One of the greatest areas of concern felt by students at any university is who to go to, for what, and when. Allow this perplexing problem to pain you no longer. The President of the University is Dr. Gene E. Sasse. When he is not off campus performing his Presidential duties, and often when he is, he may be found in his office in the Kranzler Memorial Library. The administration of ICU may be divided into three main areas: Financial, Academic, and Everything Else. Financial is headed by the Vice-President, Treasurer, Leo Miller, located in the Kranzler Memorial Library. On a more local scale lies Financial Aid (work-study, scholarships, grants, etc.) which is headed by Linda Handy. The Financial Aid Office is located in each Hall.

If you want to cash a check, pay a bill, or discuss fee payments, then the Accounting Office, located in each Hall is the place to go.

Three questions regarding class schedules (withdrawals and sign ups), grade problems or credits, Academic Services in Good Place.

Hall, headed by Dr. Lynn Youngblood, Dean of Academic Services will aid you.

The third area is the newly-designed concept – Campus Life of Student Services. Campus Life concerns all areas of the campus – cafeteria, health services, discipline problems, student activities and organizations, and an excellent place for students to find counseling, Debra Hunter and Merle Tebbe, as directors of Campus Life, coordinate this area.

Dr. David Huffman serves as Dean of Student Services. He oversees three branches of offices – Admissions, Campus Life, and Career Counseling and Placement. The joining of these three offices will provide a cohesion and also allow easier access for the students beginning with admission into the school, through Campus Life, and onto Career Counseling and Placement.

Career Counseling Office provides aid when students are seeking a career or a part-time job. These offices are located in the basement of Switzer.

Last, but not least, Mr. Ken Bottell, with his twelve hats, is the Business Manager. These people and offices are here for your benefit and you. Each Hall is now under renovation. Escalators and sprinkler systems are being installed. When completed, the building will also accommodate handicapped persons.

Sidewalks have been constructed between the buildings surrounding the Switzer parking lot for the protection of the students and faculty, and parking lots will be brighter now with the addition of new parking lights.

Many of the passengers telephone poles that were on the campus have been removed and the cables have been buried underground.

Other plans for construction of new buildings and facilities are under consideration.

DON'T FORGET TO FILL OUT THE PR OFFICE STUDENT INFO CARD IN THE REGISTRATION LINE.

The REFLECTOR needs reporters and feature writers in theater, music, news, and campus events.

WE ESPECIALLY NEED SPORTS REPORTERS.
