, September 19. College seniors preparing to teach school may take the New York Teachers Exam any of the four different test dates announced today by Educational Testing Service, a nonprofit, educational organization, which prepares and administers this testing program.

New dates for the testing of prospective teachers: November 6, December 31, and January 29, April 11, and July 15, 1972. The tests will be given at nearly 500 locations throughout the nation.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensure of teachers. Some colleges also require all seniors preparing to teach to take the examinations. The school systems and state departments of education which use the examination results are listed in an NTE bulletin entitled Score Users which may be obtained by writing to ETS.

On each full day of testing, prospective teachers may take the Common Examinations which measure their general education and general educational background and a Teaching Area Examination which measures their mastery of the subject they expect to teach.

Prospective teachers should contact the school systems in which they seek employment, or their colleges, for specific advice on which examinations to take and the dates they may take them.

The Bulletin of Information for Candidates contains a list of test centers, and information about the examinations, as well as a Registration Form. Copies may be obtained from college placement officers, school personnel departments, or directly from National Teacher Examinations, Box 911, Educational Testing Service, Princeton, New Jersey 08540.

CONVOCATION PROGRAMS

It is the desire of the Convocation Committee to present the very best programs possible to the student body of I.C.C. Your evaluations, pro and con, will be gladly received by the Director of Church Relations.

Upcoming programs include:
- Wednesday, September 15 - Formal Opening - Dr. Stase
- Friday, September 17 - "A New Song" - Rev. Ray Hembree, Wesley Foundation Director at Ball State
- Wednesday, September 22 - Dr. Walter B. Coats, University Heights United Methodist Church
- Friday, September 24 - "Each & All" - Bishop Ford
- Wednesday, September 29 - Lyric Trio - Mr. and Mrs. Tabachnick, Mrs. Hungerford
- Friday, October 1 - Mr. Colin Jackson, British Statesman

Address for Indiana Central:

It's Double Duty on Rules

By CORY LAMAN

Reprinted from the Indianapolis News

Dick Nyers of Indiana Central is going to get "over the hump" this football season with a team featuring 32 returners, a mess of talented freshmen and two sets of rules.

Don't be misled by numbers. Nyers isn't. His 32 returners came from a predominant-stacked freshmen-sophomore group that last season was 24.

He and assistants Bill Bliss, Terry Wetherald and Willie Martin beat enough buses to round up 30 new freshmen, 13 of which are outstanding by I.C. measurement. Last season, Nyers' first, there were 17 freshmen who started ball games.

When 1971 unfolded, beginning with practice Aug. 20, Nyers will be one of the few coaches in the business fusing with two sets of rules. That's because the Greyhounds, nurtured for years in the NAIA (National Association of Intercollegiate Athletics), will step out for the first time in the Indiana Collegiate Conference, which is NCAA college division.

Since the new Greyhound schedule has only three I.C.C. opponents this time - St. Joe, Evansville and Butler - Nyers will still be NAIA oriented on the rules.

"There's quite a difference in some of them," said Dick. "I know last year it cost us a couple of touchdowns fumbling the ball in the end zone."

But Dick is bittersweet. "I'm happy the Greyhounds will be playing with the bigger schools."

Last Day for Tryouts

Today, Monday, September 13, is the last day of tryouts for the dramatic production "King Lear." Auditions will be held this evening in the Symons Auditorium between 7 p.m. and 9 p.m. Tryouts are open to all members of the I.C.C. student body, faculty, staff and their families. Those wishing to audition for a speaking role must memorize at least ten lines of one speech for the tryouts. Those interested in "walk-on" roles need not memorize a speech, but must still fill out a casting sheet at the tryouts.

There are speaking roles for 11 men and 3 women.

Production dates for "Lear" are November 5, 6, 12, and 13 in the auditorium. Be sure to get your tickets in the Music Office by the first of November. For more information see either Mr. Williams or Leva Hammond.

PRE-TELETHRON PROGRAM

All students considering a Church Related or Church Work Ministry as a life-work are in need of assistant in sociology at the University of Washington.

Mr. Jones' husband, Dean C. Jones, is associated with the Indiana-Purdue Indianapolis campus. The Joneses have two children, Steven 16 and Kathy 14.
